[57] CLAIM

The ornamental design for a heated hair comb, as shown and described.

DESCRIPTION

FIG. 1 is a right side elevational view of a heated hair comb showing our new design; FIG. 2 is a top plan view thereof; FIG. 3 is a left side elevational view thereof; FIG. 4 is a bottom plan view thereof; FIG. 5 is a front end elevational view thereof; and FIG. 6 is a rear end elevational view thereof.

The cord portion of the design is shown partially broken away in the various views to indicate indeterminate length.
