[57] CLAIM

The ornamental design for a combination eccentric disc lock clamp and rear end shelf bracket, as shown and described.

DESCRIPTION

FIG. 1 is an enlarged side perspective view of the obverse side of a combination eccentric disc lock clamp and rear shelf bracket showing our new design; FIG. 2 is an enlarged perspective view of the reverse side thereof; and, FIG. 3 is an enlarged rear elevational view thereof. The broken lines showing of FIGS. 1 and 2 is for illustrative purposes only and forms no part of the claimed design.

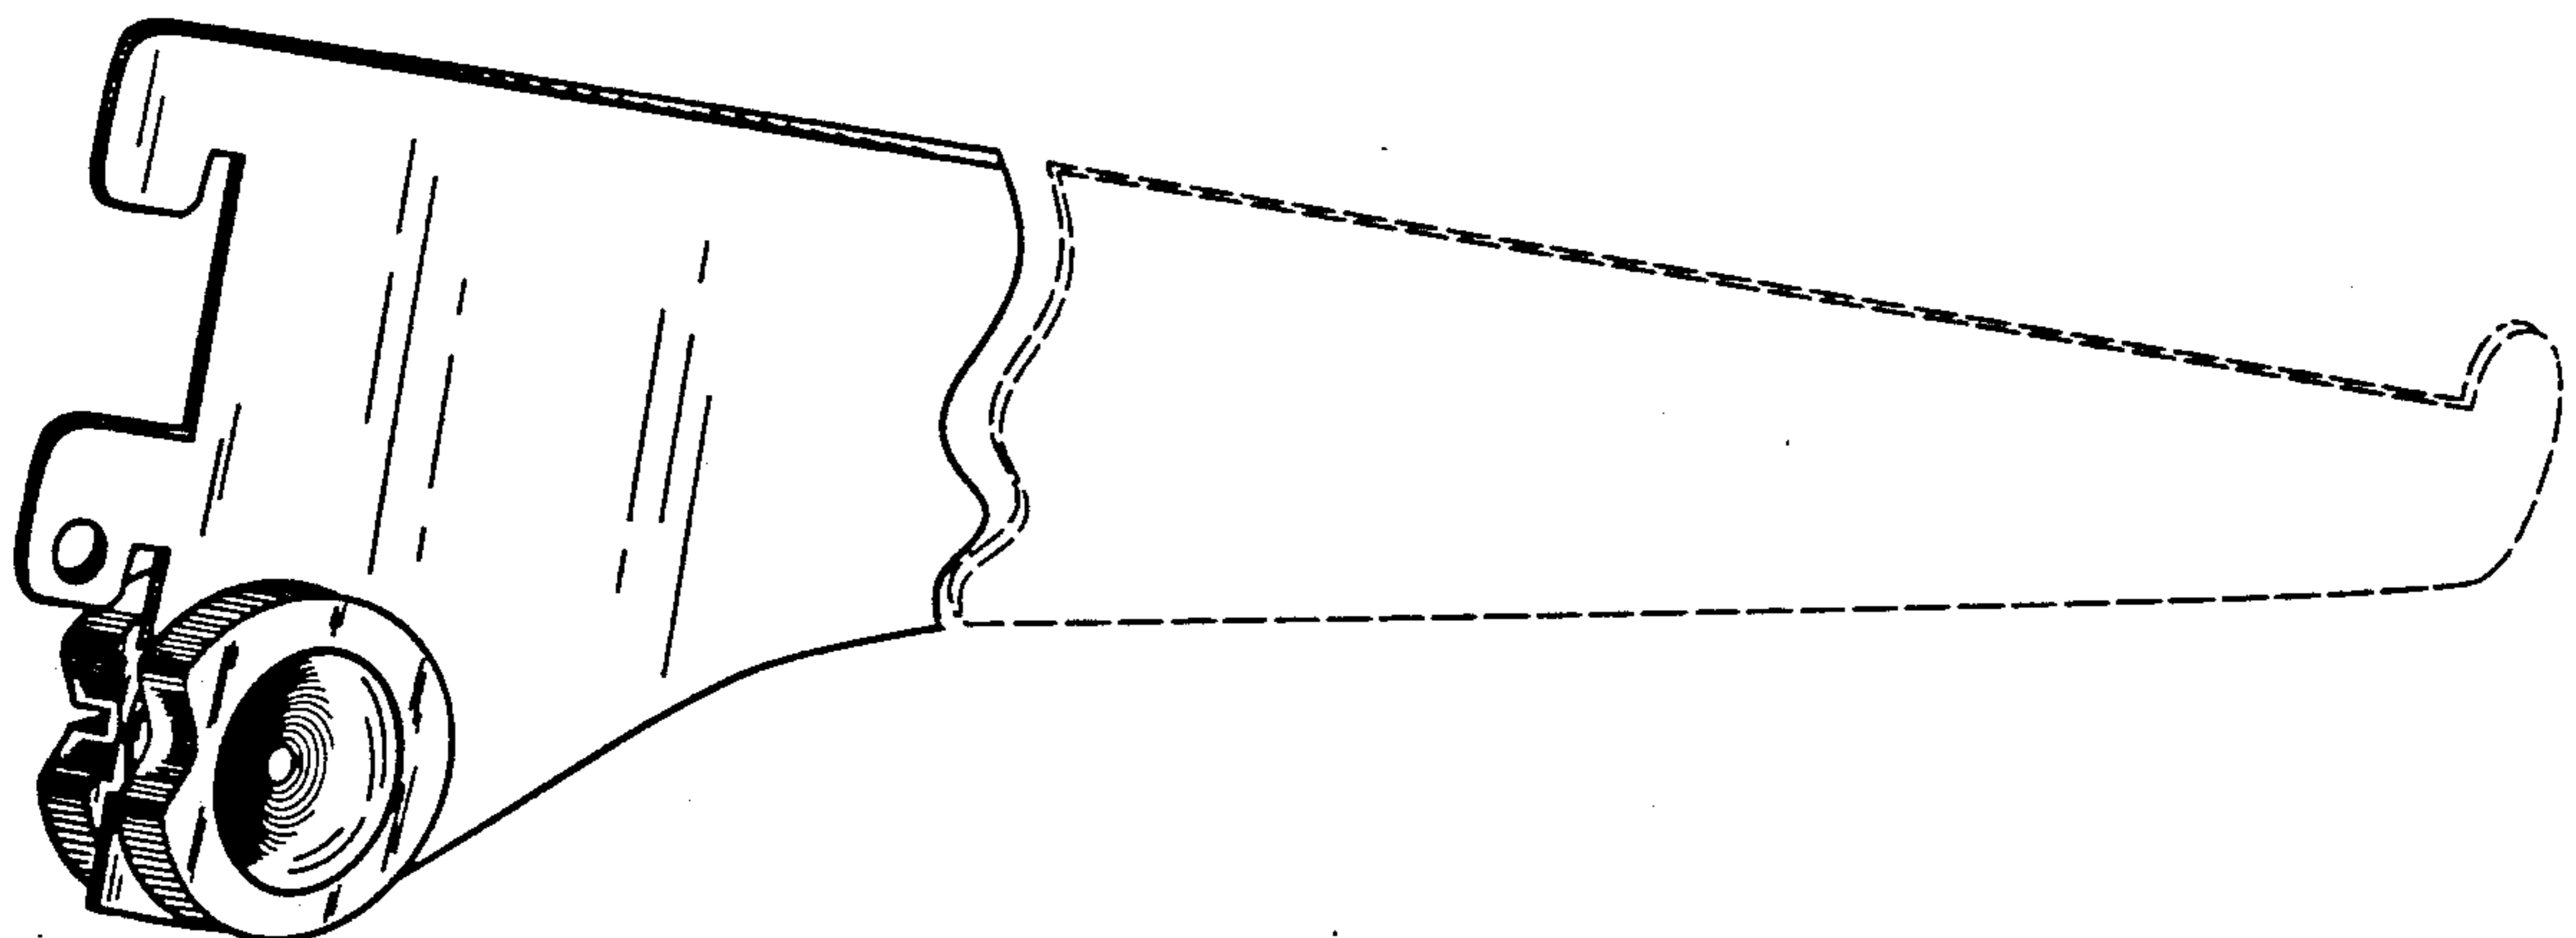

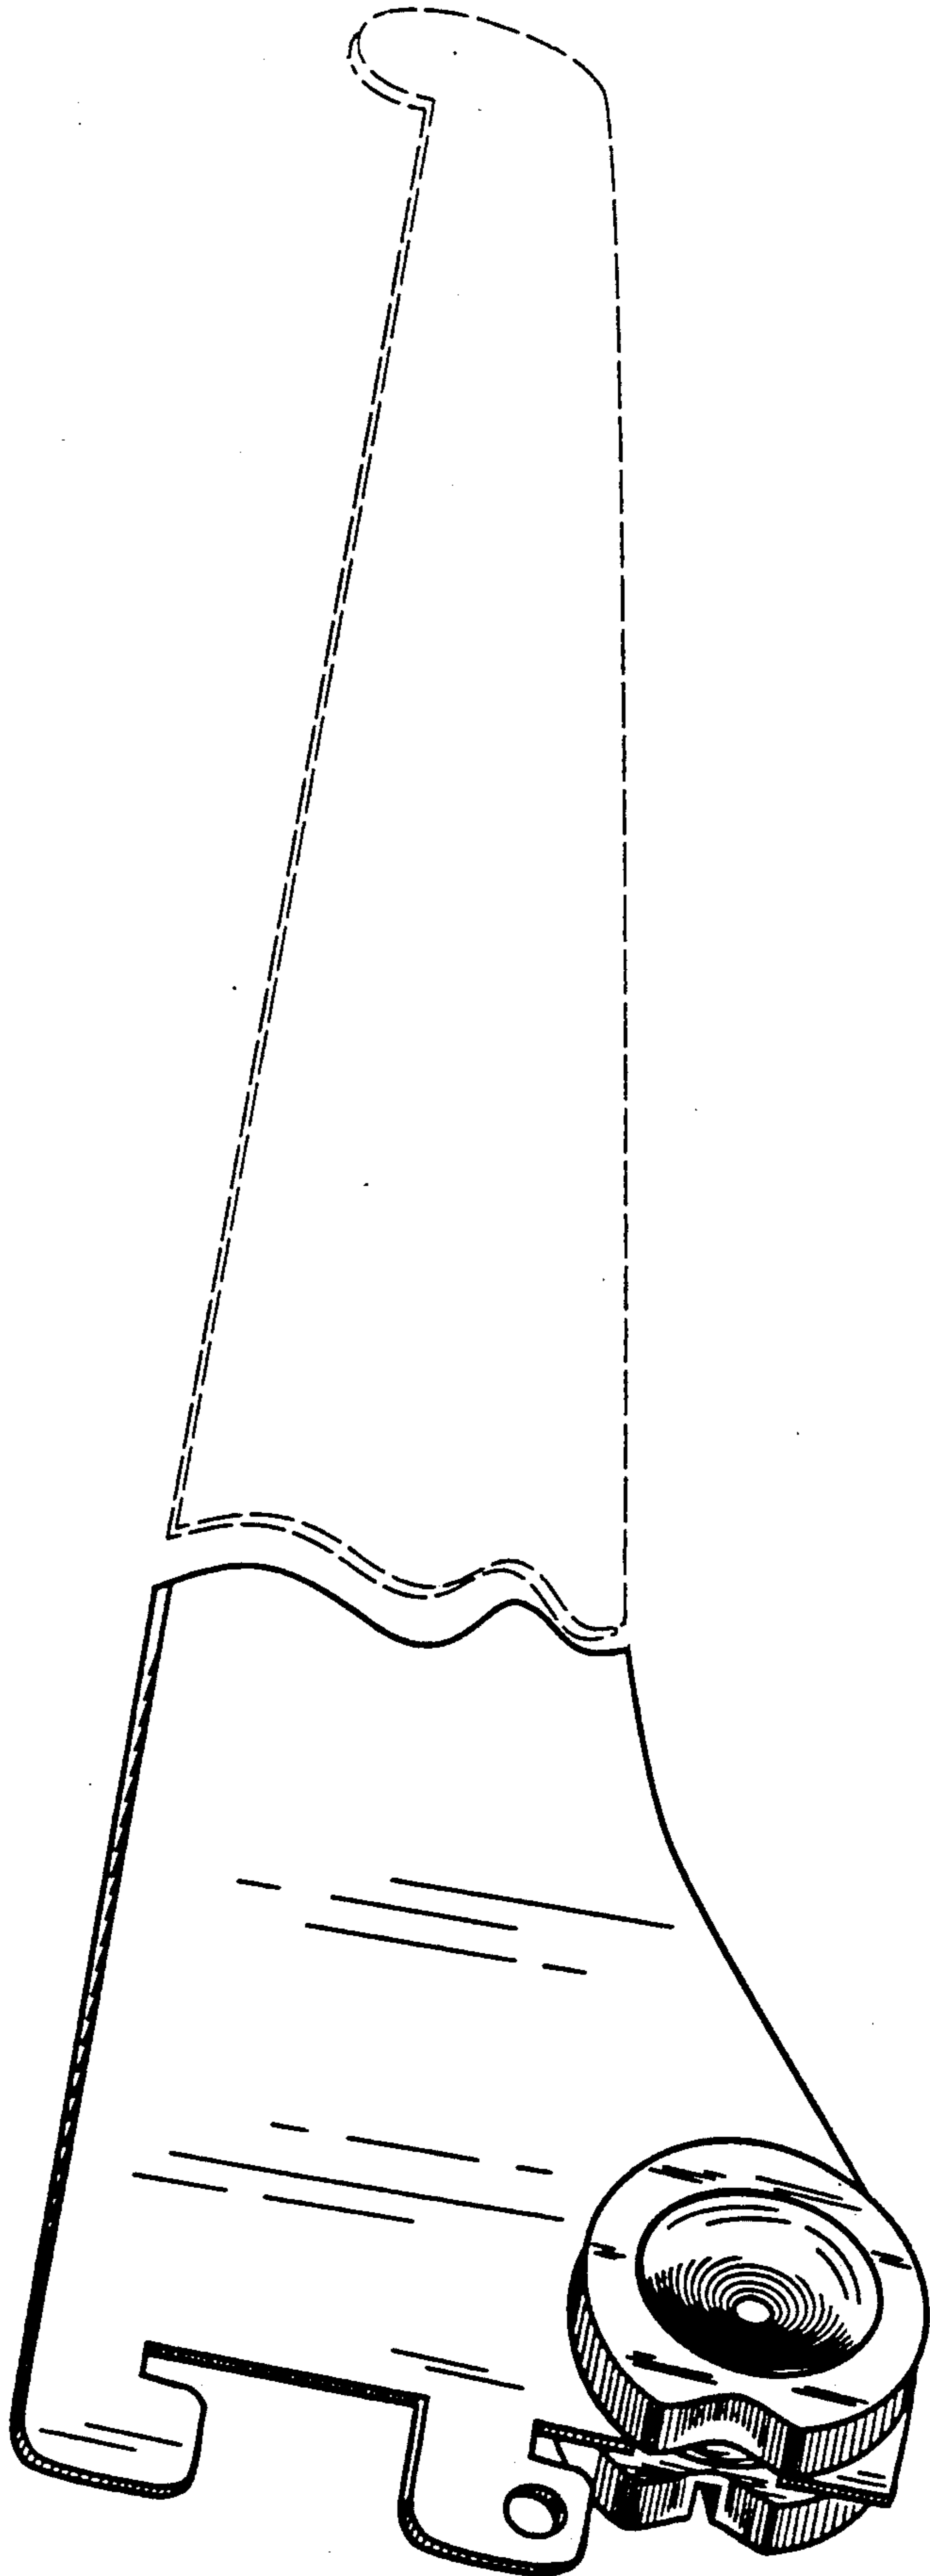

FIG. 1

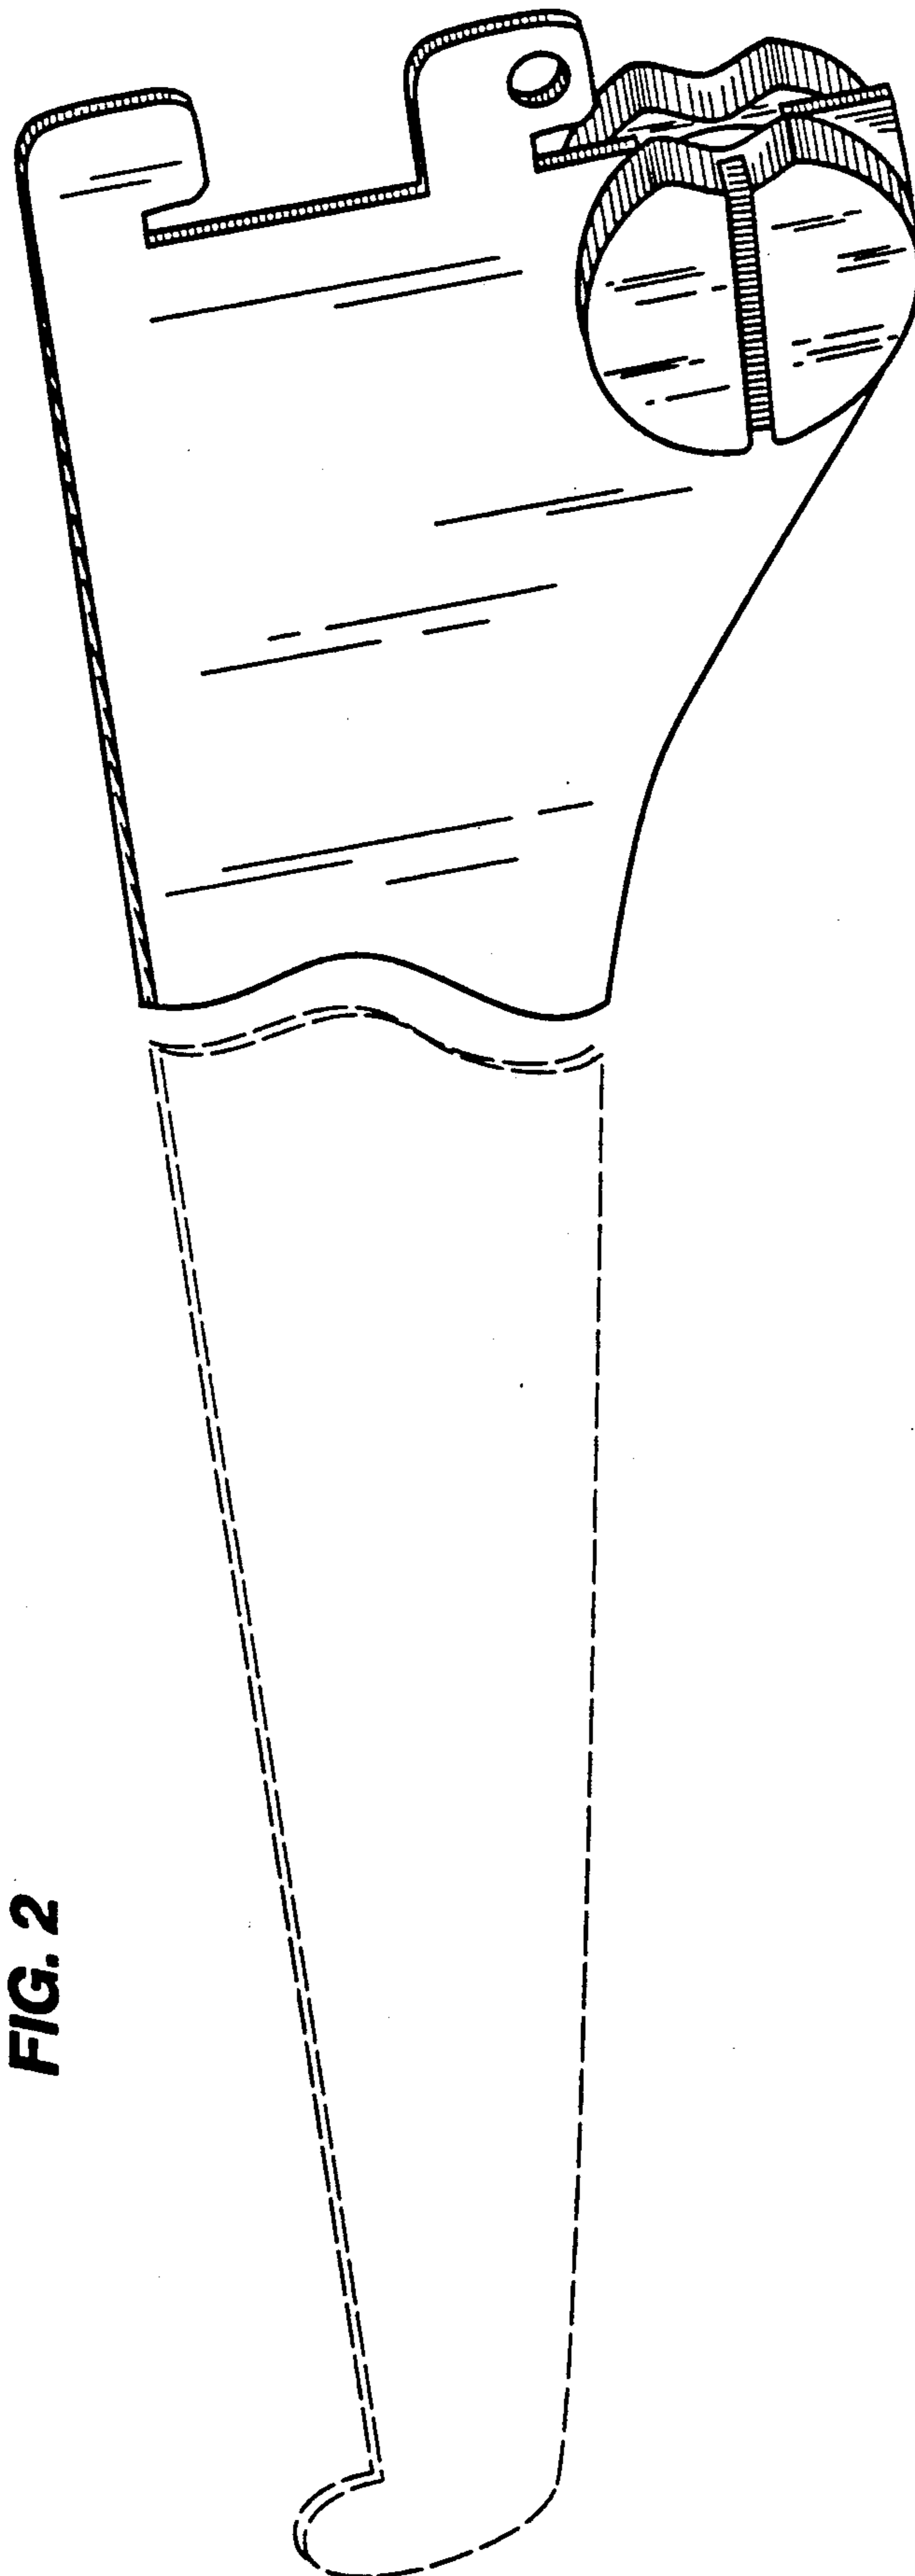

FIG. 2

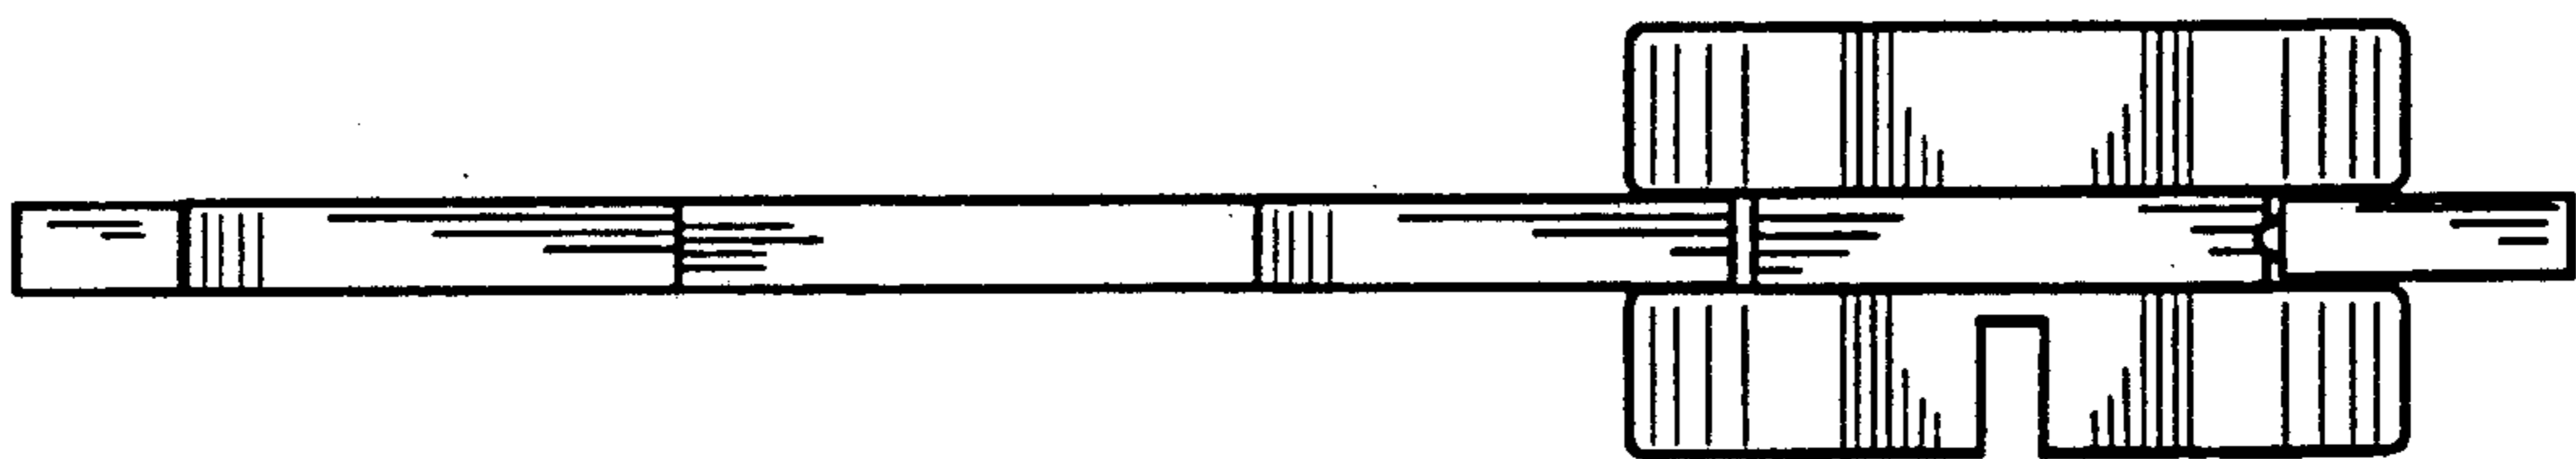

FIG. 3
