[57] CLAIM

The ornamental design for an inflatable medical infusor, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of an inflatable medical infusor showing our new design;
 FIG. 2 is a rear elevational view thereof;
 FIG. 3 is a left side elevational view thereof, with all other sides being a mirror image thereof; and,
 FIG. 4 is a top, right, front perspective view thereof.
