[57] **CLAIM**

The ornamental design for an antenna for a portable radio transceiver or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a top and side perspective view of an antenna for a portable radio transceiver or similar article showing our new design; and, FIG. 2 is a side elevational view thereof, the broken line showing is for illustrative purposes only and forms no part of the claimed design.

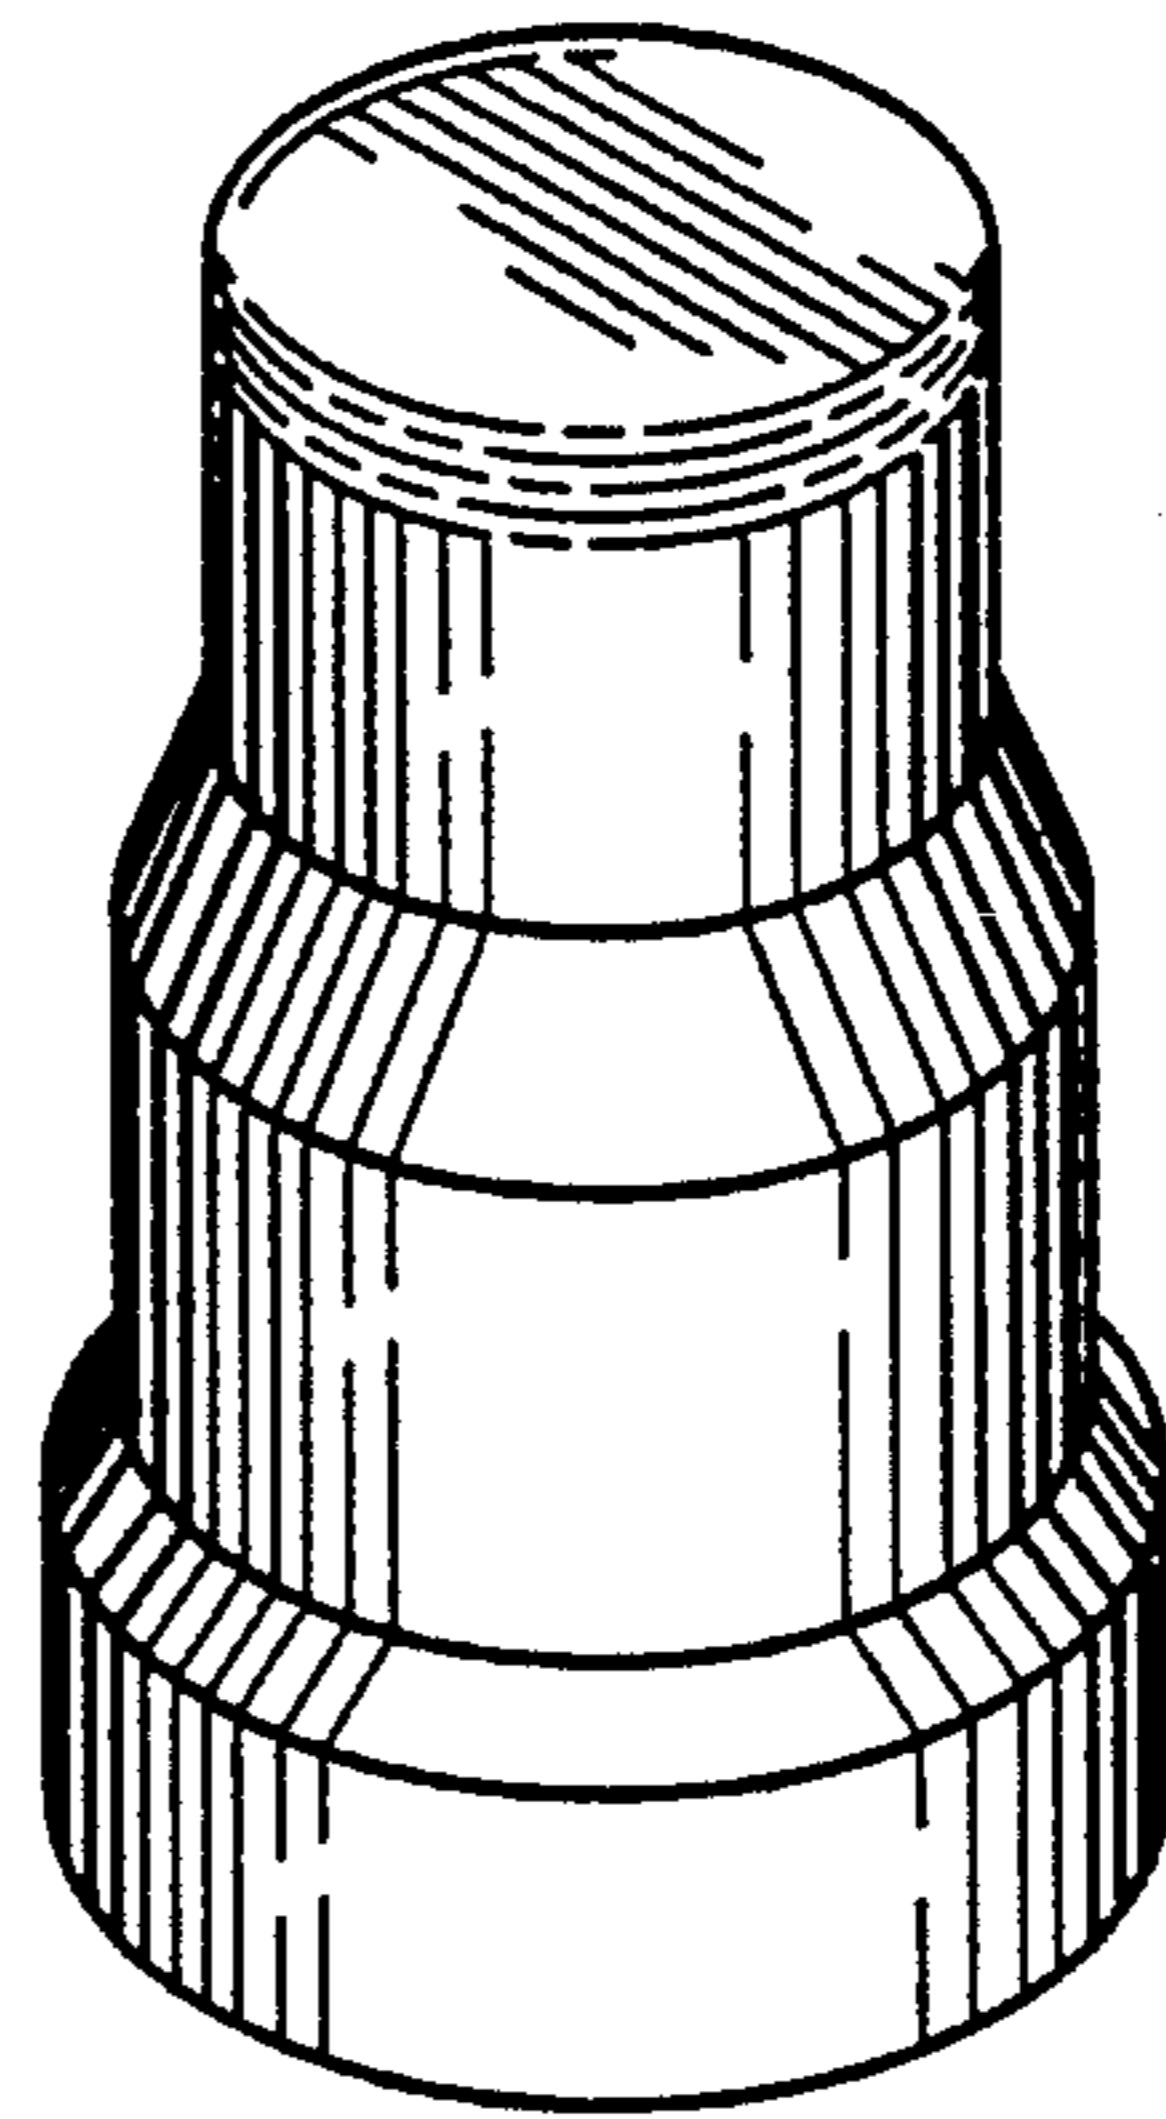

FIG. 1

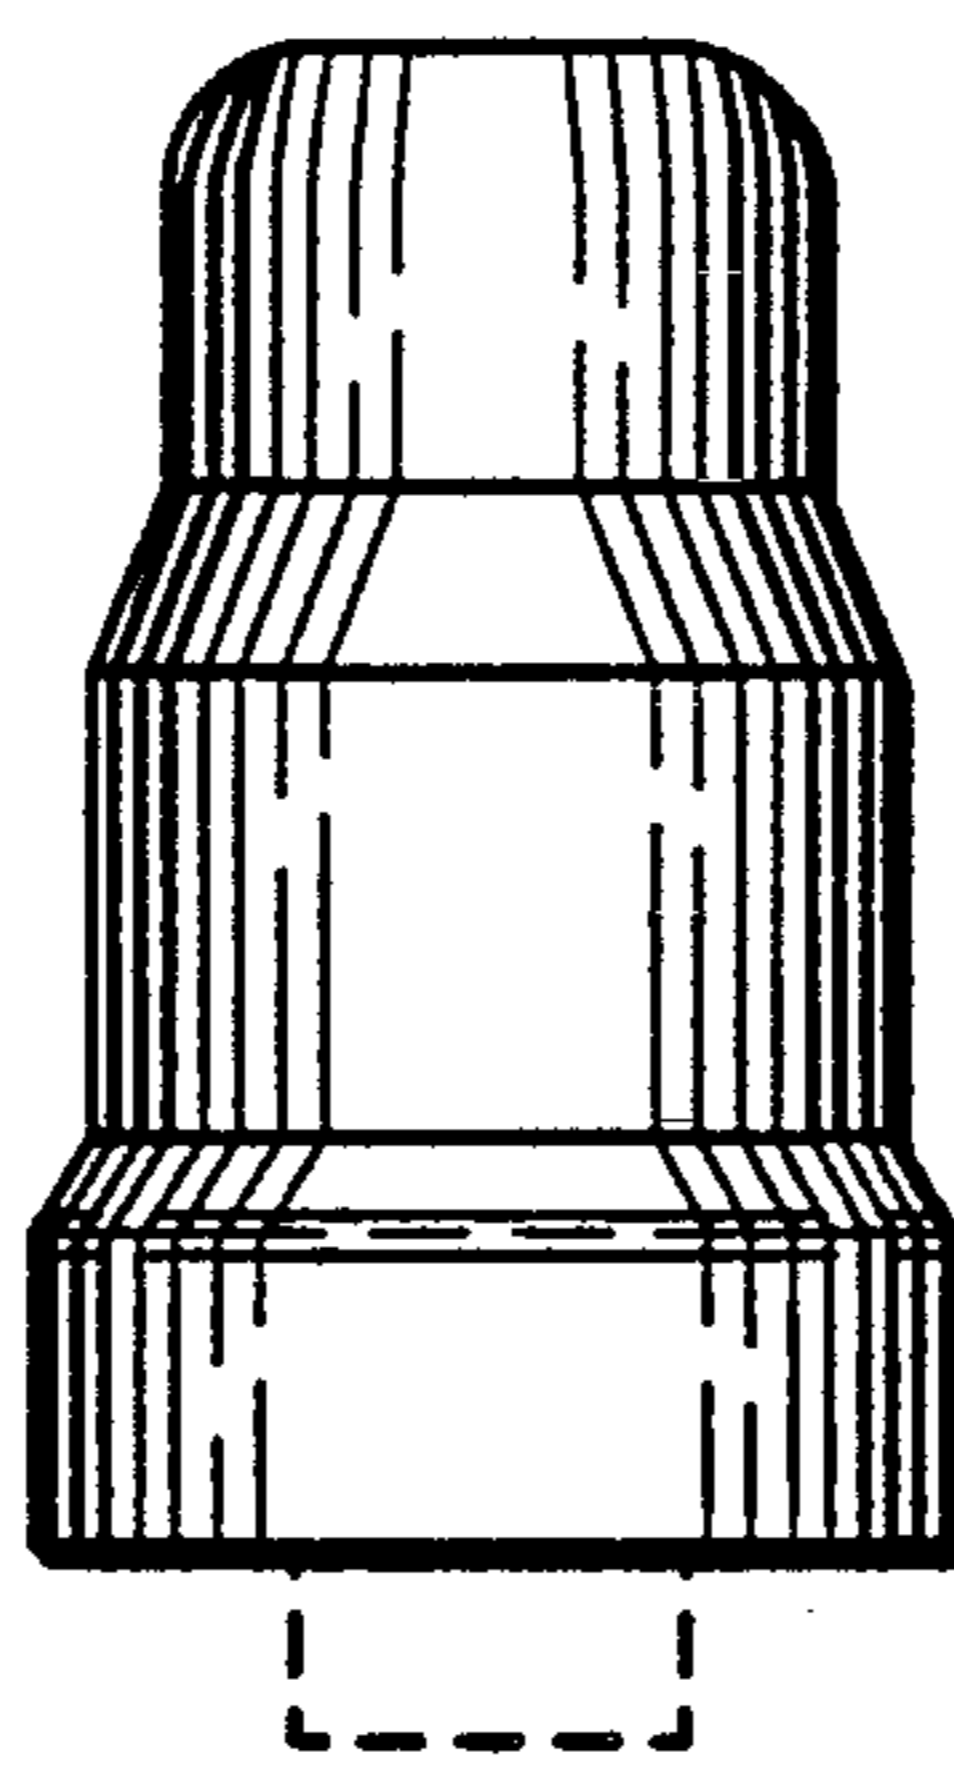

FIG. 2
