[57] **CLAIM**

The ornamental design of a boat hook or the like, as shown and described.

DESCRIPTION

FIG. 1 is a left side elevational view of a boat hook or the like showing our new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a top plan view thereof;

FIG. 7 is a front elevational view thereof with the upper jaw removed;

FIG. 8 is a front perspective view thereof;

FIG. 9 is a rear perspective view thereof; and,

FIG. 10 is a bottom perspective view thereof.

The rod member is shown broken away to indicate indeterminate length.

The rod member is absent from the bottom plan view of FIG. 4 for ease of illustration.
