[57] CLAIM

The ornamental design of an housing for an electrical plug receptacle, as shown and described.

DESCRIPTION

FIG. 1 is a front and upper left perspective view of a housing for an electrical plug receptacle showing our new design. The broken line showing of the conduit at the top and bottom is included for the purpose of illustrating environmental elements only and forms no part of the claimed design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a left side elevational view thereof, the right side elevational view thereof being a mirror image;

FIG. 5 is a top plan view thereof; and,

FIG. 6 is a bottom plan view thereof.
