Primary Examiner—Horace B. Fay, Jr.

Attorney, Agent, or Firm—Morgan & Finnegan

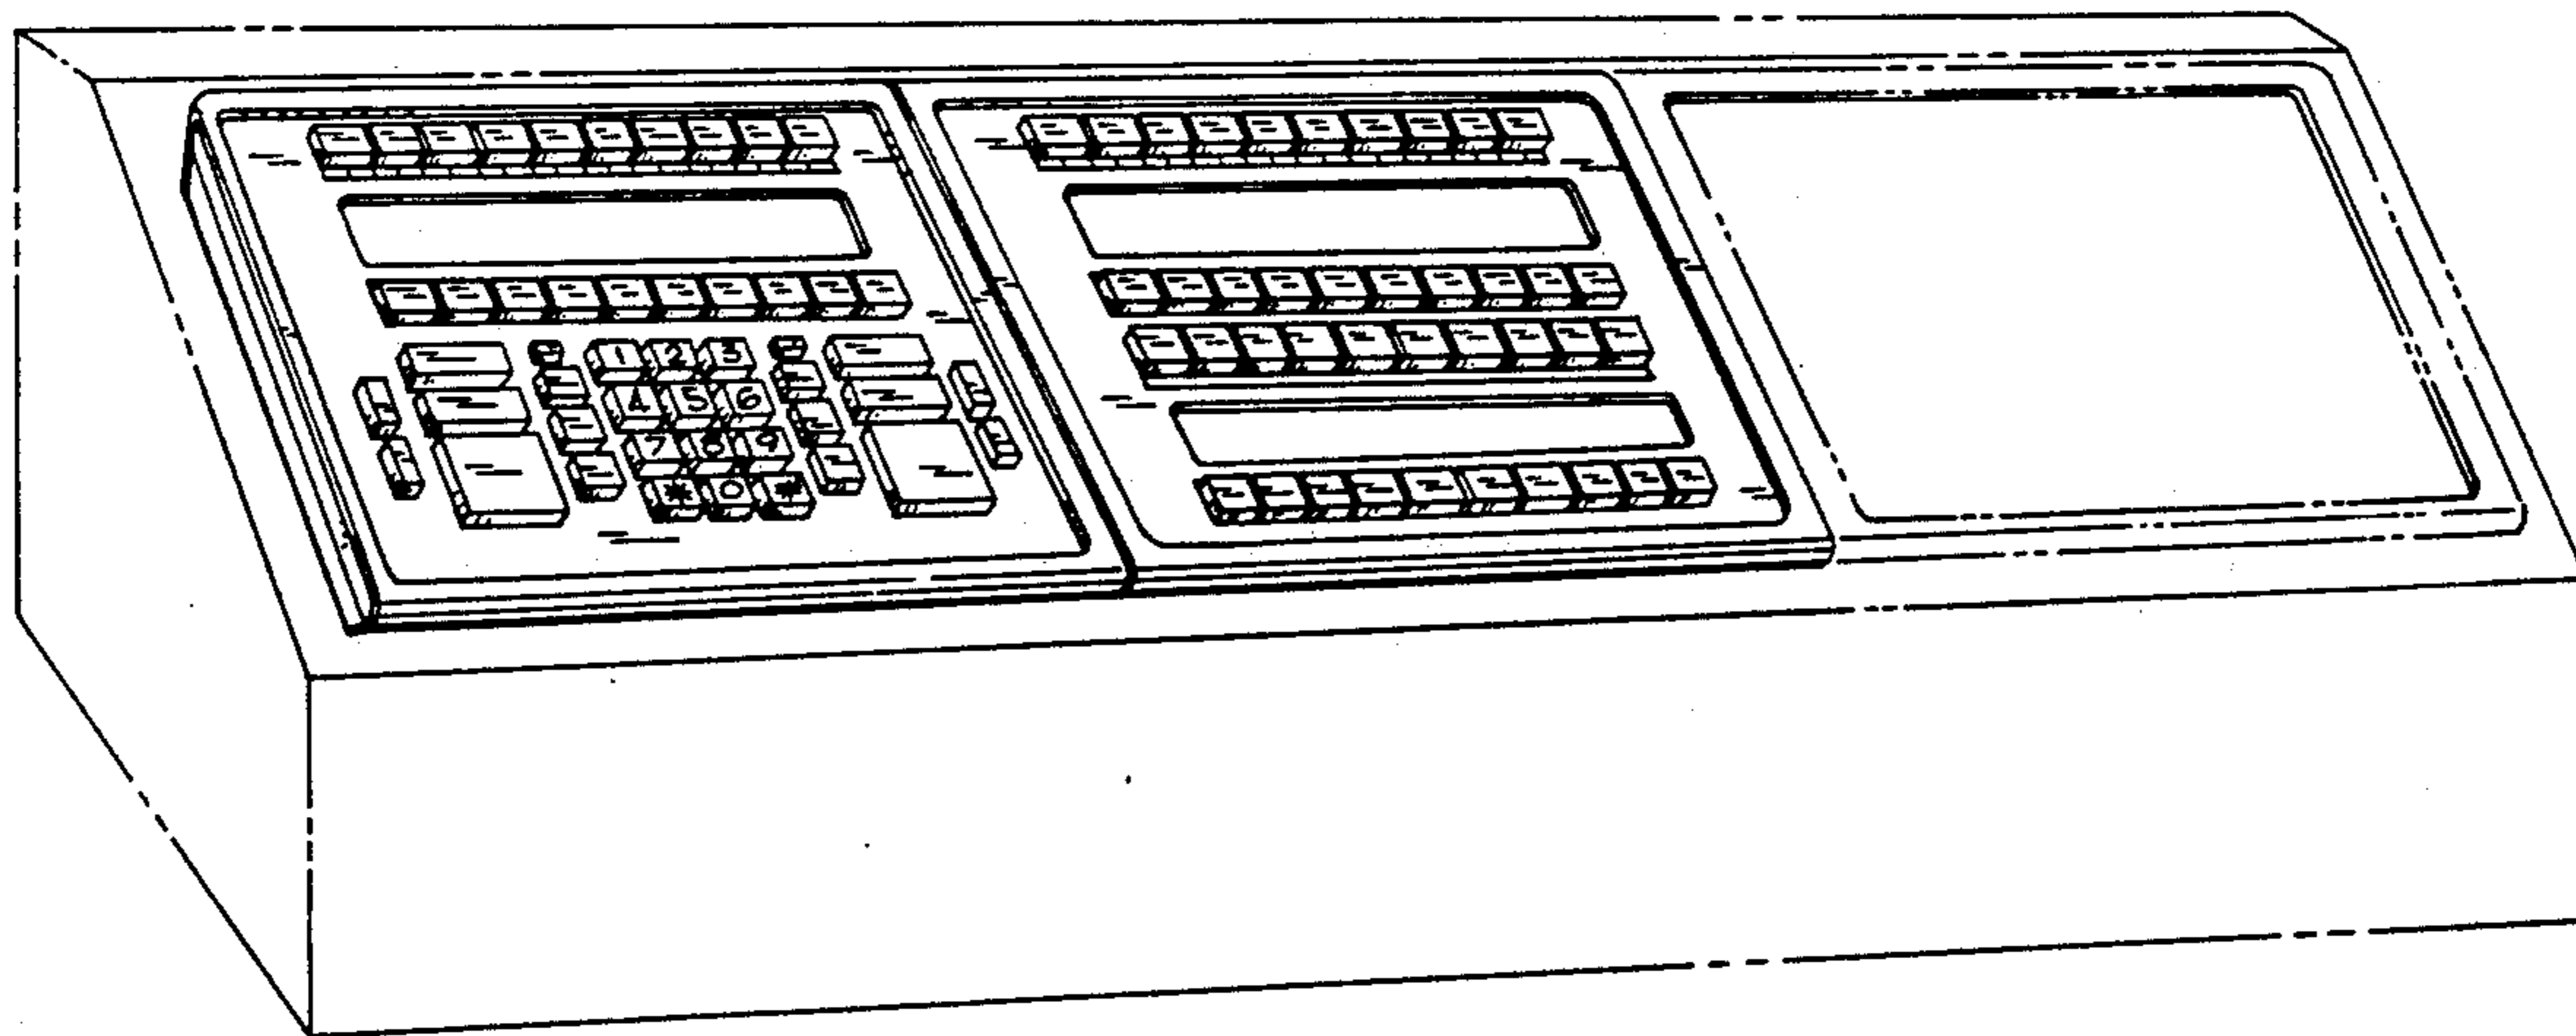

[57] **CLAIM**

The ornamental design for a multi-module trader telephone installation, as shown and described.

DESCRIPTION

The single FIGURE is a perspective view of a multi-module trader telephone installation, showing my new design.

The broken line showing of a support console for a multi-module trader telephone unit is for illustrative purposes only and forms no part of the claimed design.

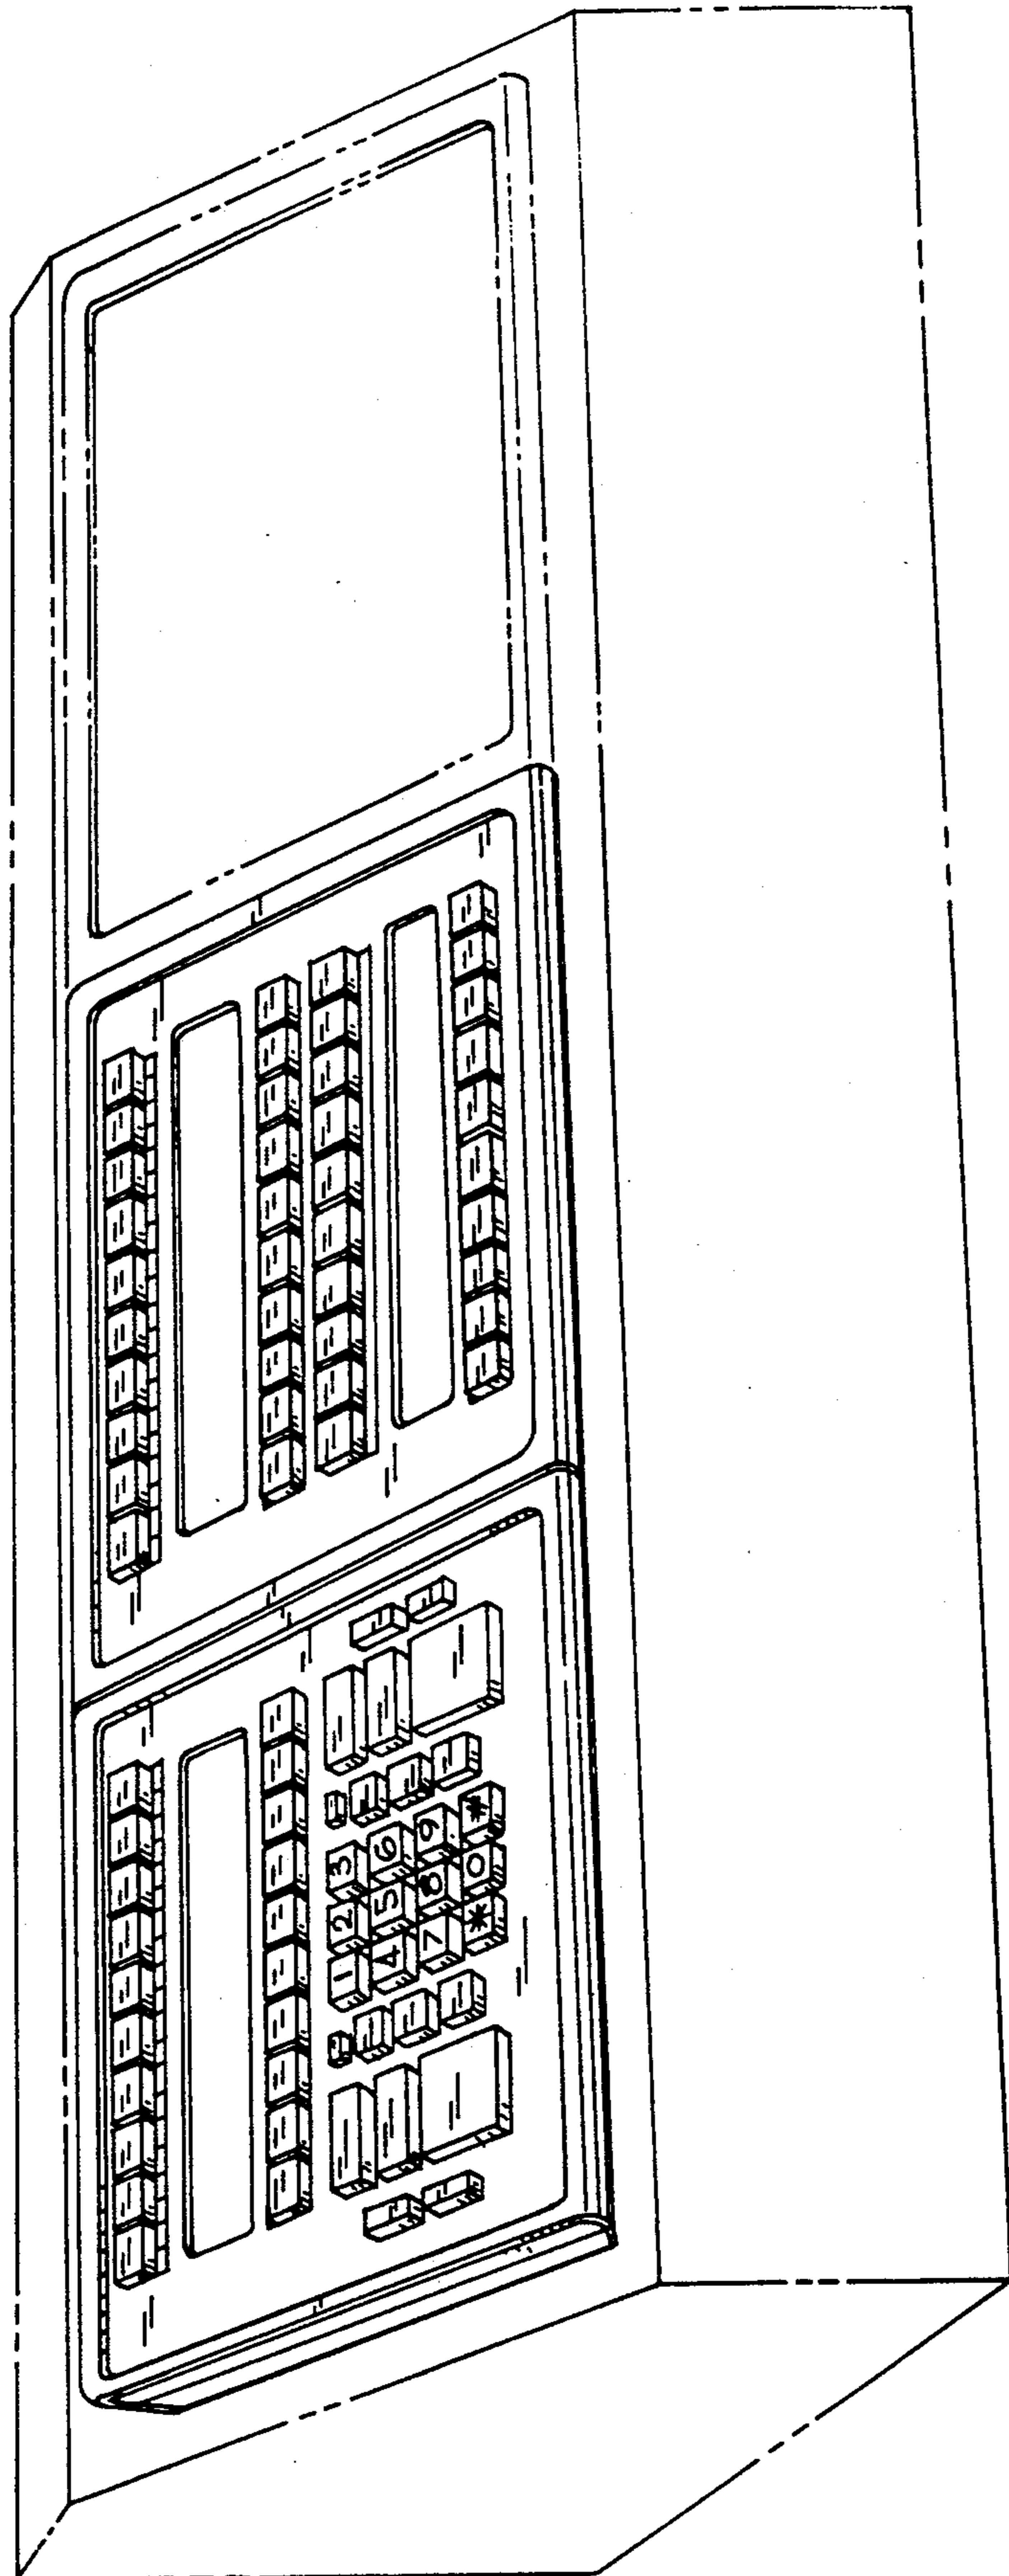

FIG. 1
