[57] CLAIM

The ornamental design for an air mattress, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of an air mattress showing my new design, the bottom being a mirror image of that shown, and the pattern of elements being understood to repeat uniformly across the surface represented;

FIG. 2 is an end elevational view thereof, the opposite end being a mirror image of that shown;

FIG. 3 is a side elevational view thereof, the opposite side being a mirror image of that shown; and,

FIG. 4 is an enlarged fragmentary top plan view of one corner thereof, the pattern of elements being understood to repeat uniformly across the surface represented.
