[57] CLAIM

The ornamental design for a gasoline and motor oil container, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a gasoline and motor oil container showing my new design;
 FIG. 2 is a top plan view of the gasoline and motor oil container;
 FIG. 3 is an end elevational view of the gasoline and motor oil container;
 FIG. 4 is a side elevational view of the gasoline and motor oil container as seen from the side opposite of FIG. 1;
 FIG. 5 is a bottom plan view of the gasoline and motor oil container; and,
 FIG. 6 is an end elevational view as seen from the end opposite of FIG. 3.
