[57] CLAIM

The ornamental design for a camouflage fabric, as shown.

DESCRIPTION

The single FIGURE is a top plan view of a camouflage fabric showing my new design.

The camouflage pattern of the present invention is adapted to be printed on a fabric material. It is to be distinctly understood that any scale and coloring scheme of the pattern may be employed and still be within the scope of the following claim so long as the pattern is substantially the same as that shown in the FIGURE.
