[57] **CLAIM**

The original design for a customer operated visual responsive order stand for drive-through restaurants, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a customer operated visual responsive order stand for drive-through restaurants showing my new design, with the broken line showing for illustrative purposes only and forming no part of the claimed design;
FIG. 2 is a left side elevational view thereof, with the right side being a mirror image; and,
FIG. 3 is a rear elevational view thereof, with the top and bottom being flat and unornamented.

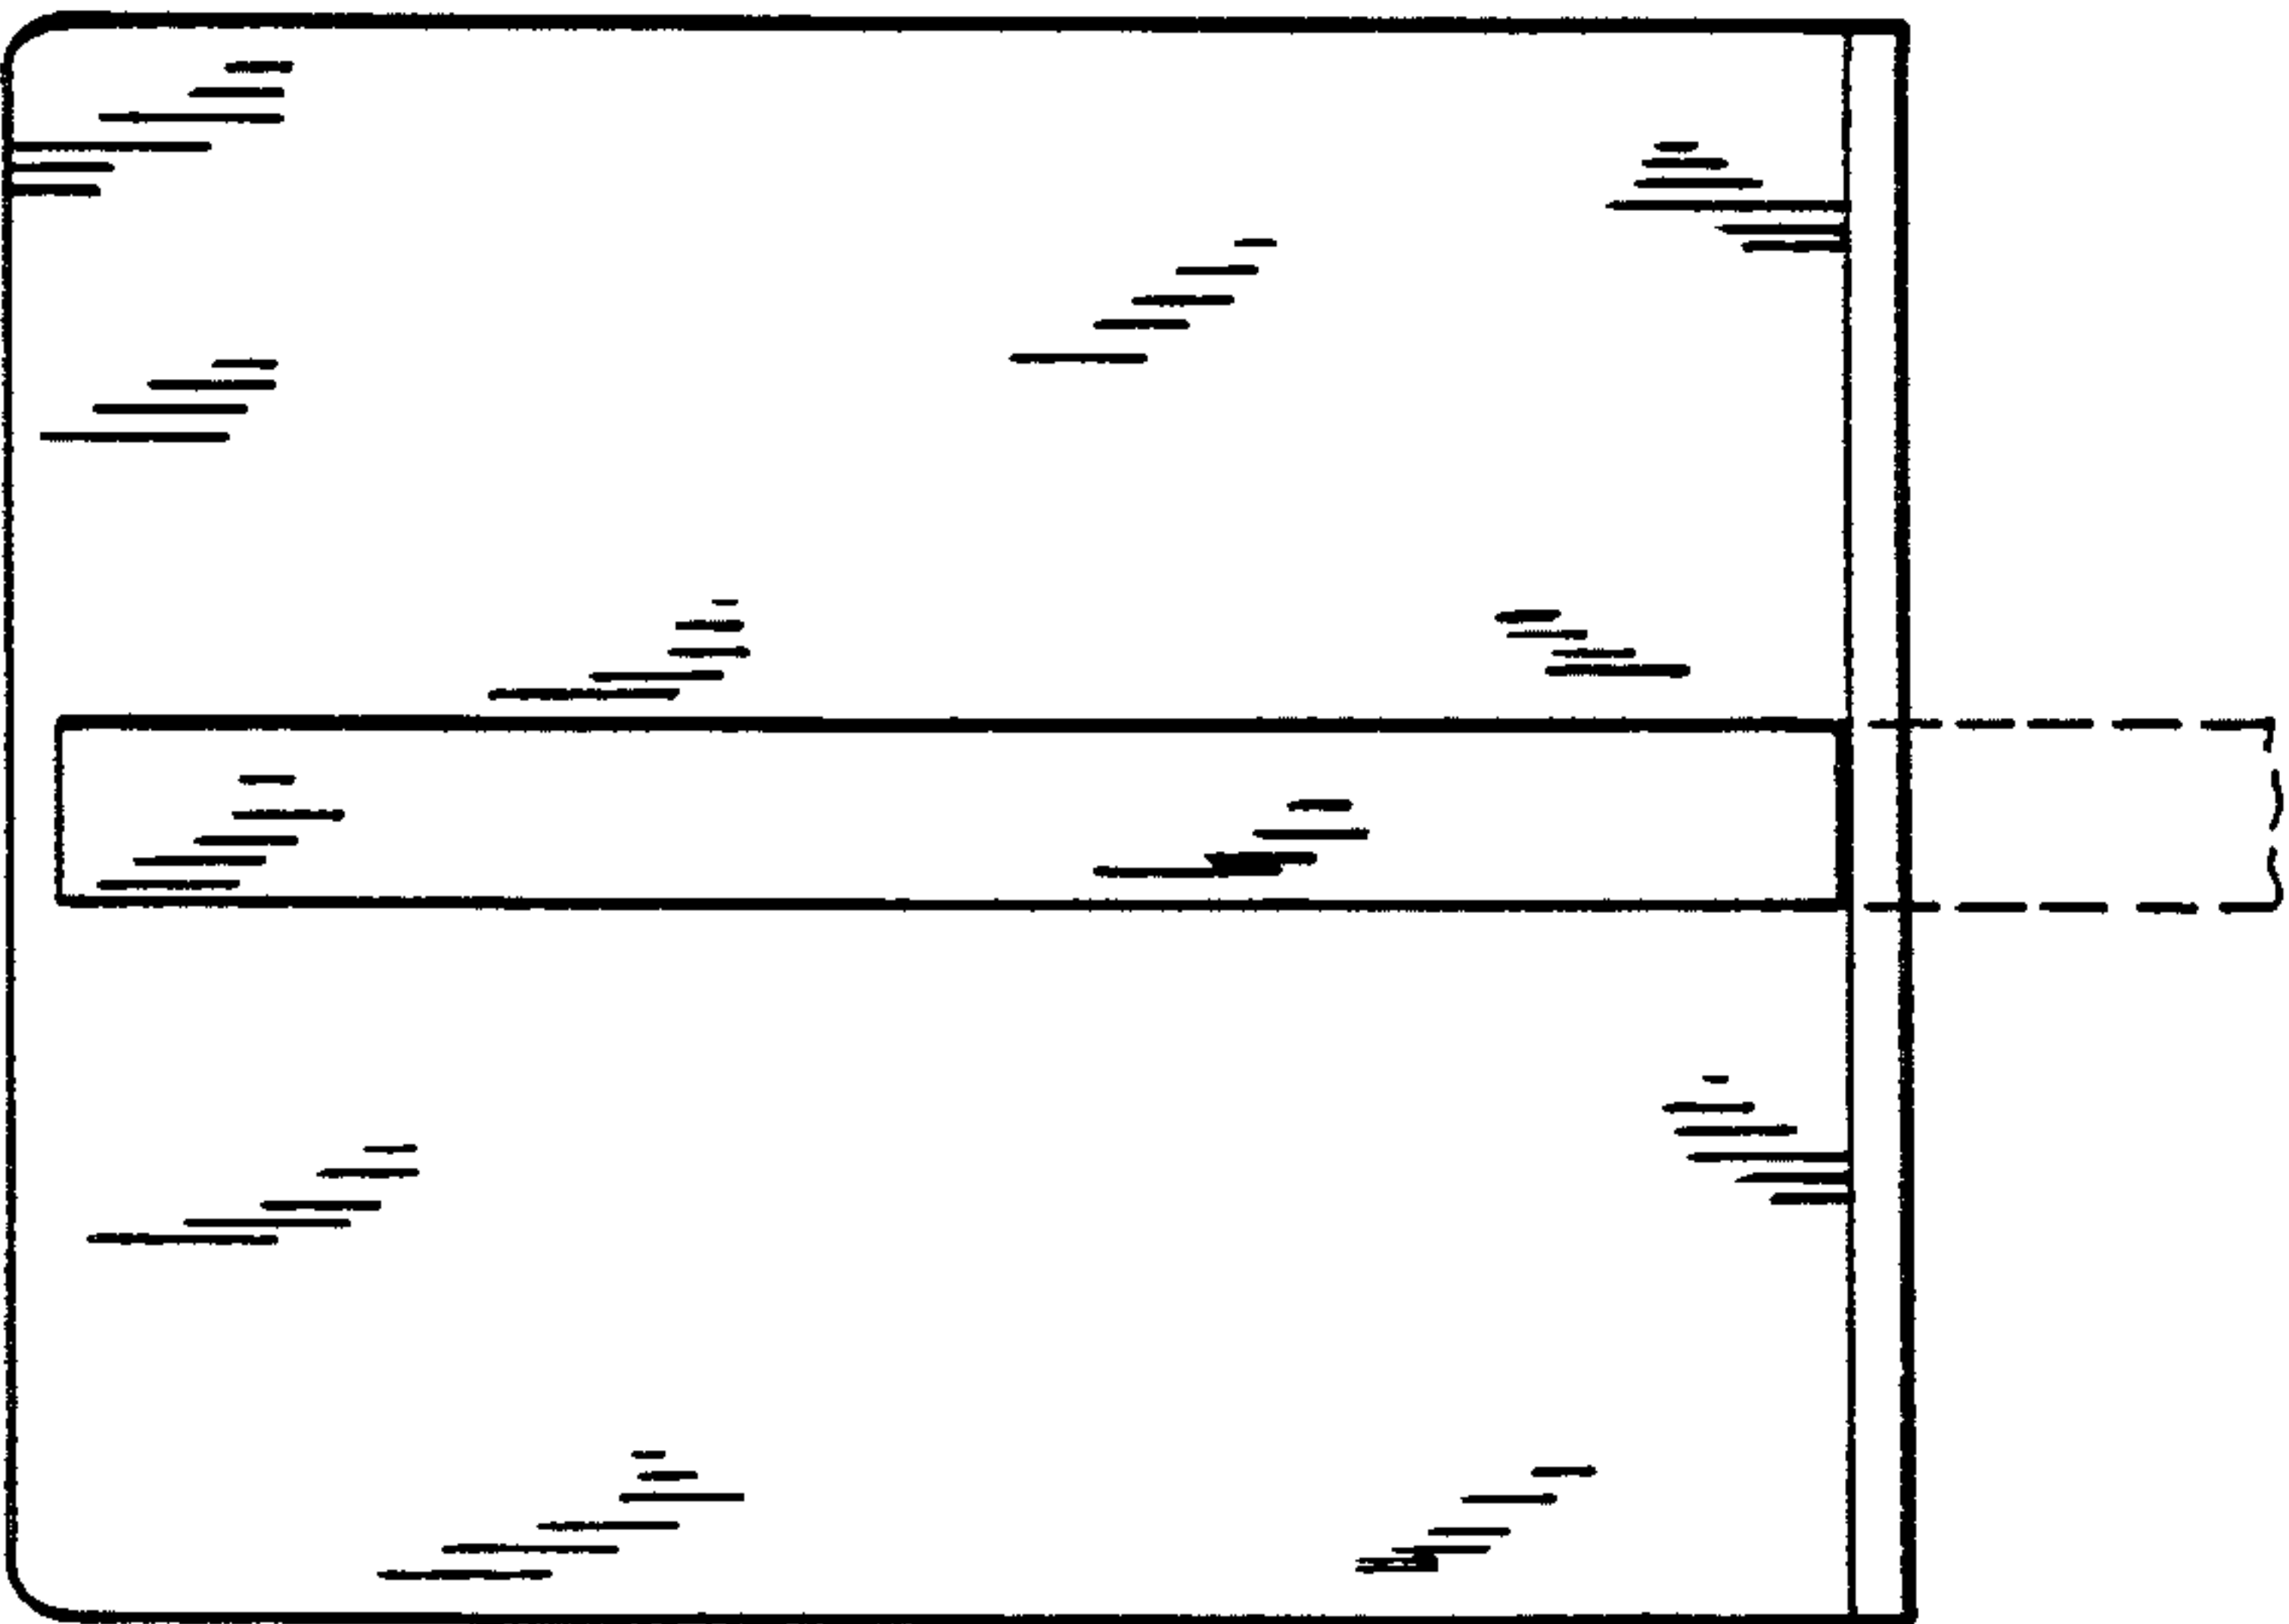

Fig. 3
