[57] **CLAIM**

The ornamental design for a telephone base, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right side perspective view of a position of a telephone base showing our new design which is adjustable, being adjusted to the low position; FIG. 2 is a right side elevational view, thereof, the left side being a mirror image thereof; FIG. 3 is a front elevational view thereof; FIG. 4 is a rear elevational view thereof; FIG. 5 is a top plan view thereof; FIG. 6 is a bottom plan view thereof; FIG. 7 is a top, front and right side perspective view of the telephone base of the FIG. 1 view with the base adjusted to the high position; FIG. 8 is a right side elevational view, thereof the left side being a mirror image thereof; FIG. 9 is a front elevational view thereof; FIG. 10 is a rear elevational view thereof; FIG. 11 is a top plan view thereof; and, FIG. 12 is a bottom plan view thereof.

The broken lines showing push-buttons and a display are for illustrative purposes only and form no part of the claimed design.
