[57] CLAIM

The ornamental design for a wall mounted compact disc jukebox, as shown and described.

DESCRIPTION

FIG. 1 is a front and right side perspective view of a wall mounted compact disc jukebox showing my new design, the partially shown images behind the transparent panel are to show environment only and form no part of the claimed design;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a left side elevational view thereof, the right side being a mirror image; and,

FIG. 5 is a bottom view thereof.
