[57] CLAIM

The ornamental design for a lifting appliance for lifting disabled, sick or injured persons, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a lifting appliance for disabled, sick or injured persons showing our new design;

FIG. 2 is an opposite side perspective view thereof;

FIG. 3 is a perspective view of the yoke detached from the lifting appliance and shown separately for clarity of illustration only; and,

FIG. 4 is an opposite side perspective view thereof.

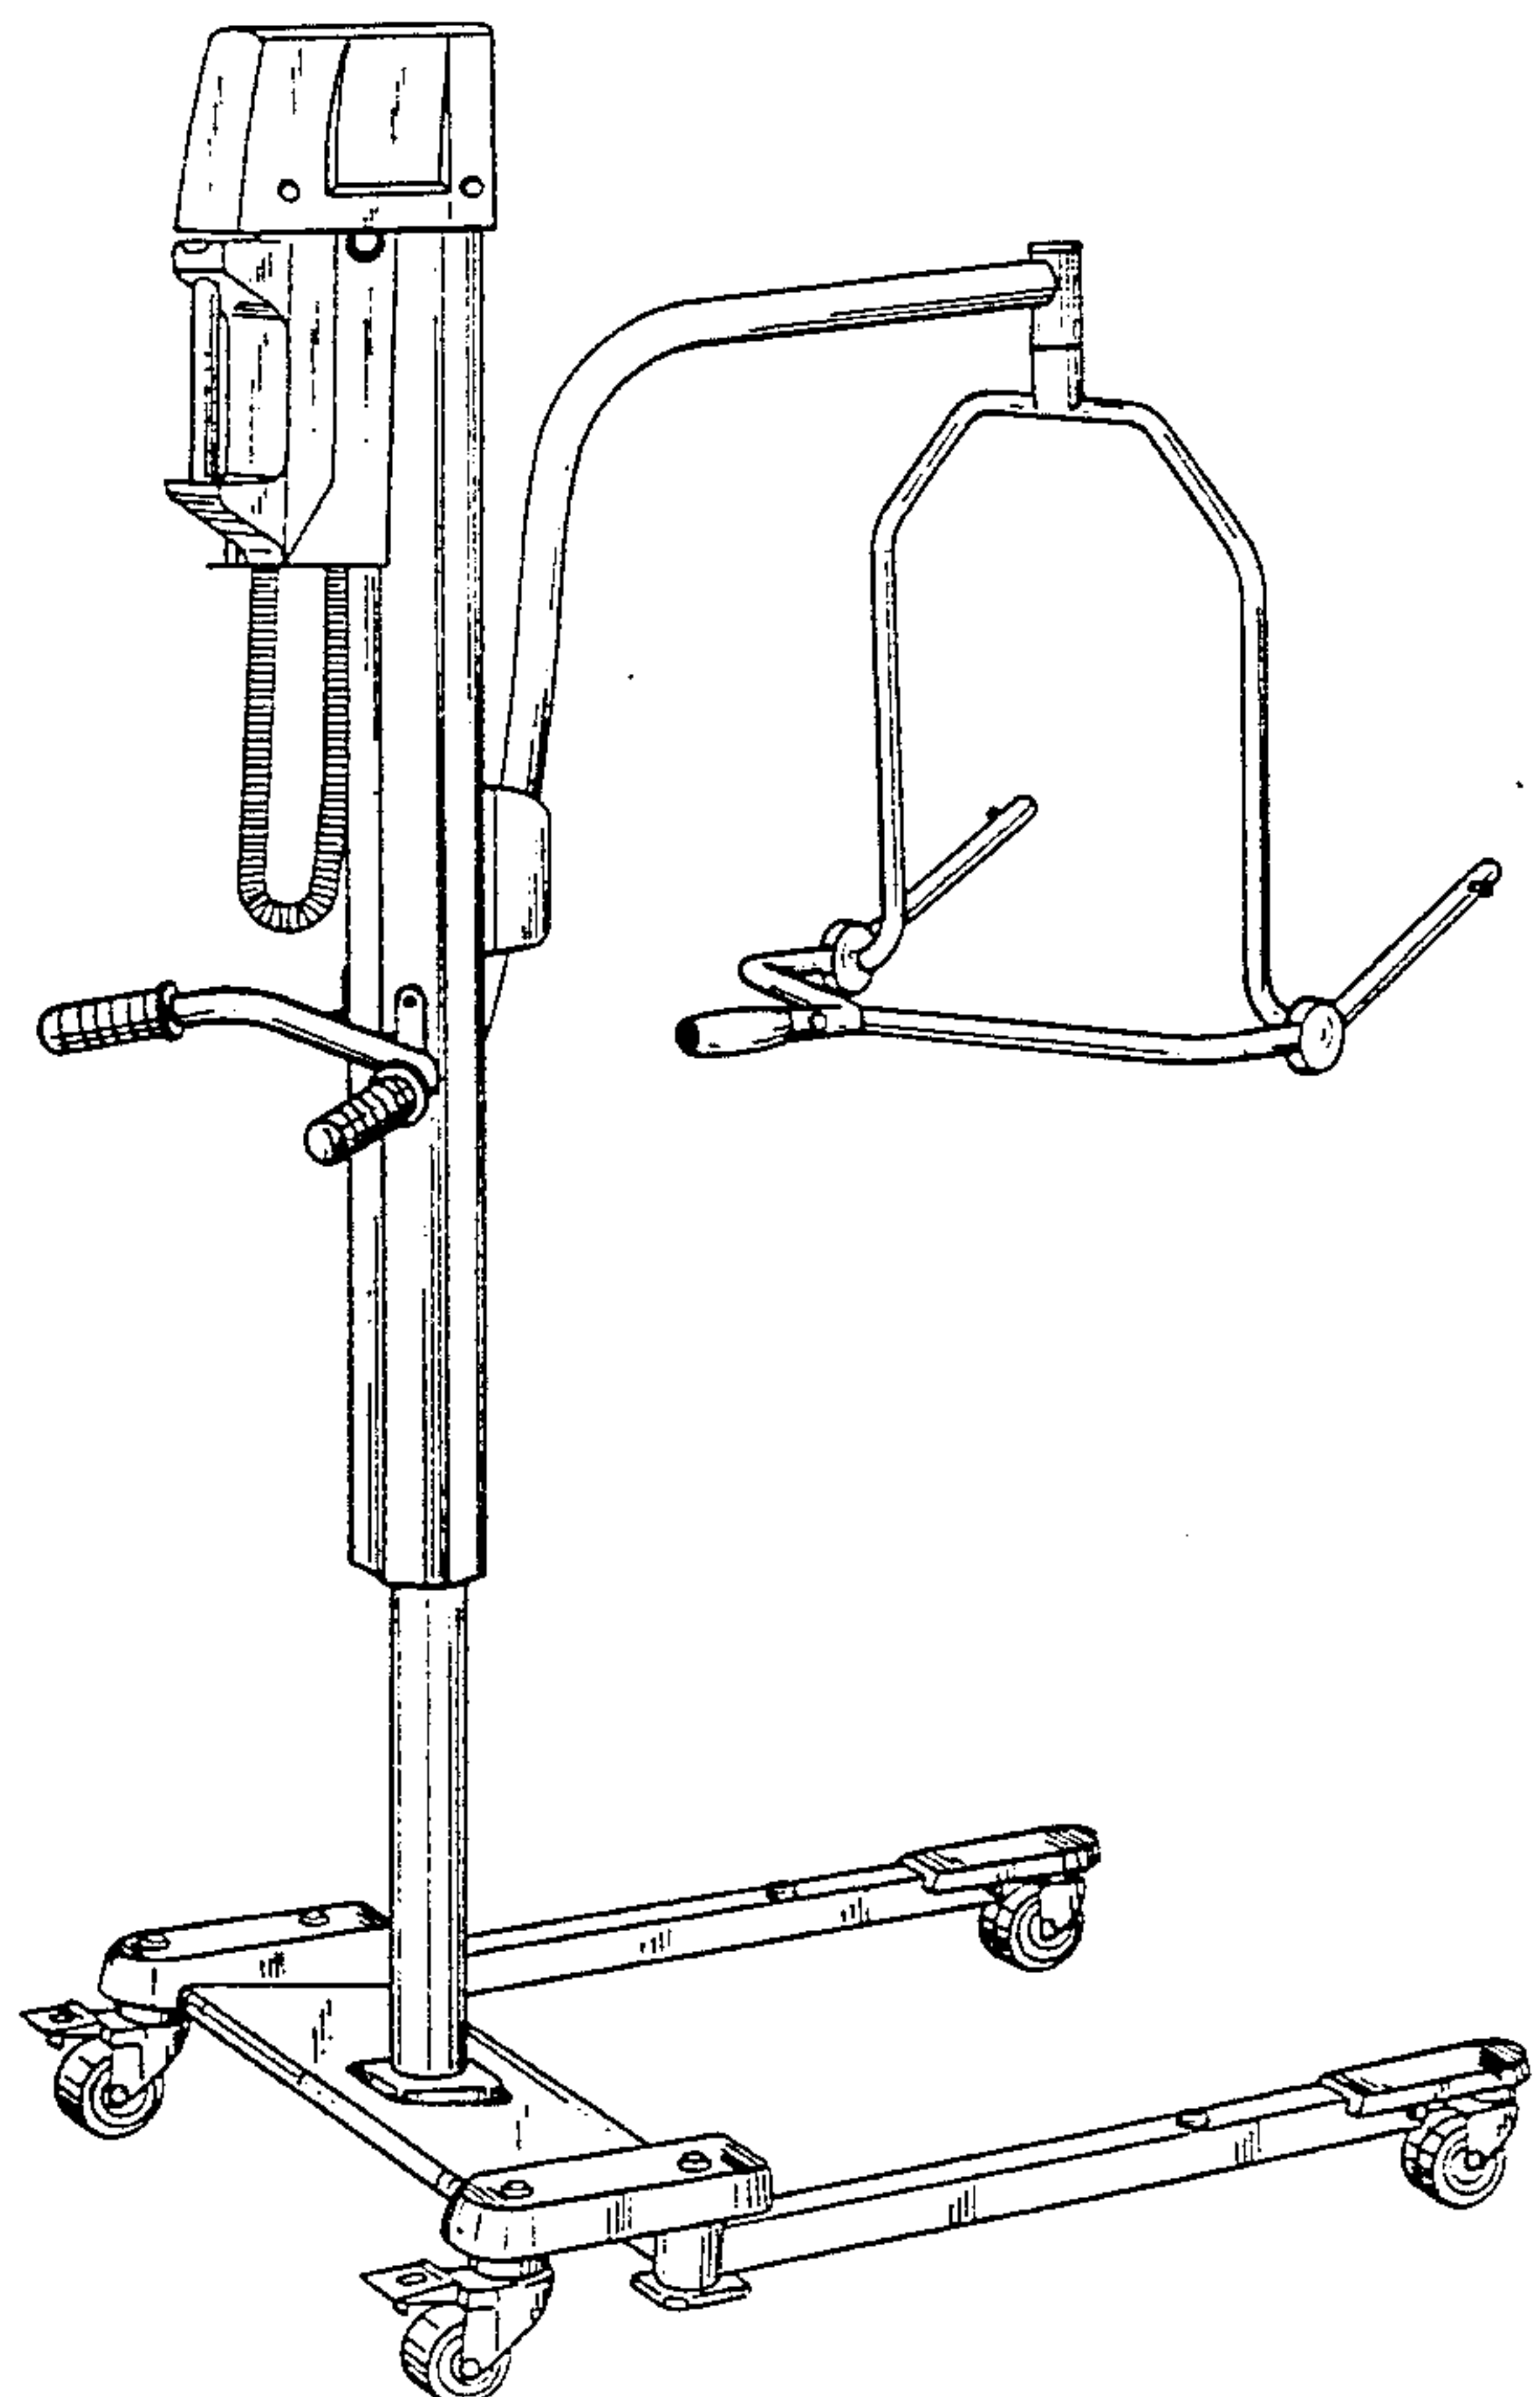

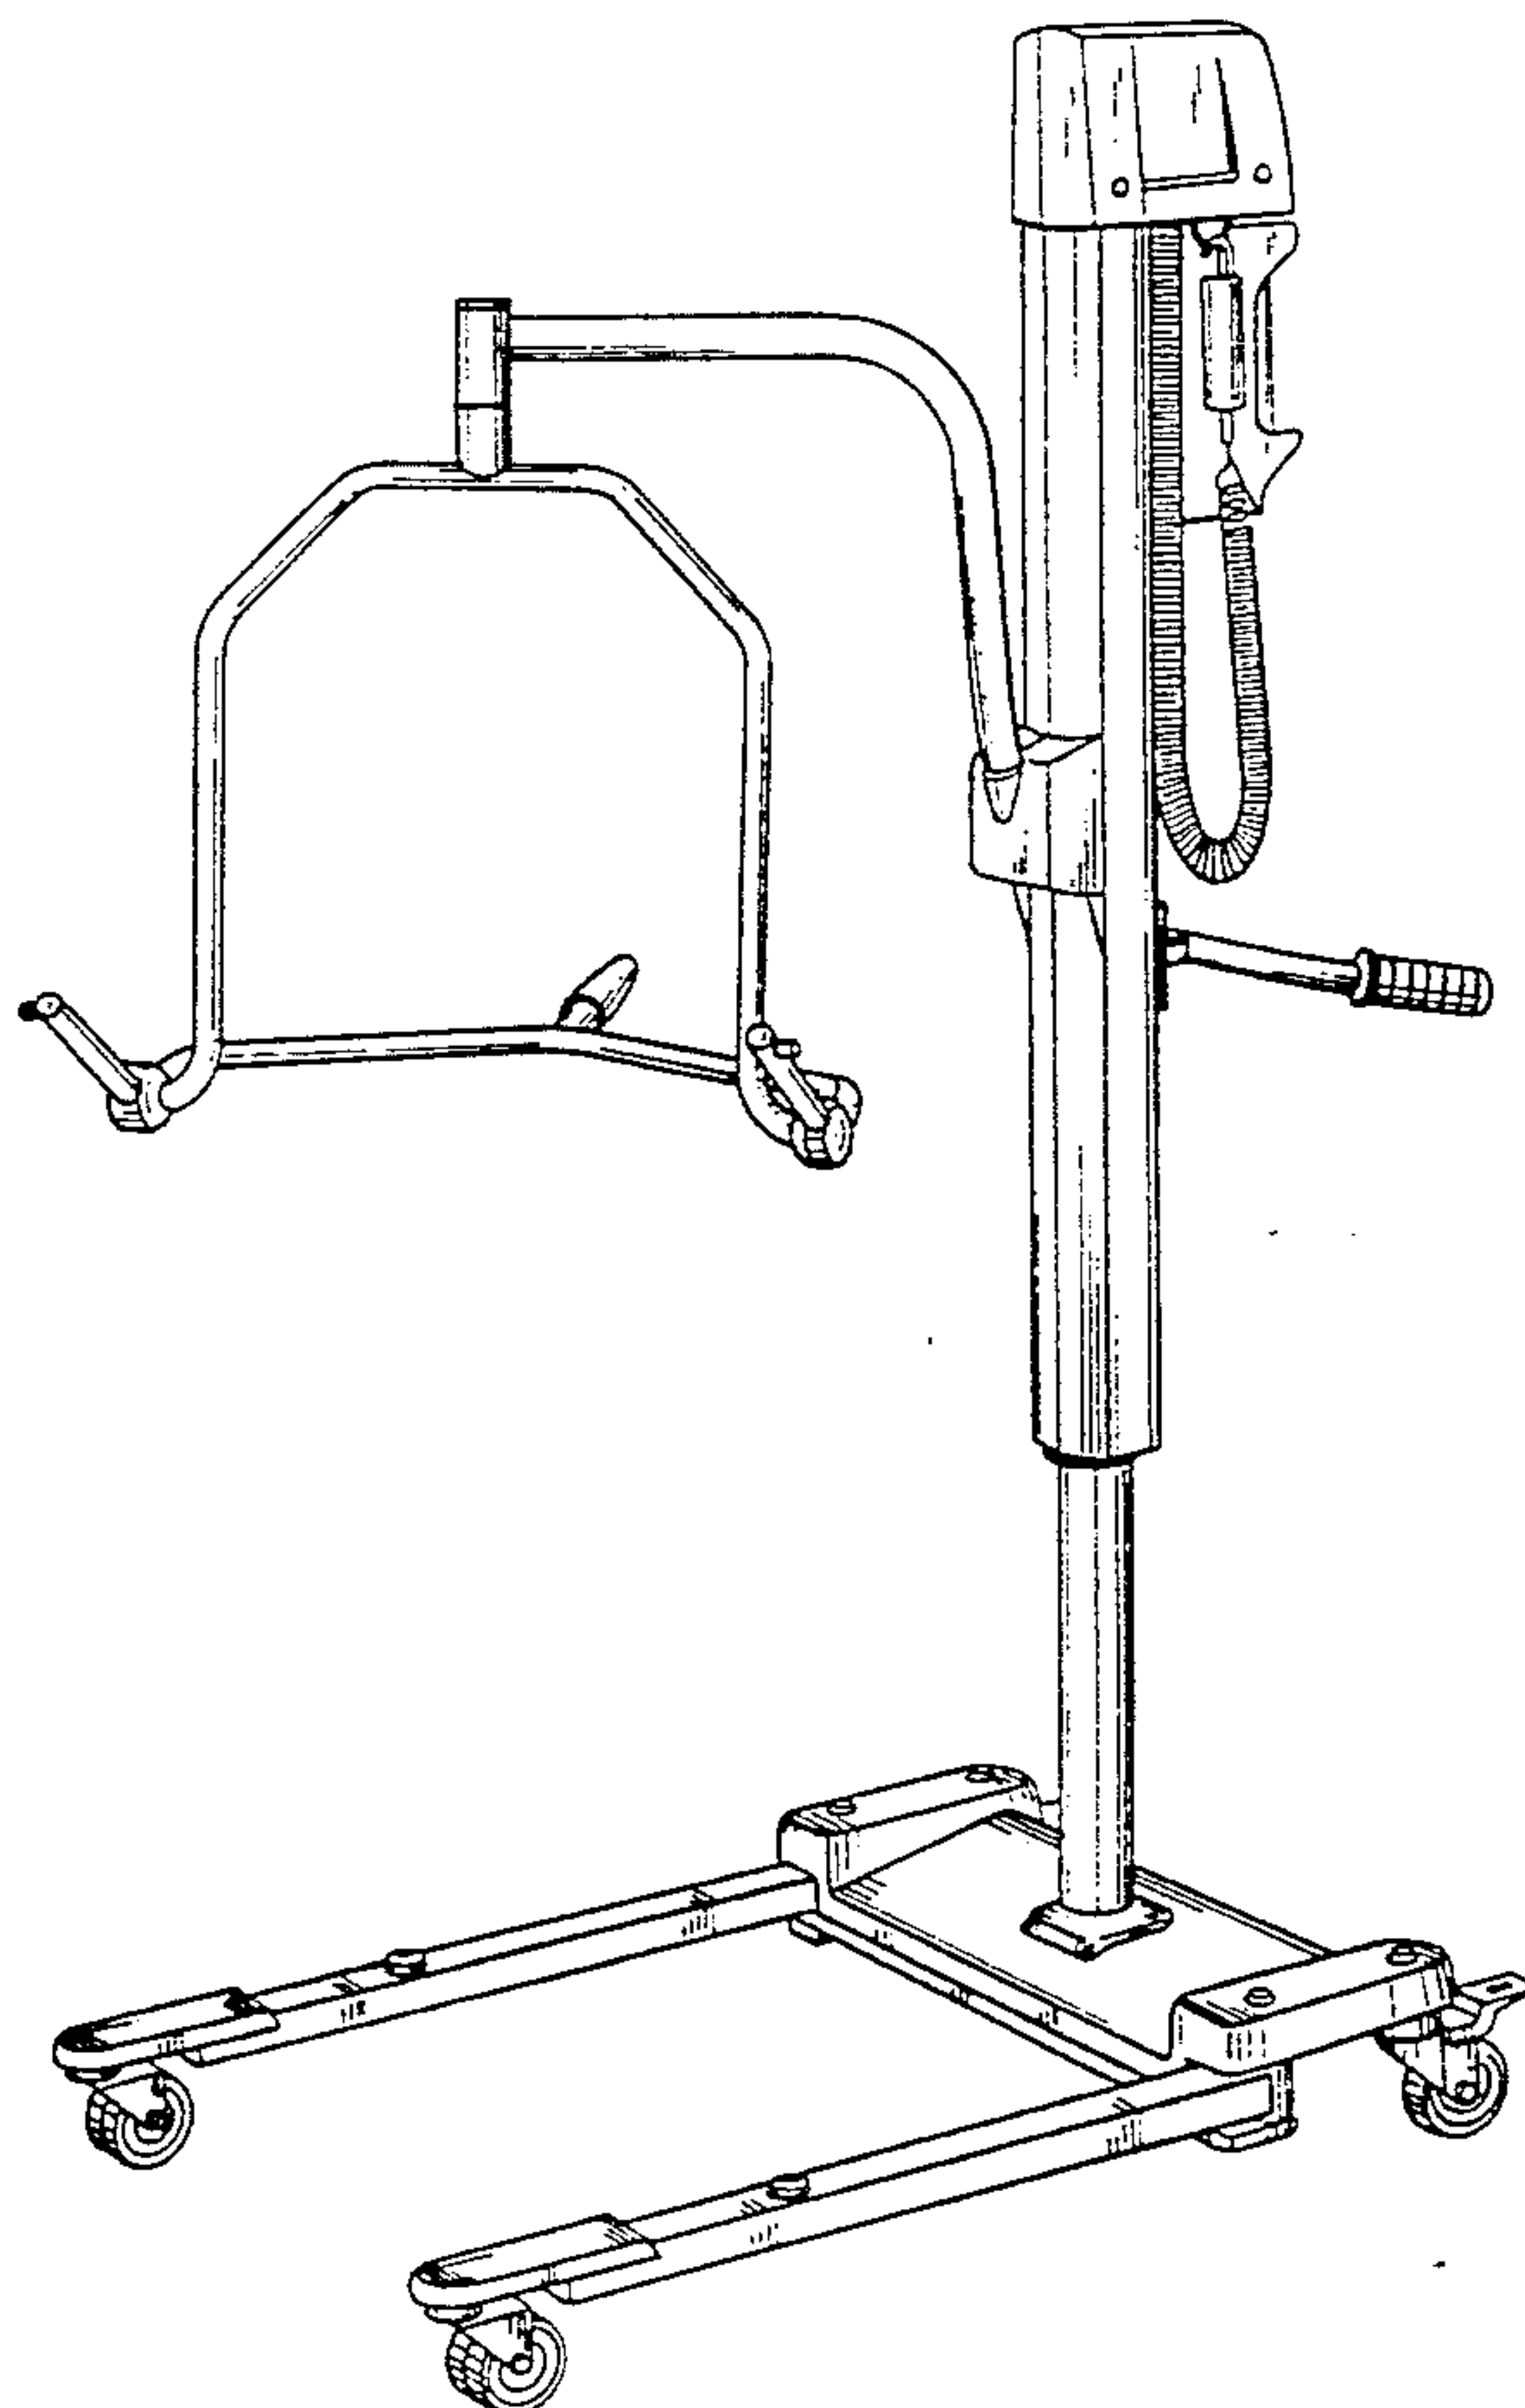

FIG. 1

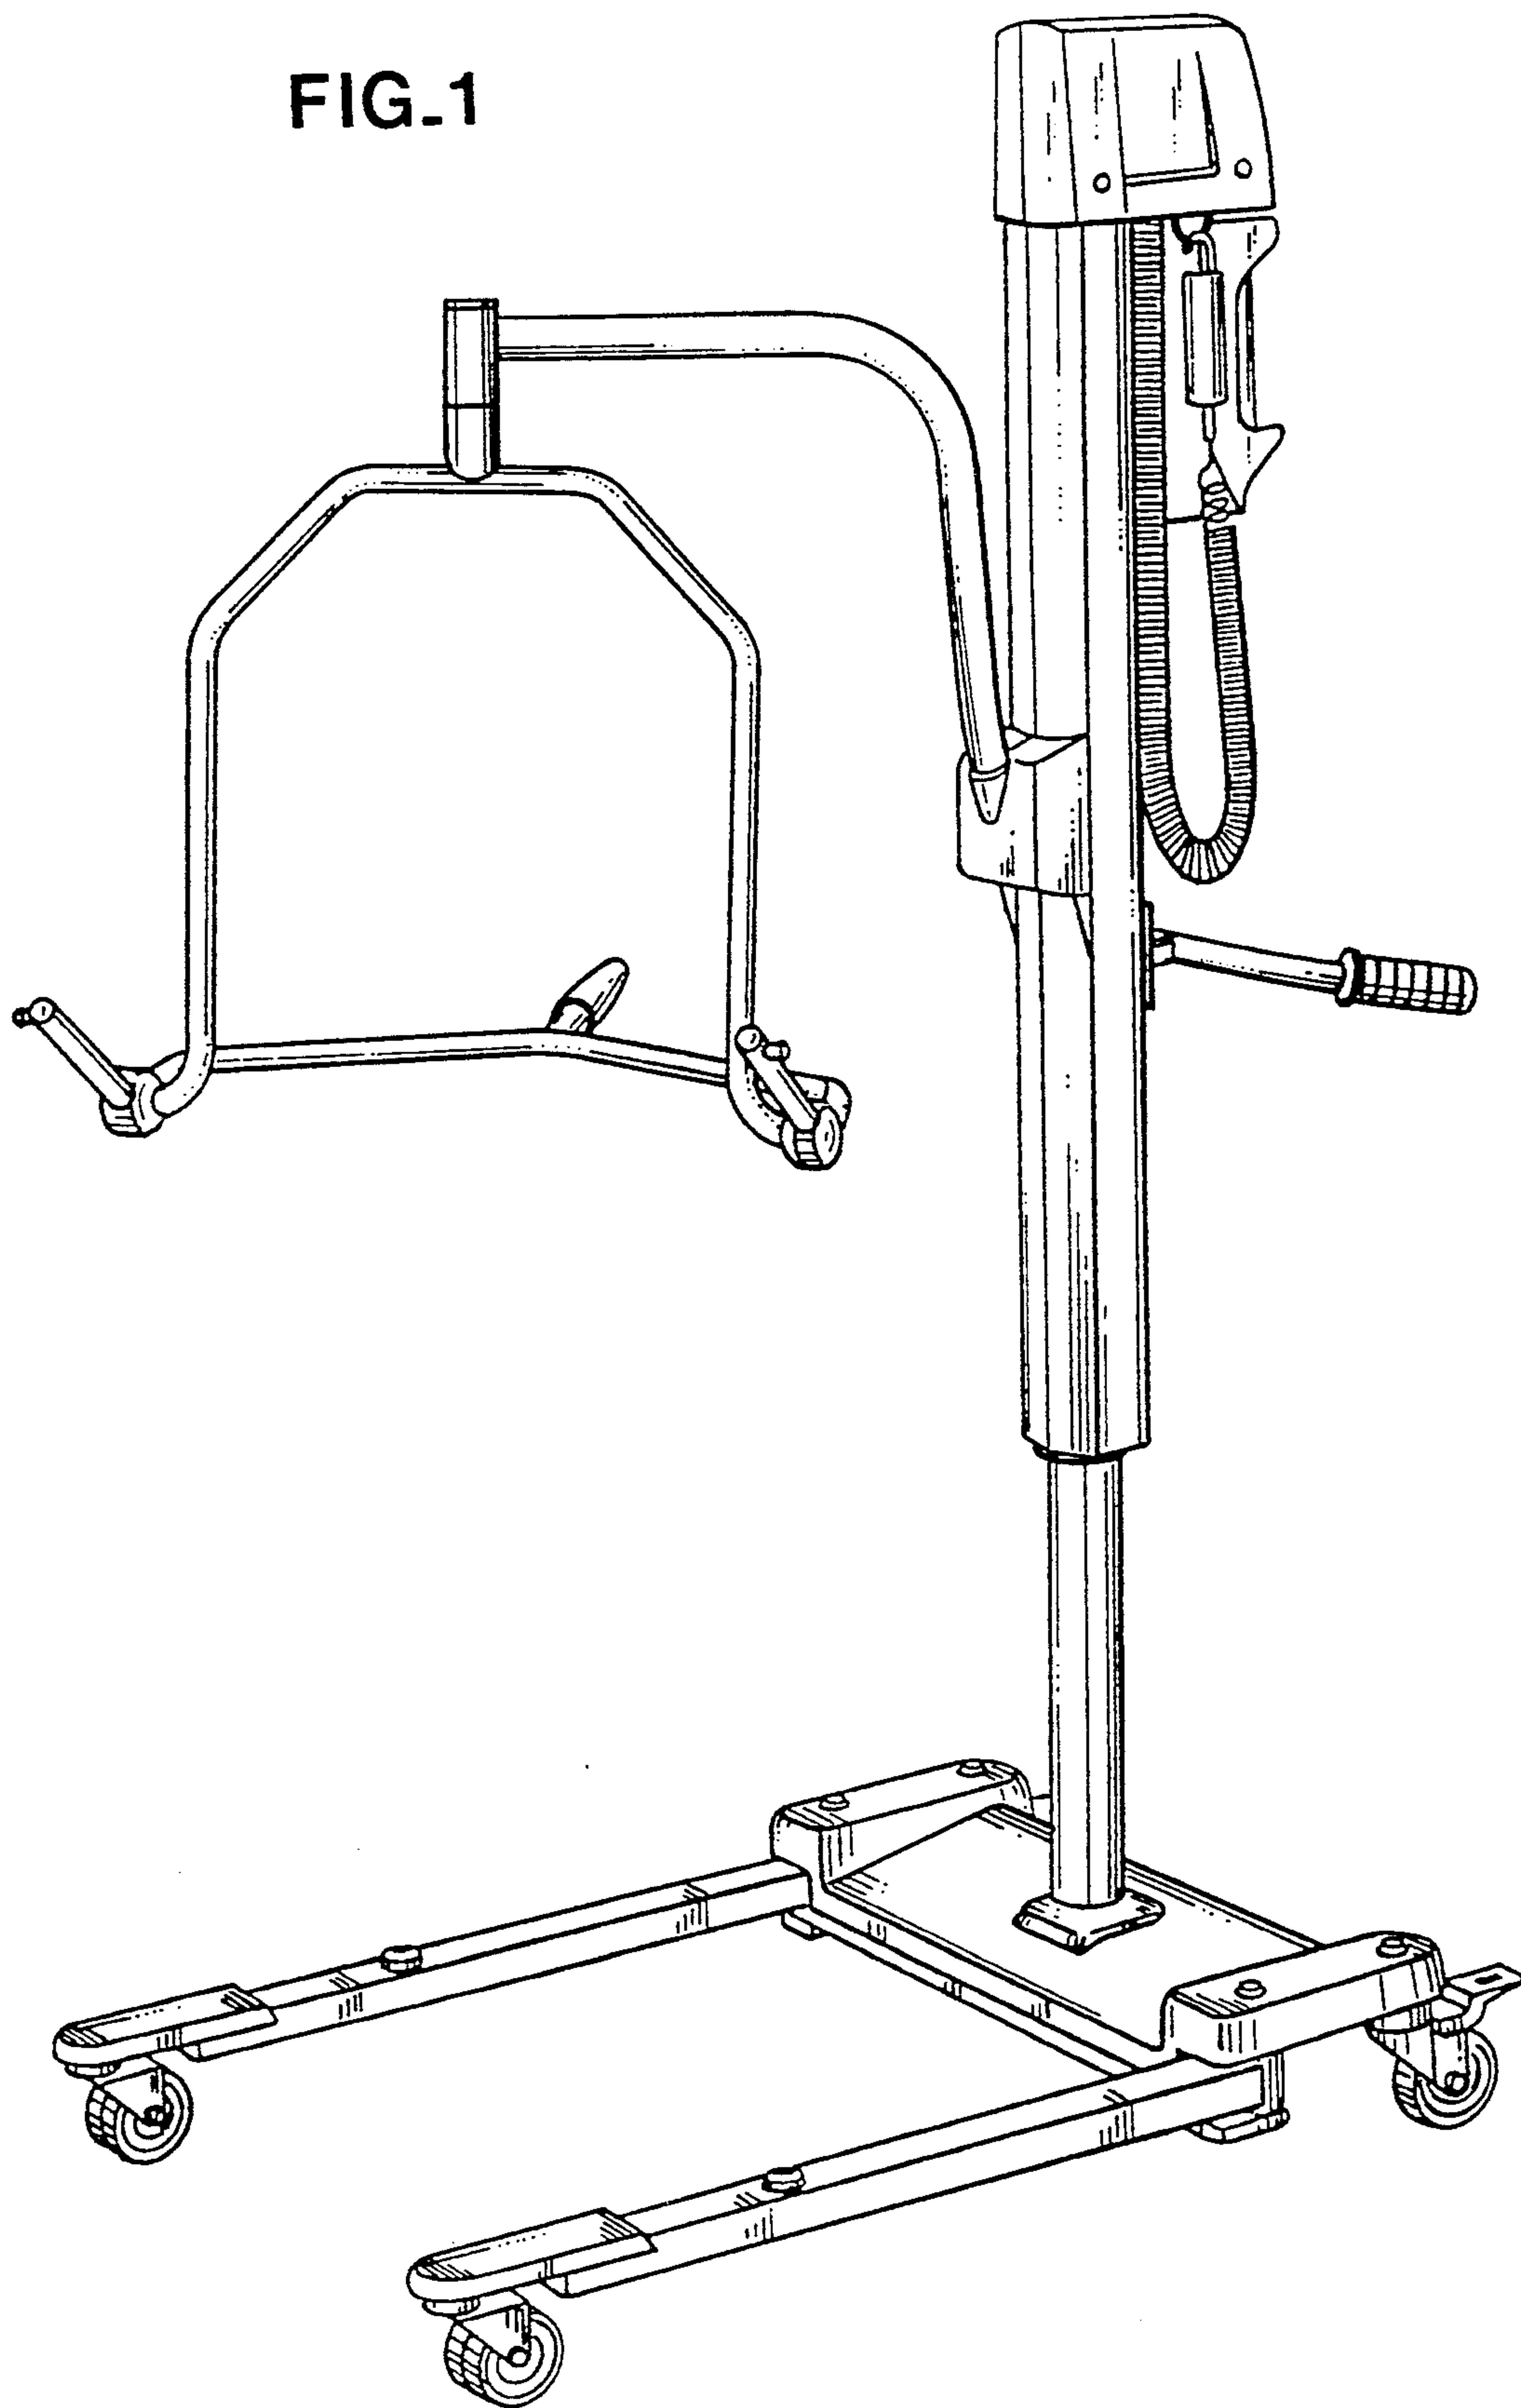

FIG. 2

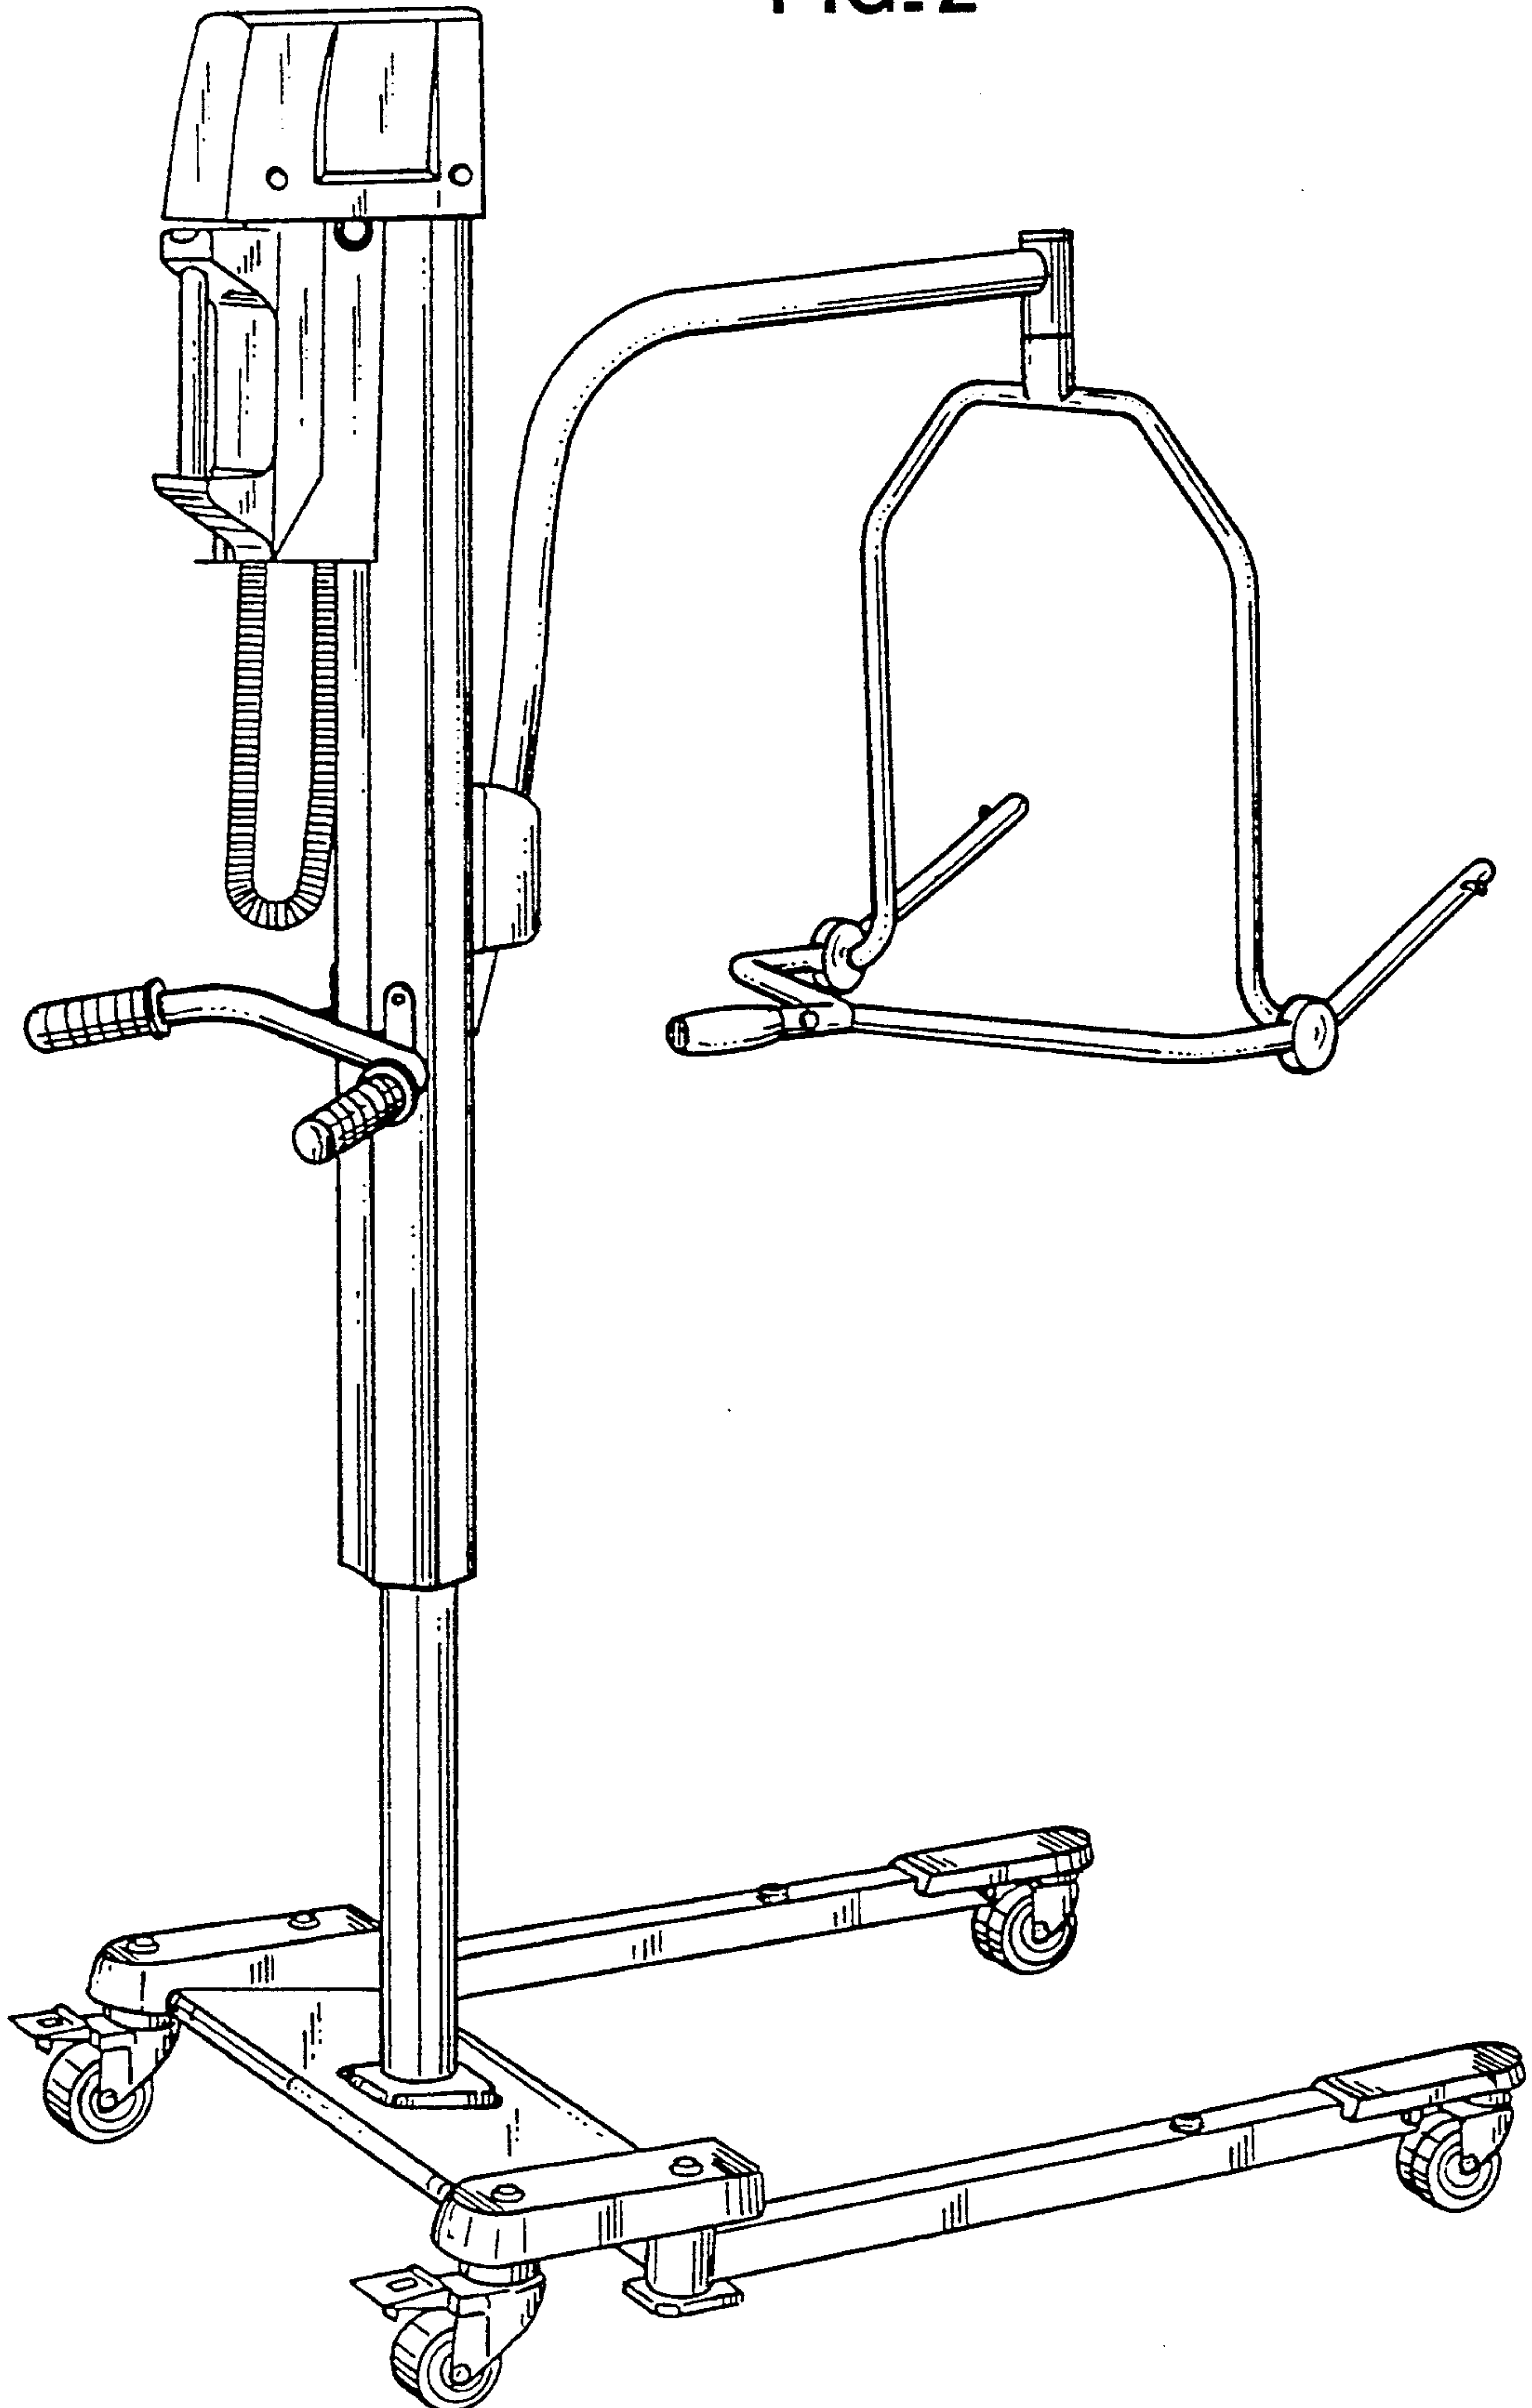

FIG. 3

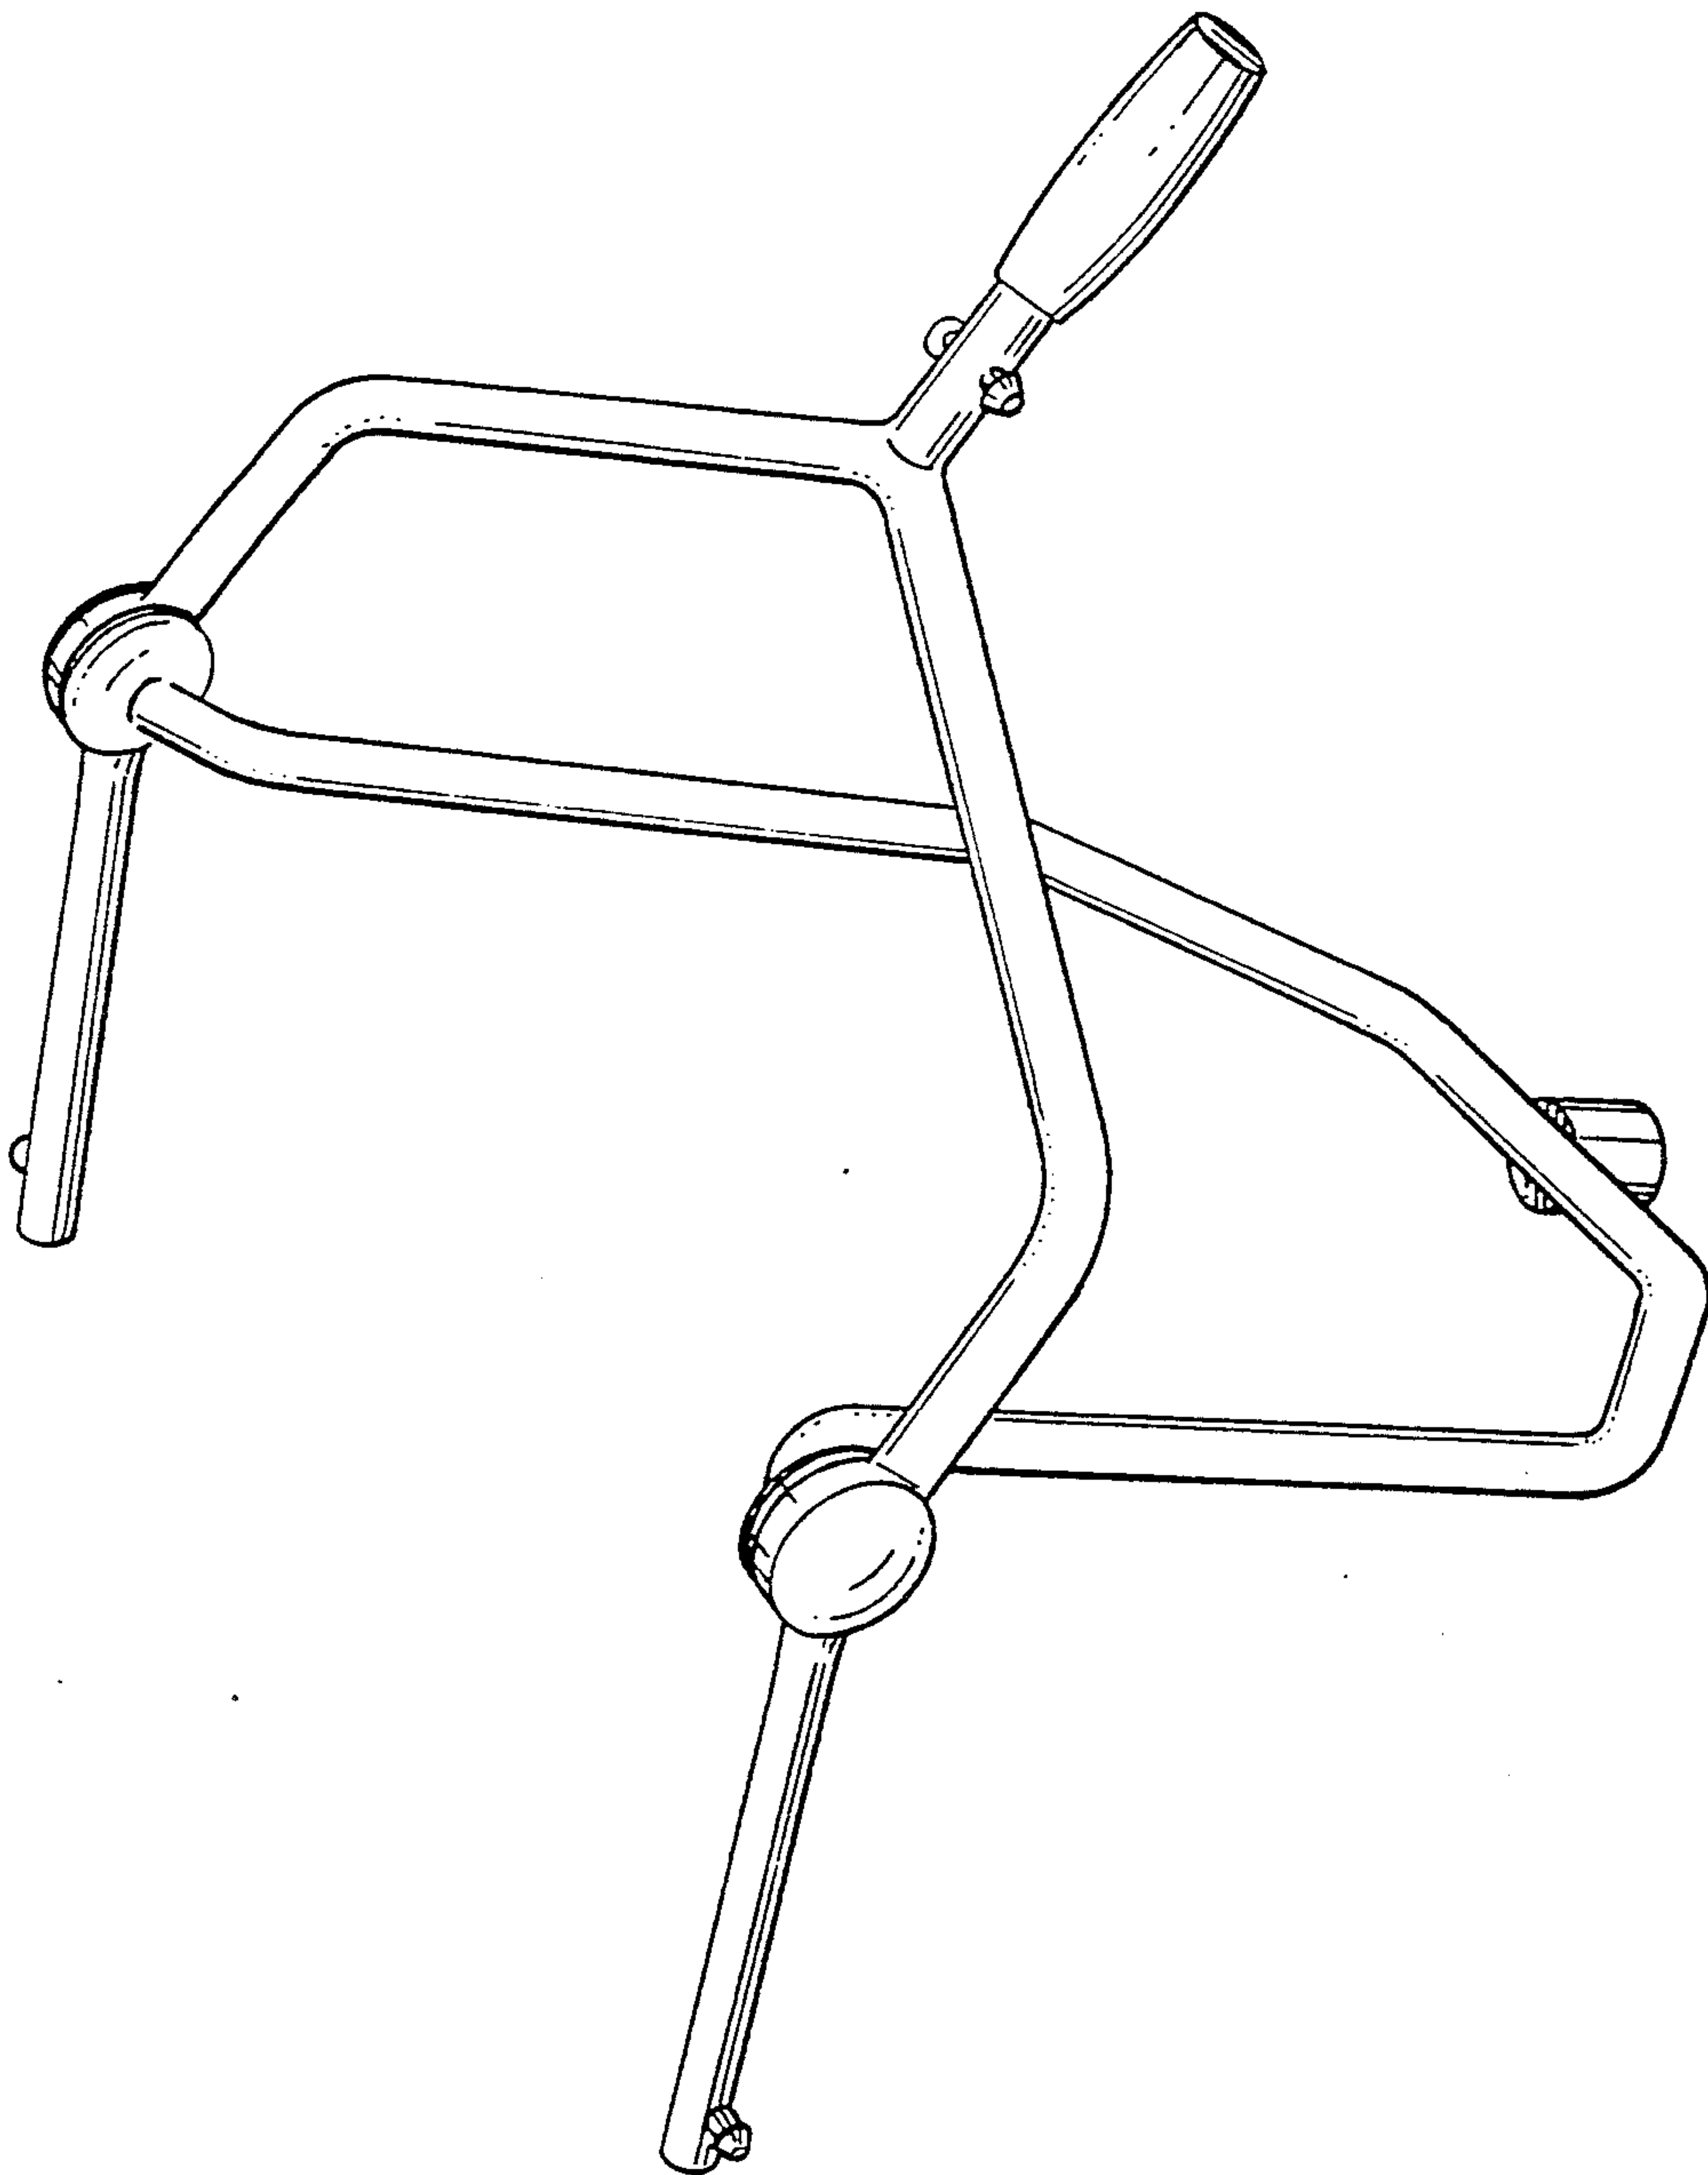

FIG. 4
