[57] CLAIM

The ornamental design for a pneumatic tire tread and buttress, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a pneumatic tire tread and buttress showing my new design, it being understood that the pattern is repeated throughout the circumference of the tread and buttress;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a fragmentary side elevational view of one side thereof; and,

FIG. 4 is a fragmentary side elevational view of the other side thereof.

The broken line showing of environmental structure in the drawing is for illustrative purposes only and forms no part of the claimed design.
