[57] CLAIM

The ornamental design for a battery charger for a radio telephone and a spare battery pack, as shown and described.

DESCRIPTION

FIG. 1 is a front top and right side perspective view of a battery charger showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom view thereof;

FIG. 6 is a right side elevational view thereof, the left side elevational view thereof being a mirror image;

FIG. 7 is a cross-sectional view thereof taken along line 7-7 of FIG. 2; and,

FIG. 8 is a front, top and right side perspective view thereof showing my new design on a reduced scale. The broken line showing of the radio telephone, spare battery pack and power cord is included for the purpose of illustrating environmental elements only and forms no part of the claimed design.
