[57] **CLAIM**

The ornamental design for a horse bandage, as shown and described.

DESCRIPTION

FIG. 1 is an elevational view of a horse bandage showing my new design in condition of use, it being understood that the broken lines are for illustrative purposes only and form no part of the claimed design;

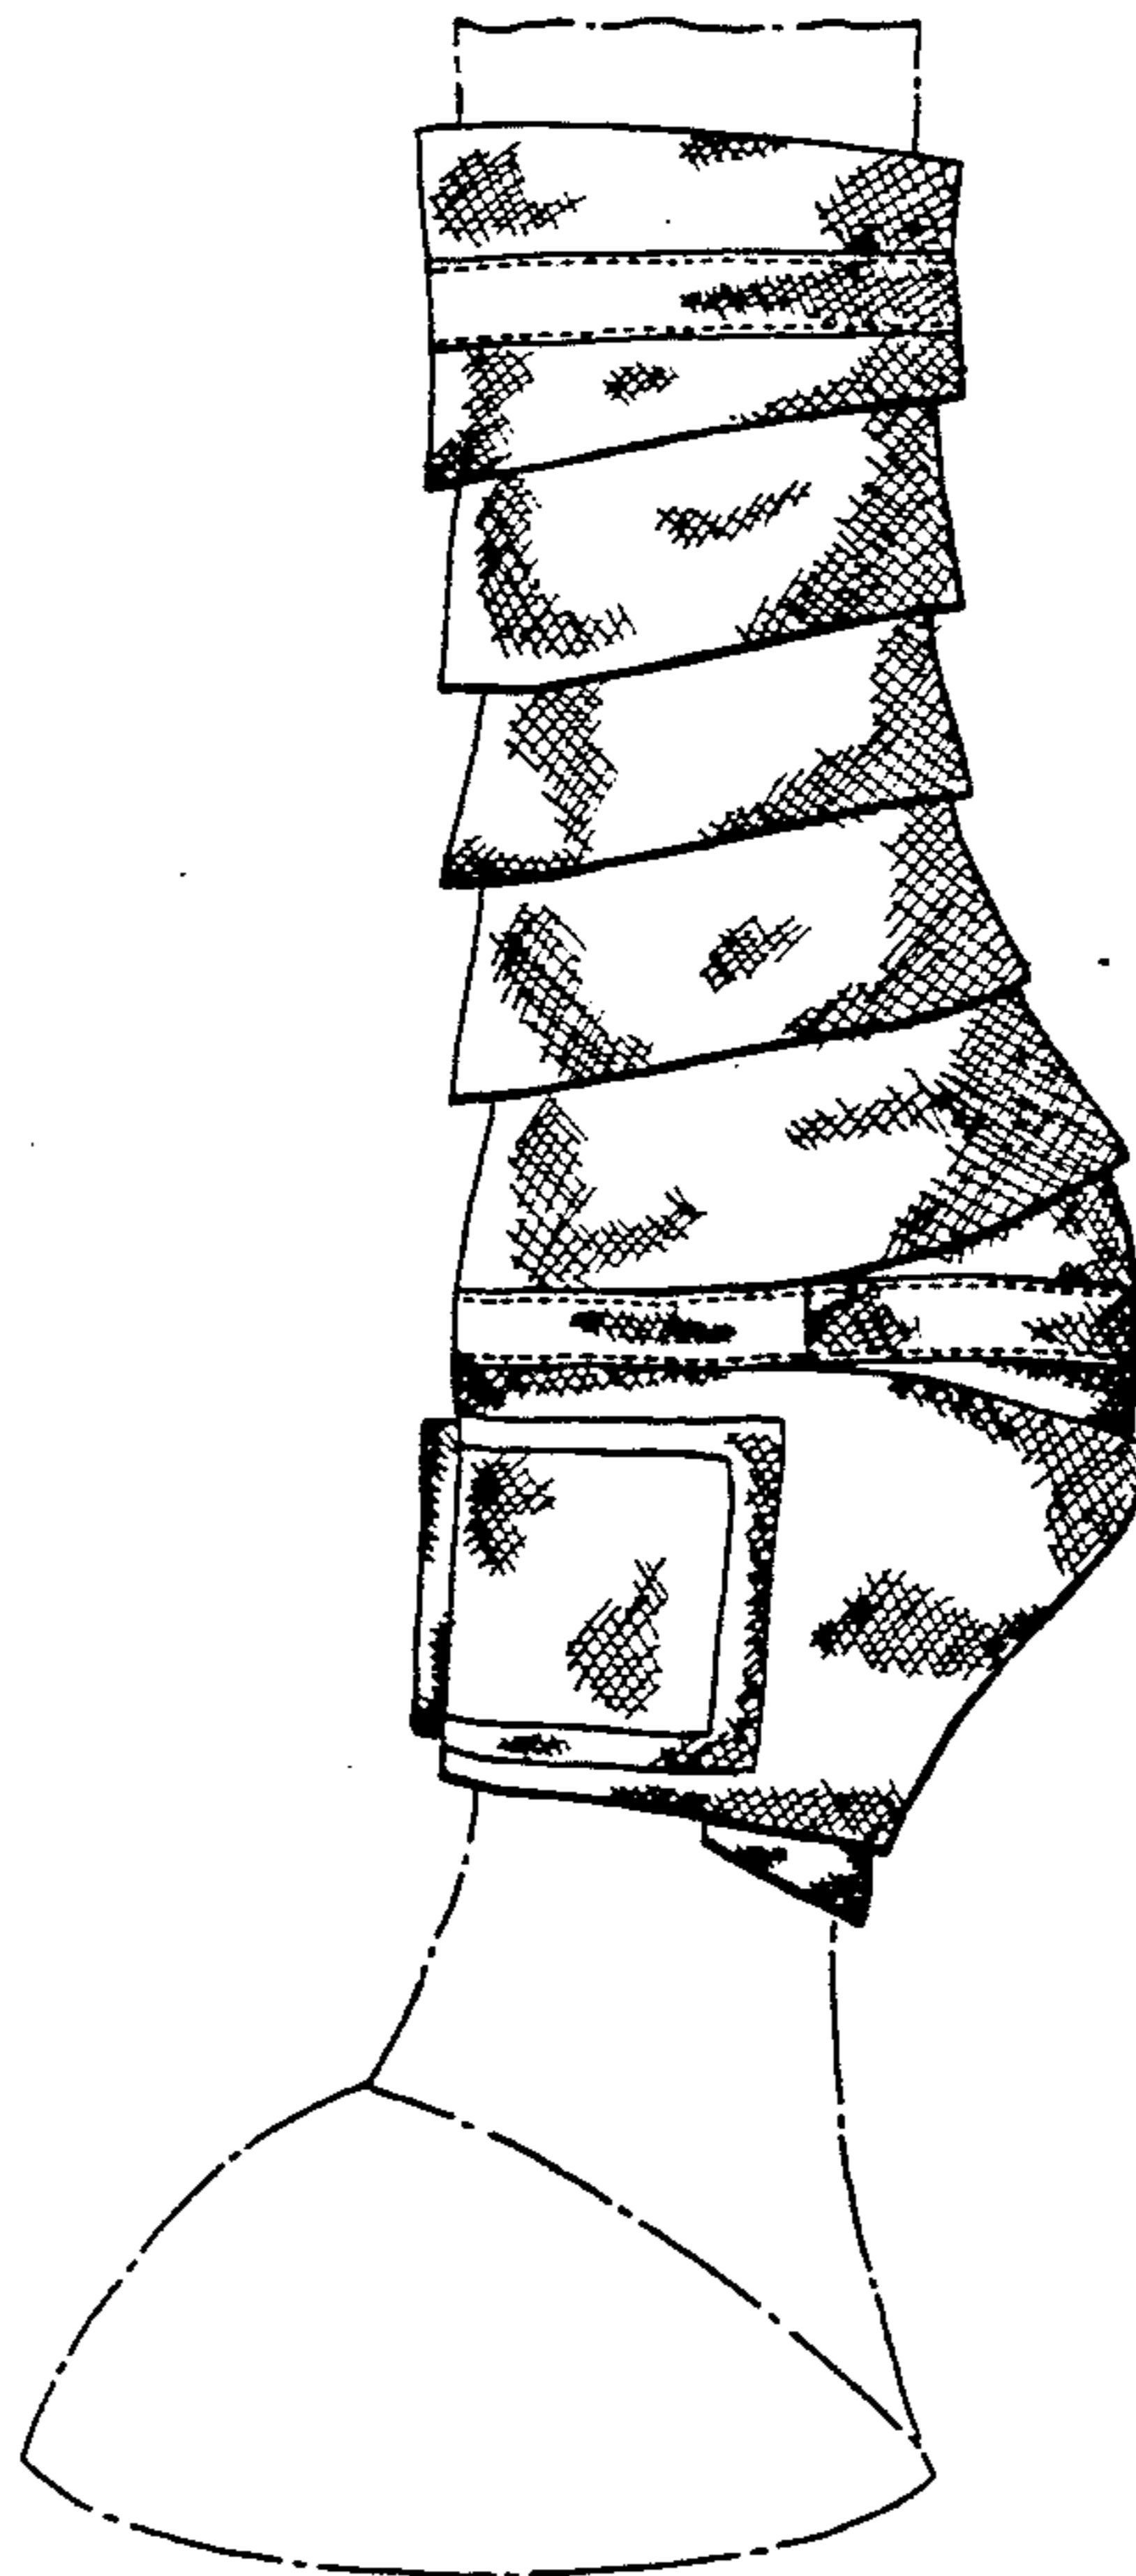

FIG. 2 is a top plan view thereof, in a flattened condition;

FIG. 3 is a bottom plan view thereof, in a flattened condition;

FIG. 4 is an end elevational view thereof, taken along line 4—4 in FIG. 2 in a flattened condition; and

FIG. 5 is a side elevational view thereof, taken along line 5—5 in FIG. 2 in a flattened condition.

The bandage is shown broken away in FIGS. 2, 3 and 5 for convenience of illustration and the broken lines shown on the bandage in all views of the drawing are intended to present stitching.
