[57] **CLAIM**

The ornamental design for a whiplash, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a whiplash showing my new design shown broken away for ease of illustration, the bottom of the handle being identical to the top view shown;
FIG. 2 is a side elevational view thereof the opposite side being a mirror image of the side shown;
FIG. 3 is an elevational view thereof taken from the handle end;
FIG. 4 is an elevational view thereof taken from the hook end;
FIG. 5 is a fragmentary top plan view of the hook; and,
FIG. 6 is a fragmentary bottom plan view of the hook.
