[57] **CLAIM**

The ornamental design for a novelty sandal, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a novelty sandal, showing my new design, the slipper shown in FIG. 1 being intended for use on the left foot with a portion of a foot shown in dot dashed lines for environmental purposes only;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a side elevational view thereof, the other side elevation being substantially the same;

FIG. 5 is a rear elevational view thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a perspective view of a second embodiment of a novelty sandal showing my new design, the slipper being intended for use on the right foot;

FIG. 8 is a front elevational view thereof;

FIG. 9 is a top plan view thereof;

FIG. 10 is a side elevational view thereof, the other side elevation being substantially the same;

FIG. 11 is a rear elevational view thereof; and,

FIG. 12 is a bottom plan view thereof.
