[57] CLAIM

The ornamental design for a mobile detector for explosives and drugs, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right side perspective view of a mobile detector for explosives and drugs showing our new design;

FIG. 2 is a right side elevational view;

FIG. 3 is a left side elevational view;

FIG. 4 is a front elevational view;

FIG. 5 is a rear elevational view;

FIG. 6 is a bottom plan view; and,

FIG. 7 is a top plan view thereof.
