[57] **CLAIM** 

The ornamental design for a watch dial, as shown and described.

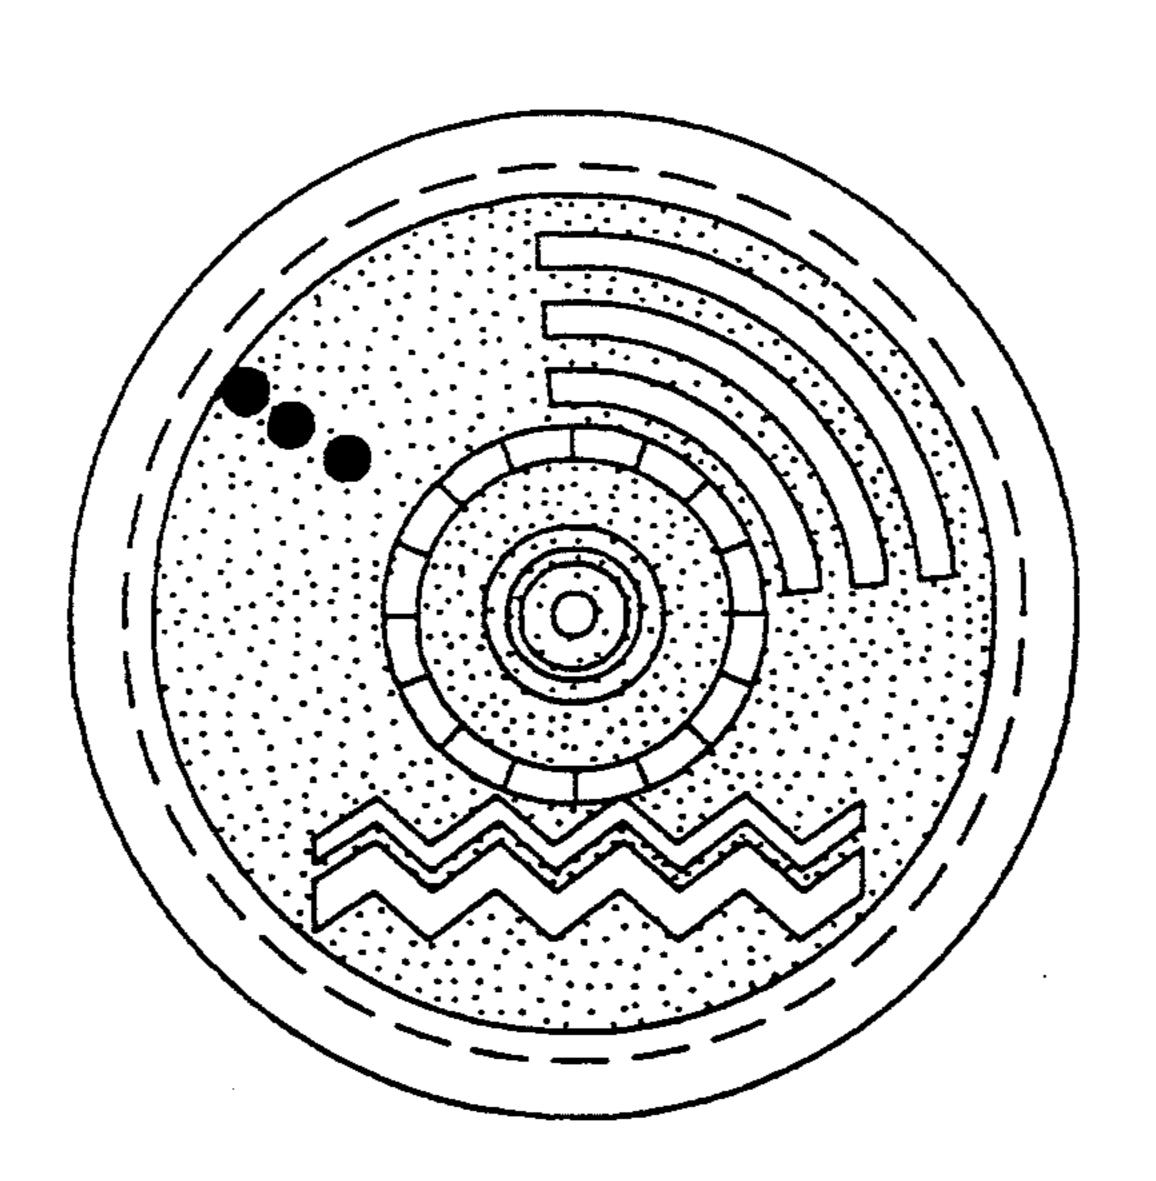

#### DESCRIPTION

FIG. 1 is a top plan view of a watch dial showing my new design; and,

FIG. 2 is a top plan view thereof, the broken-line showings of a wrist watch being environmental only and forming no part of the claimed design.

The drawing is lined for color contrast.

The dial is of no appreciable thickness and has a rear which is flat, plain and unornamented.

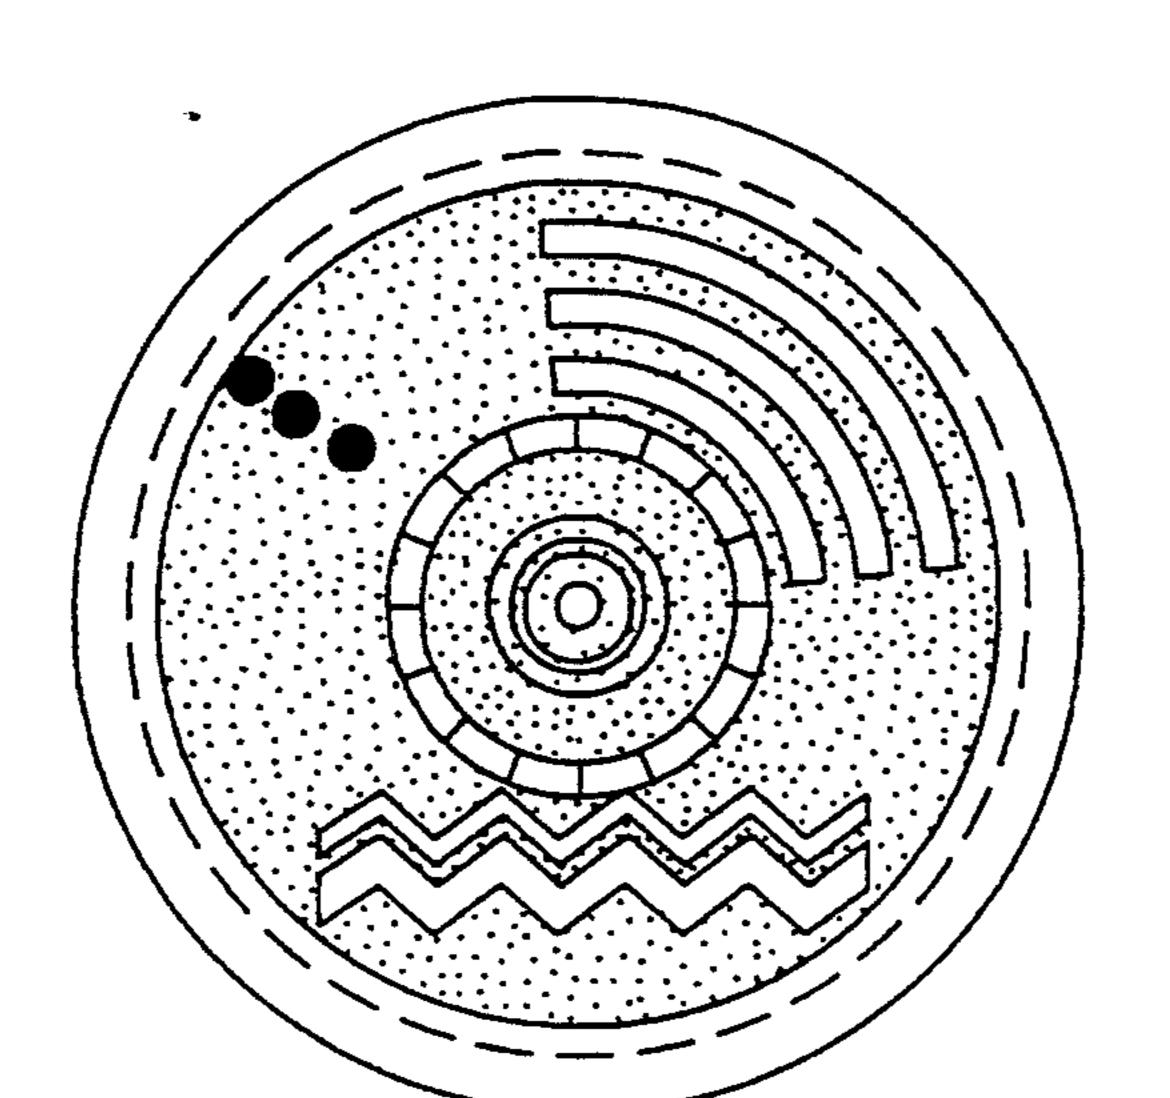

FIG. 1
