[57] **CLAIM**
The ornamental design for a fifth wheel pin puller, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a fifth wheel pin puller showing my new design, the rear elevational view being a mirror image thereof;
FIG. 2 is a right side elevational view thereof;
FIG. 3 is a bottom plan view thereof;
FIG. 4 is a top plan view thereof;
FIG. 5 is a left side elevational view thereof;
FIG. 6 is a reduced scale front elevational view thereof, shown inverted and in an extended position; and,
FIG. 7 is a perspective view thereof, on a reduced scale, the broken line portions being for illustrative purposes only and forming no part of the claimed design.
