[57] **CLAIM**

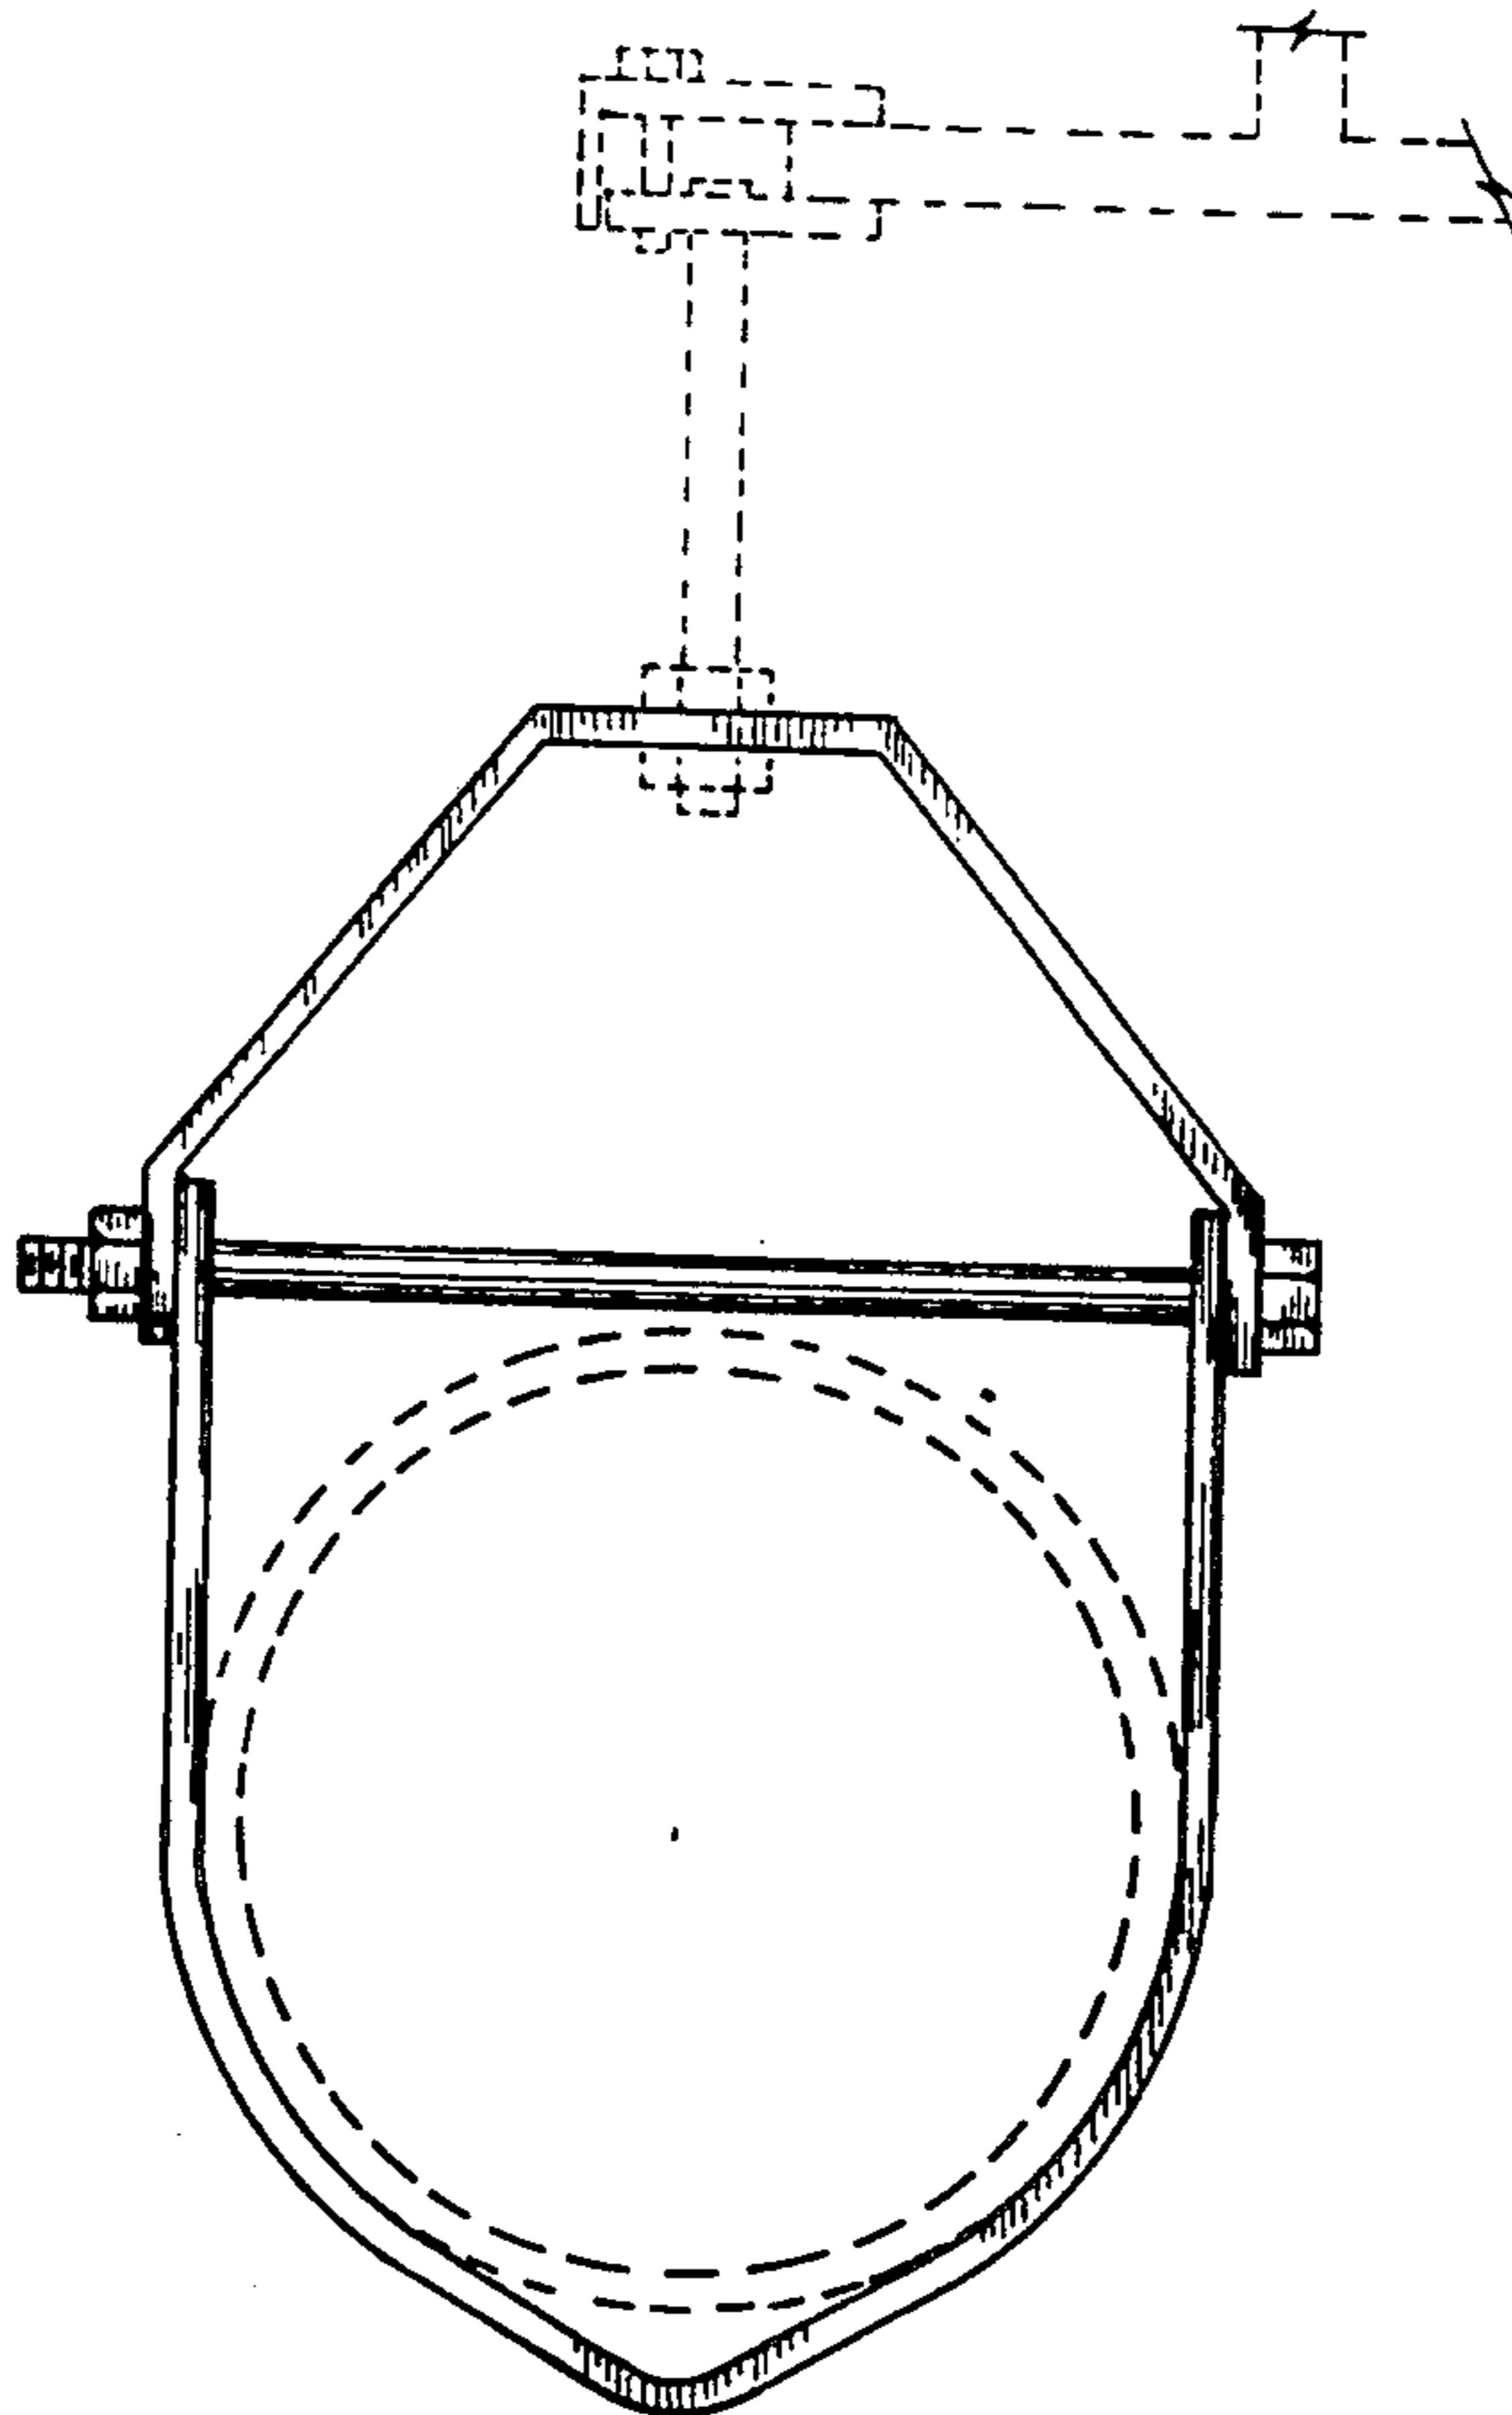

The ornamental design for a pipe hanger, as shown and described herein.

DESCRIPTION

FIG. 1 is a front elevational view of a pipe hanger showing my new design, indicating in phantom or broken lines environmental structure of a pipe supported in the paper hanger, and the other environmental structure being support for the pipe hanger to a building structure;

FIG. 2 is a left side elevational view thereof; and, FIG. 3 is a right side elevational view thereof.

The broken line showing of pipe and a suitable mechanism for supporting a pipe hanger to a building structure is for illustrative purposes only and forms no part of the claimed design.

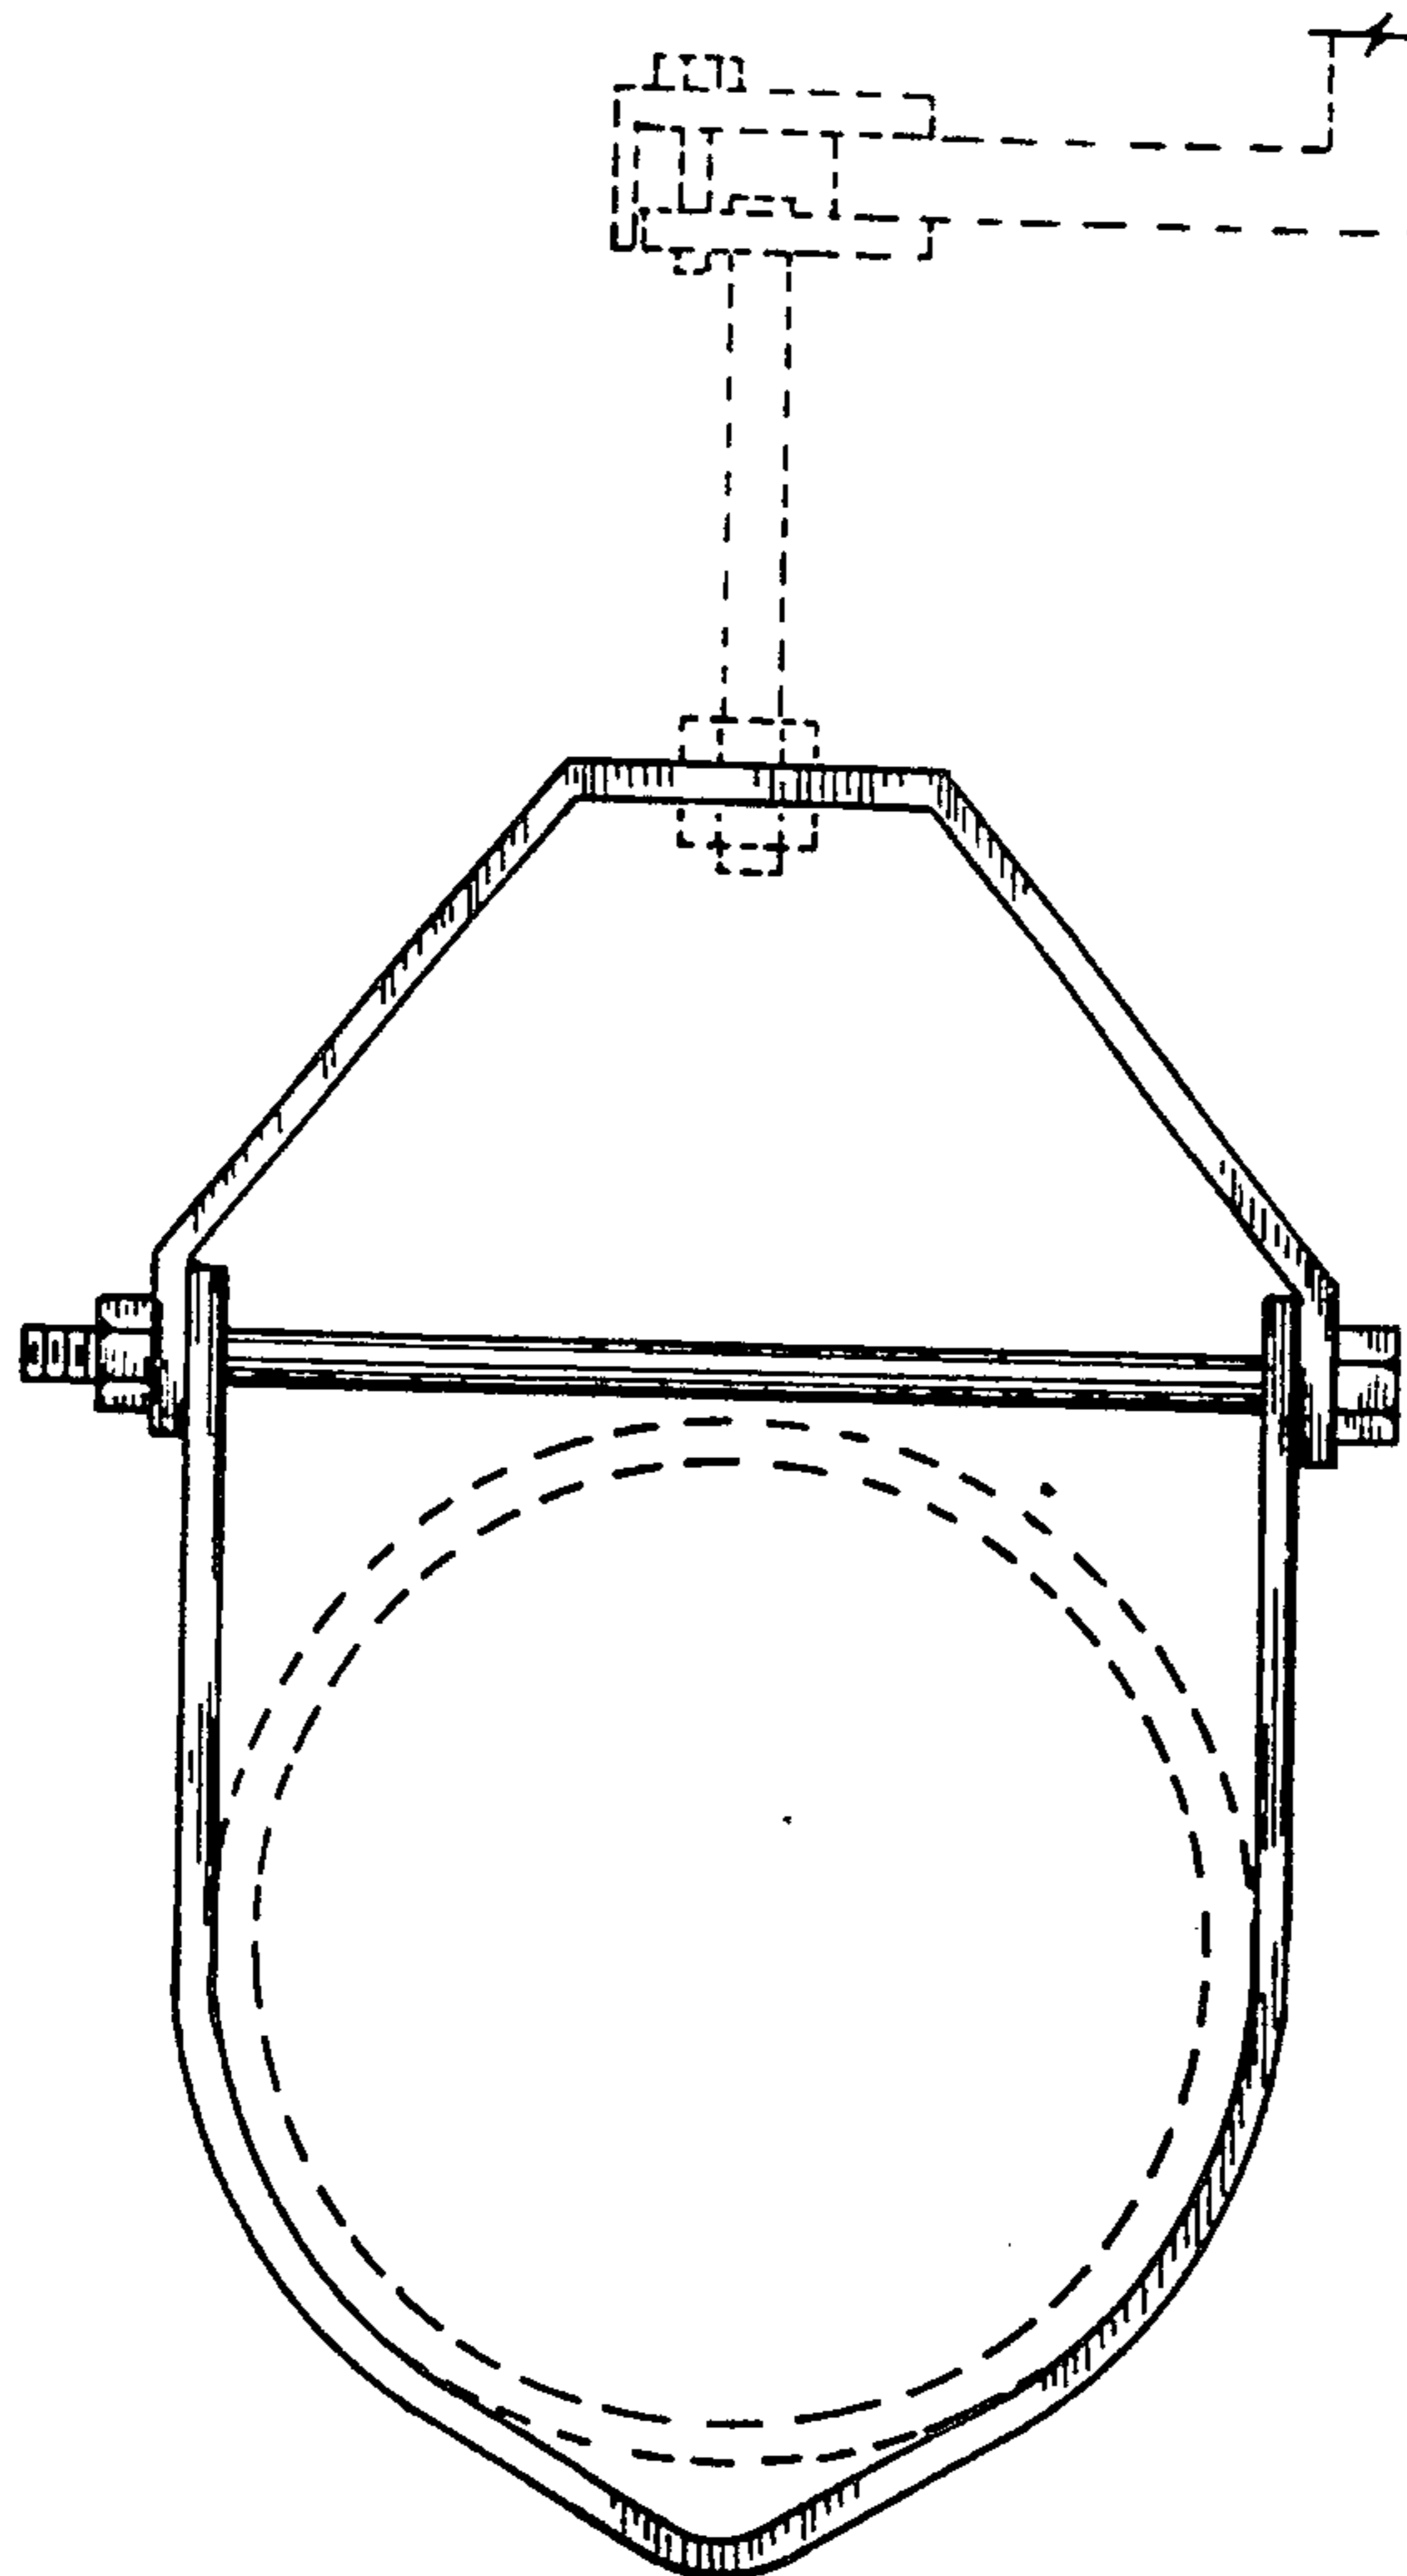

FIG. 1

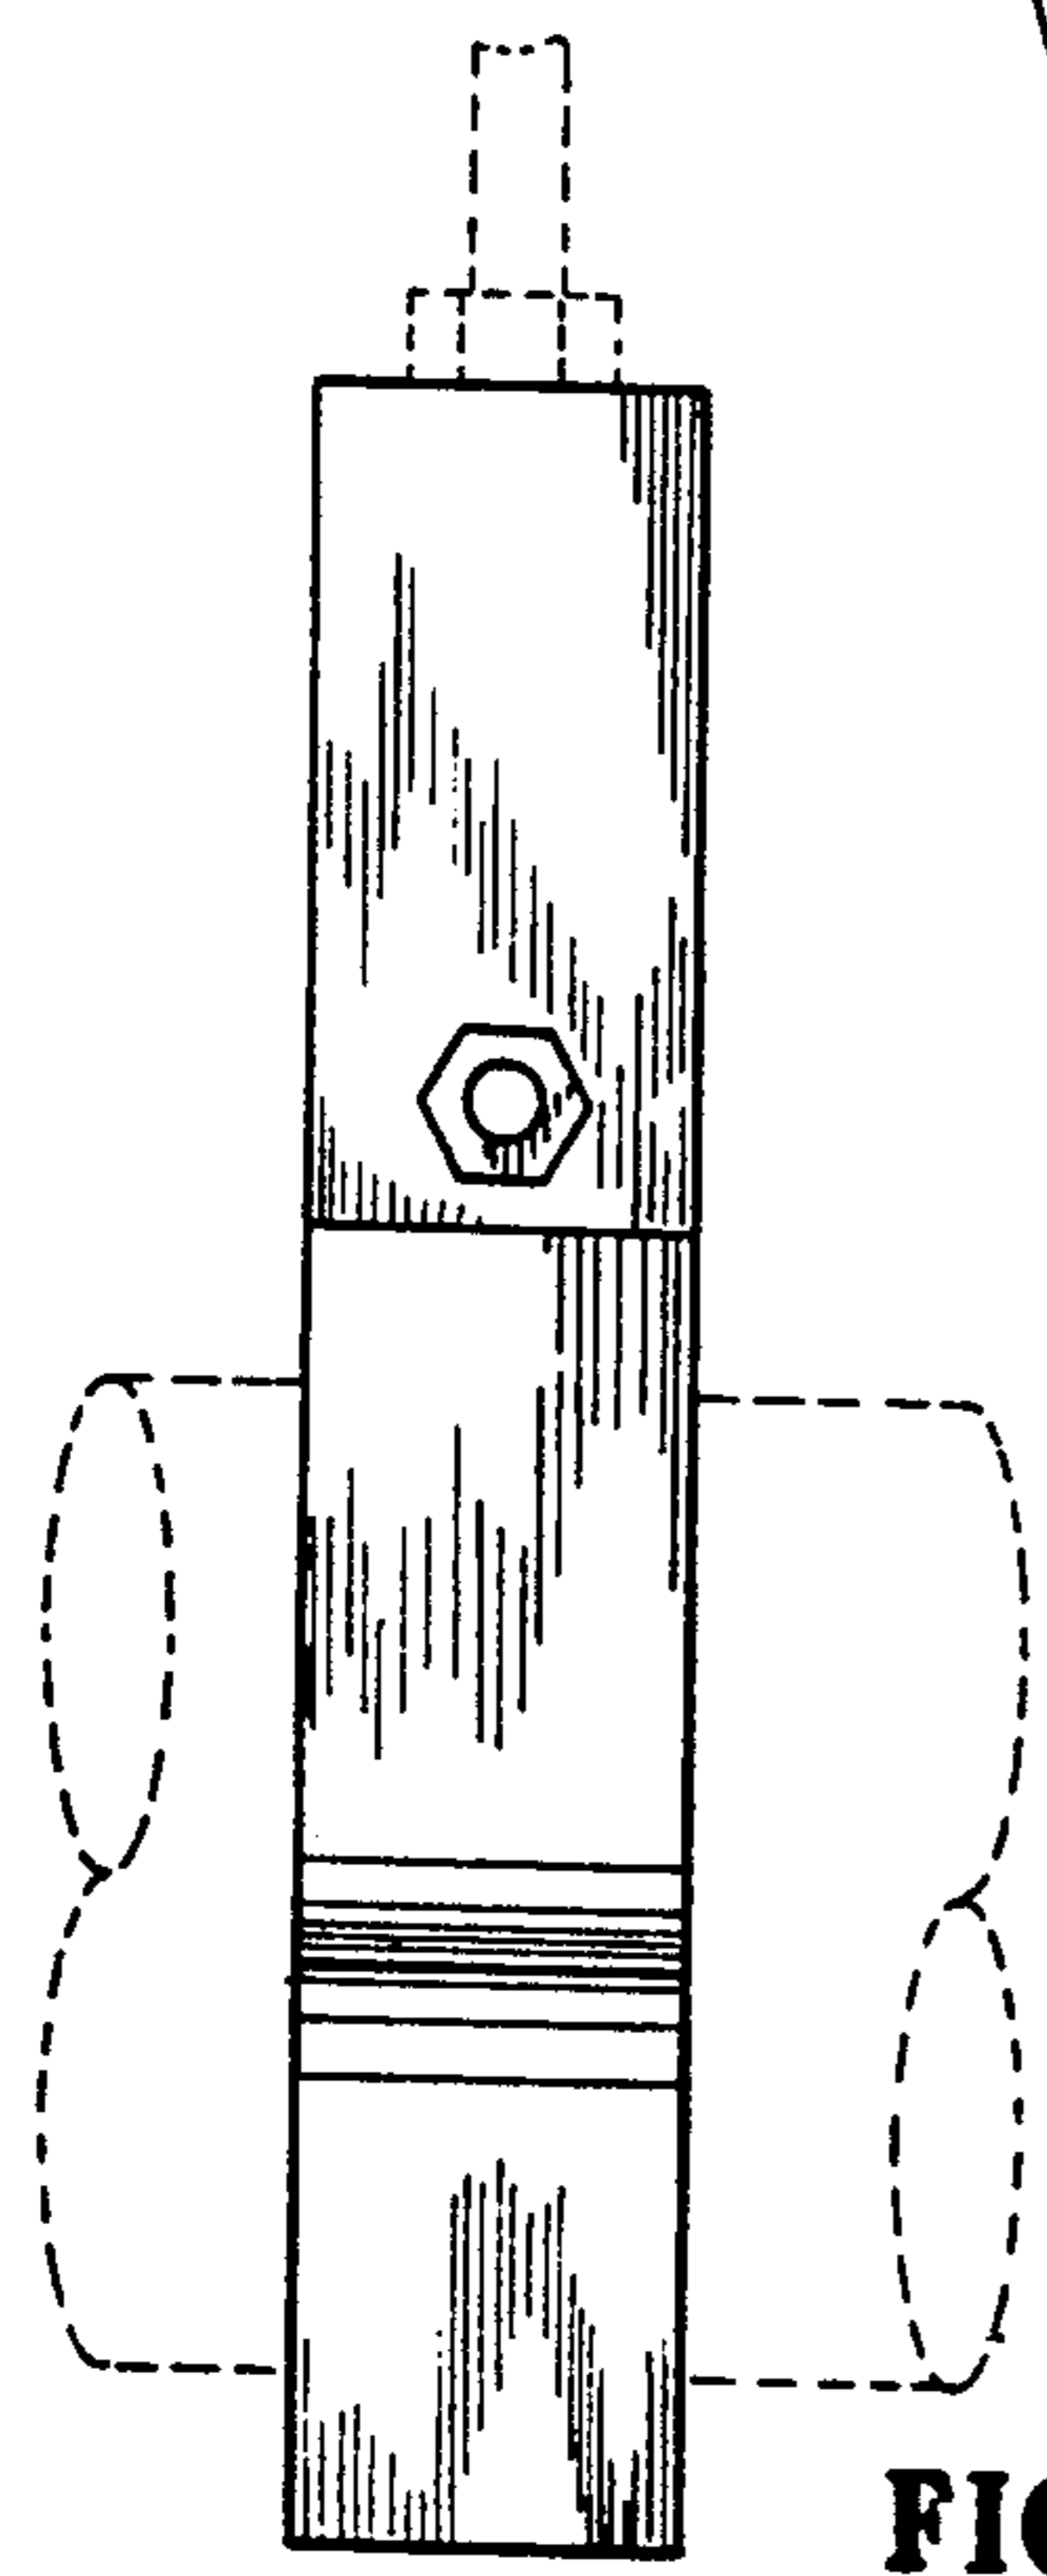

FIG. 2
