### [57] CLAIM

The ornamental design for a water hose straightener, as shown and described.

### DESCRIPTION

FIG. 1 is a front perspective view of a water hose straightener showing my new design; FIG. 2 is a rear elevational view thereof; FIG. 3 is a top plan view thereof; and, FIG. 4 is a bottom plan view thereof; The coiled portion of the claimed design along with the shaft member are shown broken away to indicate indeterminate length.
