[57] **CLAIM**

The ornamental design for a cigarette lighter charger for a radio phone, as shown and described.

DESCRIPTION

FIG. 1 is a front and upper right prospective view of a cigarette lighter charger for a radio phone showing my new design;

FIG. 2 is a rear and lower light perspective view thereof;

FIG. 3 is a front view thereof;

FIG. 4 is an inverted rear elevational view thereof;

FIG. 5 is a left side elevational view thereof, the right side elevational view thereof being a mirror image except for the indicator light; and,

FIG. 6 is a bottom view thereof, the top view being a mirror image.

The broken line showing of the electrical cord and strain reliever is included for the purpose of illustrating environmental elements only and forms no part of the claimed design.
