[21] Appl. No.: **482,420**

[22] Filed: **Feb. 20, 1990**

[52] U.S. Cl. **D4/131; D28/7**

[58] Field of Search **D4/127, 128, 130-133; D28/7; 132/218, 317, 320; 15/206, 207, 159 R, 159 A; 401/118, 122, 129, 268**

[57] **CLAIM**

The ornamental design for a mascara brush head, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a mascara brush head showing my new design, the side opposite being a mirror image of the side shown;
FIG. 2 is a side elevational view thereof, the side opposite being a mirror image of the side shown;
FIG. 3 is a front end elevational view thereof; and,
FIG. 4 is a rear end elevational view thereof, with parts of the bristle core being shown in section.
The broken line showing of the brush handle in FIGS. 1 and 2 is for illustrative purposes only and forms no part of the claimed design.
