[57] **CLAIM**

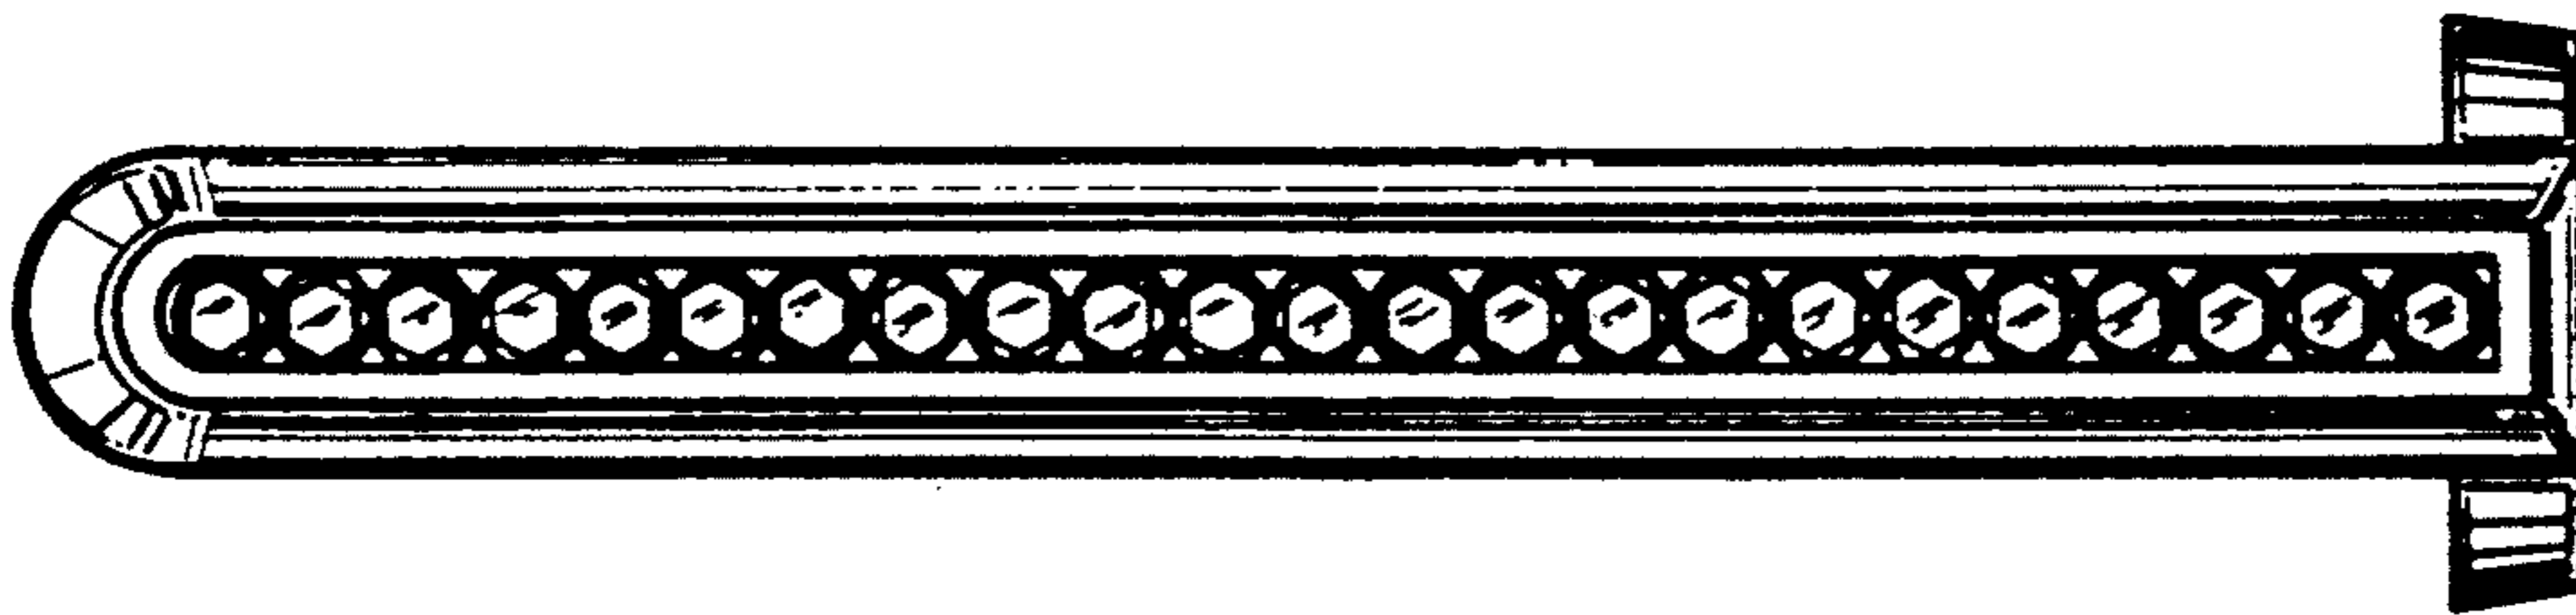

The ornamental design for a writing instrument clip, as shown and described.

**DESCRIPTION**

FIG. 1 is a top, right front perspective view of a writing instrument clip showing my new design; FIG. 2 is a front elevational view; and, FIG. 3 is a right side elevational view, the left side being a mirror image thereof.

The FIG. 1 view has been drawn to a reduced scale with respect to FIGS. 2 and 3. The writing instrument in FIG. 1 has been depicted by means of broken lines for illustrative purposes only and forms no part of the claimed design.

The rear of the article is conventional in appearance.

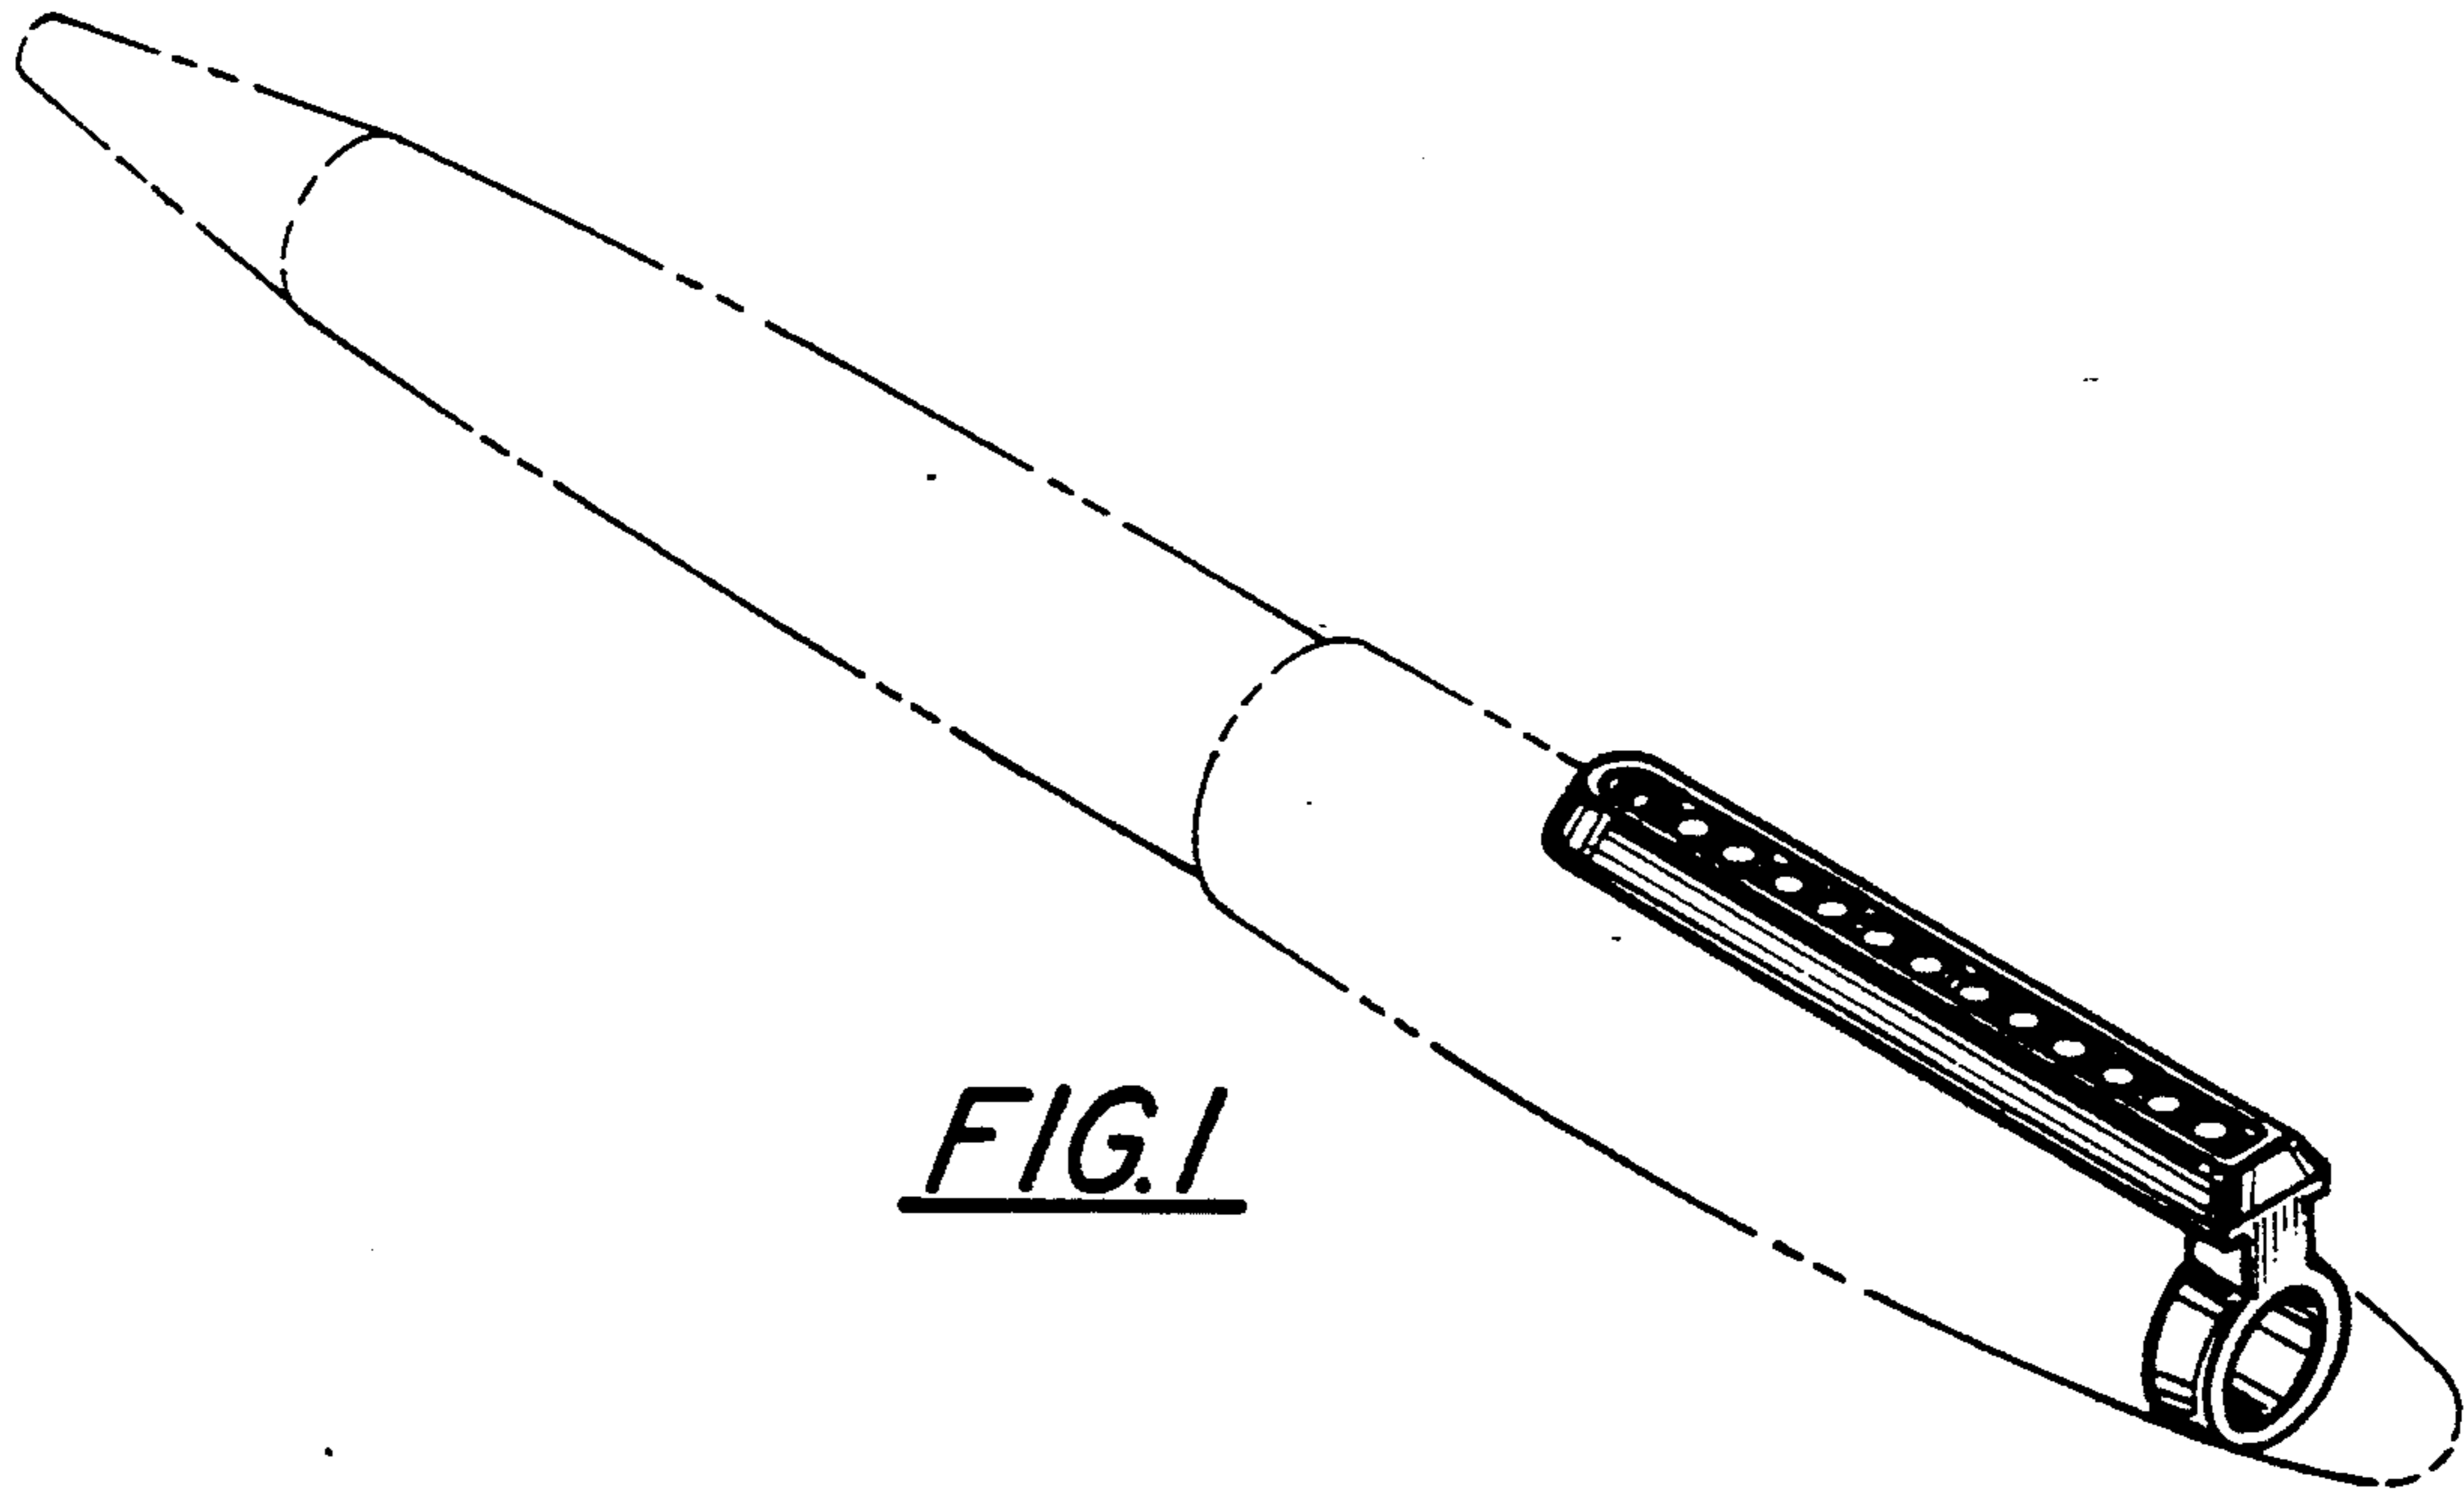

FIG. 1

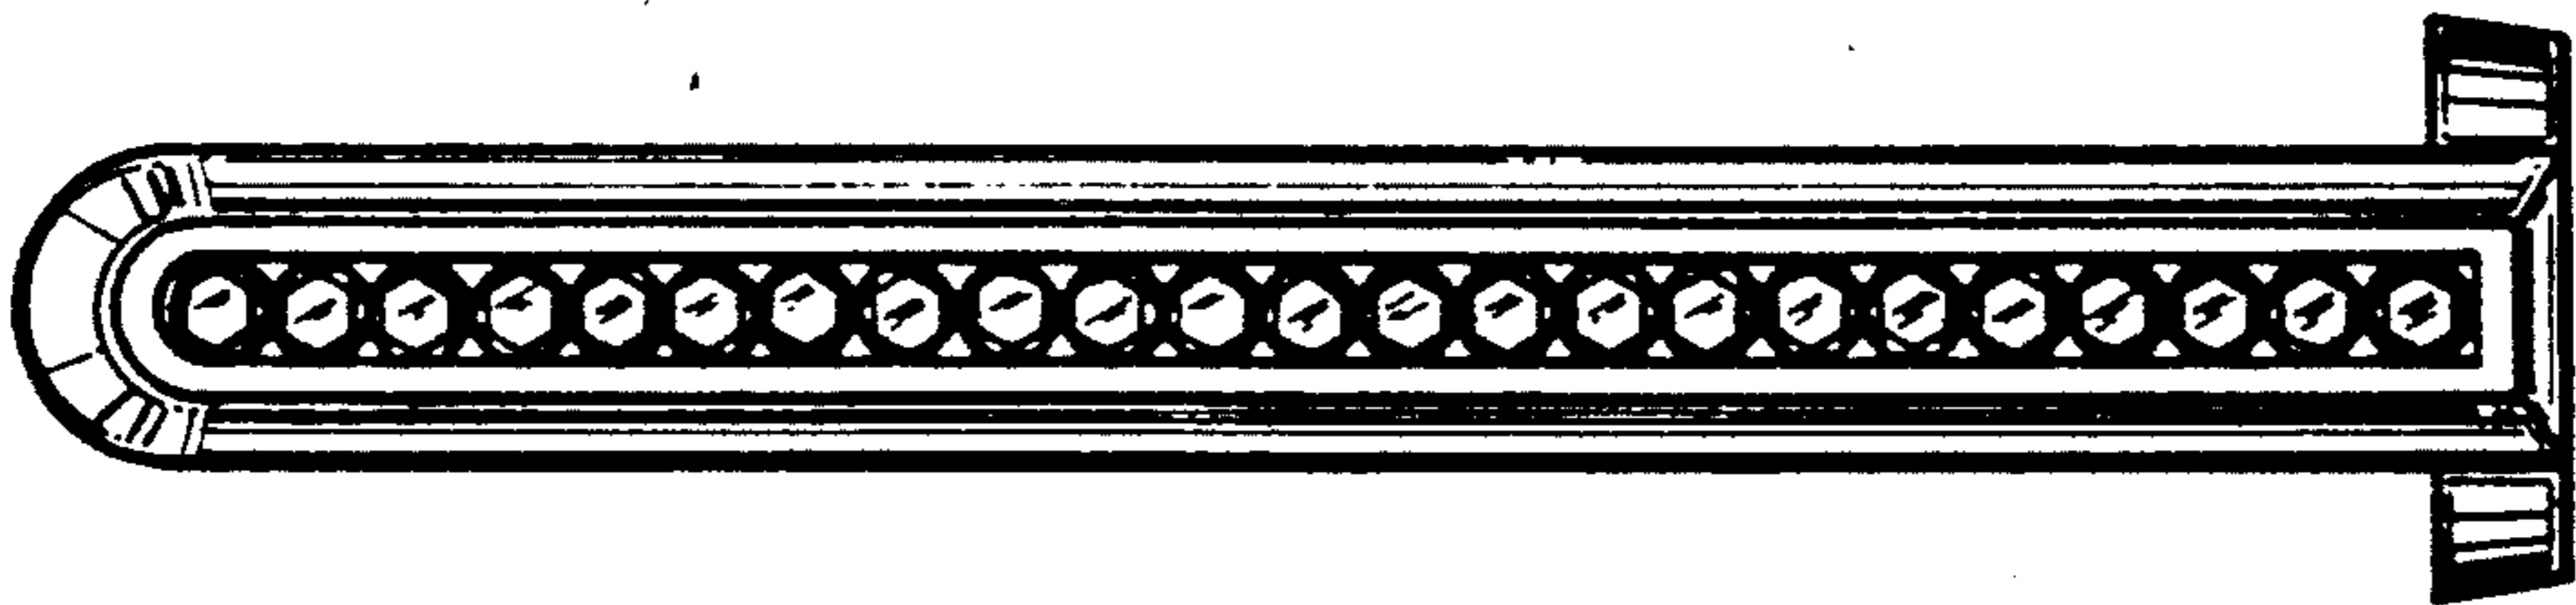

FIG. 2

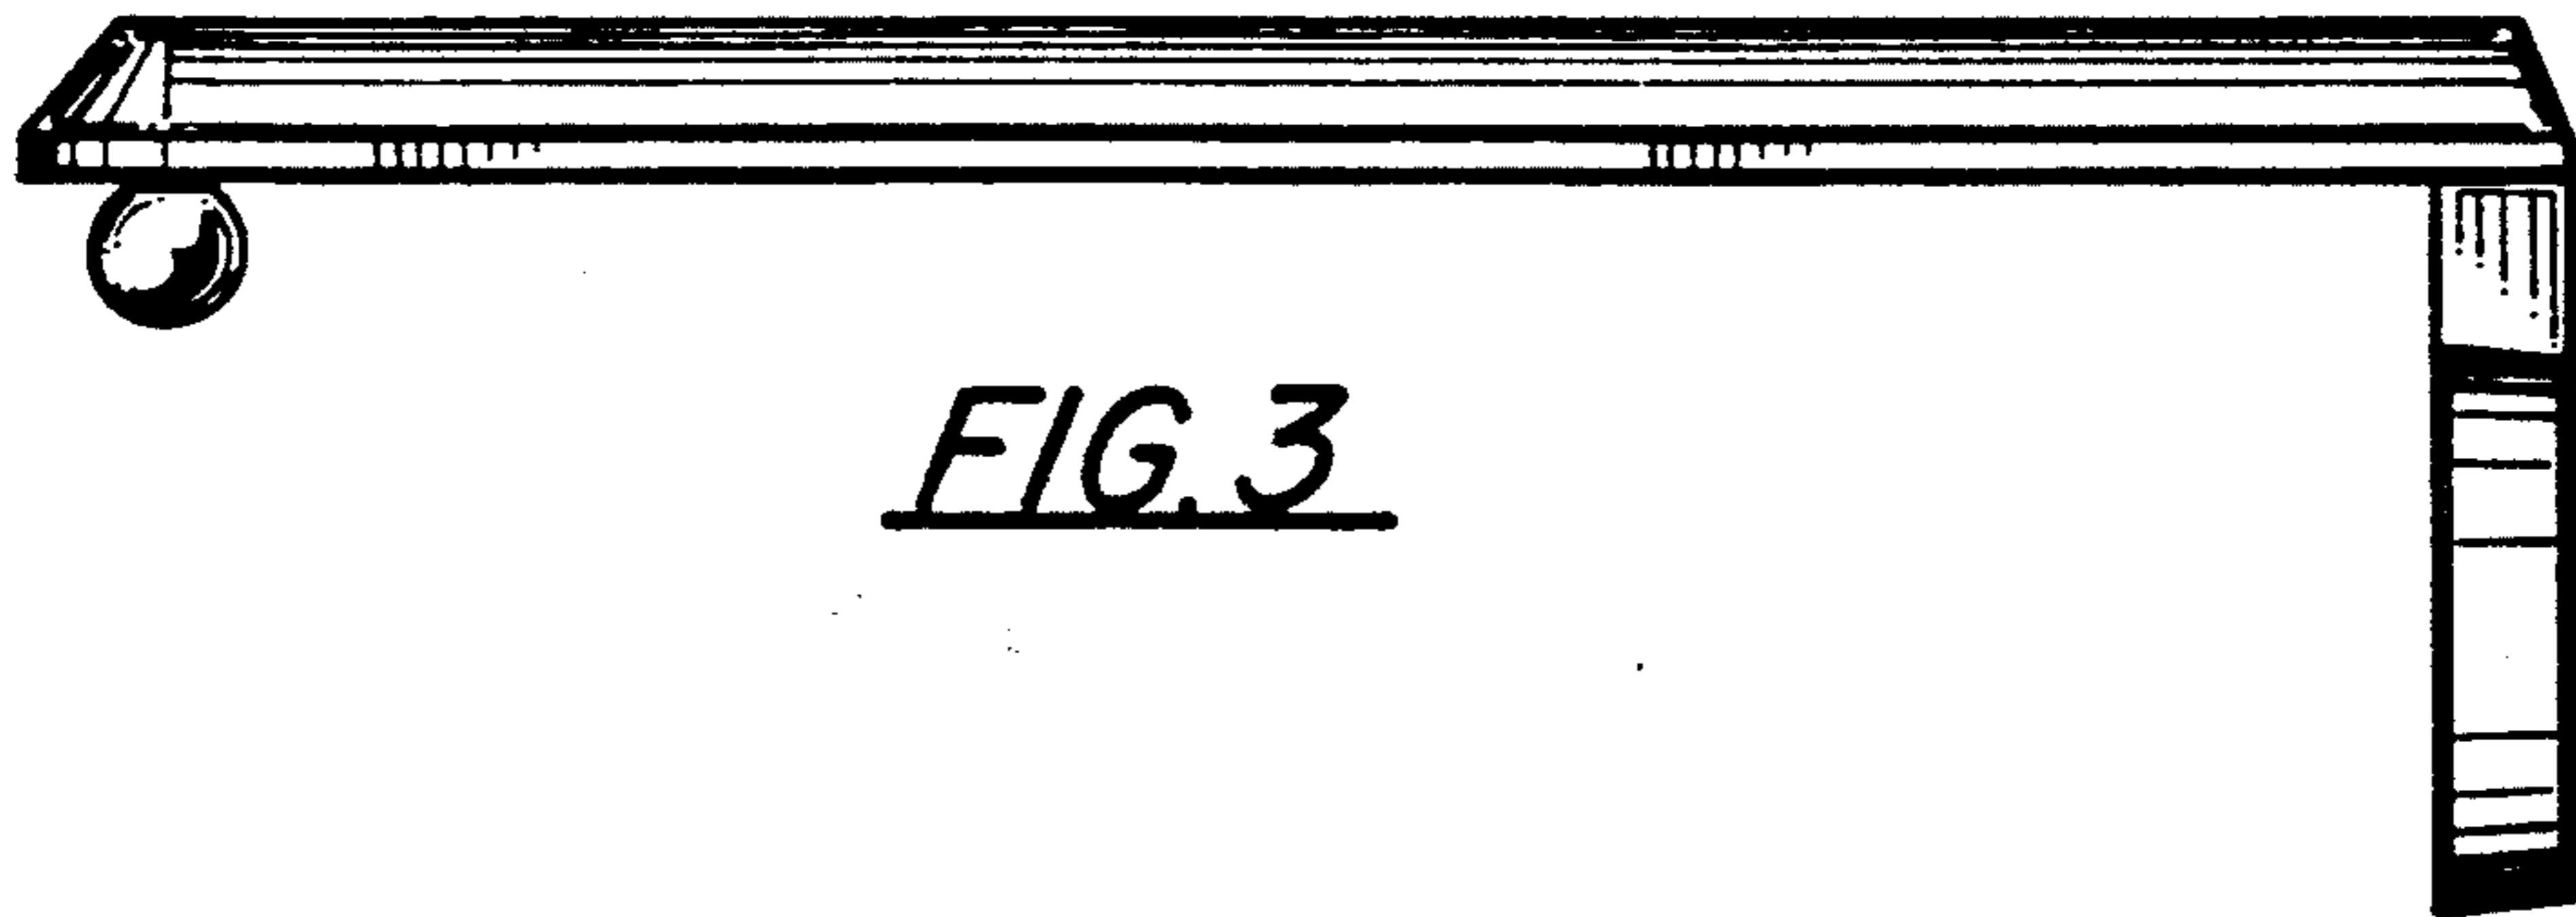

FIG. 3
