[57] CLAIM

The ornamental design for a folding table, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a folding table showing my new design;

FIG. 2 is a front perspective view with the table top in an upward position thereof;

FIG. 3 is a front elevational view thereof; and

FIG. 4 is a right side elevational view, the left side being a mirror image thereof; and,

FIG. 5 is a right side elevational view with the table top in a tilted position, the left side being a mirror image thereof.

The side of the table now shown is a mirror image of the side shown while the undisclosed rear surfaces of the leg supports are substantially flat and unadorned.
