## [57] CLAIM

The ornamental design for a wire management cover, as shown and described.

#### DESCRIPTION

FIG. 1 is a front and upper right perspective view of a wire management cover showing my new design. The broken line showing is included for the purpose of illustrating environmental elements only and forms no part of the claimed design;

FIG. 2 is a front elevational view thereof, the rear elevational view being the same;

FIG. 3 is a right side elevational view thereof, the left side elevational view thereof being a mirror image;

FIG. 4 is a right side elevational view thereof shown on an enlarged scale for the purpose of showing the details of the design;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom plan view thereof;

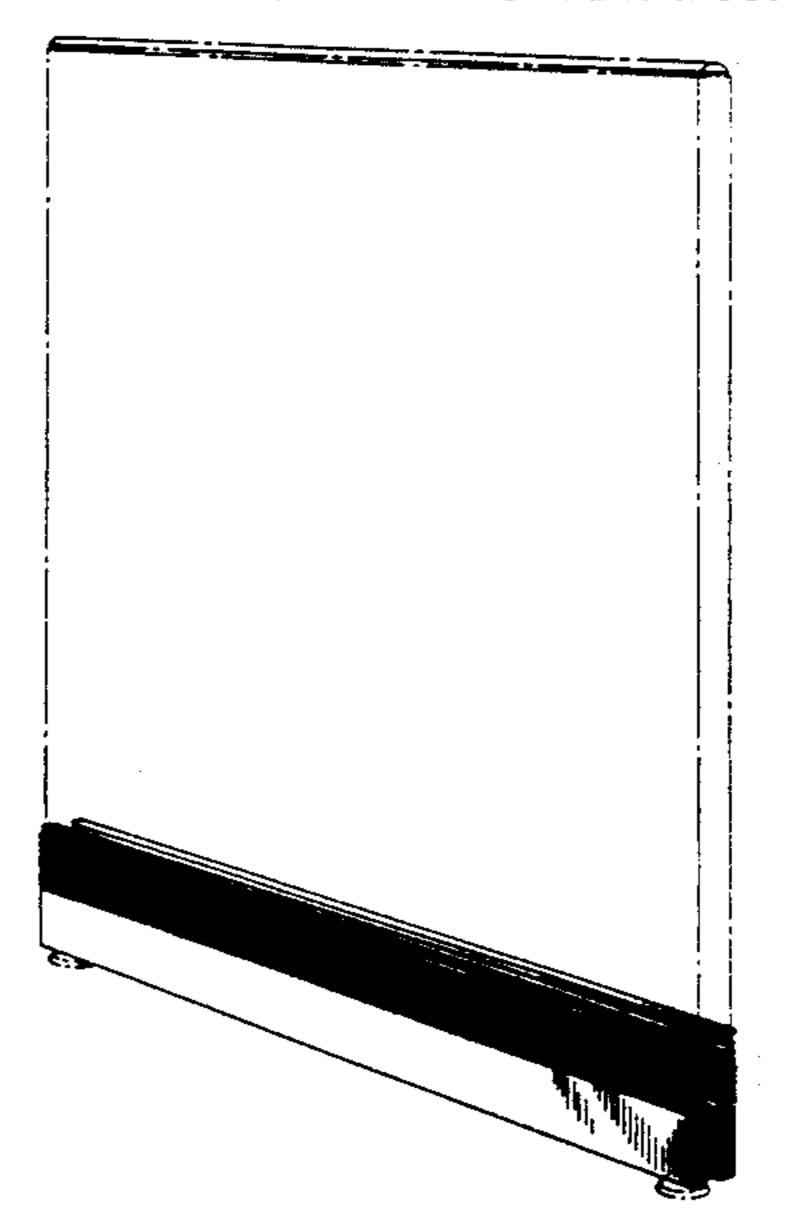

FIG. 7 is a front and upper right perspective view of a wire management cover showing a second embodiment of the design. The broken line showing is included for the purpose of illustrating environmental elements only and forms no part of the claimed design;

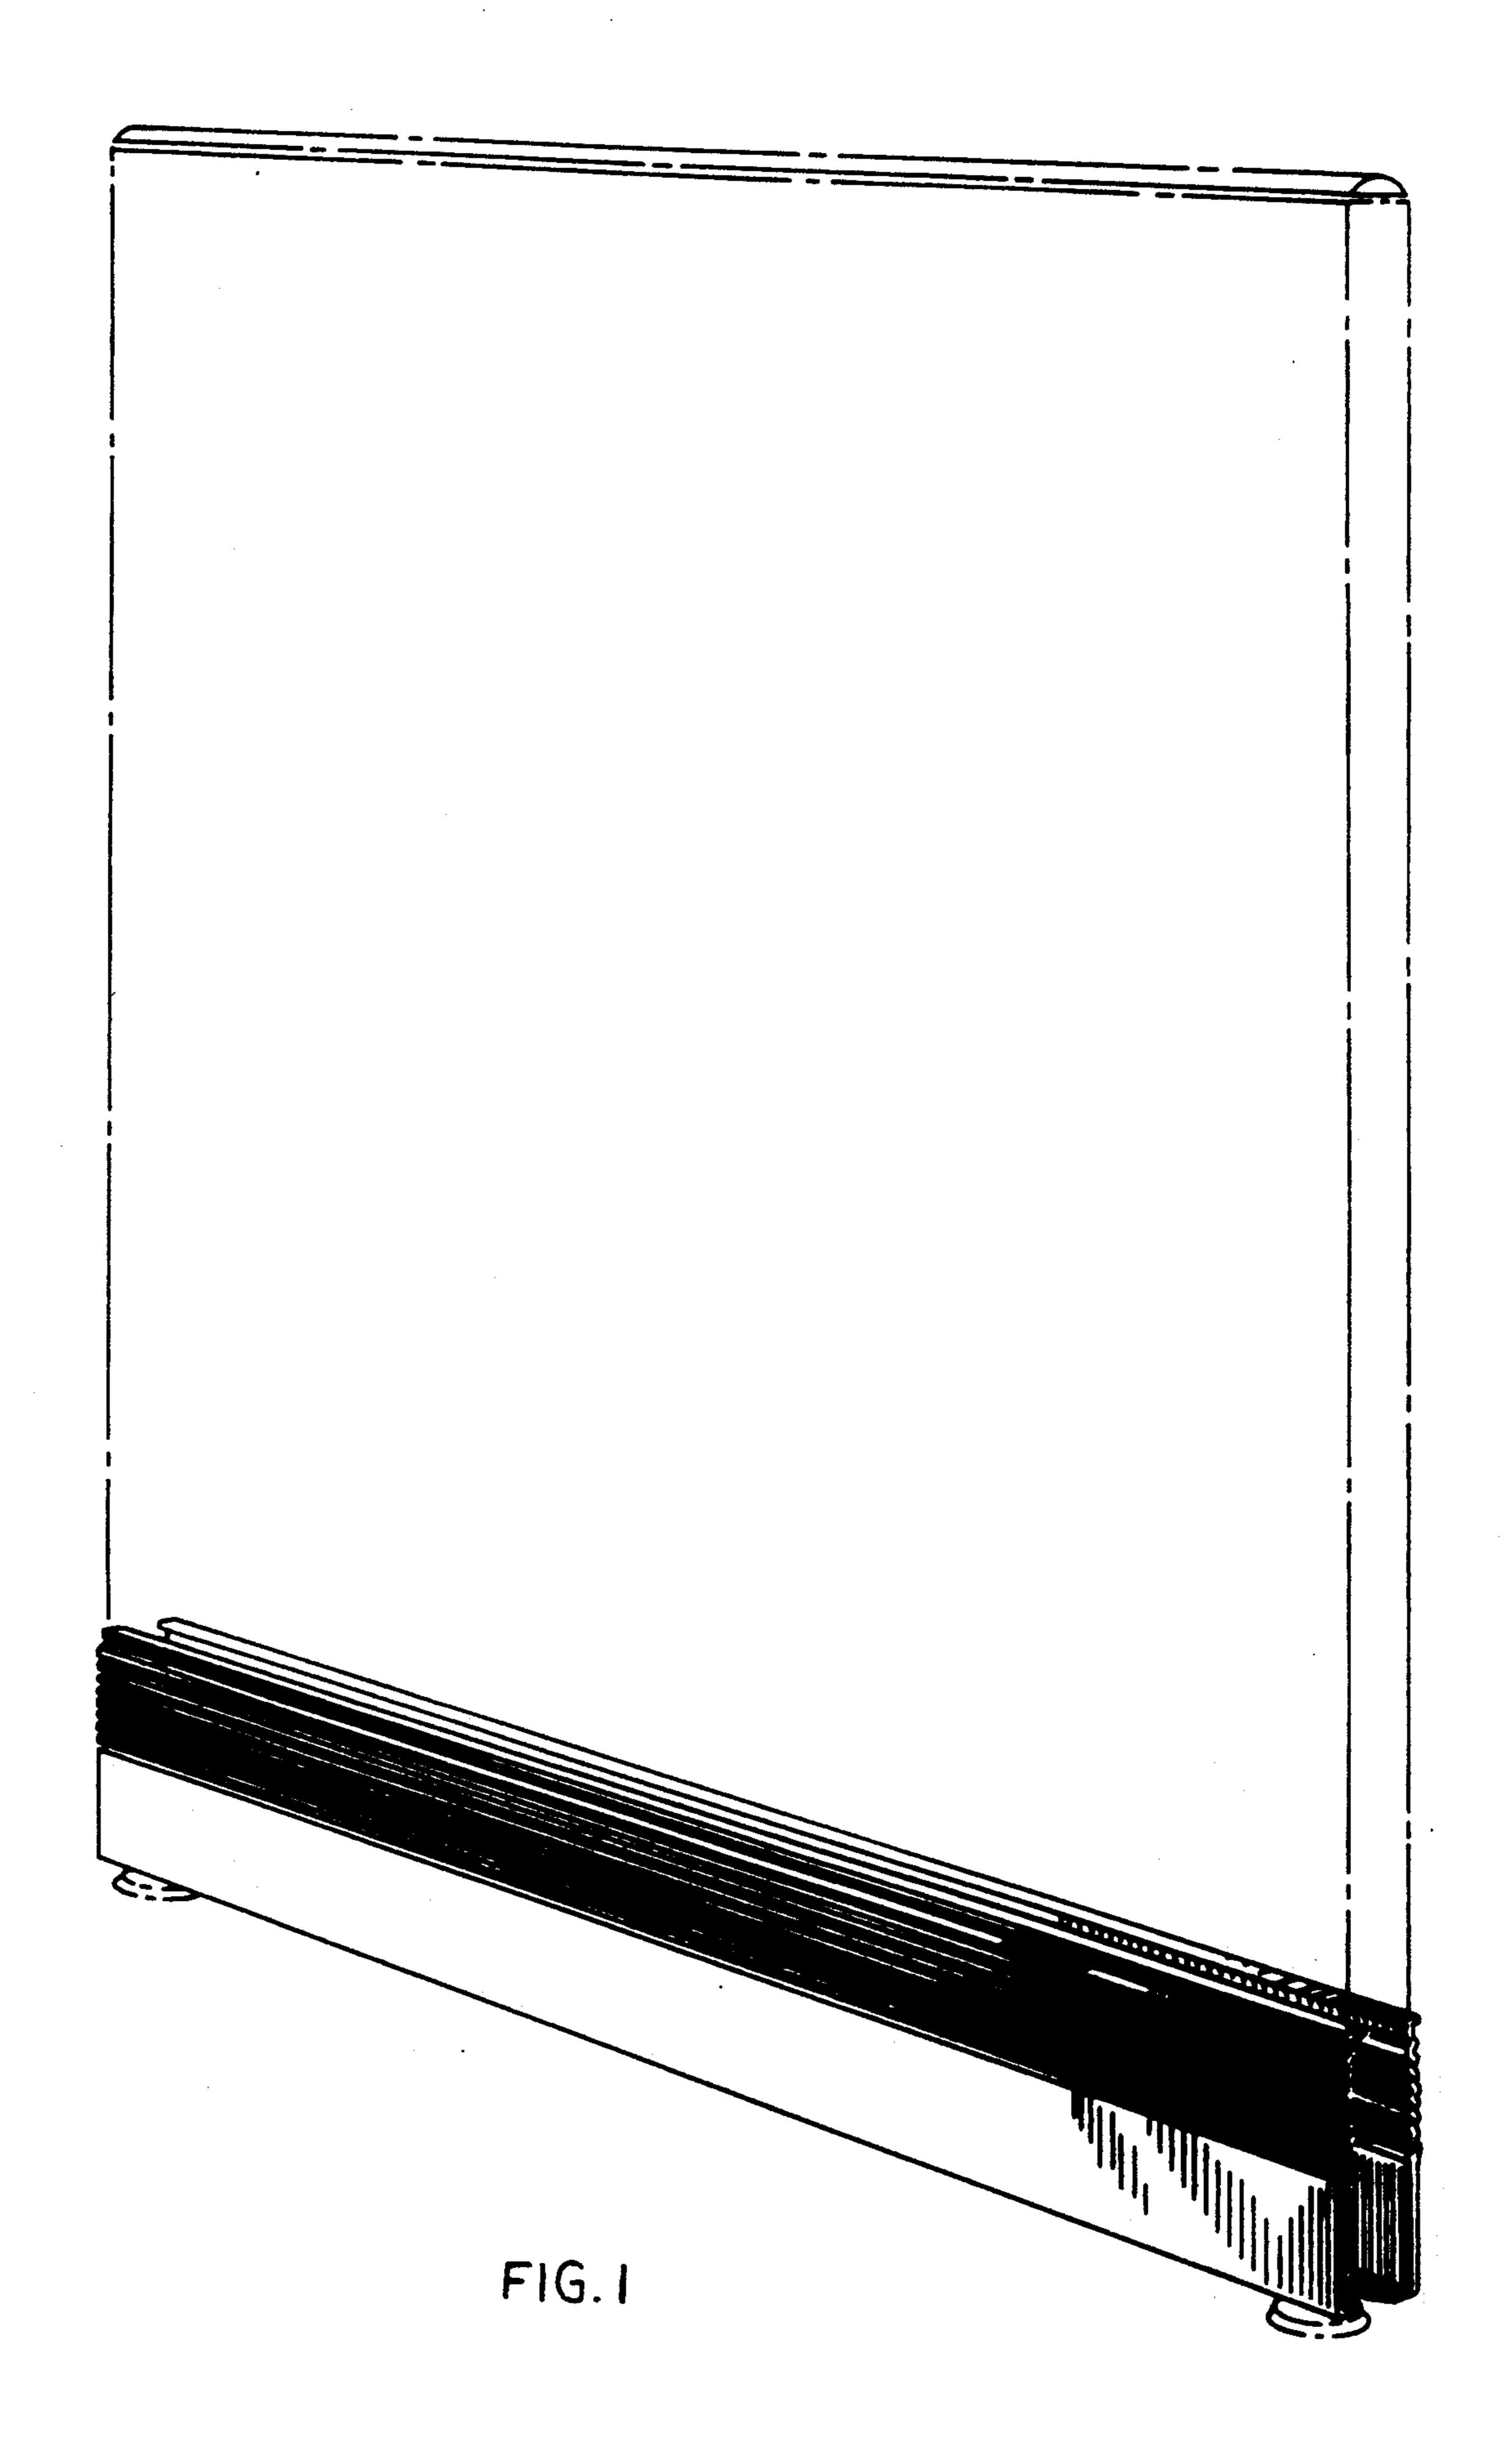

FIG. 8 is a rear elevational view thereof, the front elevational view being the same as FIG. 2;

FIG. 9 is a right side elevational view thereof, the left side elevational view thereof being a mirror image;

FIG. 10 is a top plan view thereof; and,

FIG. 11 is a bottom plan view thereof.

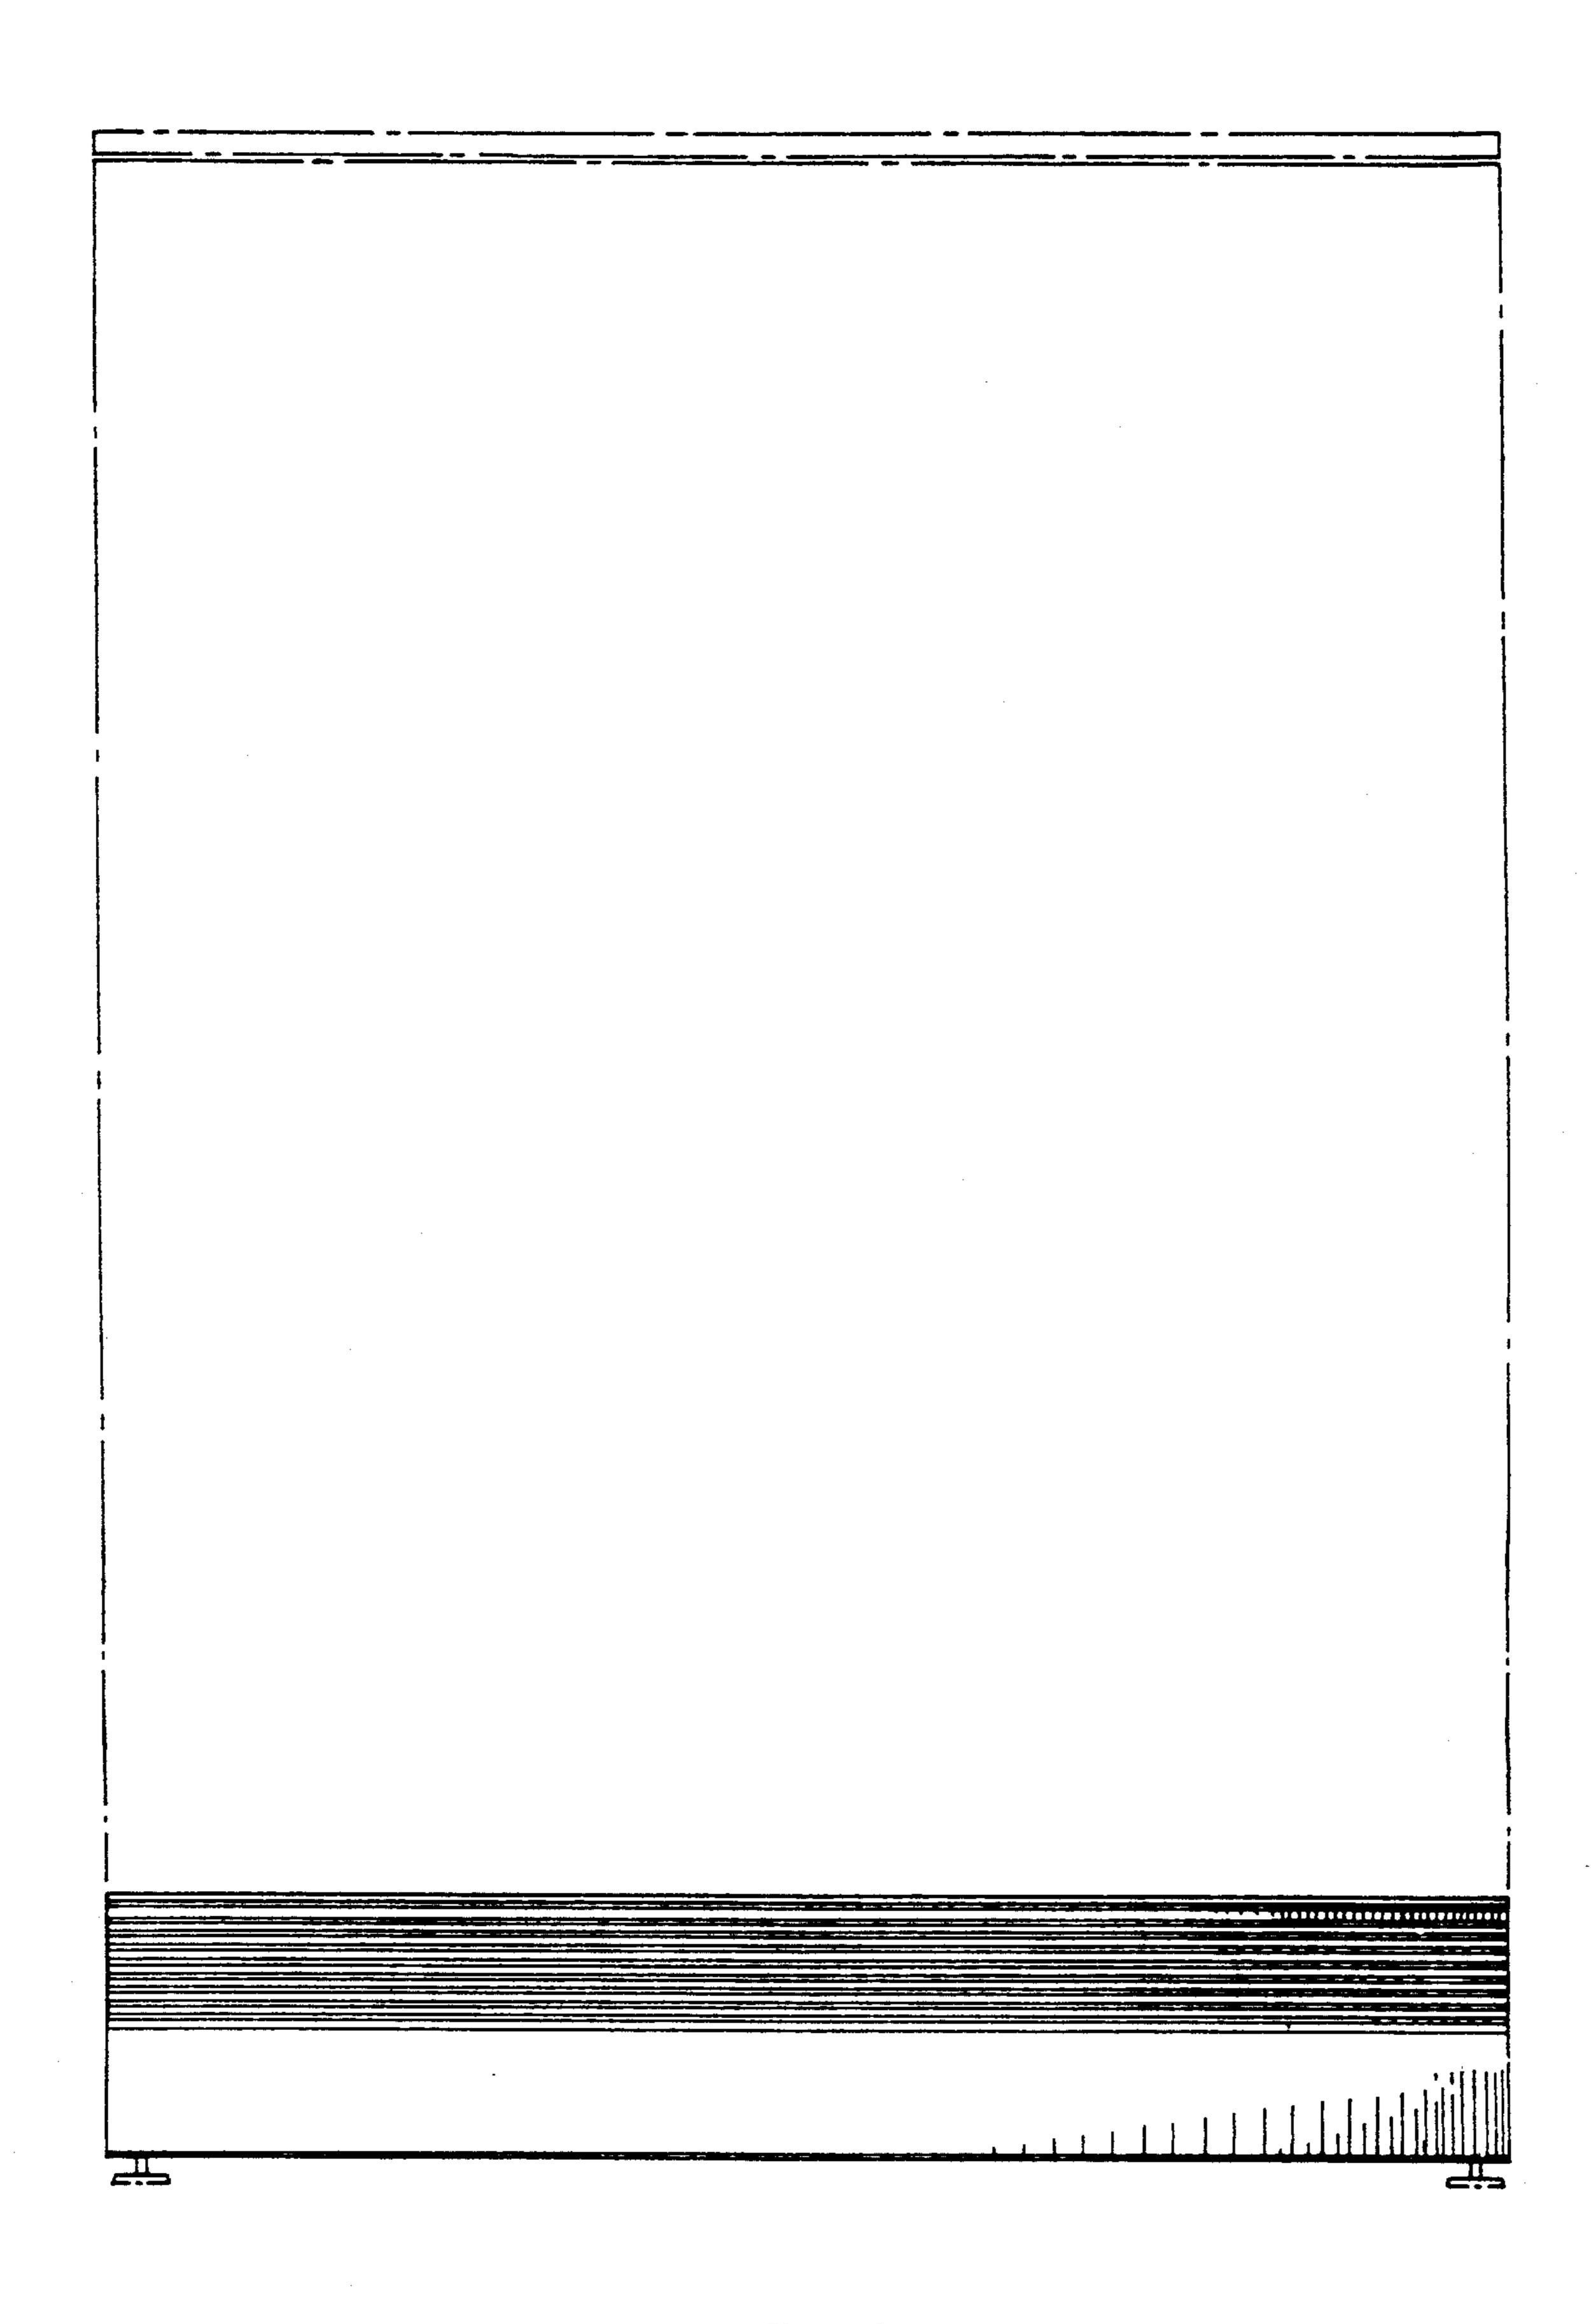

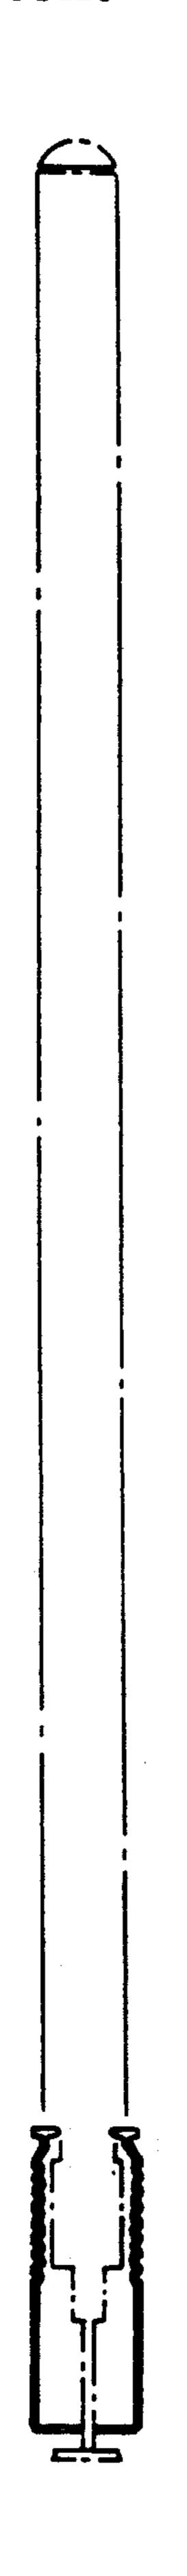

FIG. 2

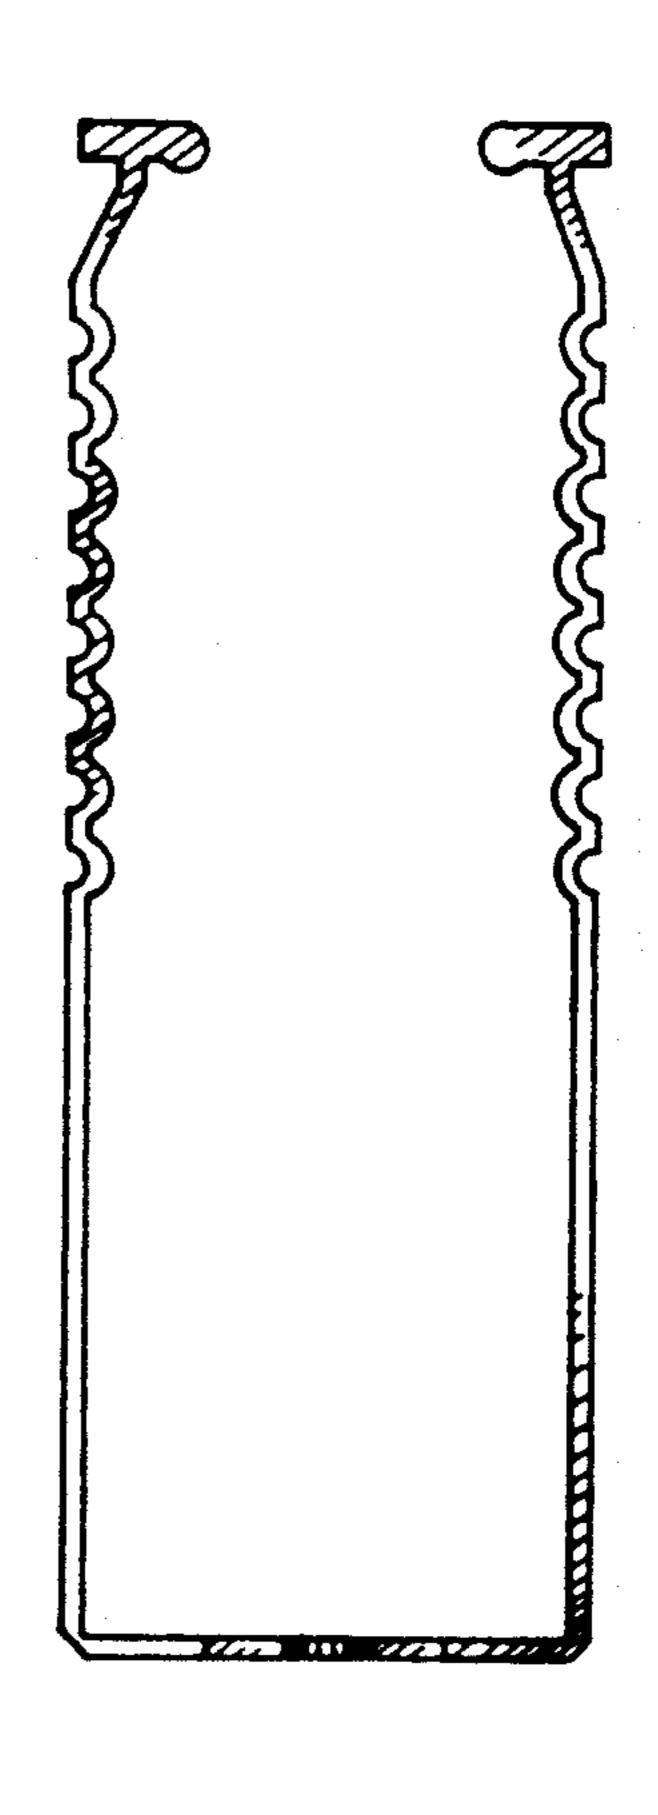

FIG. 4

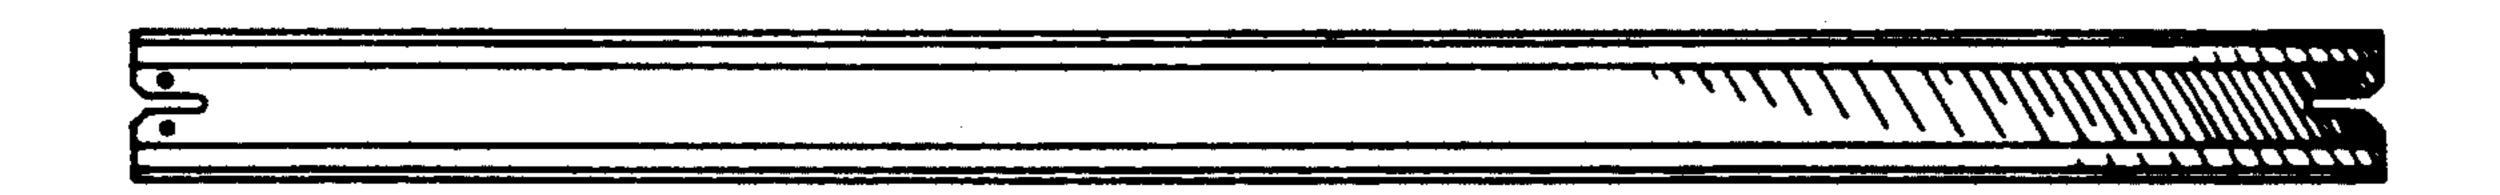

FIG. 5

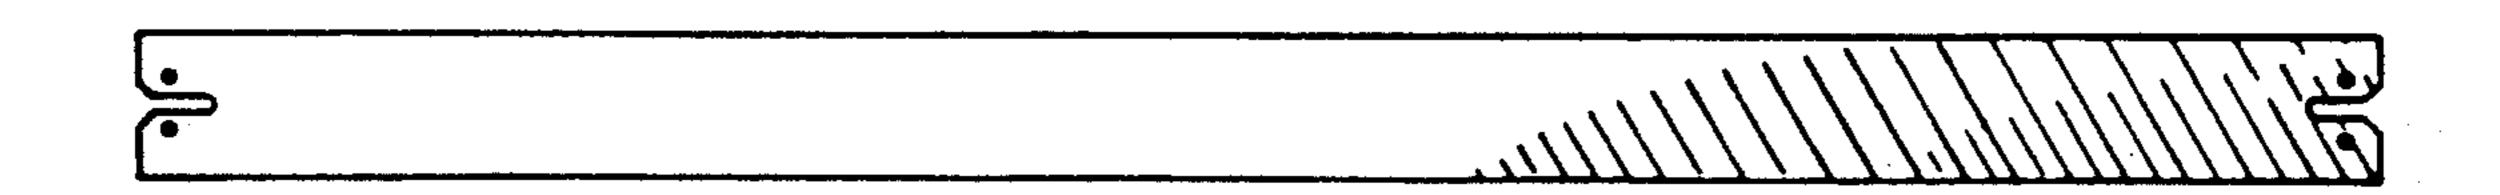

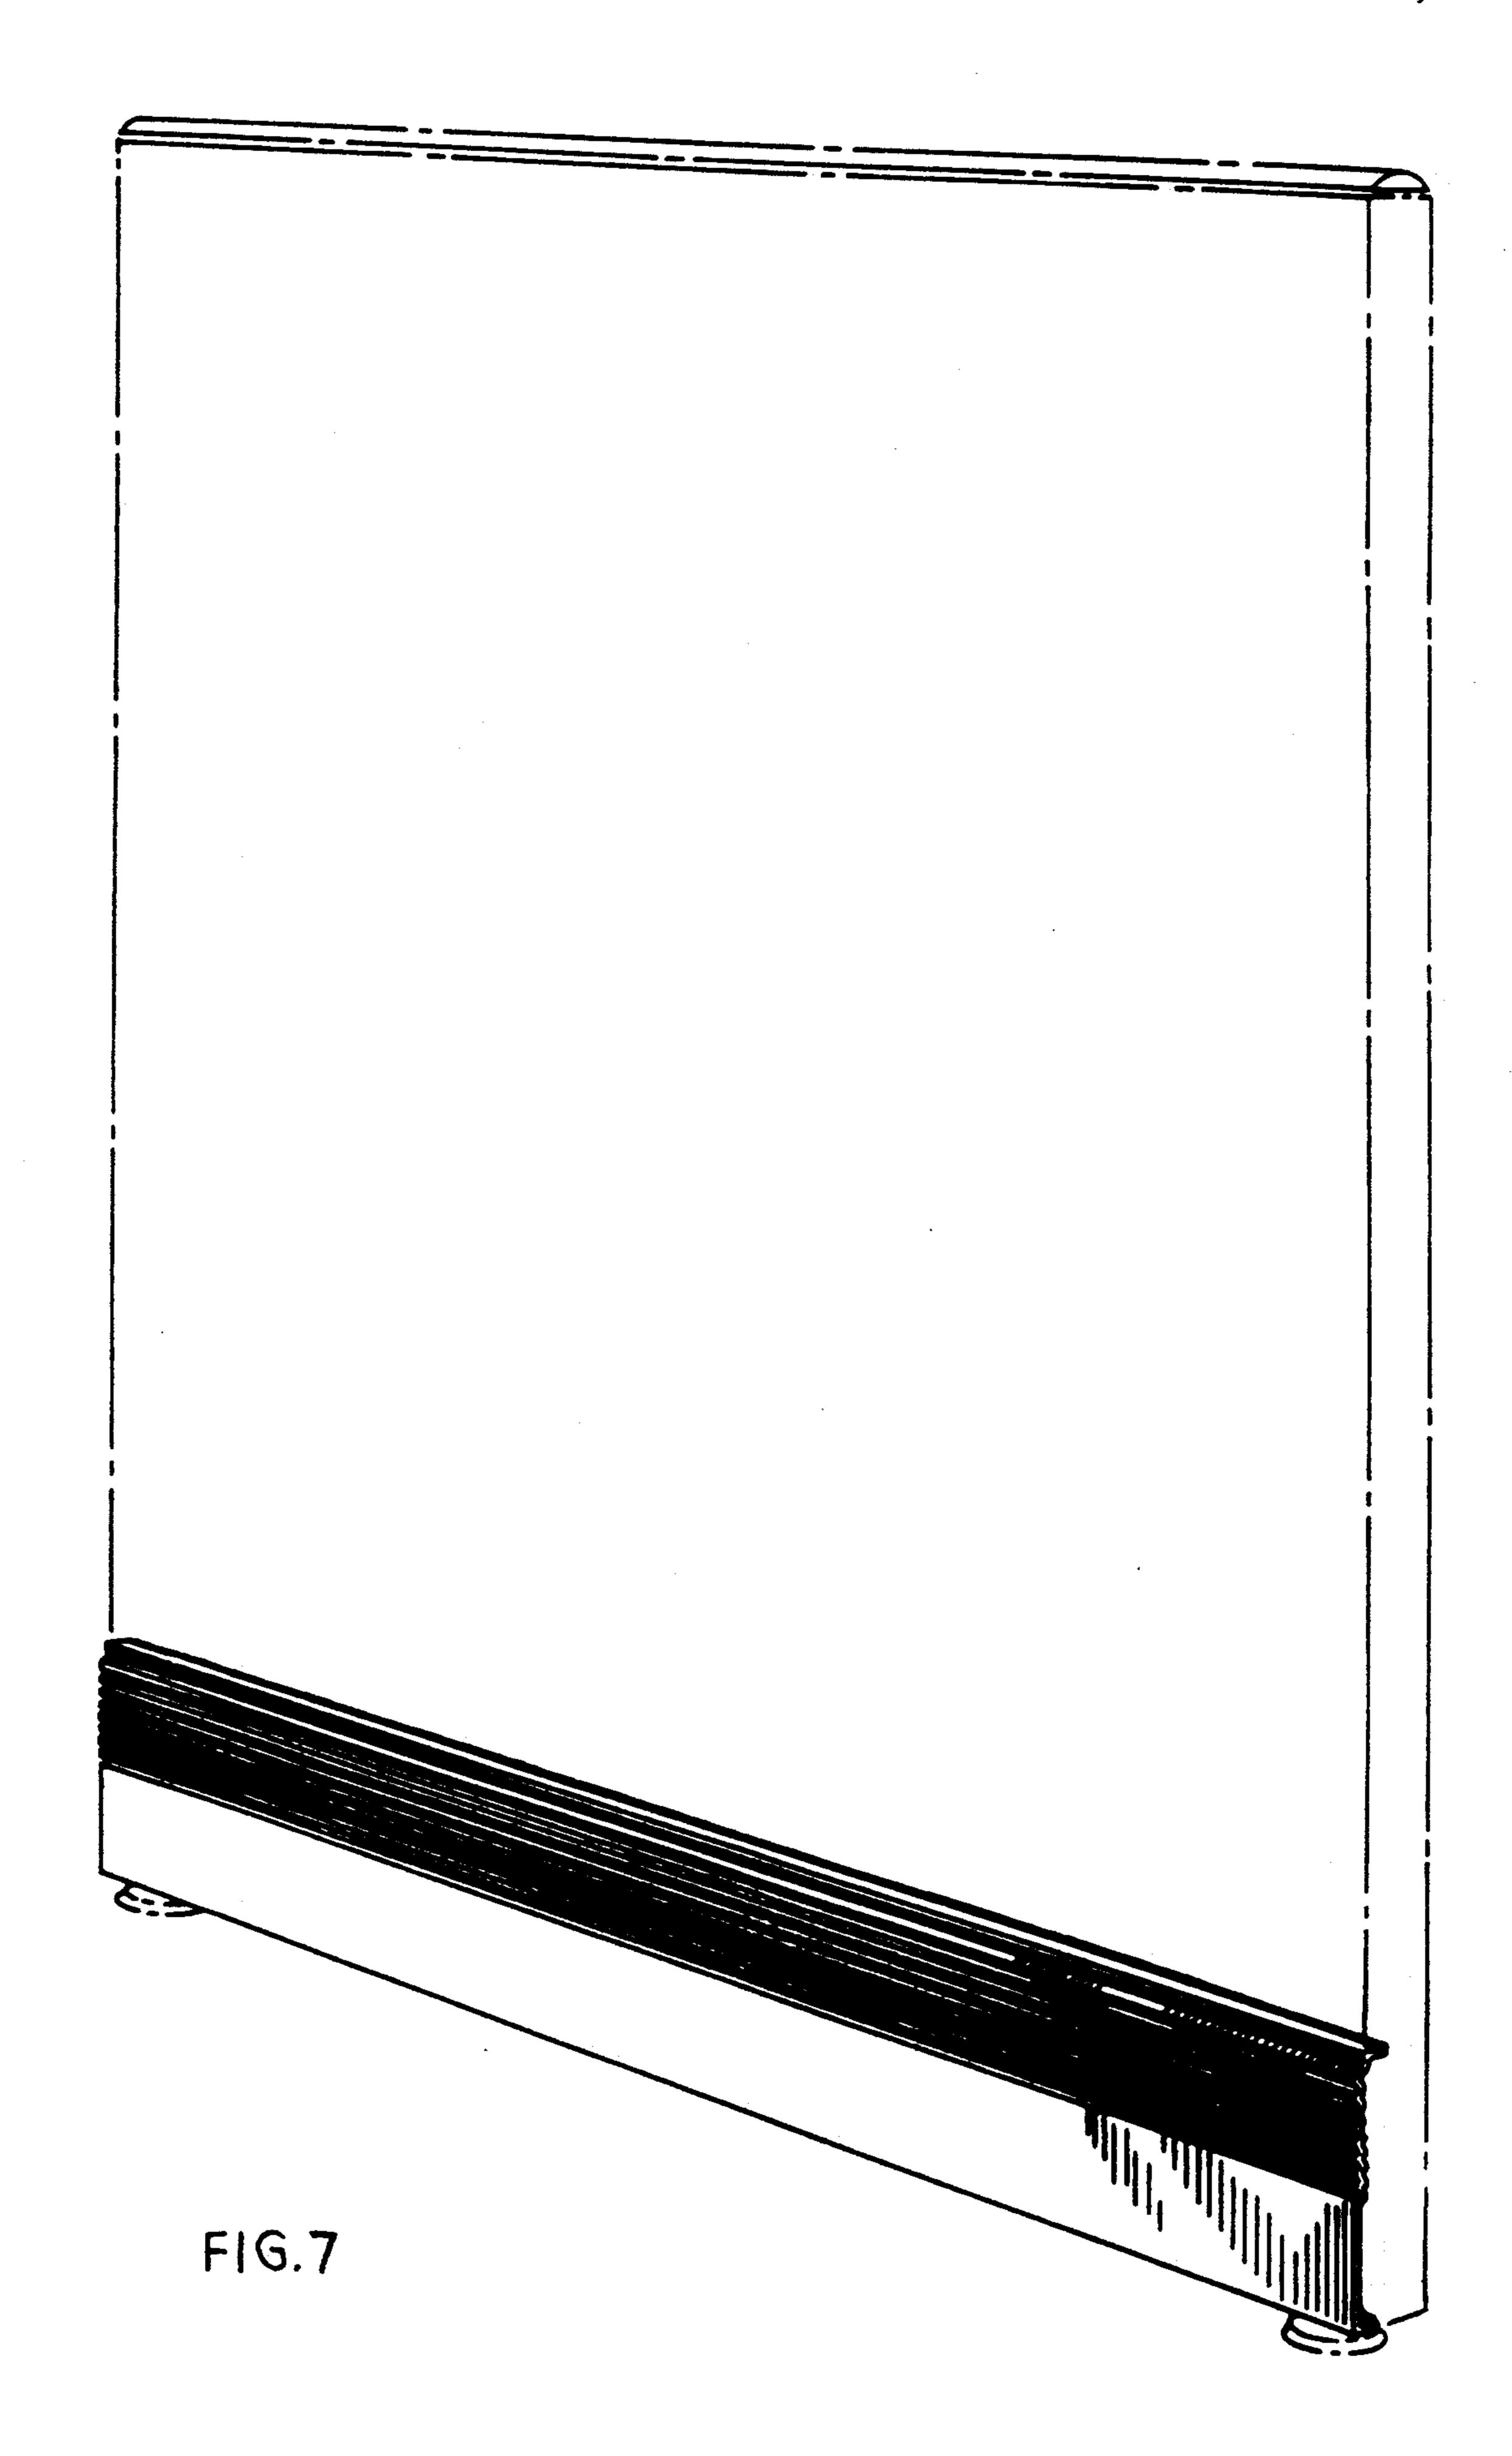

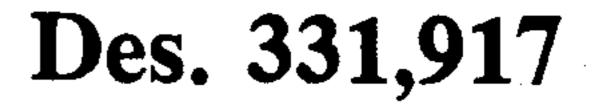

FIG. 6

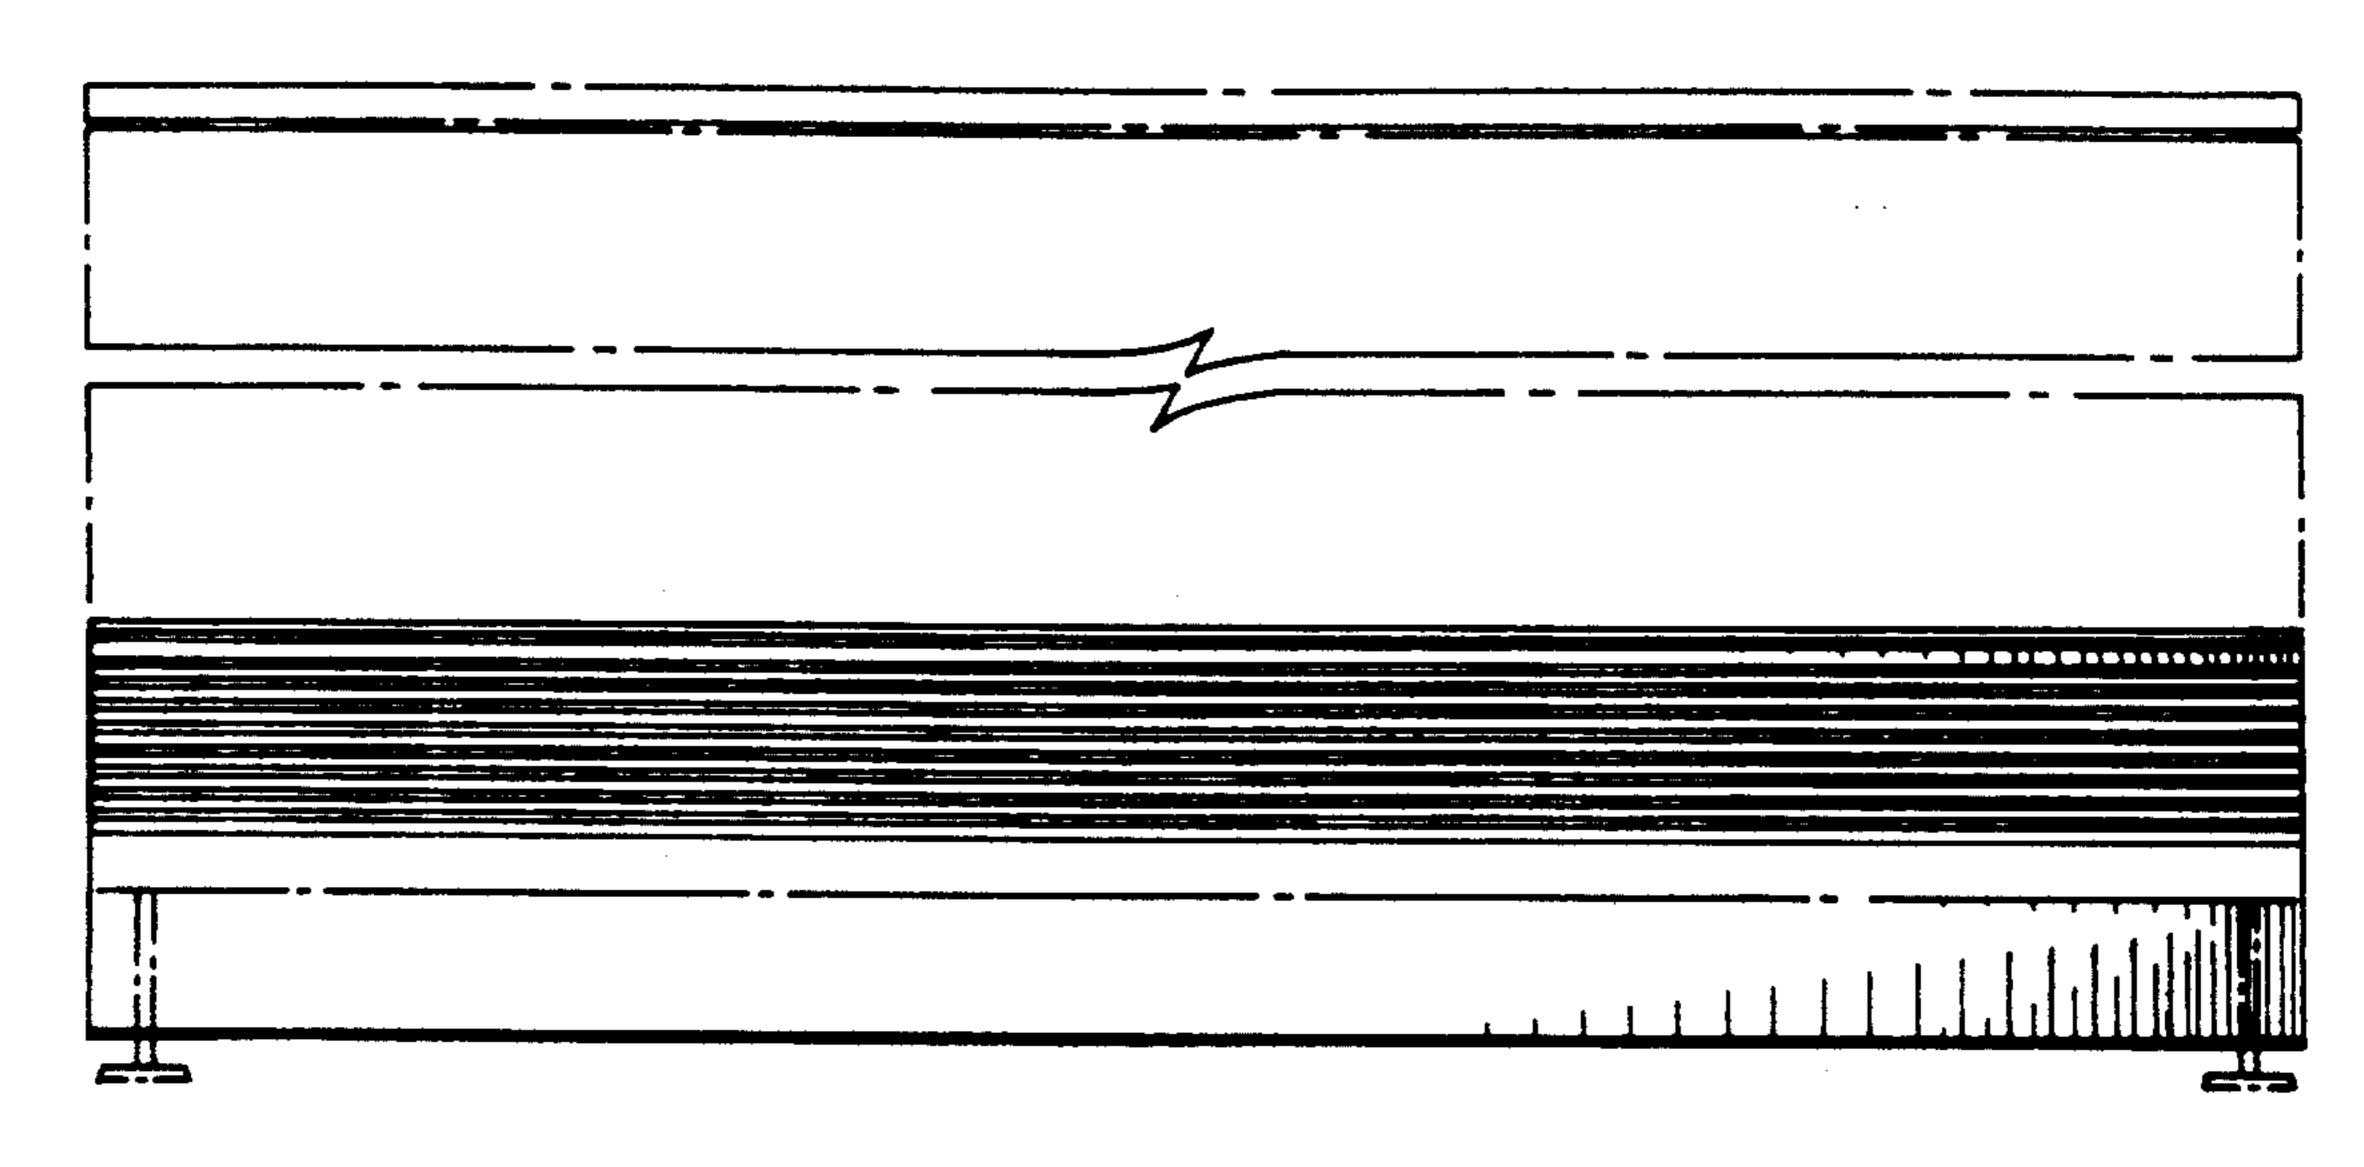

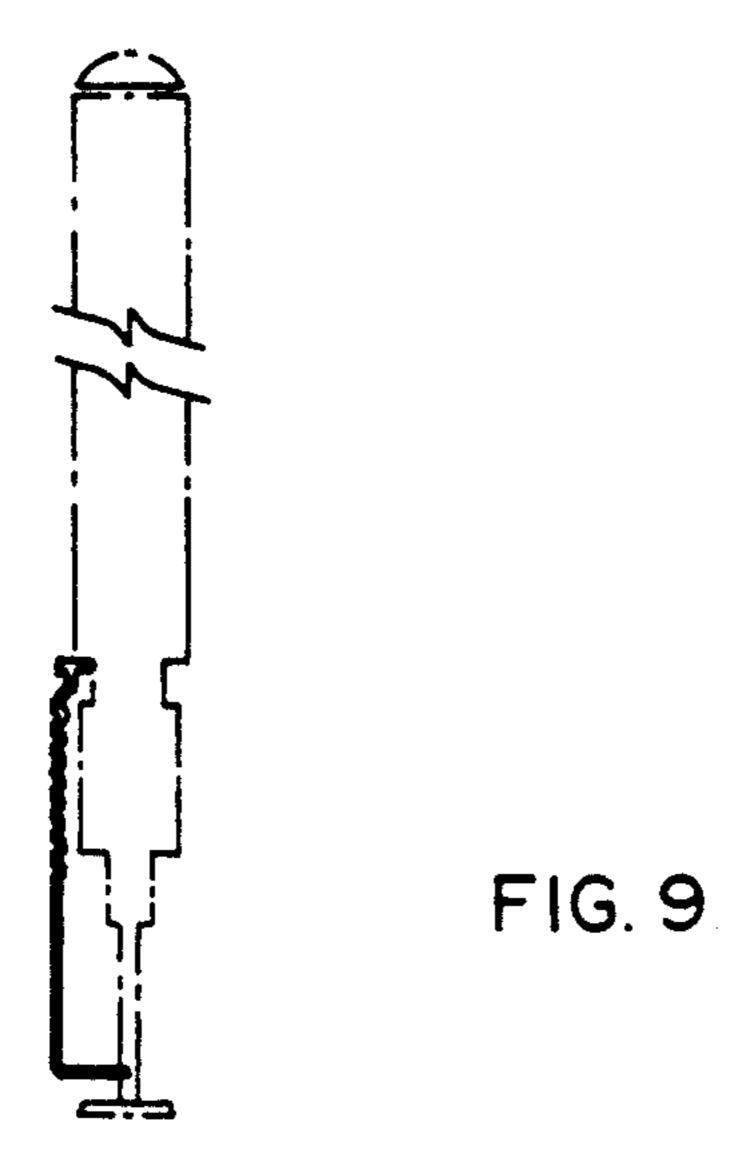

FIG. 8

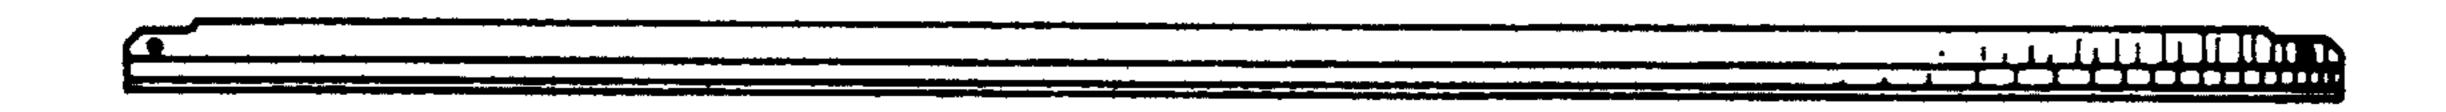

FIG. 10

FIG. 11
