[57] CLAIM

The ornamental design for a plumbing fixture handle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the top, front and left side of a plumbing fixture handle showing my new design;

FIG. 2 is a rear elevational view thereof, the front elevational view being the mirror image of the rear elevational view shown;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a perspective view taken from the top, front and left side of a second embodiment thereof;

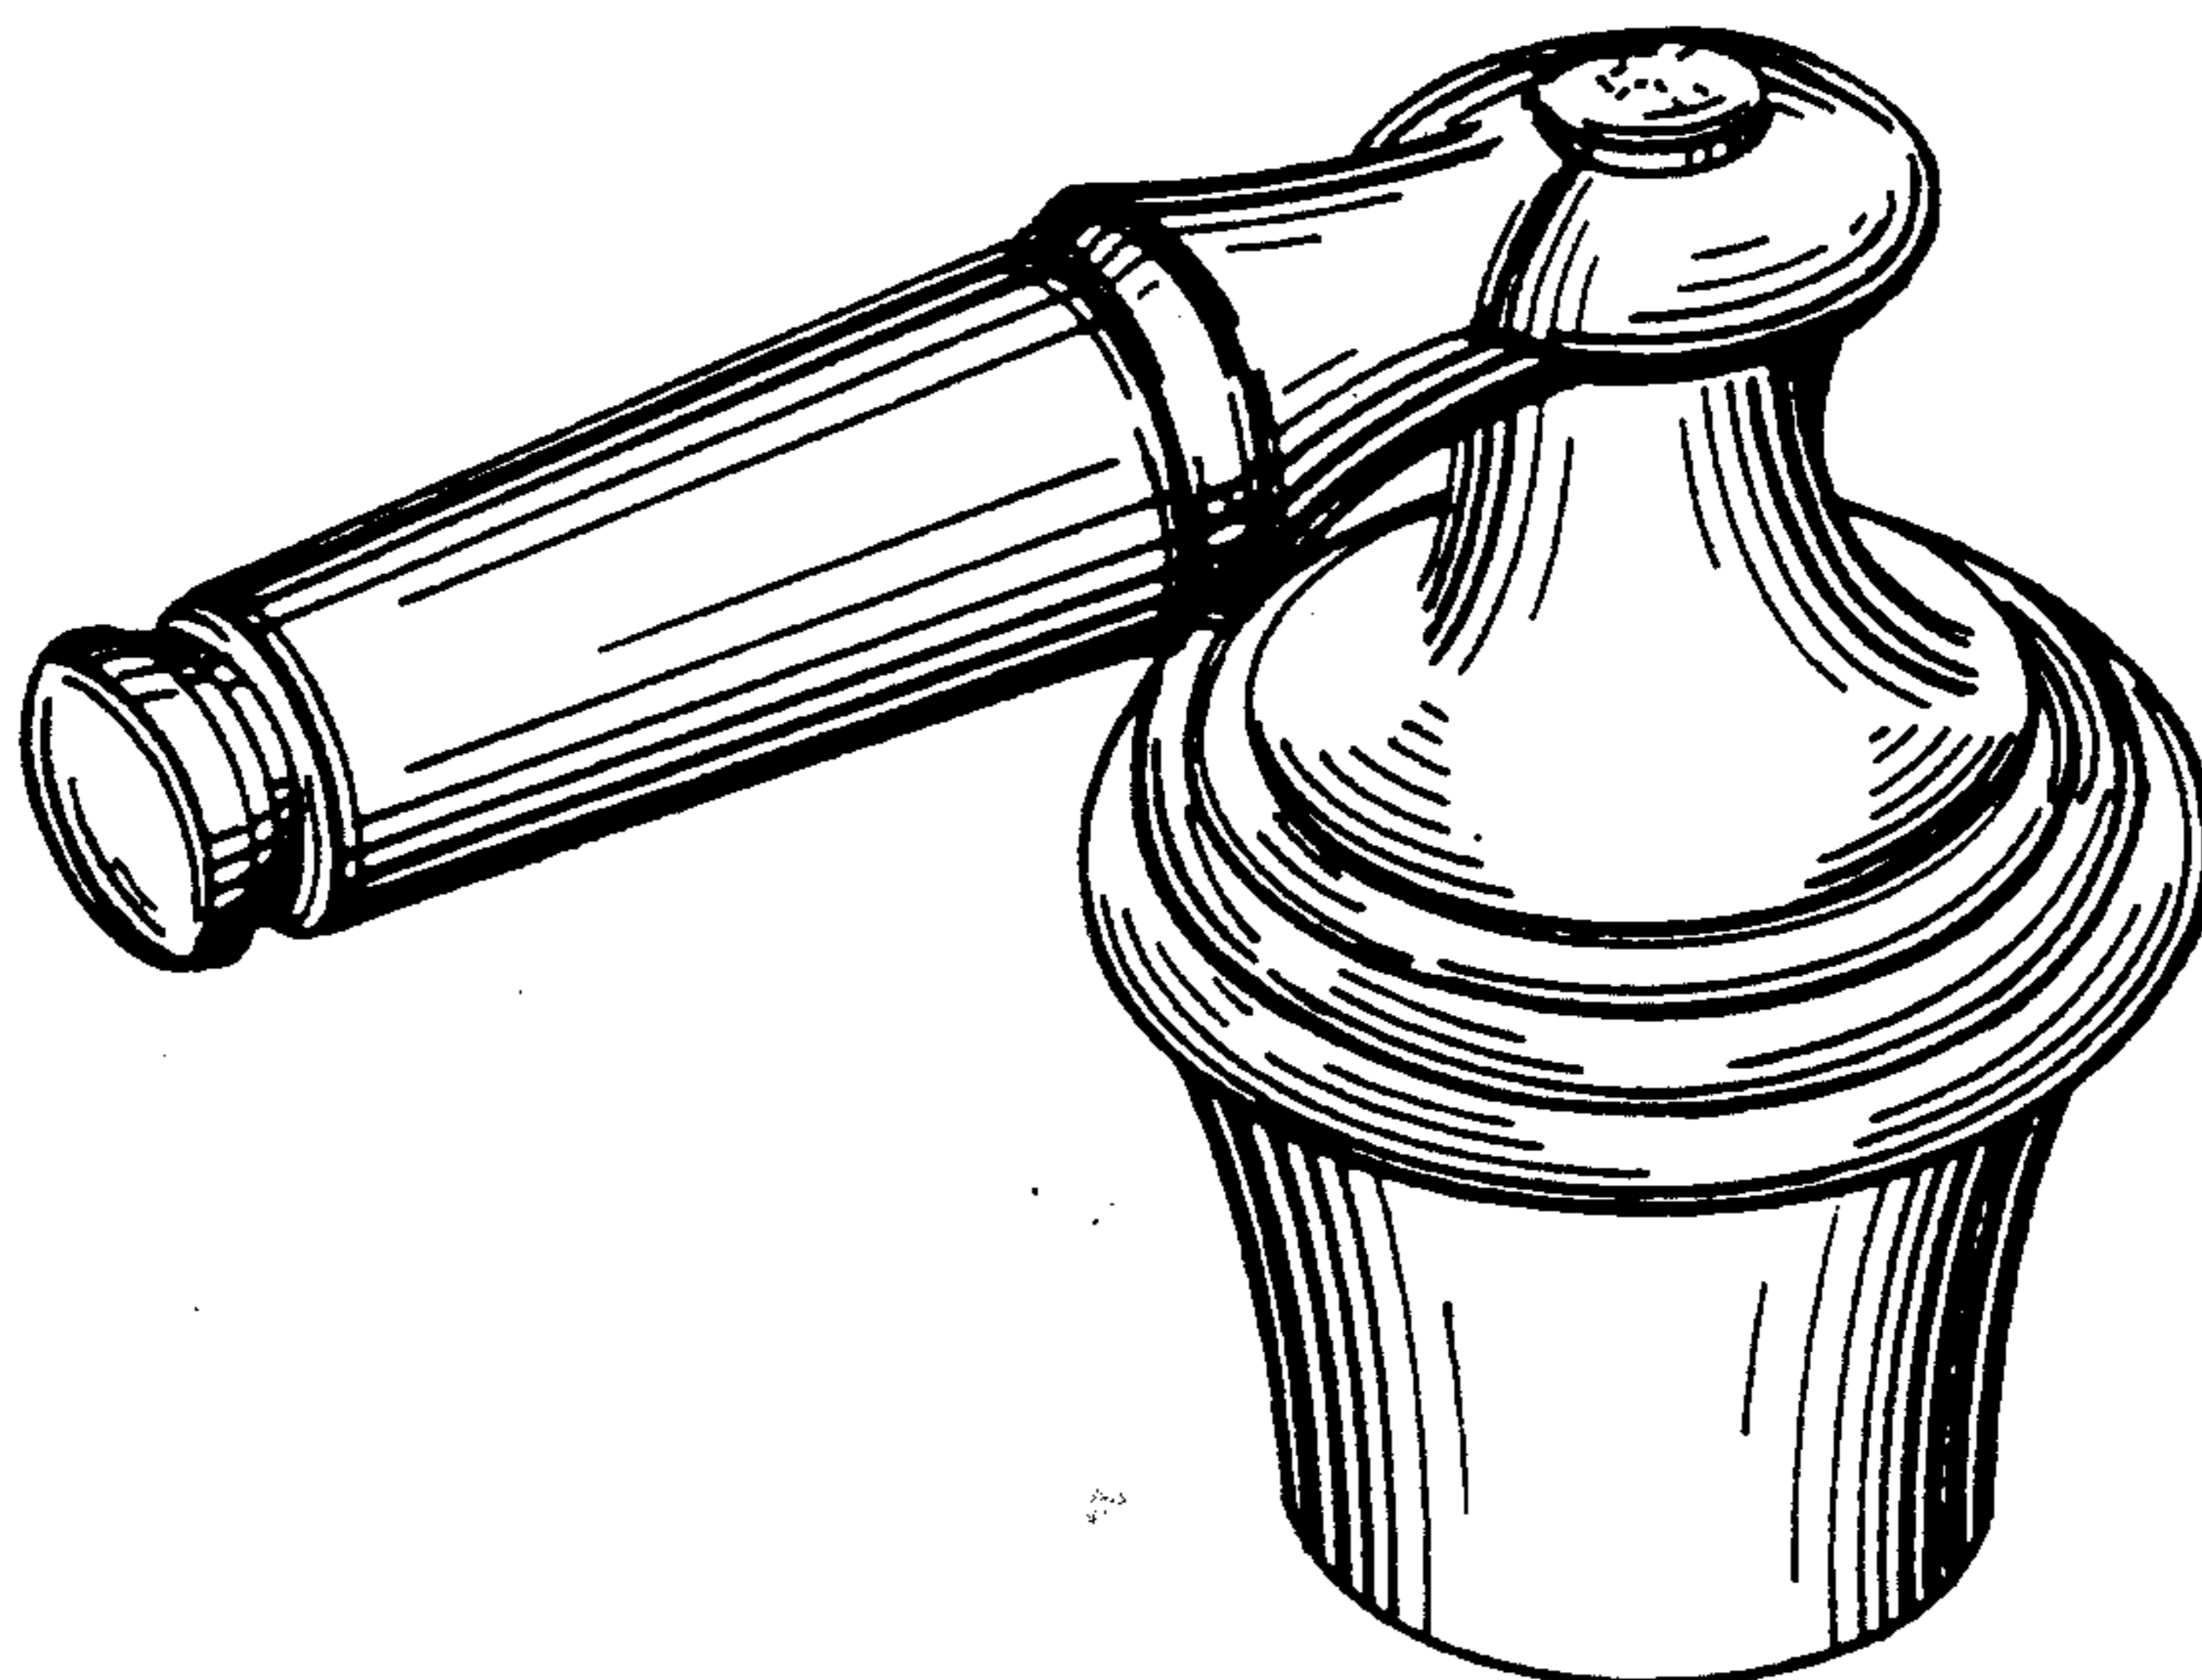

FIG. 7 is a rear elevational view thereof, the front elevational view being the mirror image of the rear elevational view shown;

FIG. 8 is a left side elevational view thereof;

FIG. 9 is a right side elevational view thereof; and,

FIG. 10 is a top plan view thereof.

The fragmentary broken line representations of screw slots in FIGS. 1, 5, 6, and 10, are for the purpose of illustration only.
