[57] CLAIM

The ornamental design for a combined hanger hook and indicator, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a combined hanger hook and indicator showing our new design, the portion of the hanger bar and the numerals shown in broken lines are for illustrative purposes only;

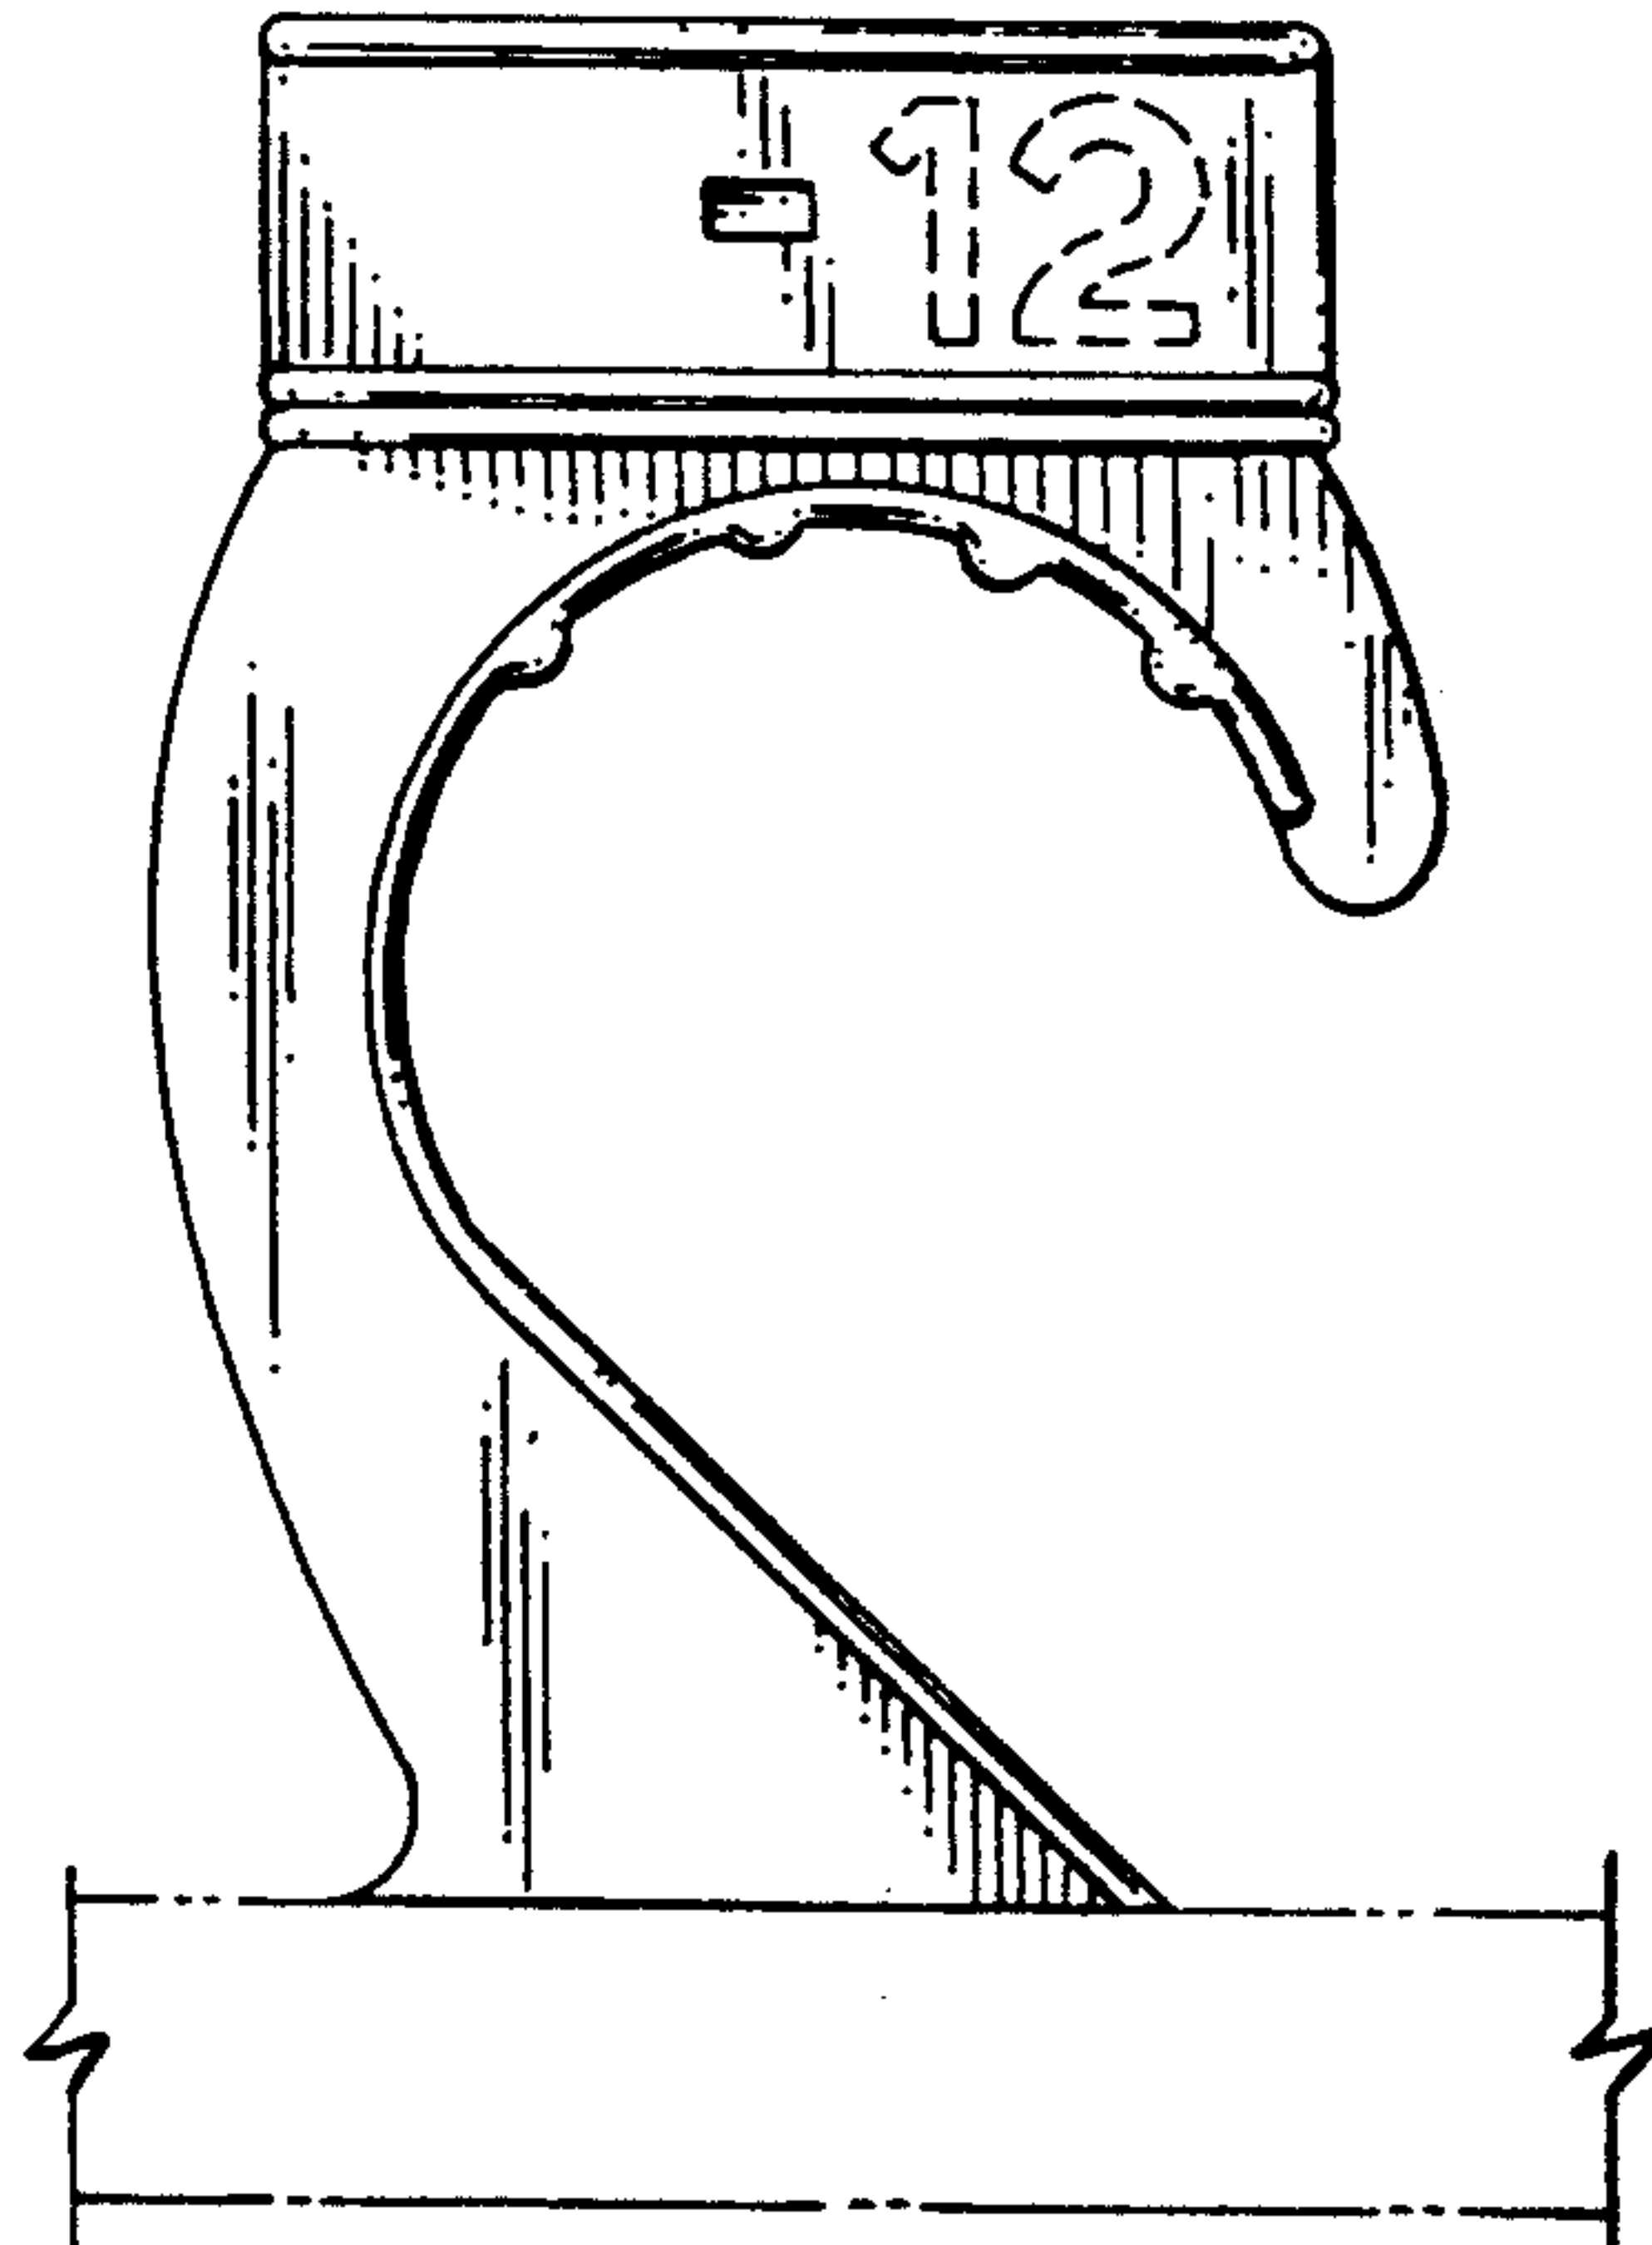

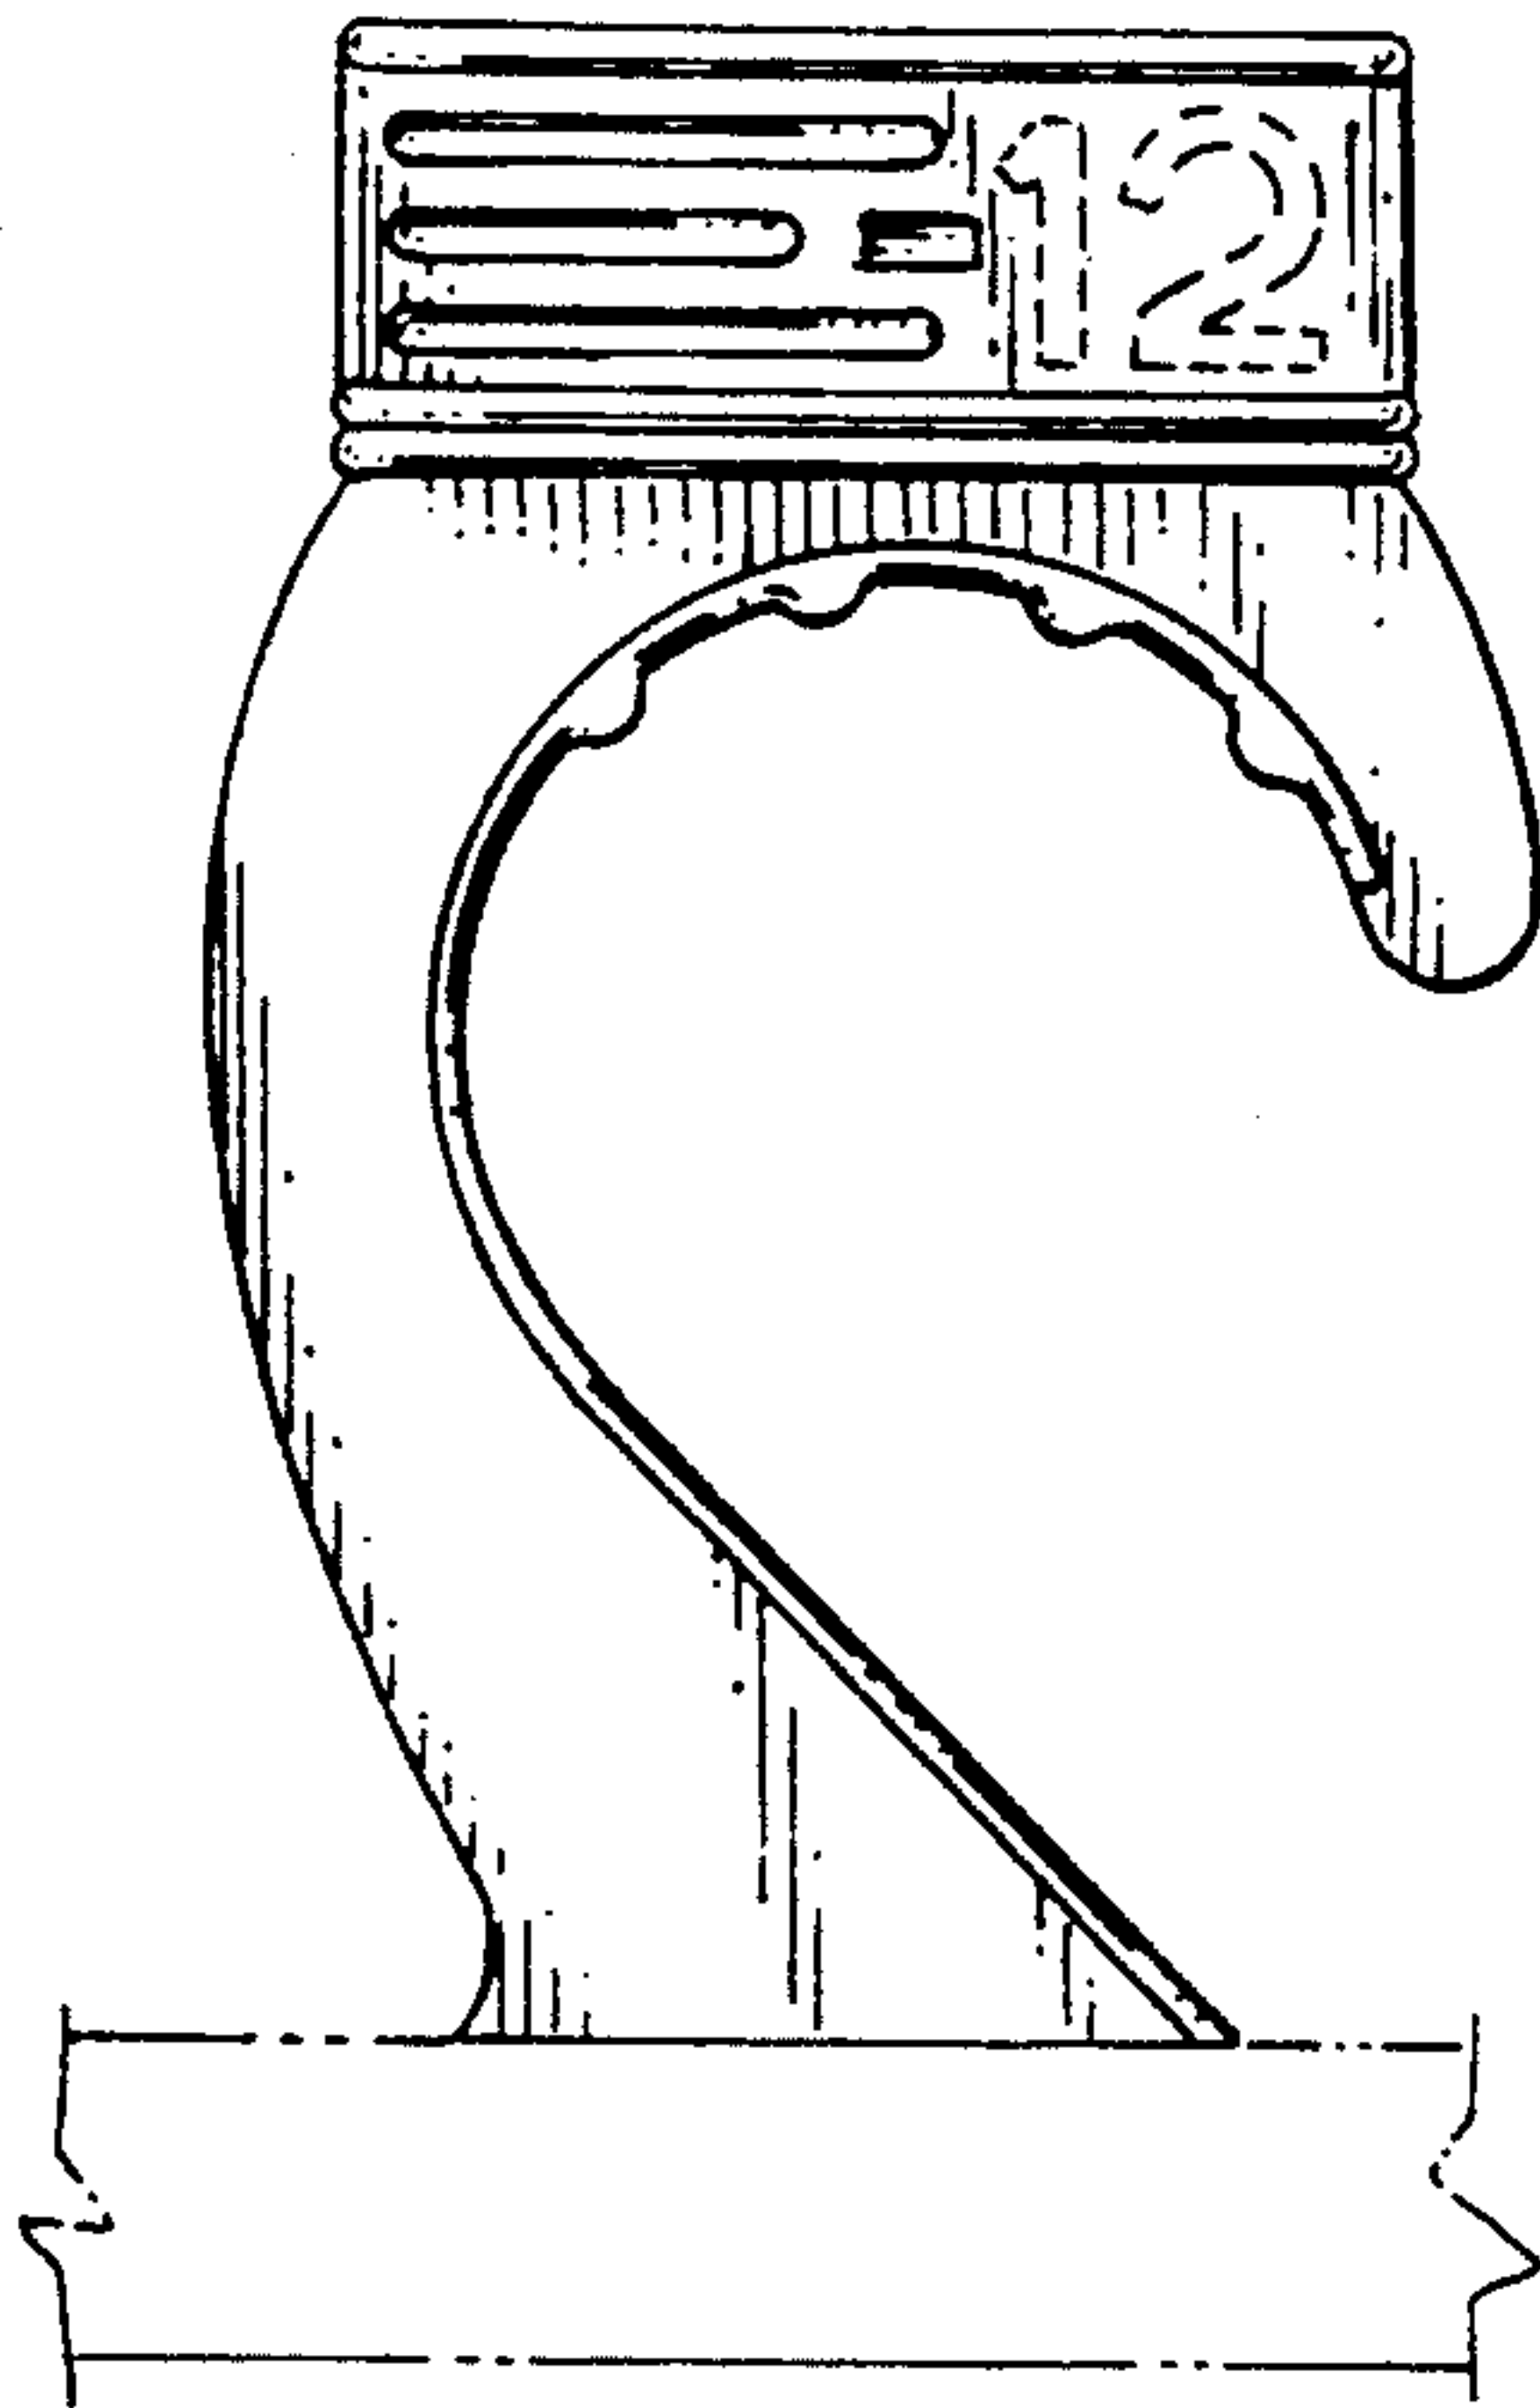

FIG. 2 is a rear elevational view thereof;

FIG. 3 is an enlarged fragmentary right end elevational view taken in the direction of line 3—3 of FIG. 1;

FIG. 4 is an enlarged top plan view taken in the direction of the arrows on line 4—4 of FIG. 1;

FIG. 5 is a front elevational view of a second embodiment of the design of FIG. 1, the only difference being the omission of grooves on the indicator; and,

FIG. 6 is an enlarged fragmentary perspective view of FIG. 1.
