[57] **CLAIM**

The ornamental design for a credenza, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a credenza showing my new design;
 FIG. 2 is a right side elevational view thereof;
 FIG. 3 is a left side elevational view thereof;
 FIG. 4 is a rear elevational view thereof;
 FIG. 5 is a top plan view thereof;
 FIG. 6 is a bottom plan view thereof;
 FIG. 7 is a left side elevational view with a work shelf in extended condition;
 FIG. 8 is a front elevational view of a second embodiment of the credenza shown in FIG. 1; the rear, top and bottom views are identical to those shown in FIGS. 4, 5 and 6 respectively;
 FIG. 9 is a right side elevational view, the left side being a mirror image thereof;
 FIG. 10 is a right side elevational view with a work shelf in extended condition;
 FIG. 11 is a front elevational view of a third embodiment of the credenza shown in FIG. 1; the rear, top and bottom views are similar to those shown in FIGS. 4, 5 and 6 respectively but are proportionately longer; and,
 FIG. 12 is a right side elevational view, the left side being a mirror image thereof.
