[57] **CLAIM**

The ornamental design for a golf swing trainer, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the golf swing trainer with the elongated arms in retracted condition, showing my new design;

FIG. 2 is a right side elevational view thereof;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a front elevational view thereof;

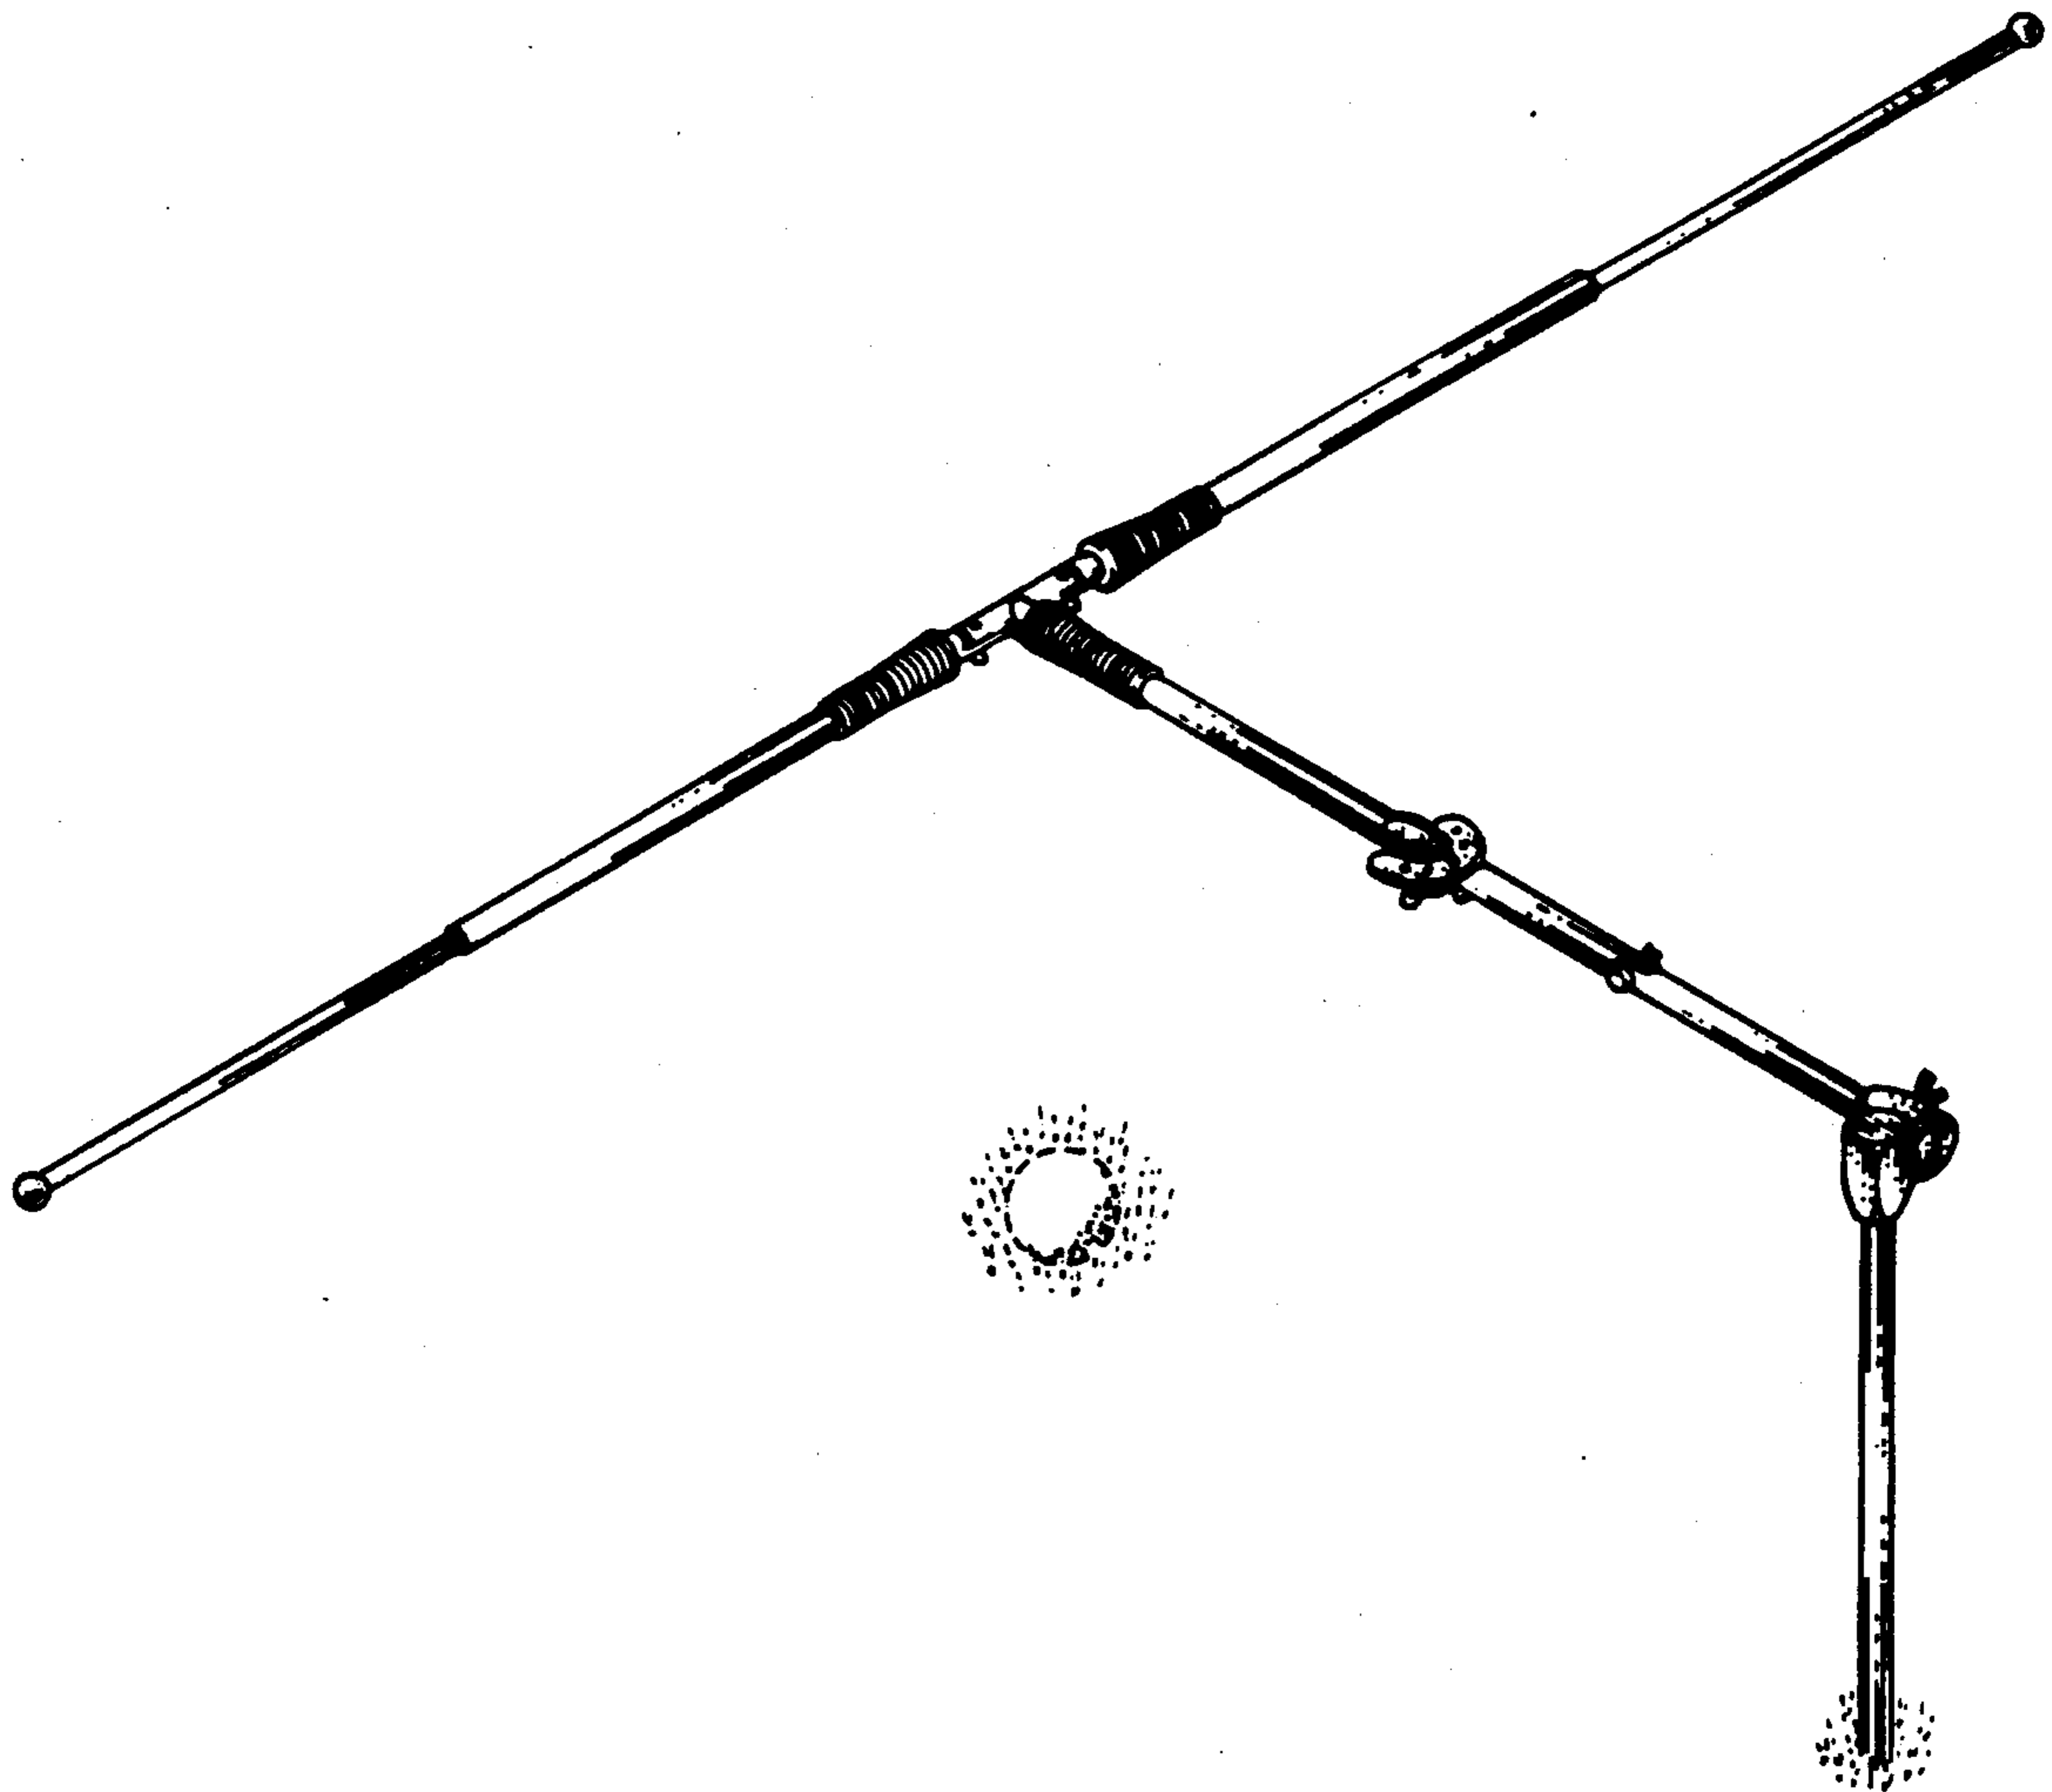

FIG. 5 is a fragmentary, greatly enlarged top plan view of the trainer to indicate an alternate position;

FIG. 6 is a fragmentary, greatly enlarged top plan view of the trainer in another alternate position;

FIG. 7 is a rear elevational view thereof; and,

FIG. 8 is a perspective view showing the arms in extended position and the support as it would appear inserted in the ground.

The broken lines indicate environment only and form no part of the design.
