[57] **CLAIM**

The ornamental design for a set of bristles for a toothbrush, as shown and described.

DESCRIPTION

FIG. 1 is a right side elevational view of an embodiment of a set of bristles for a toothbrush embodying our new design, the left side elevational view being a mirror image thereof;

FIG. 2 is an enlarged cross sectional view taken along line 2-2 in FIG. 1;

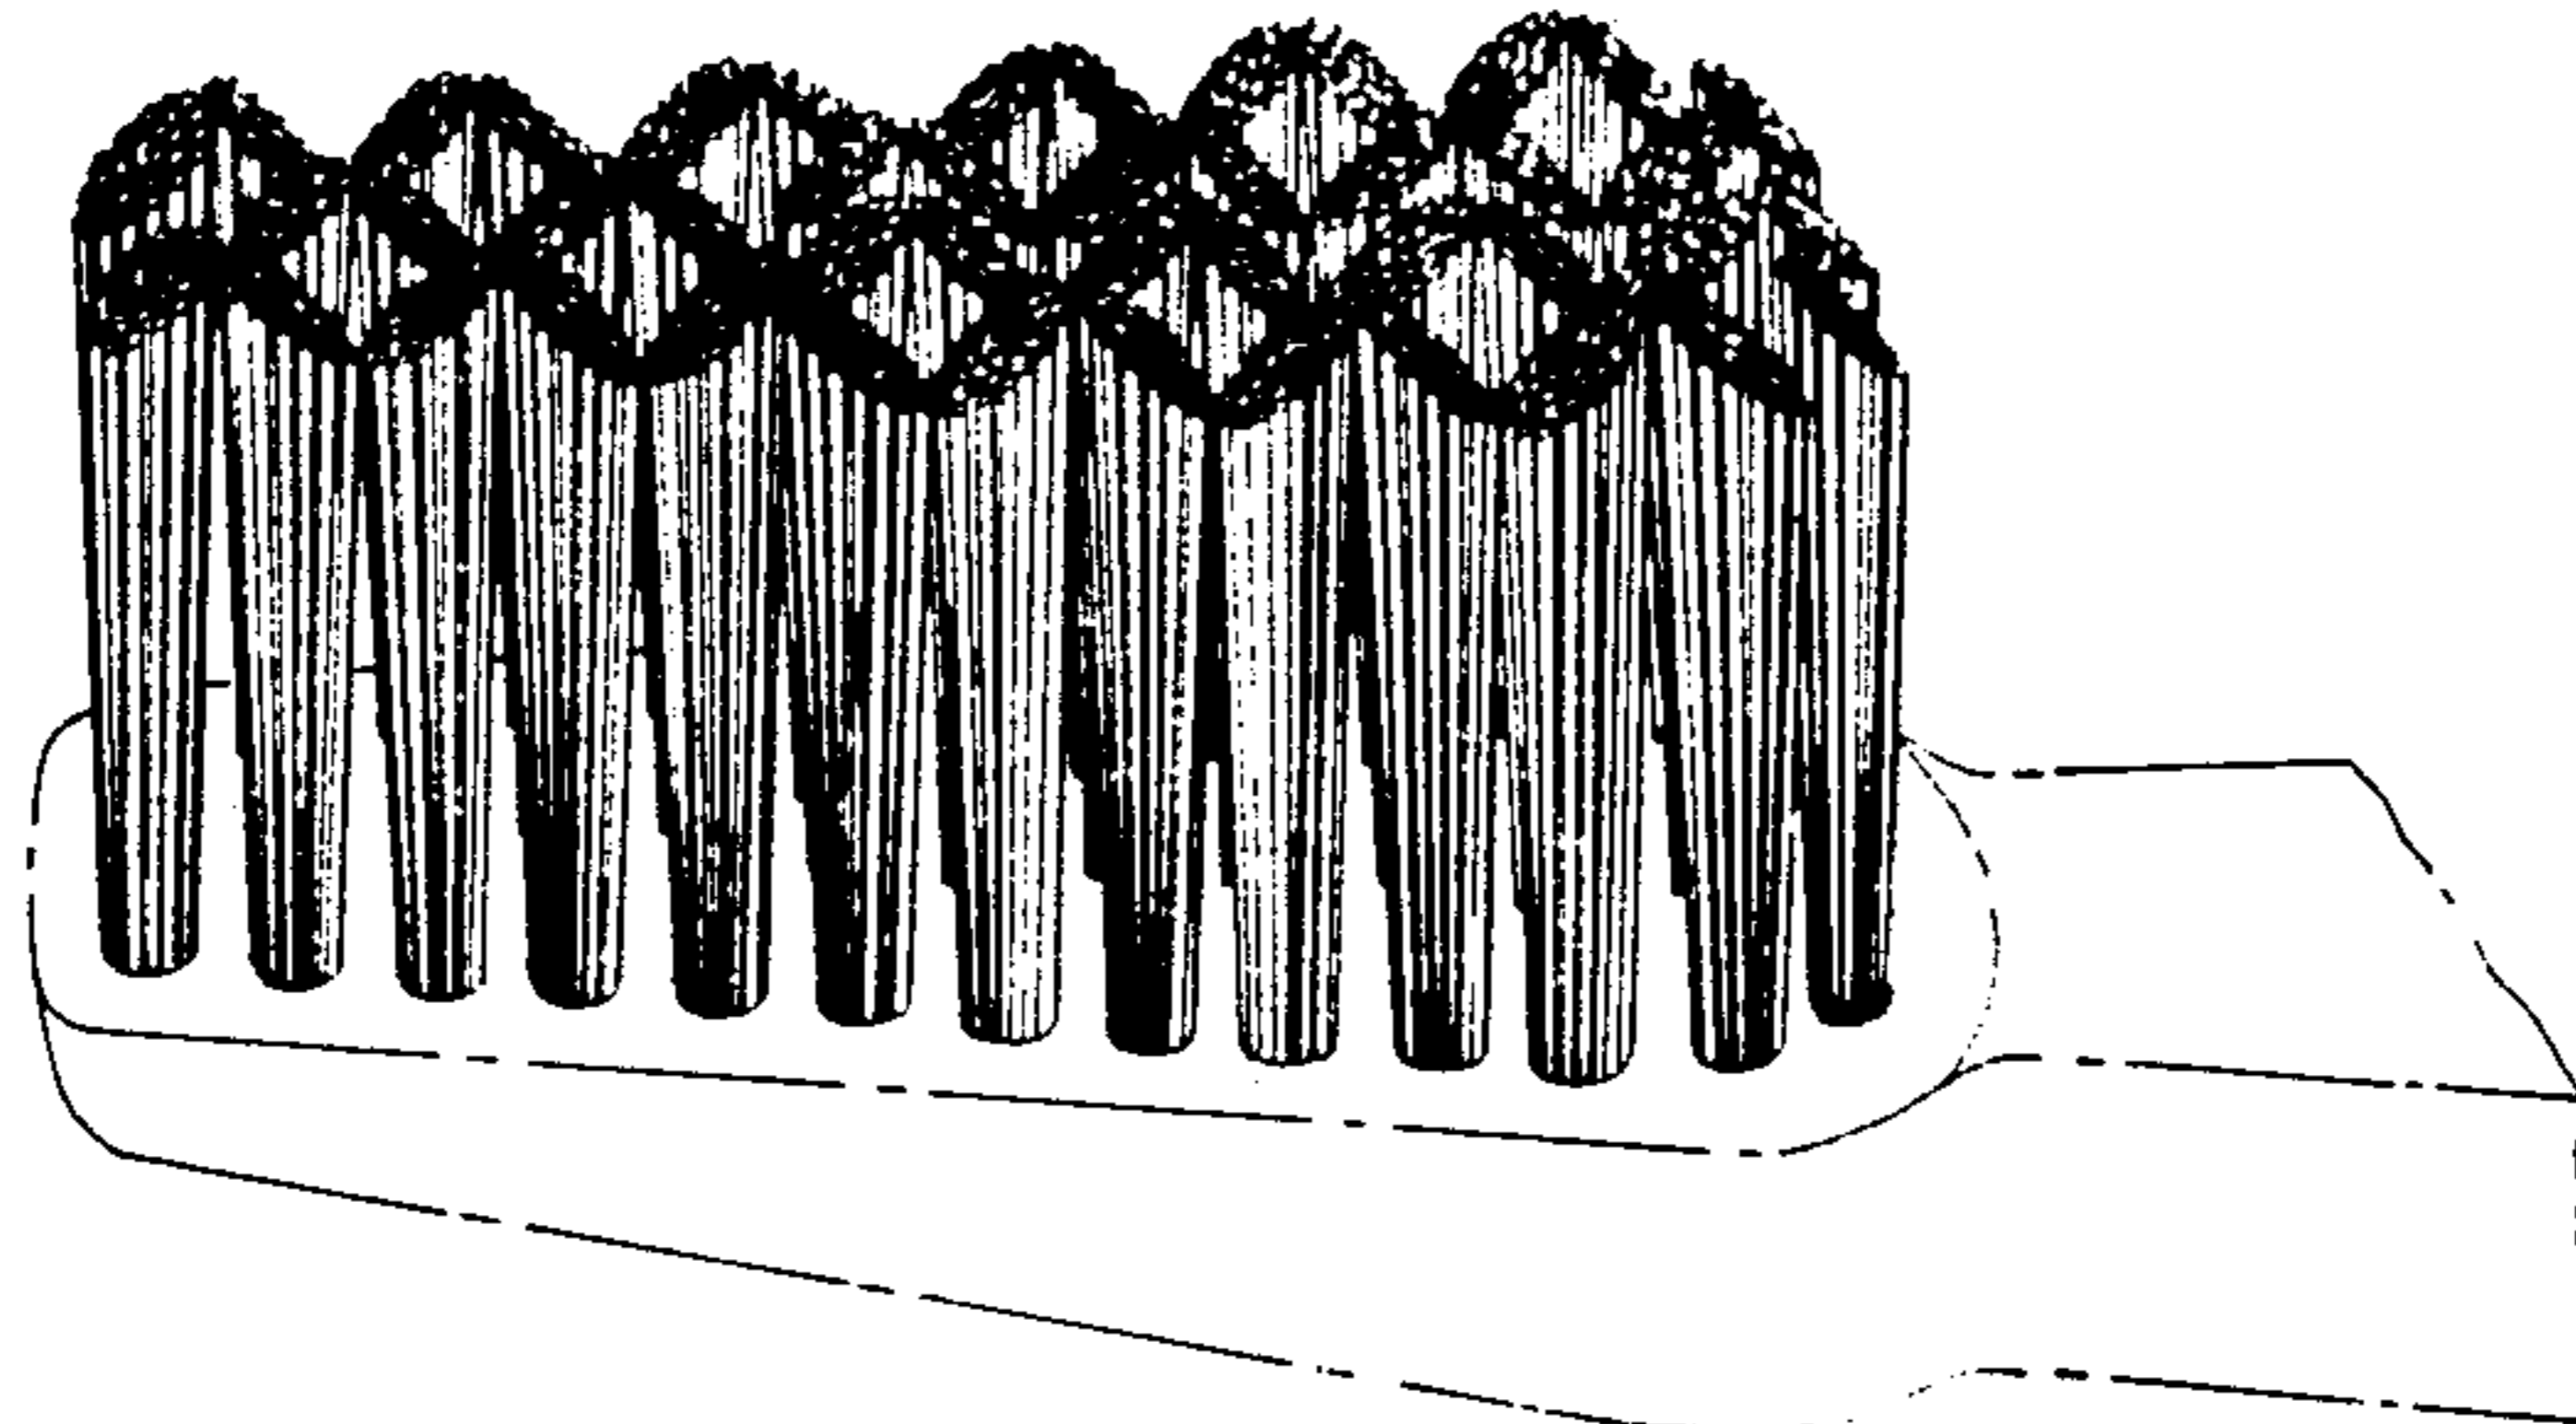

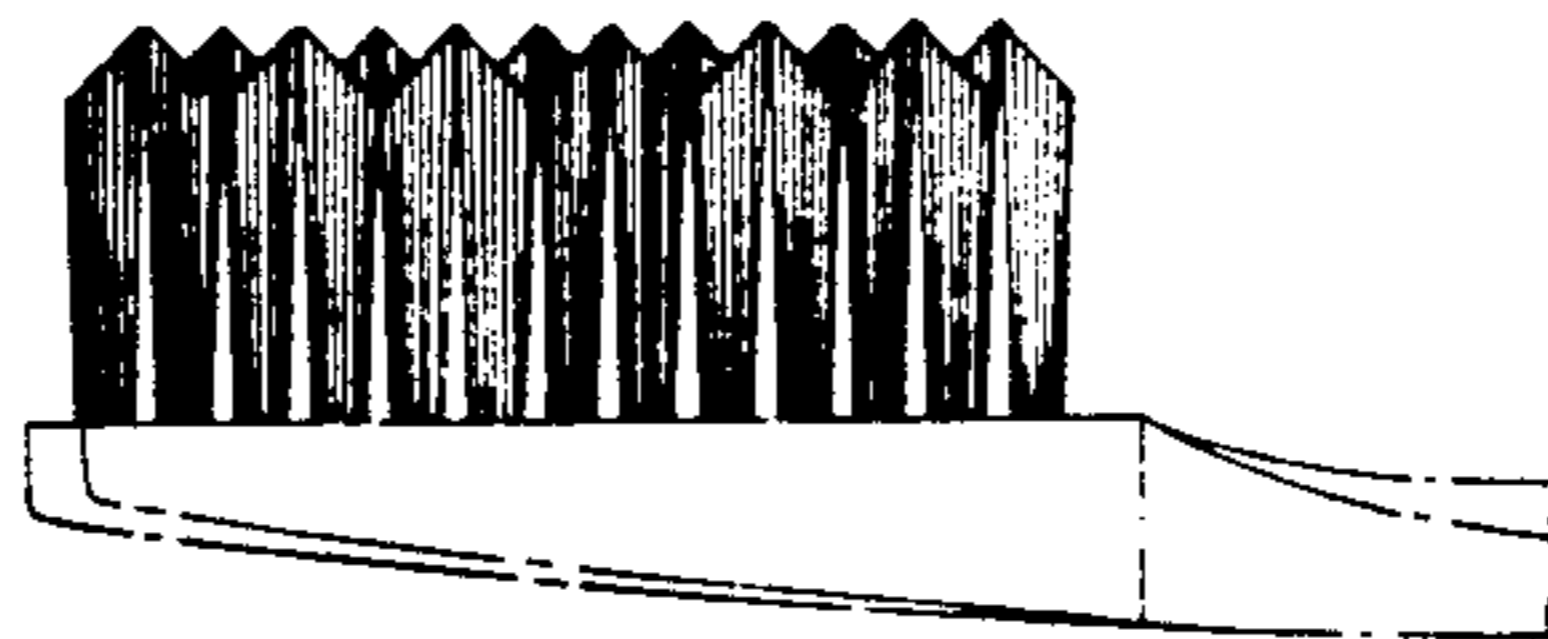

FIG. 3 is an enlarged front elevational view thereof;

FIG. 4 is an enlarged right side elevational view thereof;

FIG. 5 is an enlarged back elevational view thereof;

FIG. 6 is a fragmentary elevational view taken in the direction of line 6-6 in FIG. 2; and,

FIG. 7 is a greatly enlarged perspective view thereof. The broken lines in the figures represent one possible handle. They are shown for illustrative purposes only and form no part of the claim.

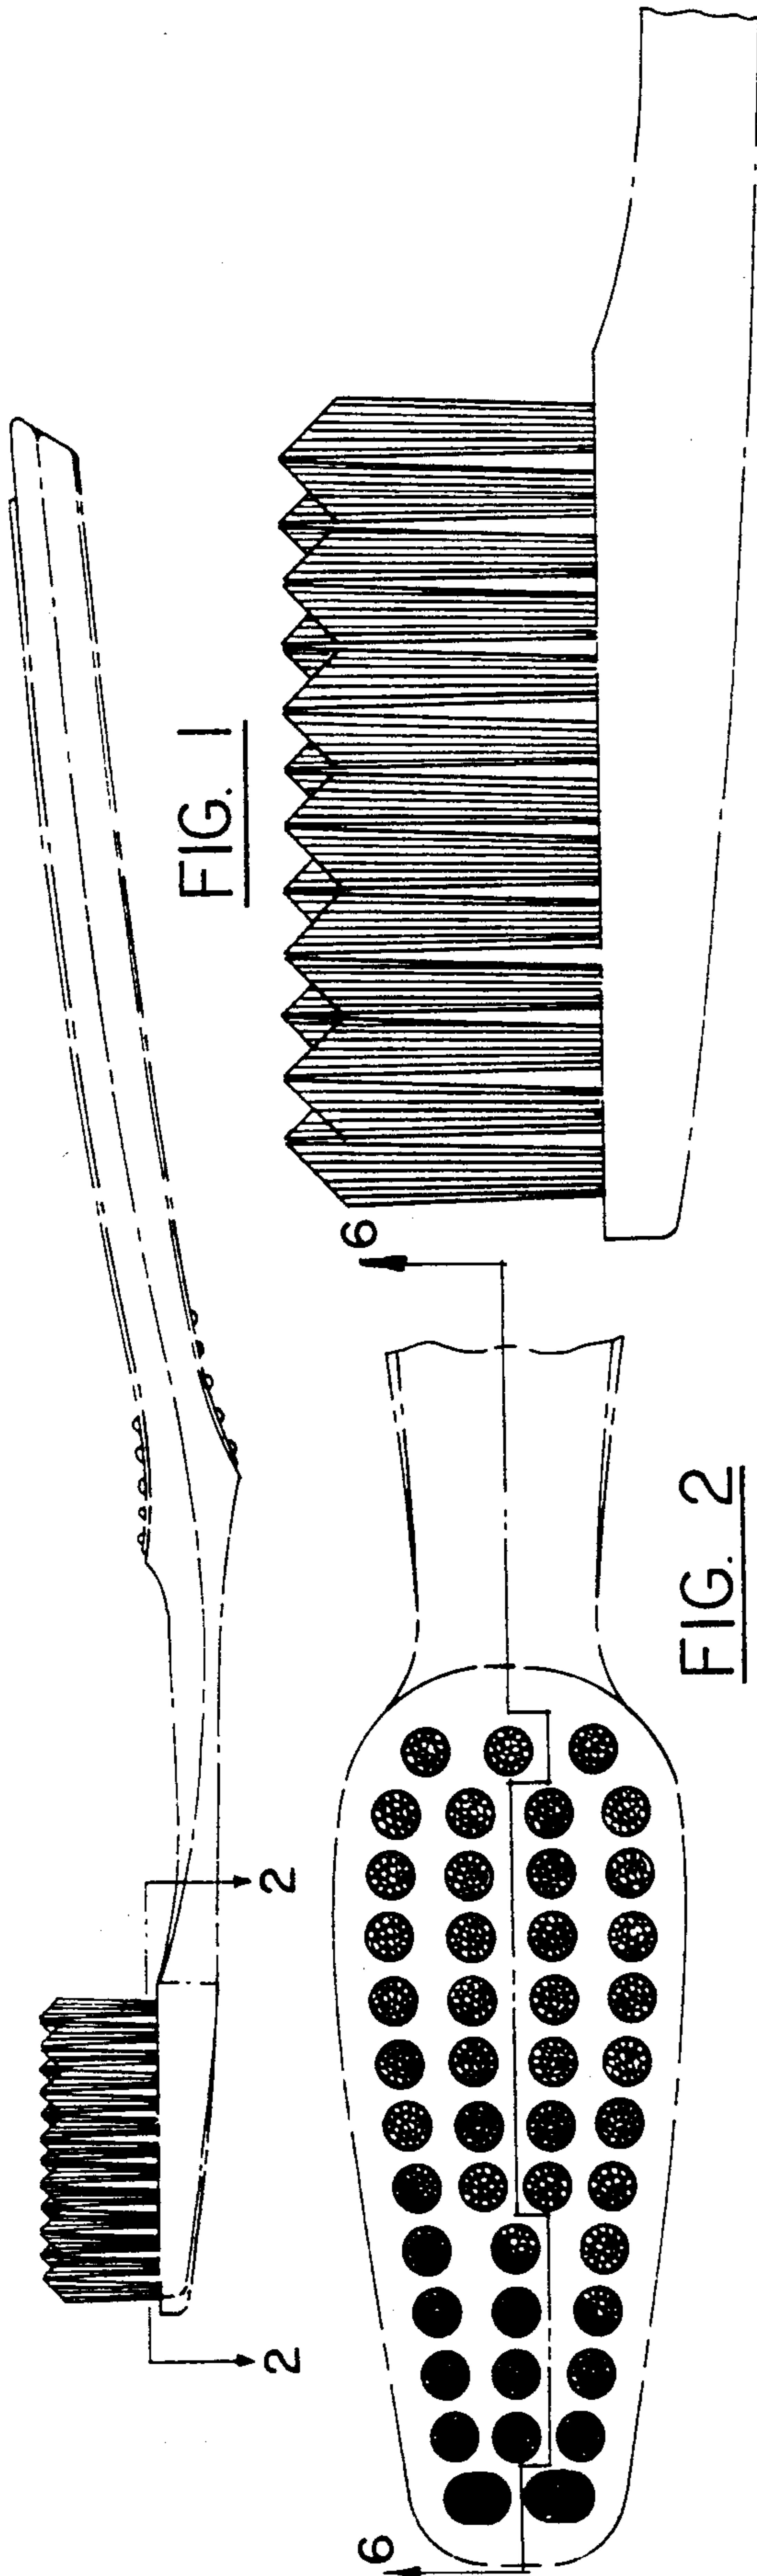

FIG. 6

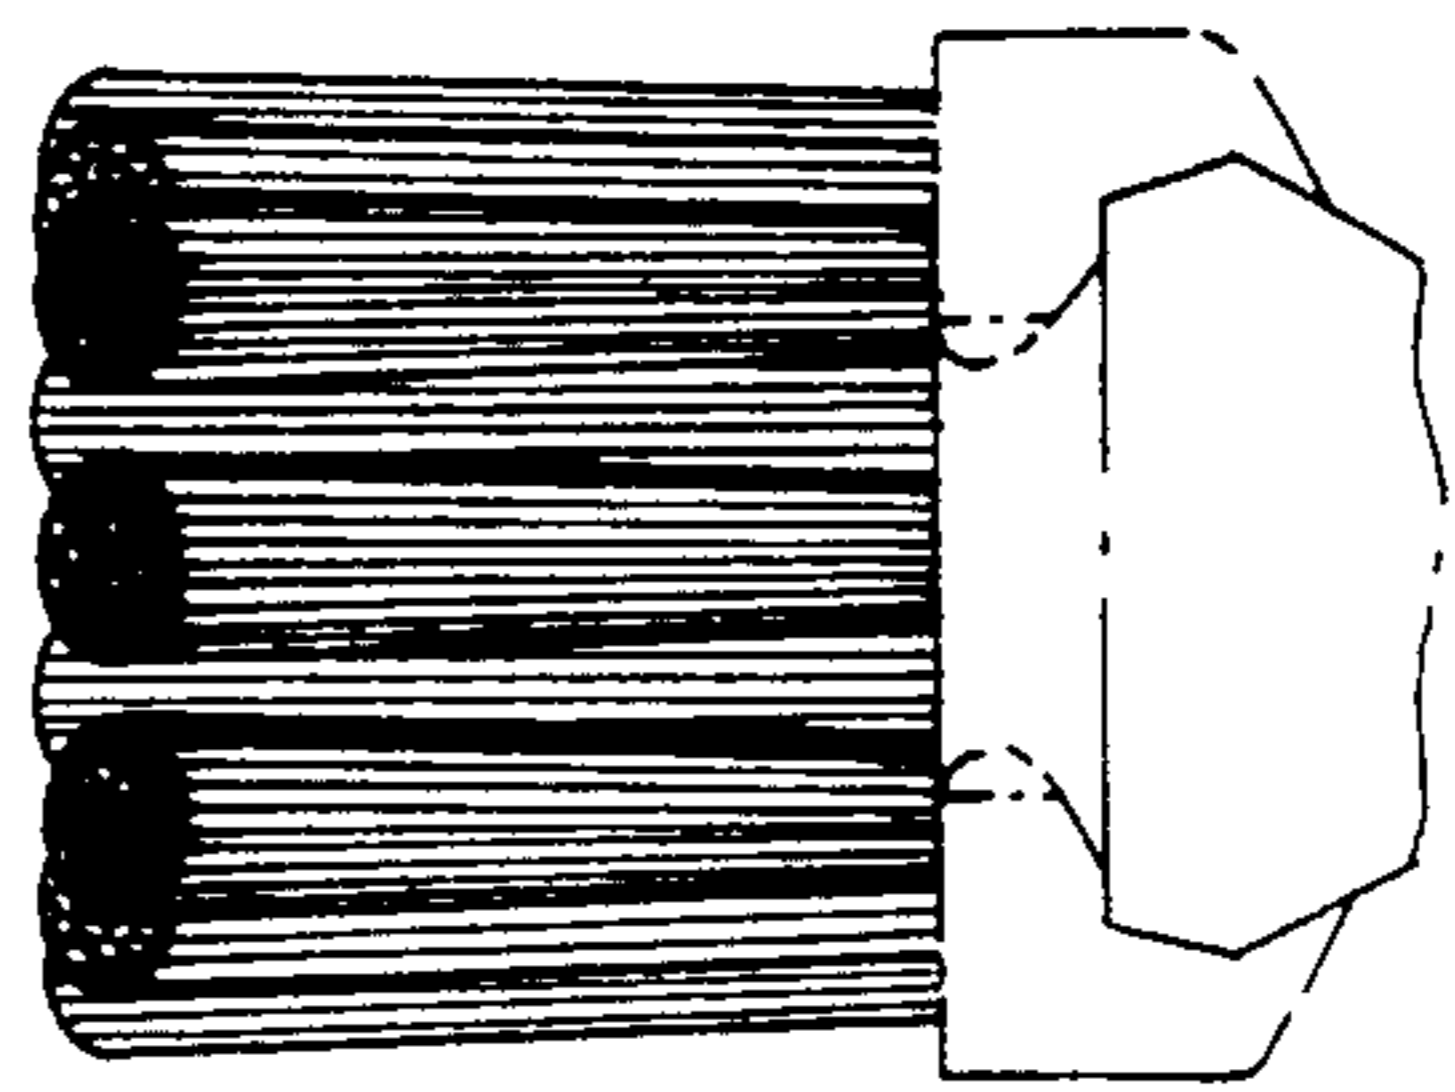

FIG. 5

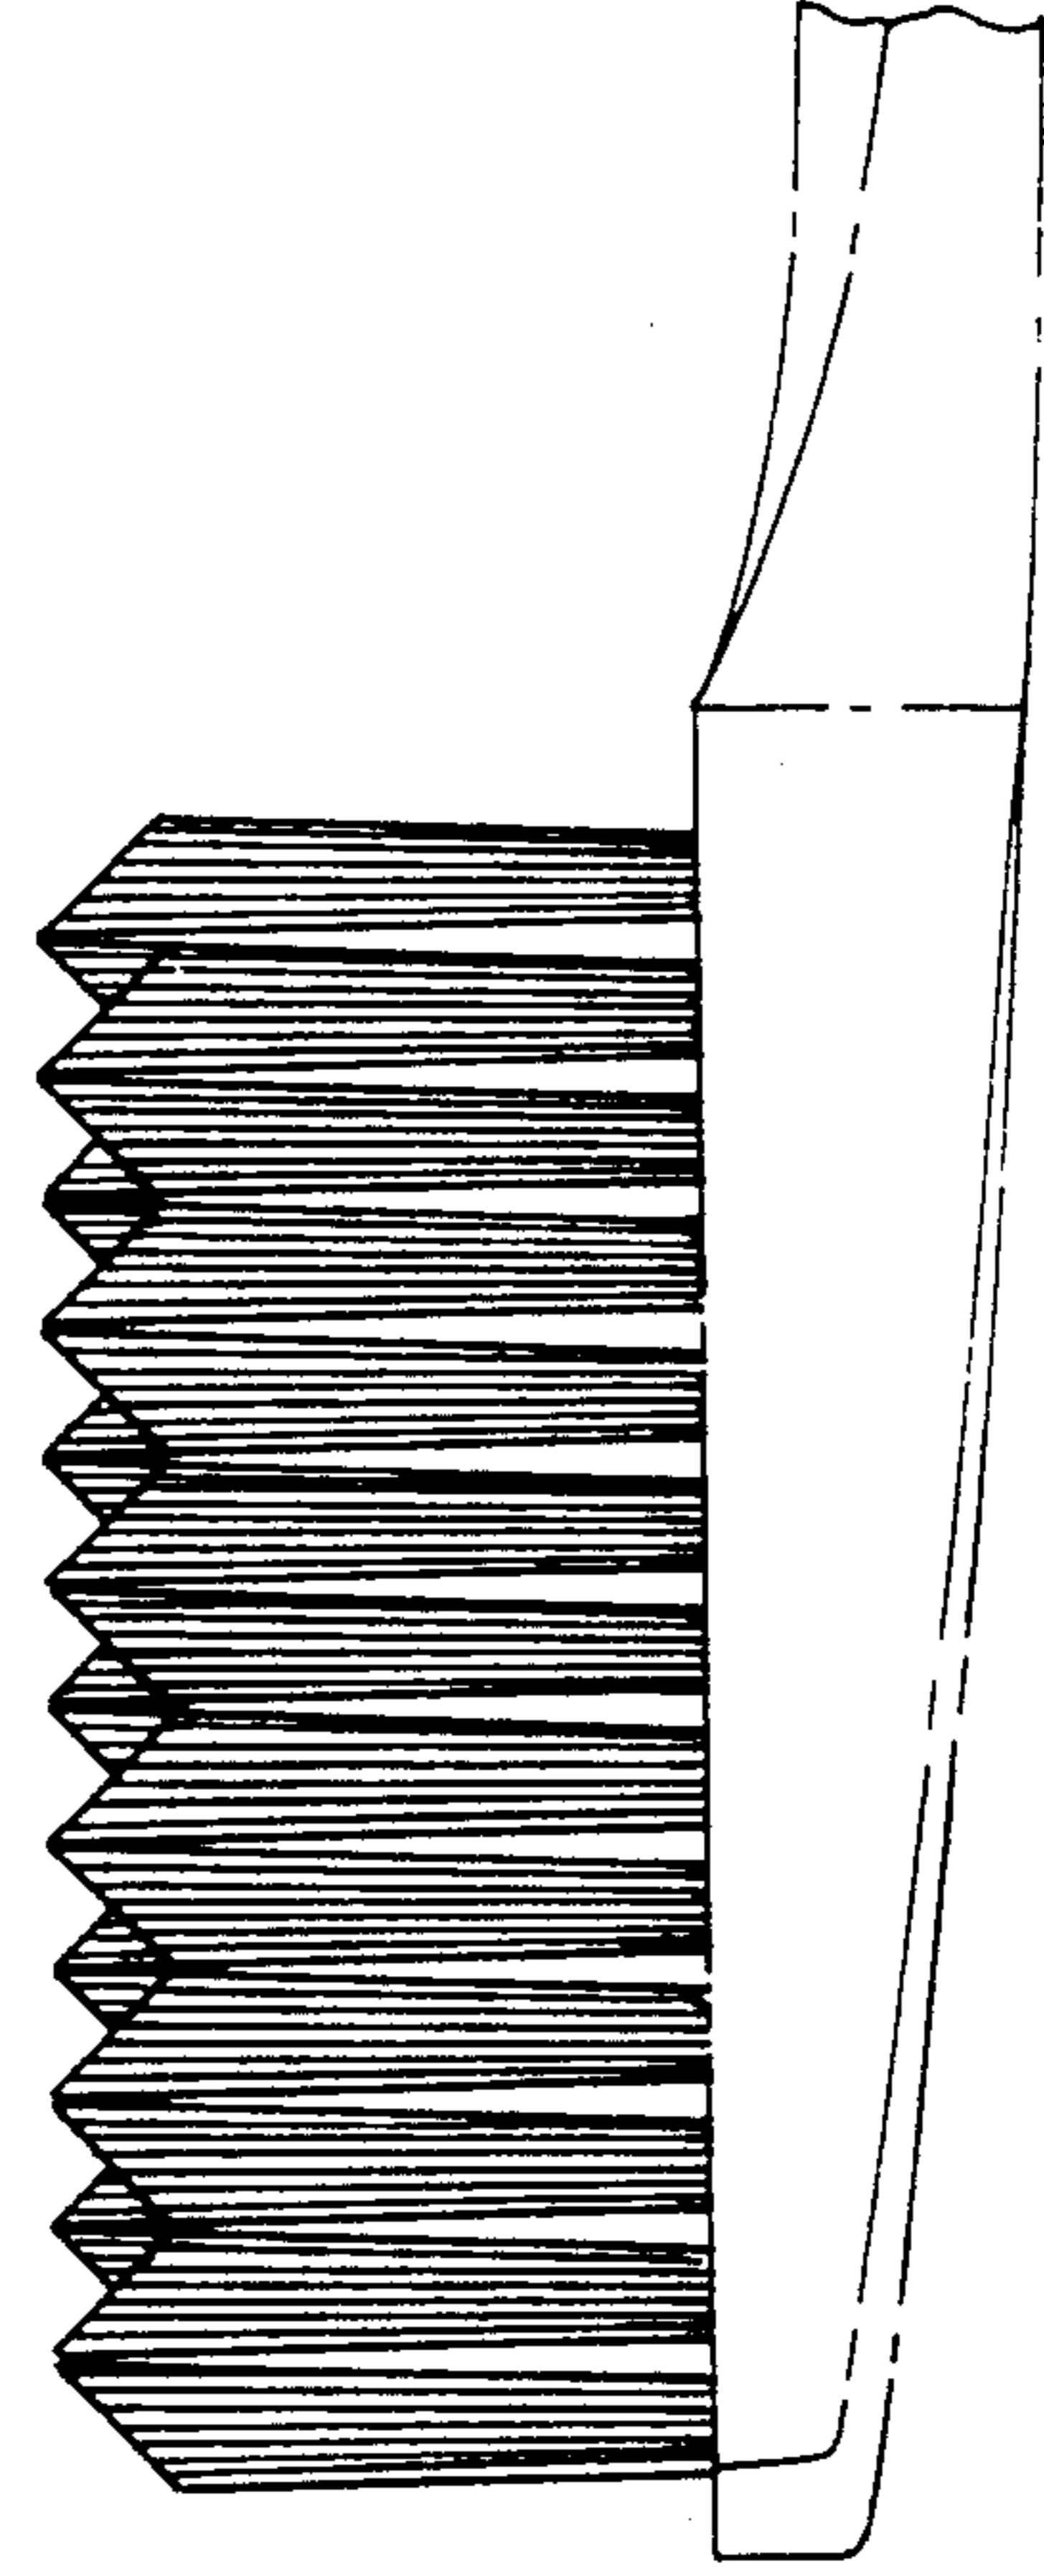

FIG. 4

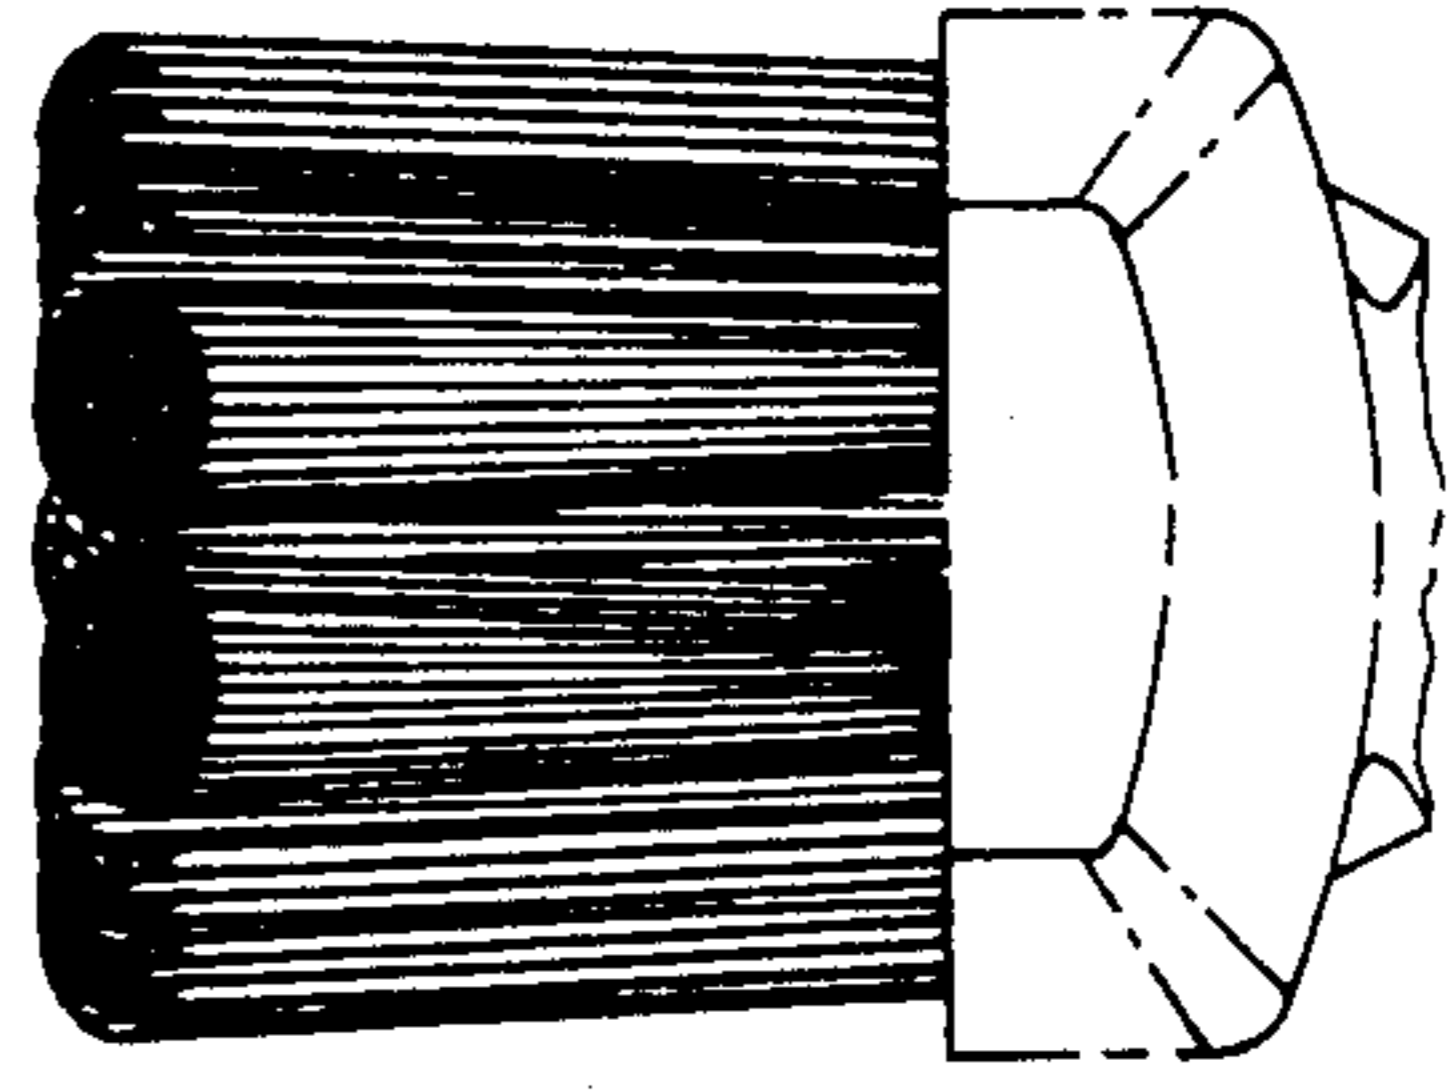

FIG. 3

FIG. 7
