[57] CLAIM

The ornamental design for an athletic shoe flap apparatus, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of an athletic shoe flap apparatus showing my new design; FIG. 2 is a top plan view; FIG. 3 is a left side elevational view; FIG. 4 is a right side elevational view; FIG. 5 is a front elevational view including illustrative disclosure of print on the flap; and, FIG. 6 is a perspective view of a different position. The rear of the design in a mirror image of the front. The broken line showing of an athletic shoe and legible matter in FIGS. 1-6 is for illustrative purposes only and forms no part of the claim design.
