[57] **CLAIM**

The ornamental design for a flexible draw latch, as shown and described.

DESCRIPTION

FIG. 1 is a bottom, front, and right side perspective view of a flexible draw latch showing my new design, the broken-line disclosure of portions of the assembly being shown in the views for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a left side elevational view thereof, the right side being a mirror image of that shown;

FIG. 5 is a rear elevational view thereof; and,

FIG. 6 is a bottom plan view thereof.
