[57] **CLAIM**

The ornamental design for a combined reservoir and wheeled base assembly for a vacuum cleaner, as shown and described.

**DESCRIPTION**

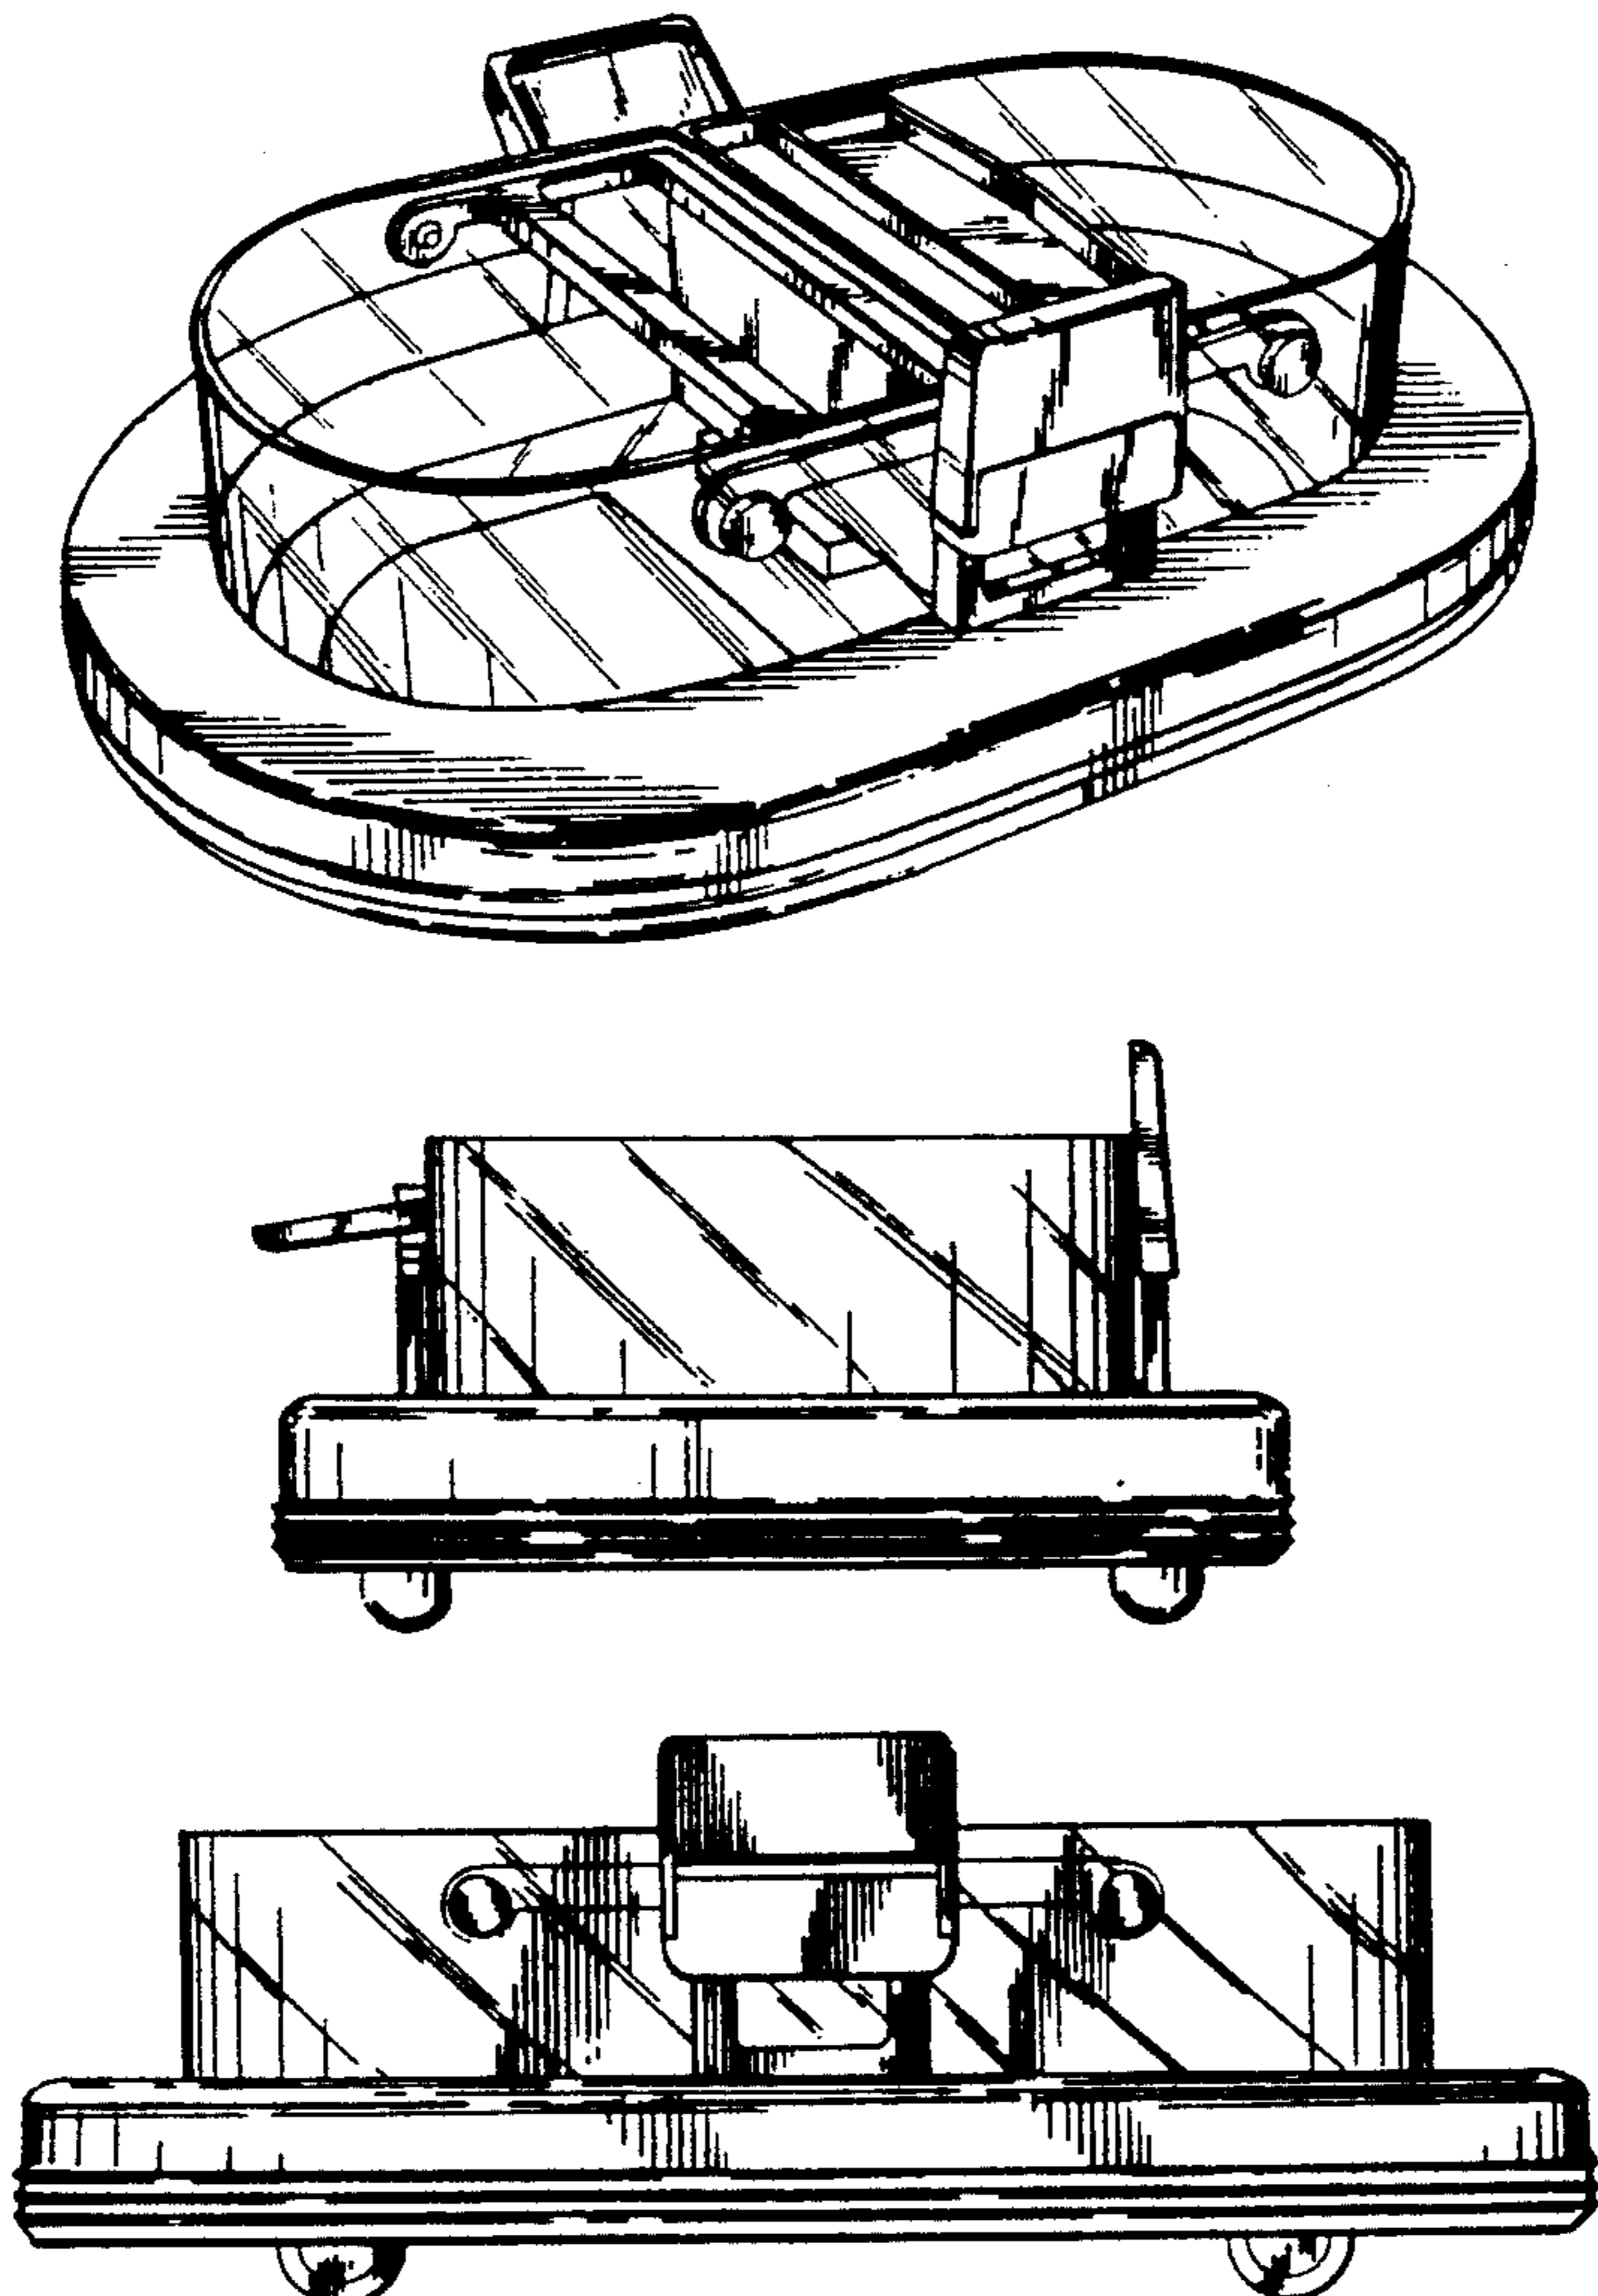

FIG. 1 is a perspective view of a combined reservoir and wheeled base assembly for a vacuum cleaner showing my new design with the clamp on the near side being in closed position and the clamp on the opposing side being in open position;

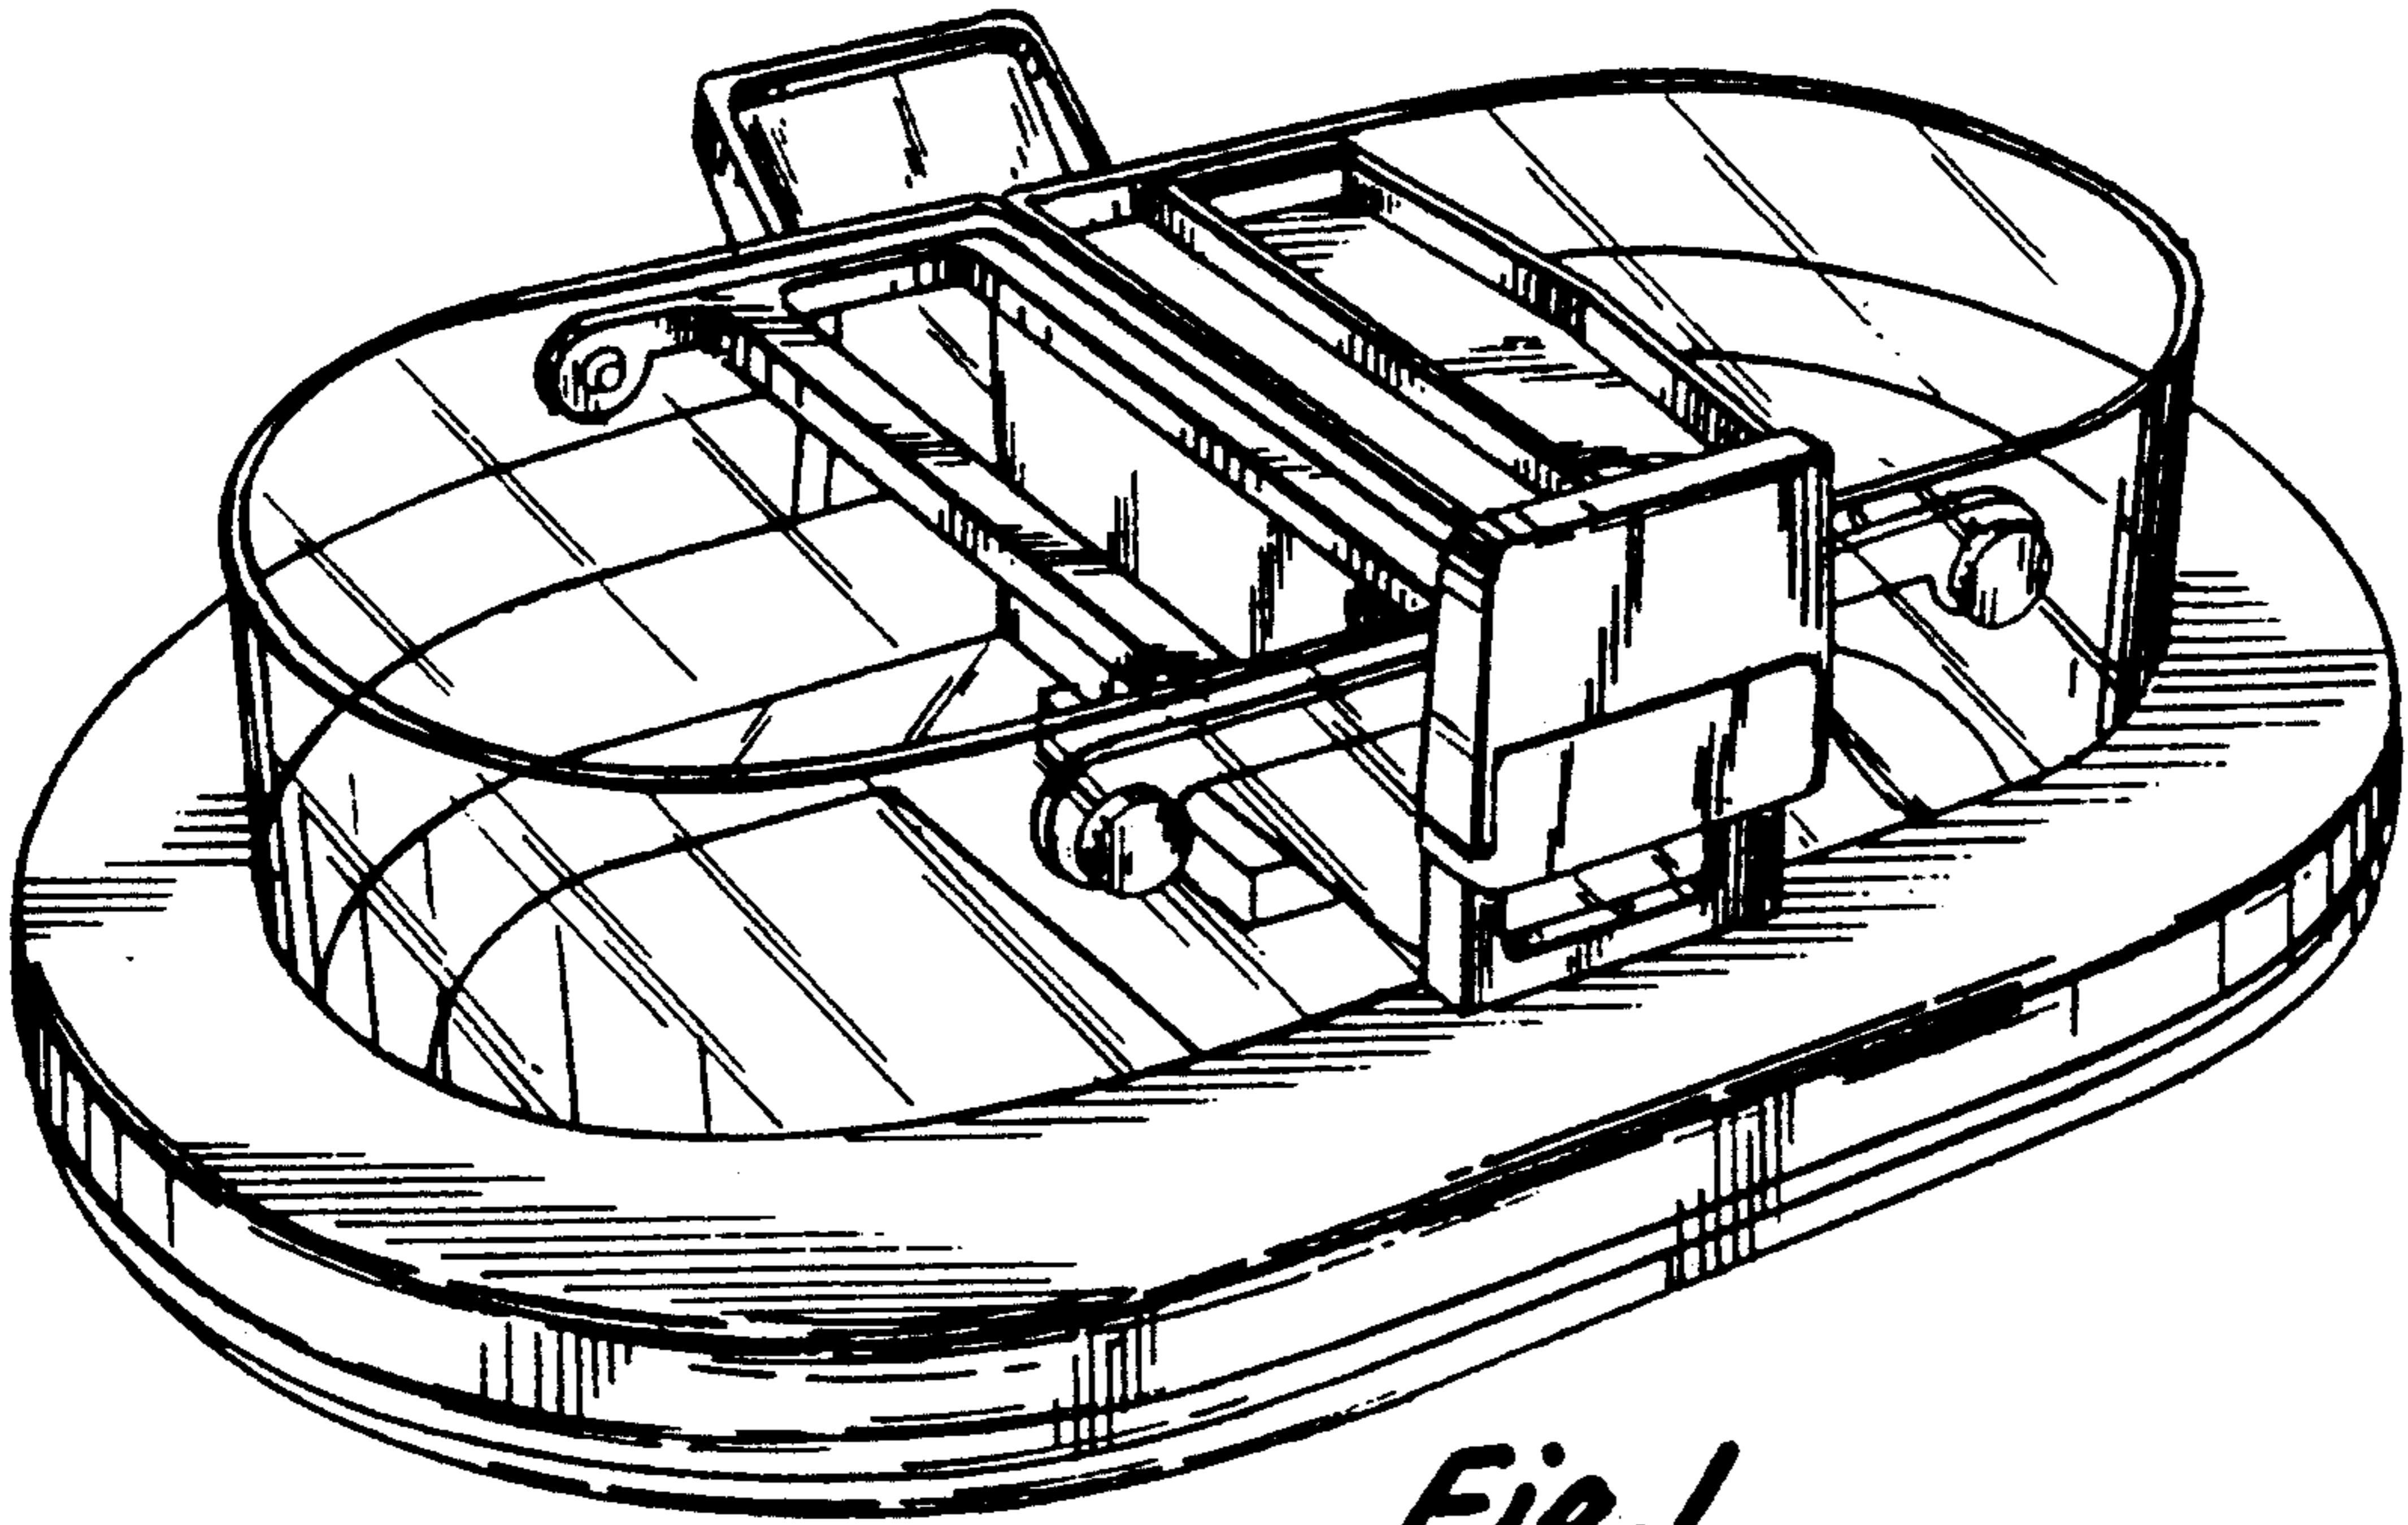

FIG. 2 is a top plan view thereof;

FIG. 3 is a front end elevational view thereof, the rear end being a mirror image;

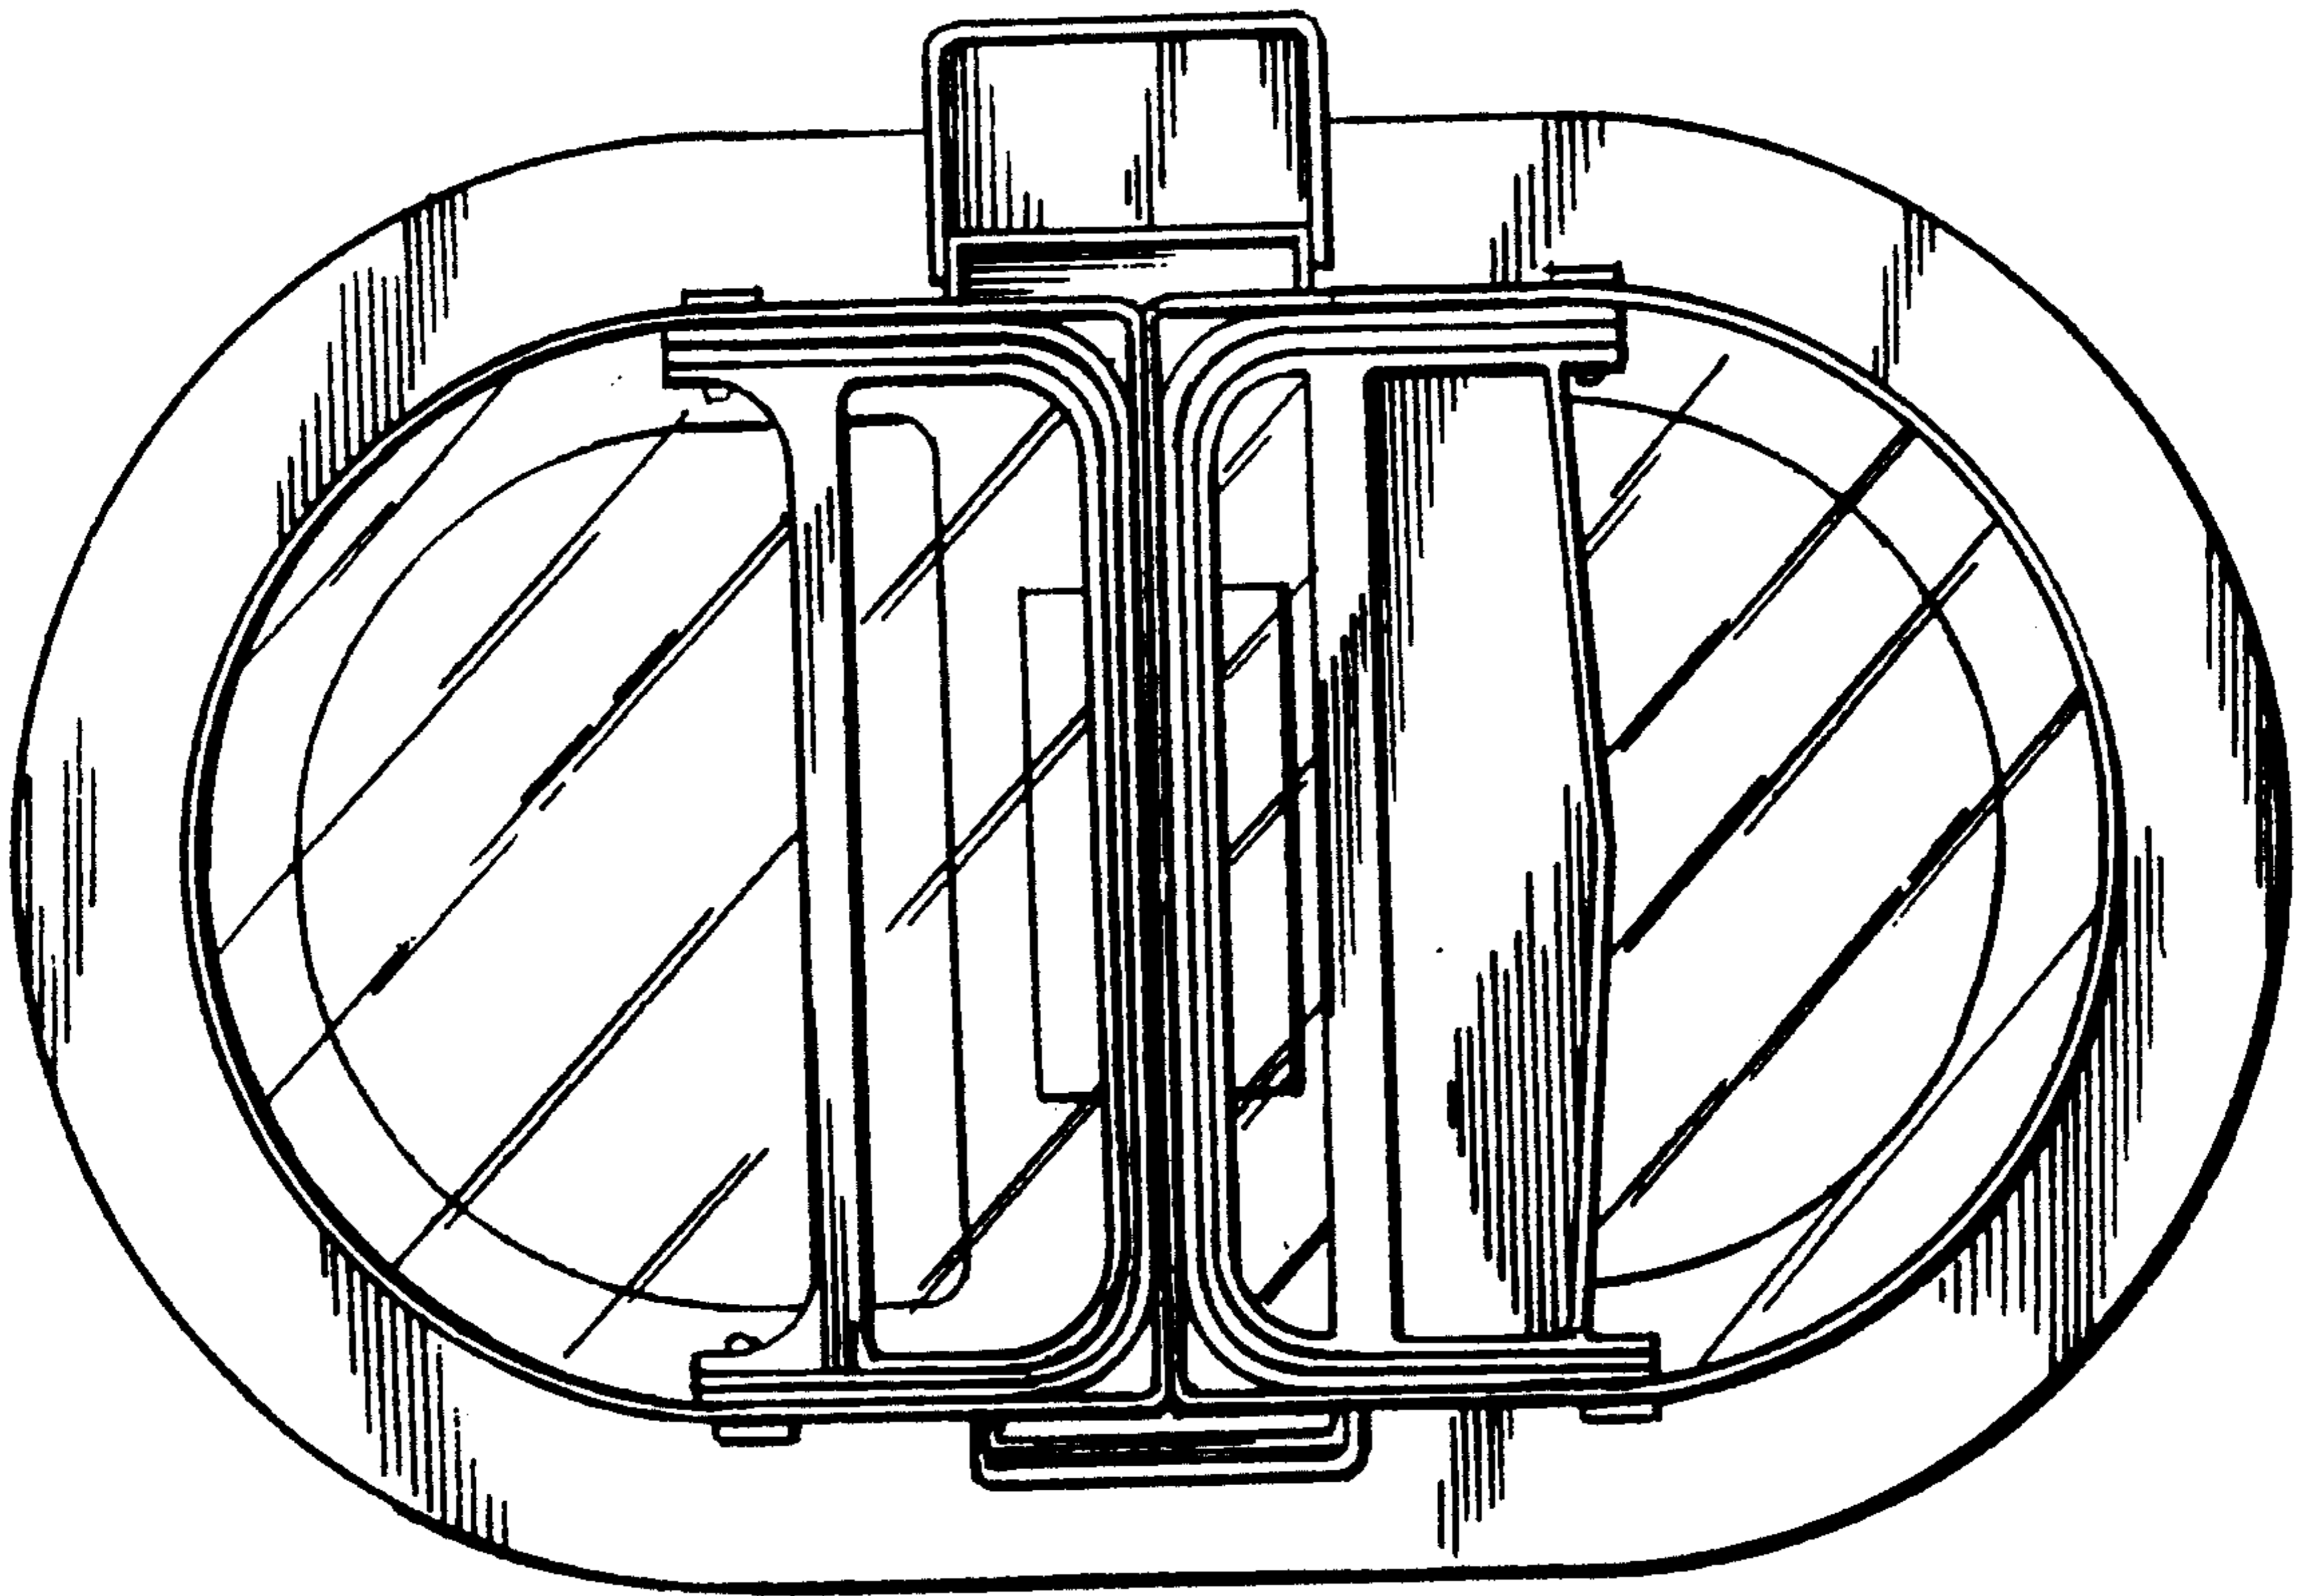

FIG. 4 is a side elevational view thereof with the clamps in closed position, the opposite side being a mirror image; and,

FIG. 5 is a bottom plan view thereof.
