[57] CLAIM

The ornamental design for a combined countertop ice and beverage dispenser, as shown and described.

DESCRIPTION

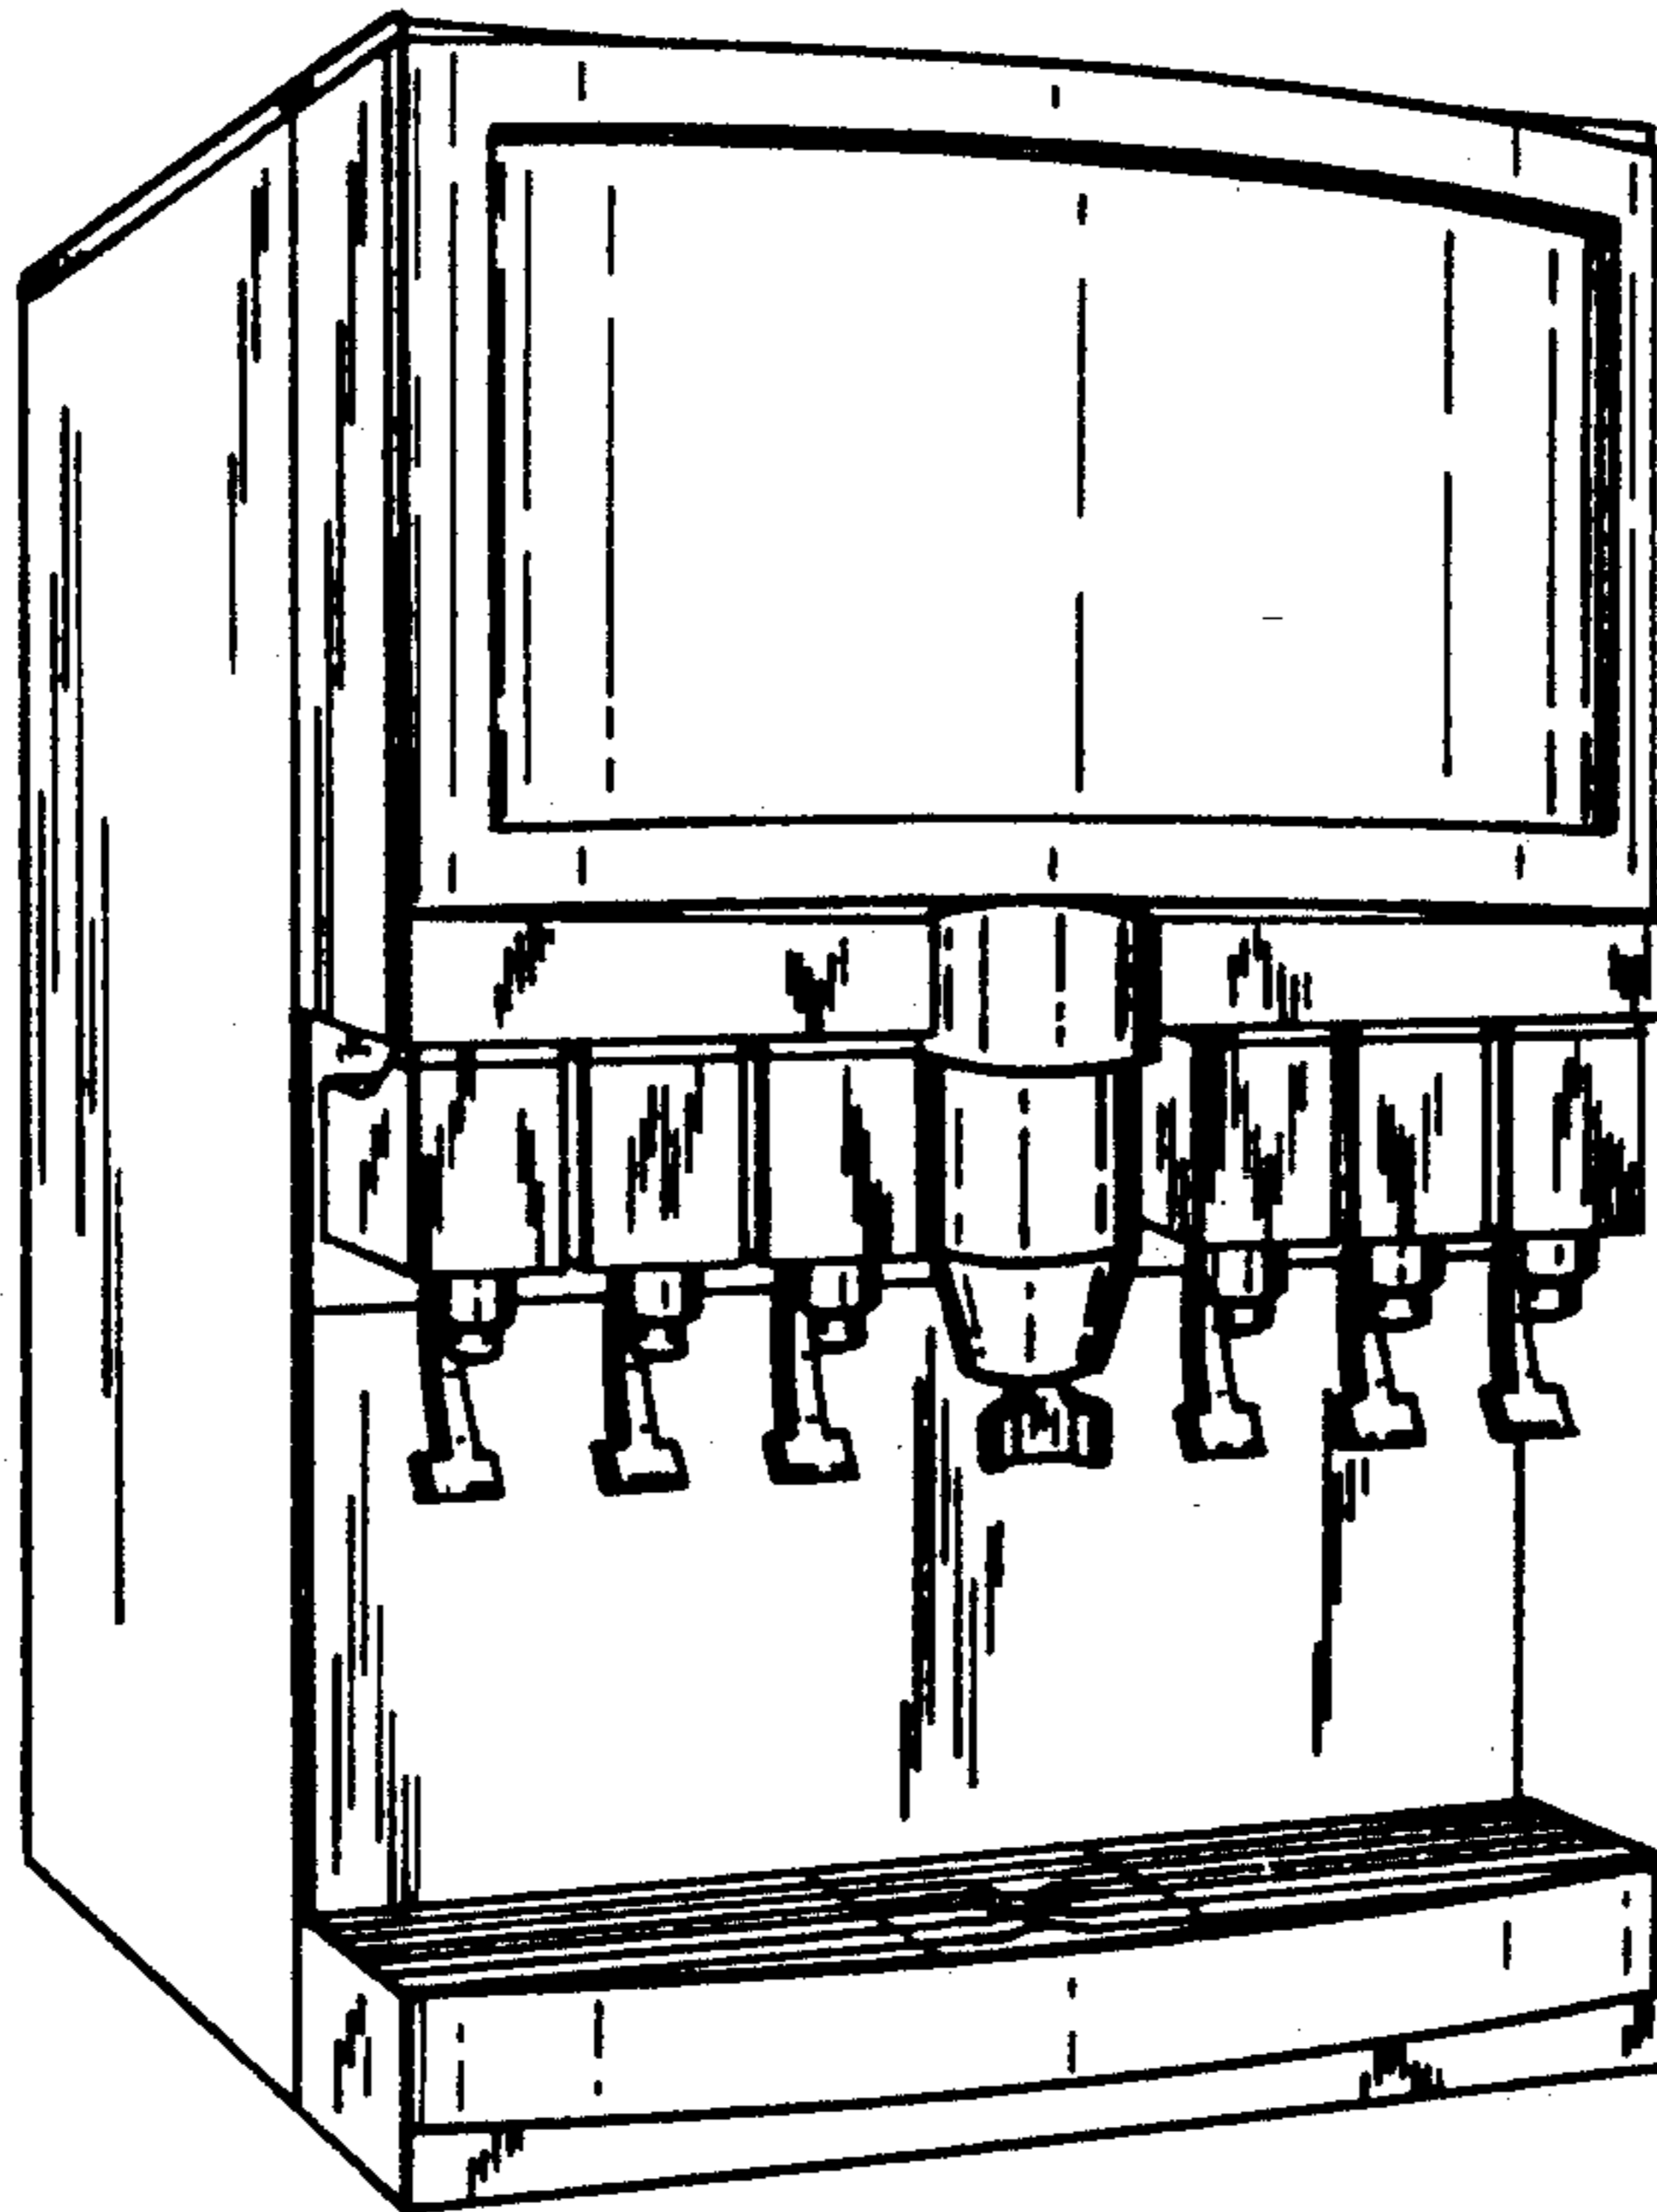

FIG. 1 is a top perspective view of a combined countertop ice and beverage dispenser, showing our new design;

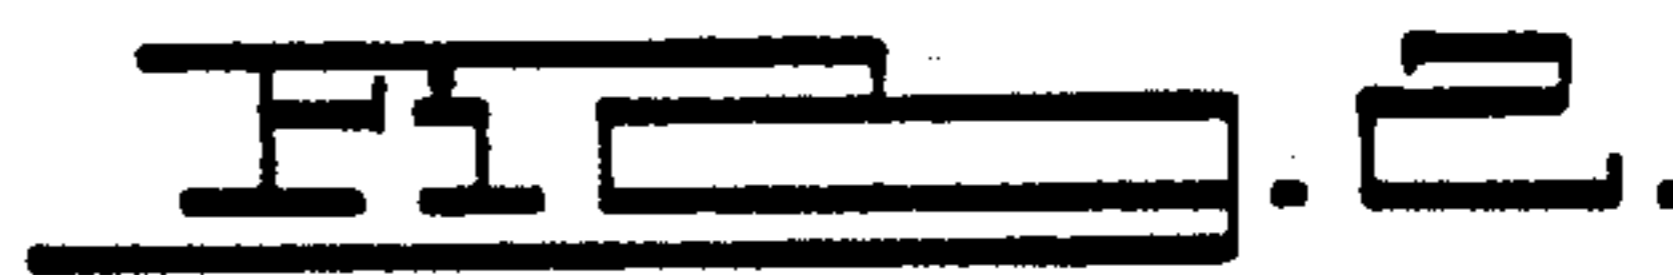

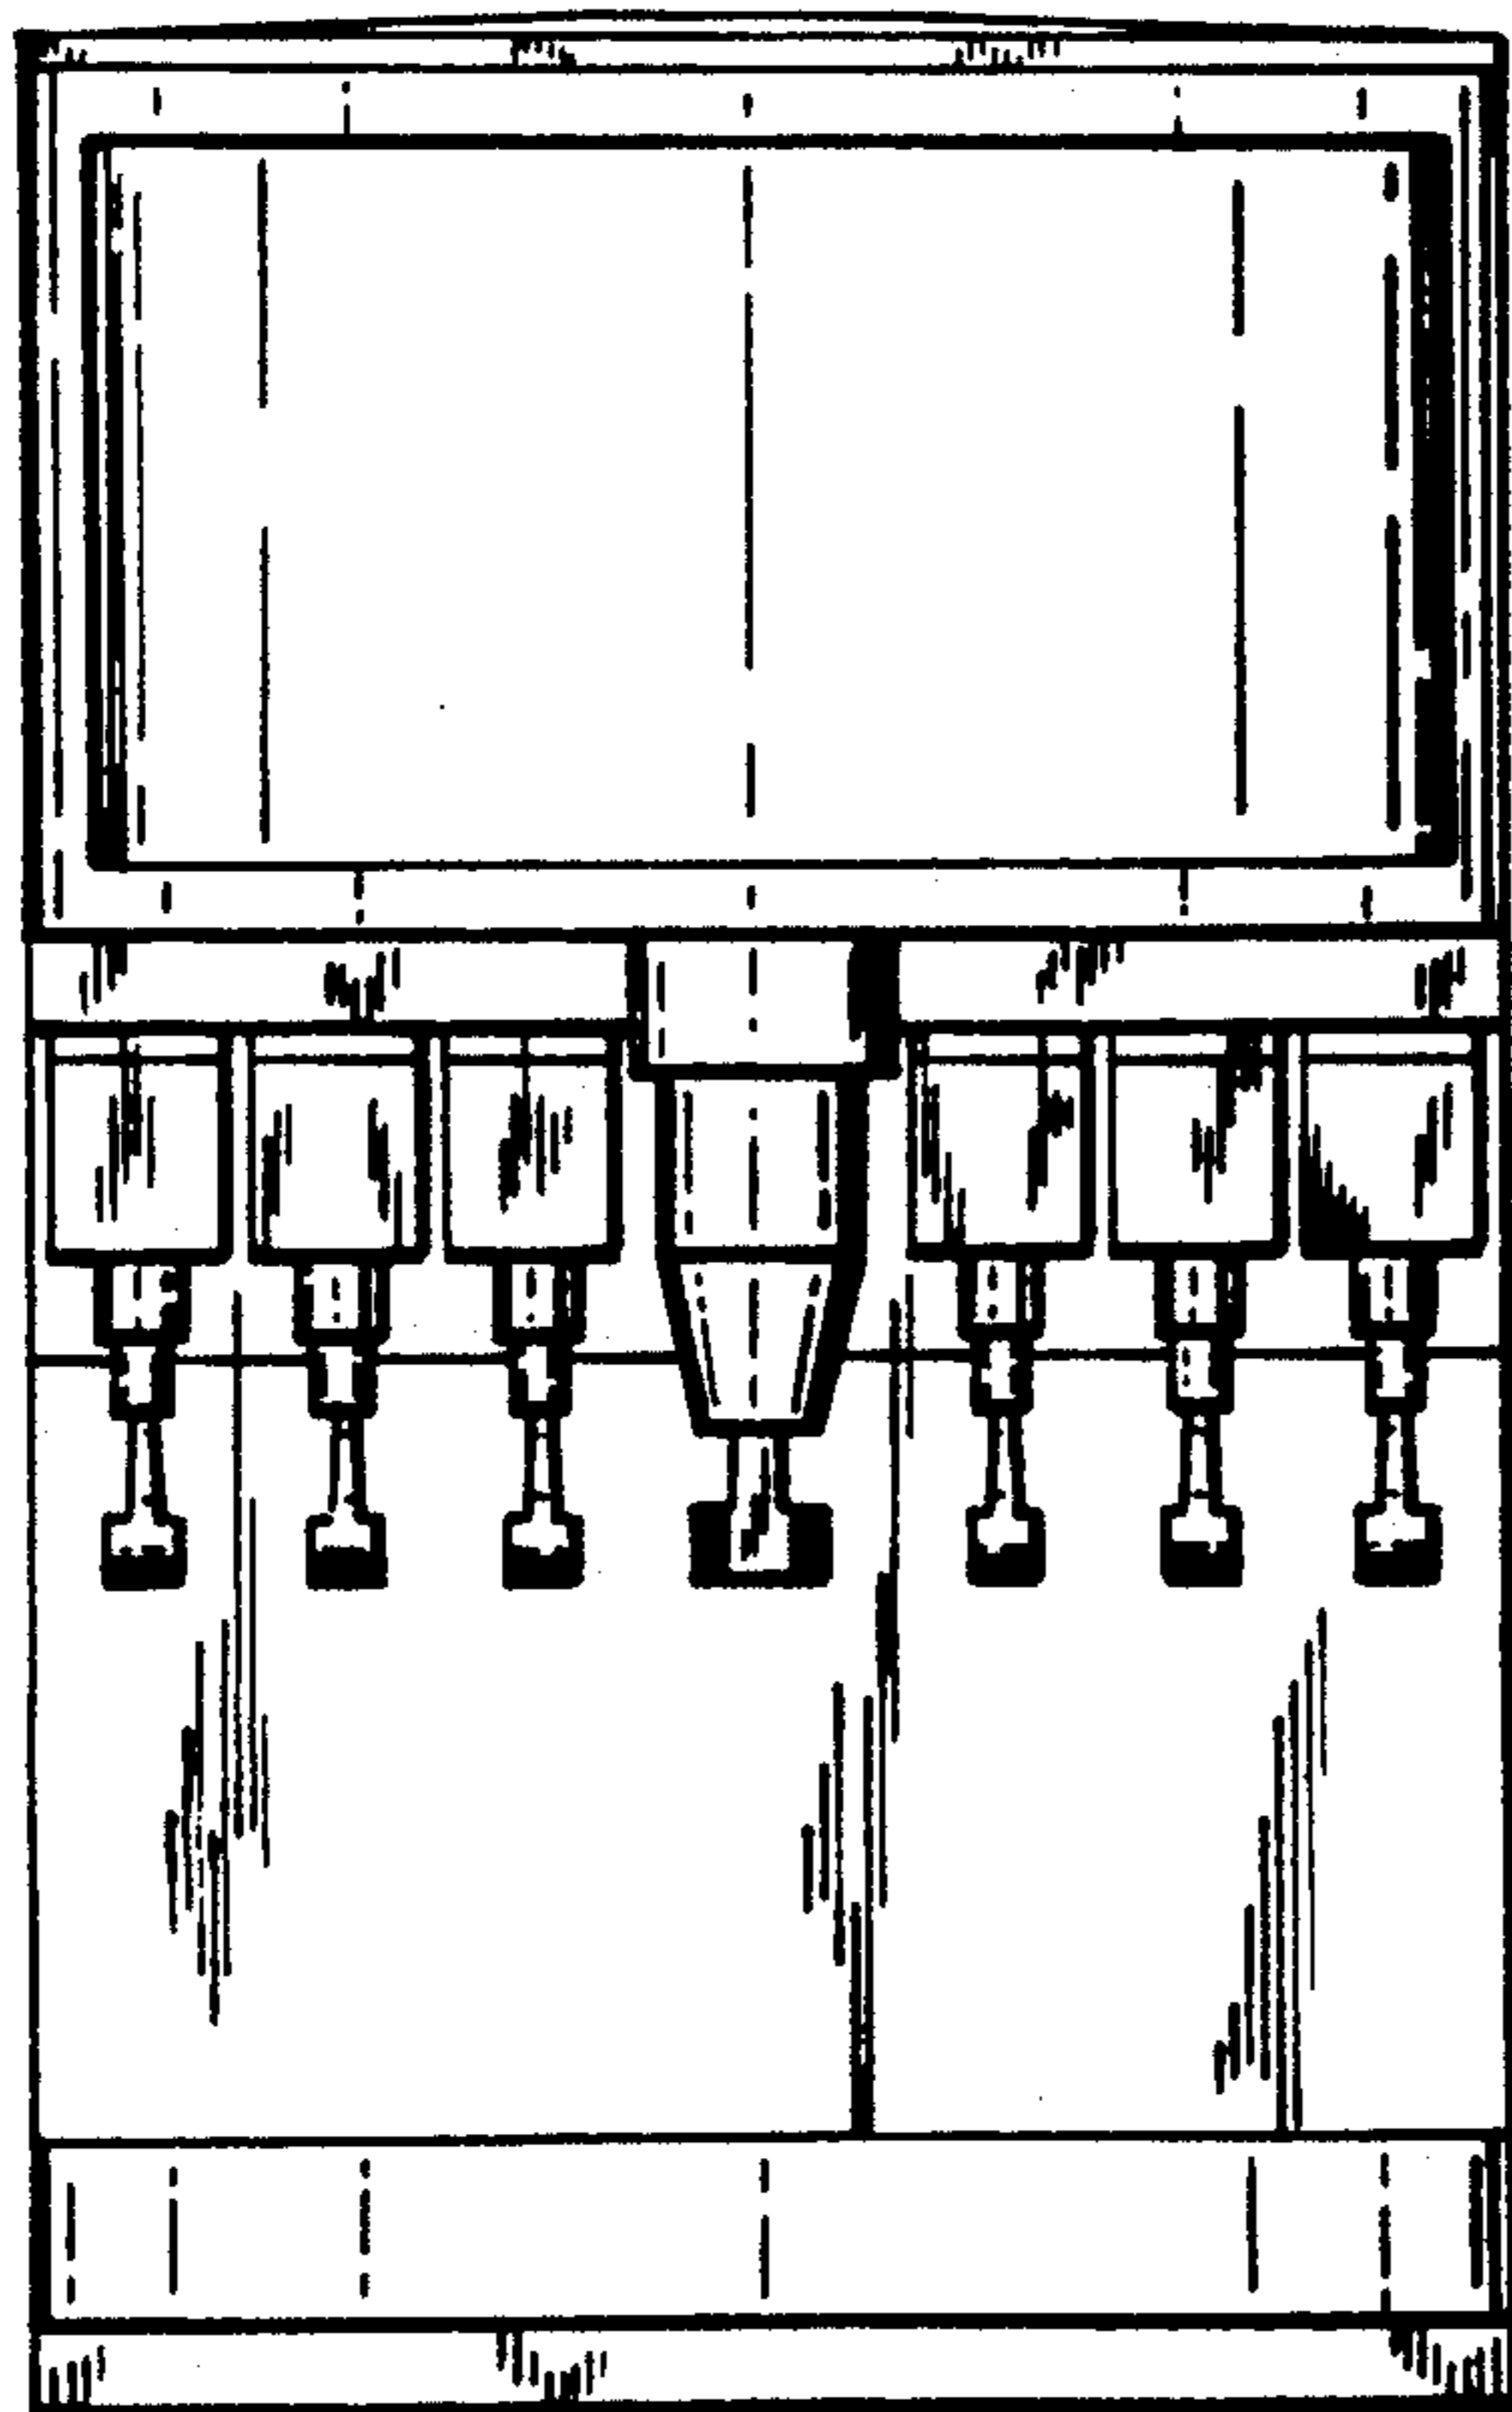

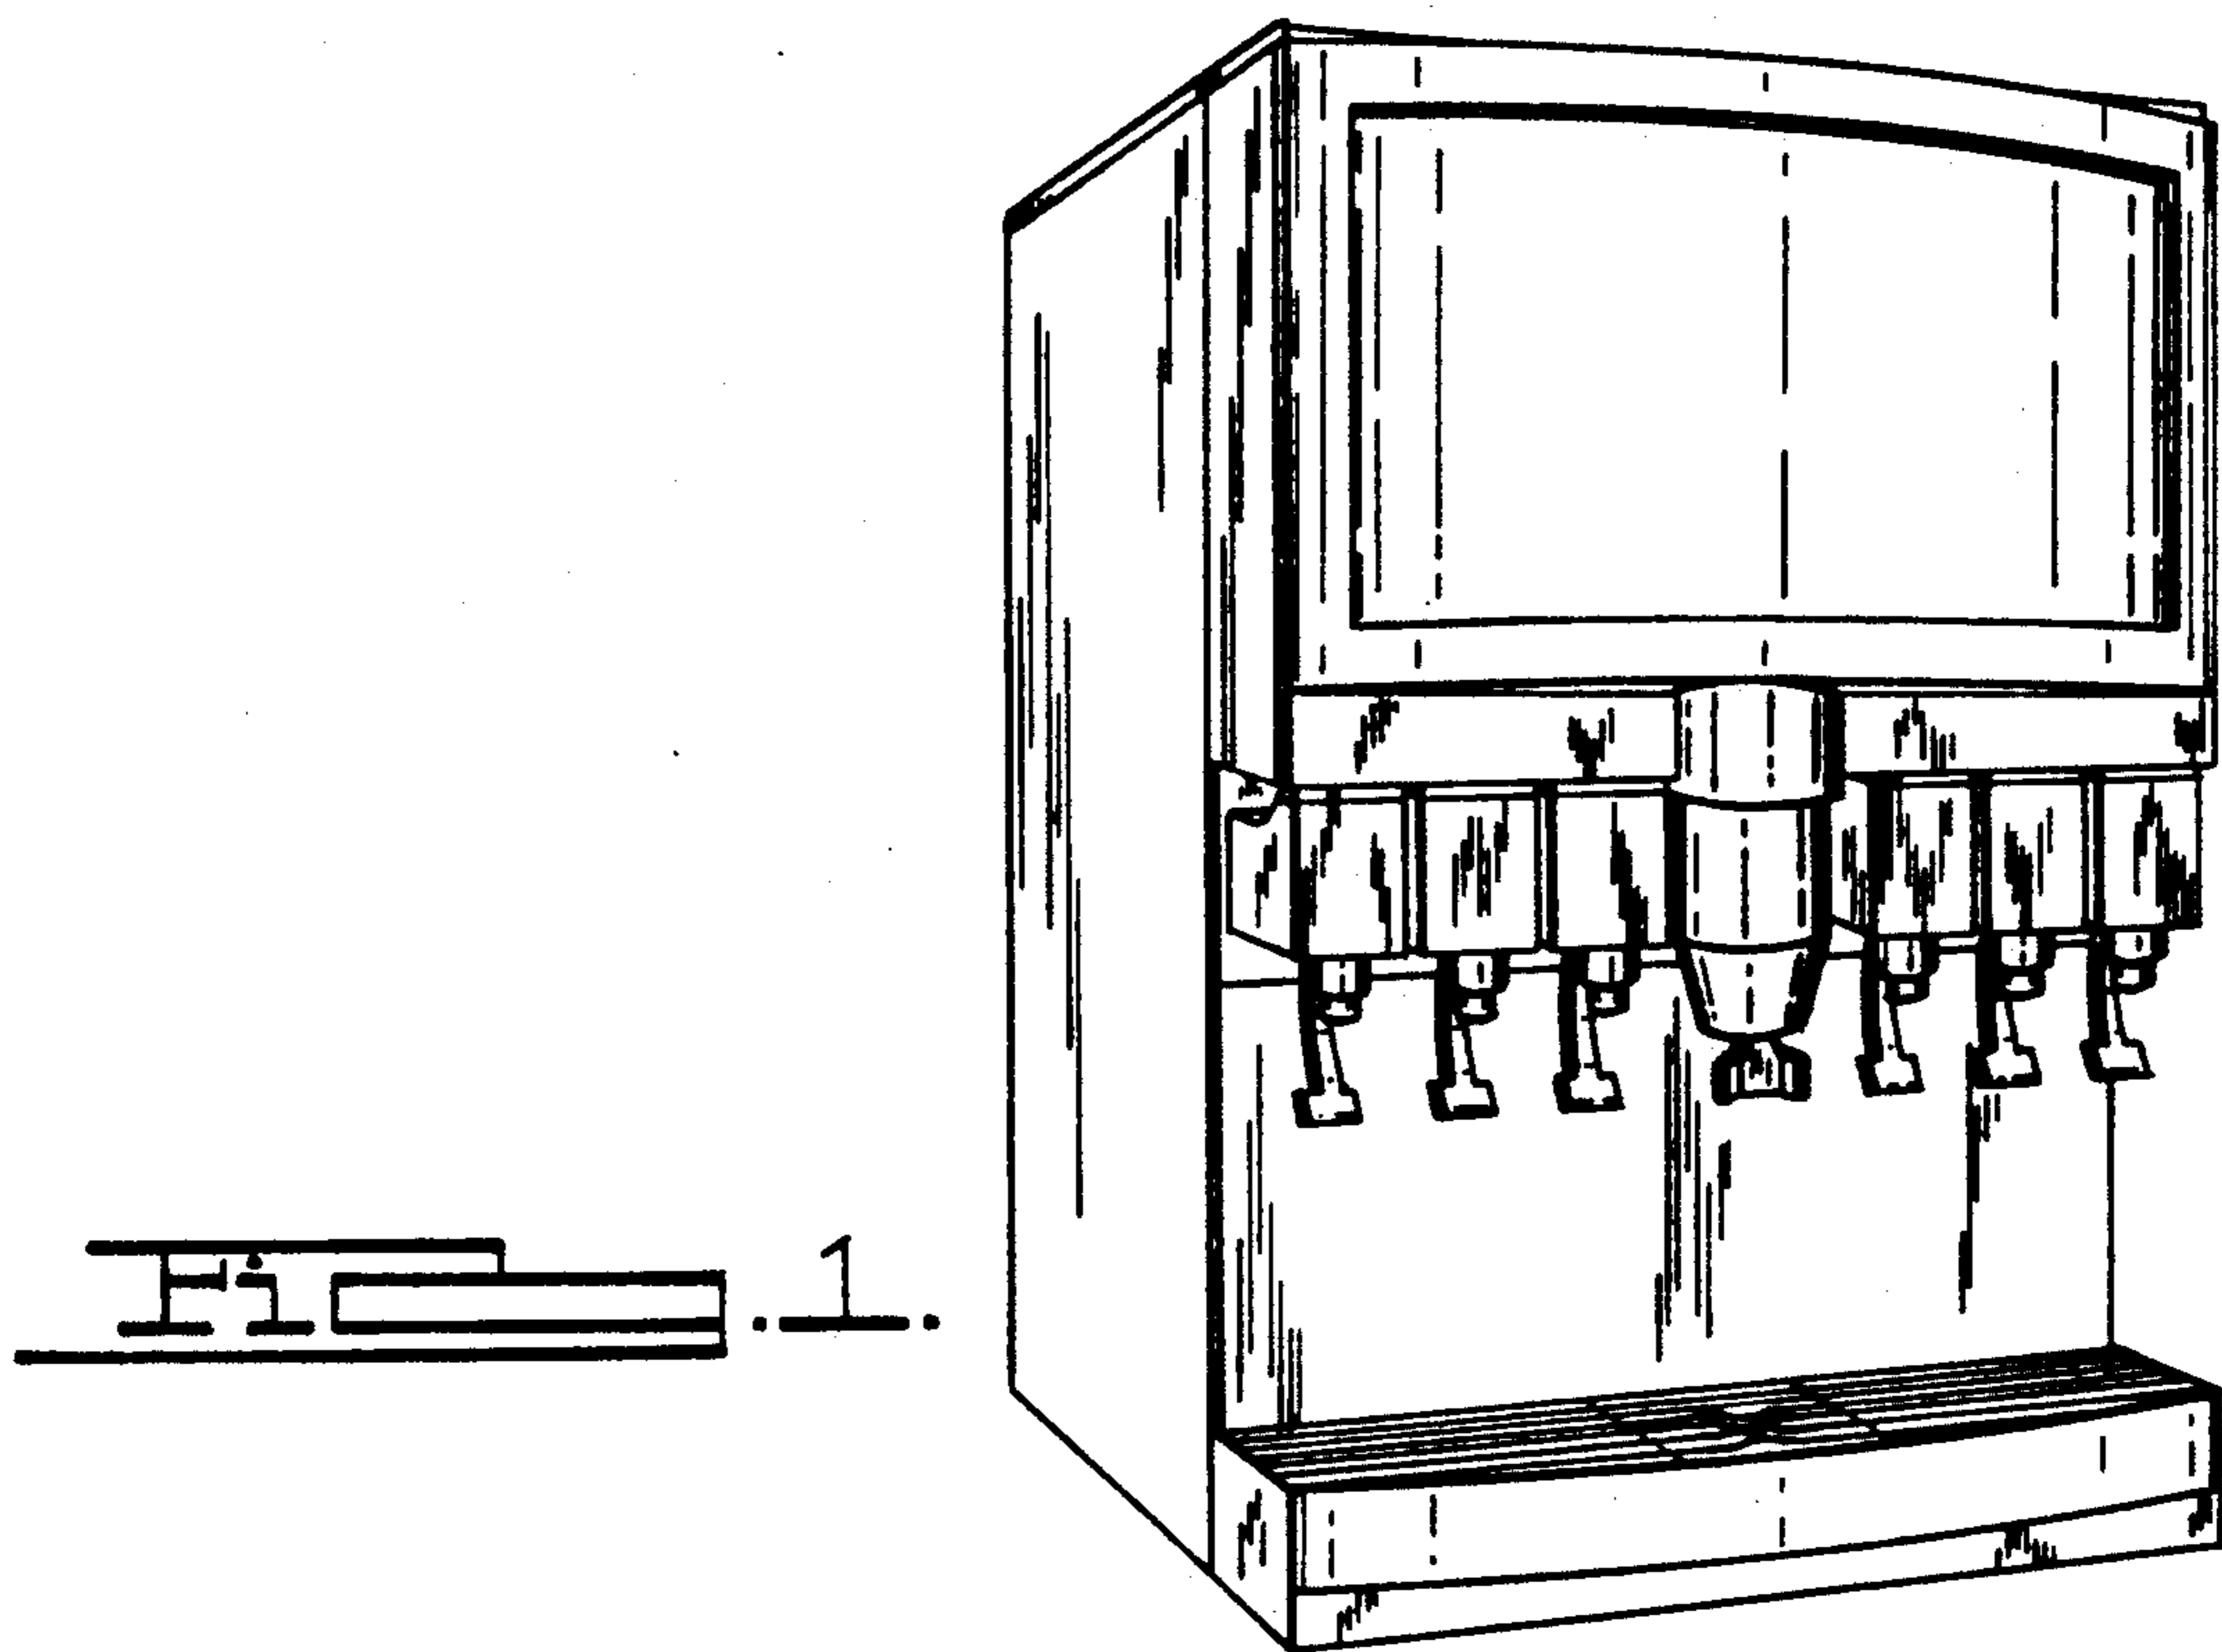

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof, the bottom being plain and unornamented;

FIG. 4 is a right side elevational view thereof, the left side elevational view being a mirror image of the right side elevational view; and,

FIG. 5 is a rear elevational view thereof.

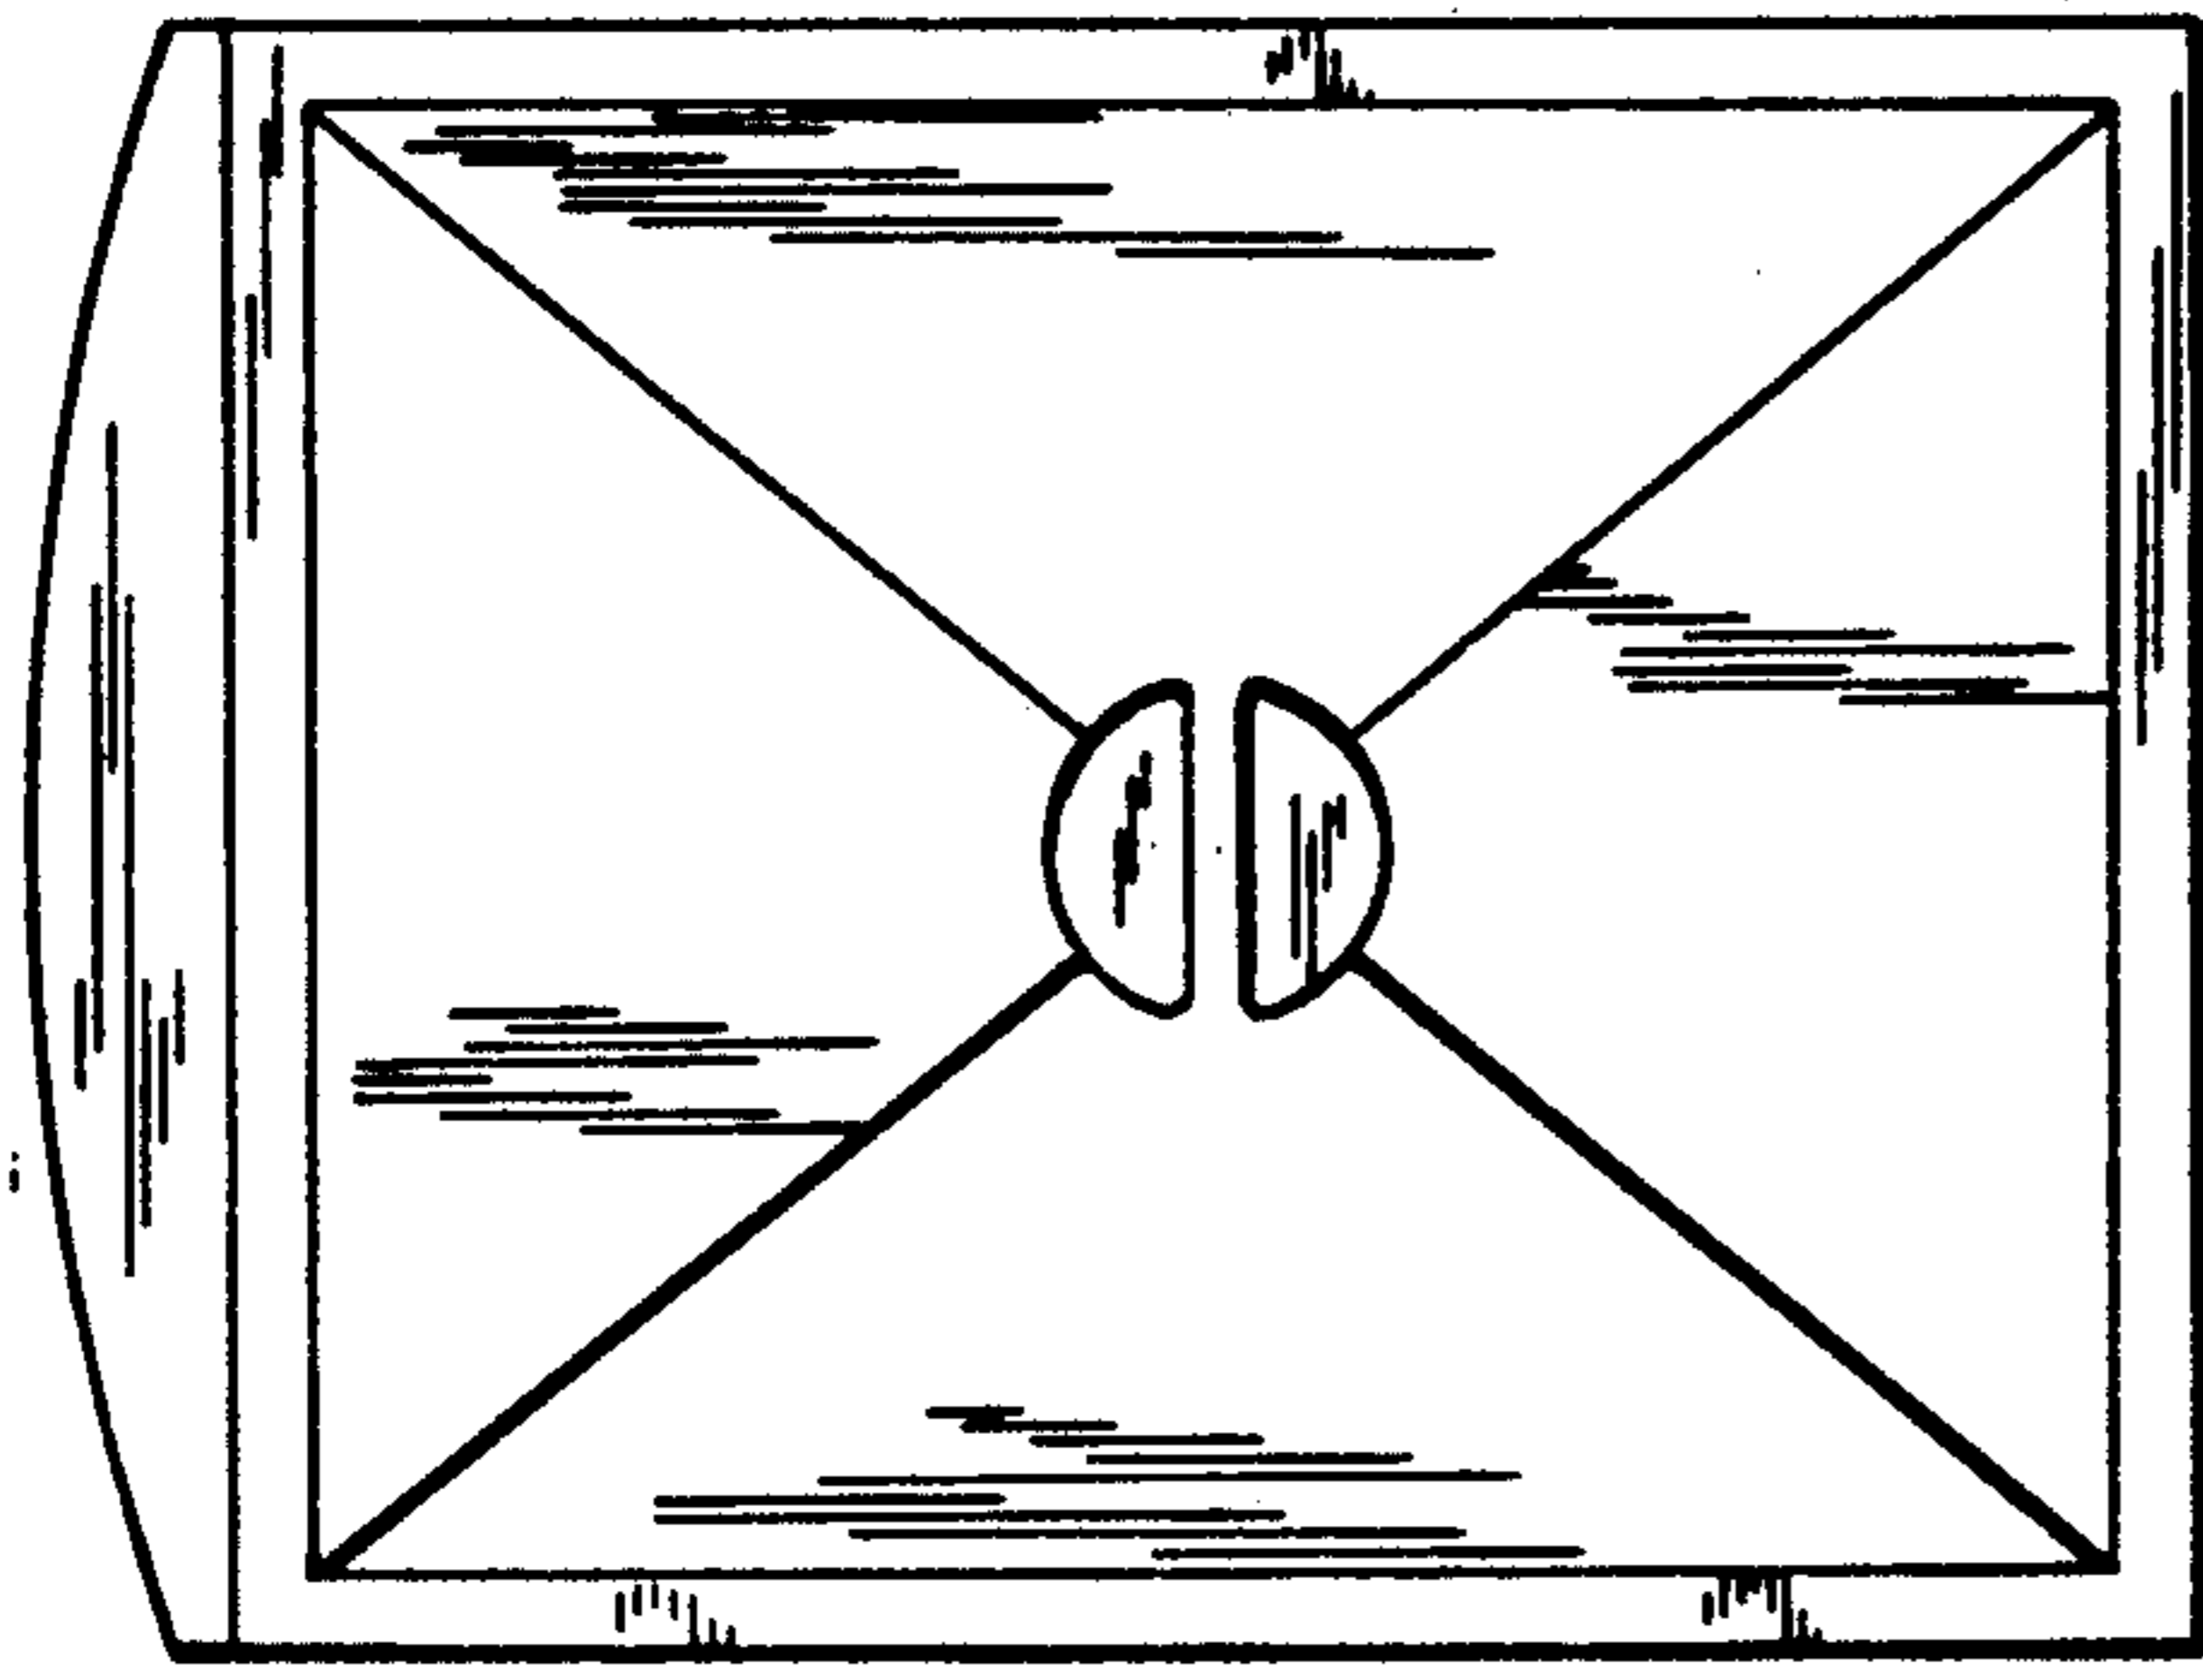

FIG. 3.

FIG. 4.

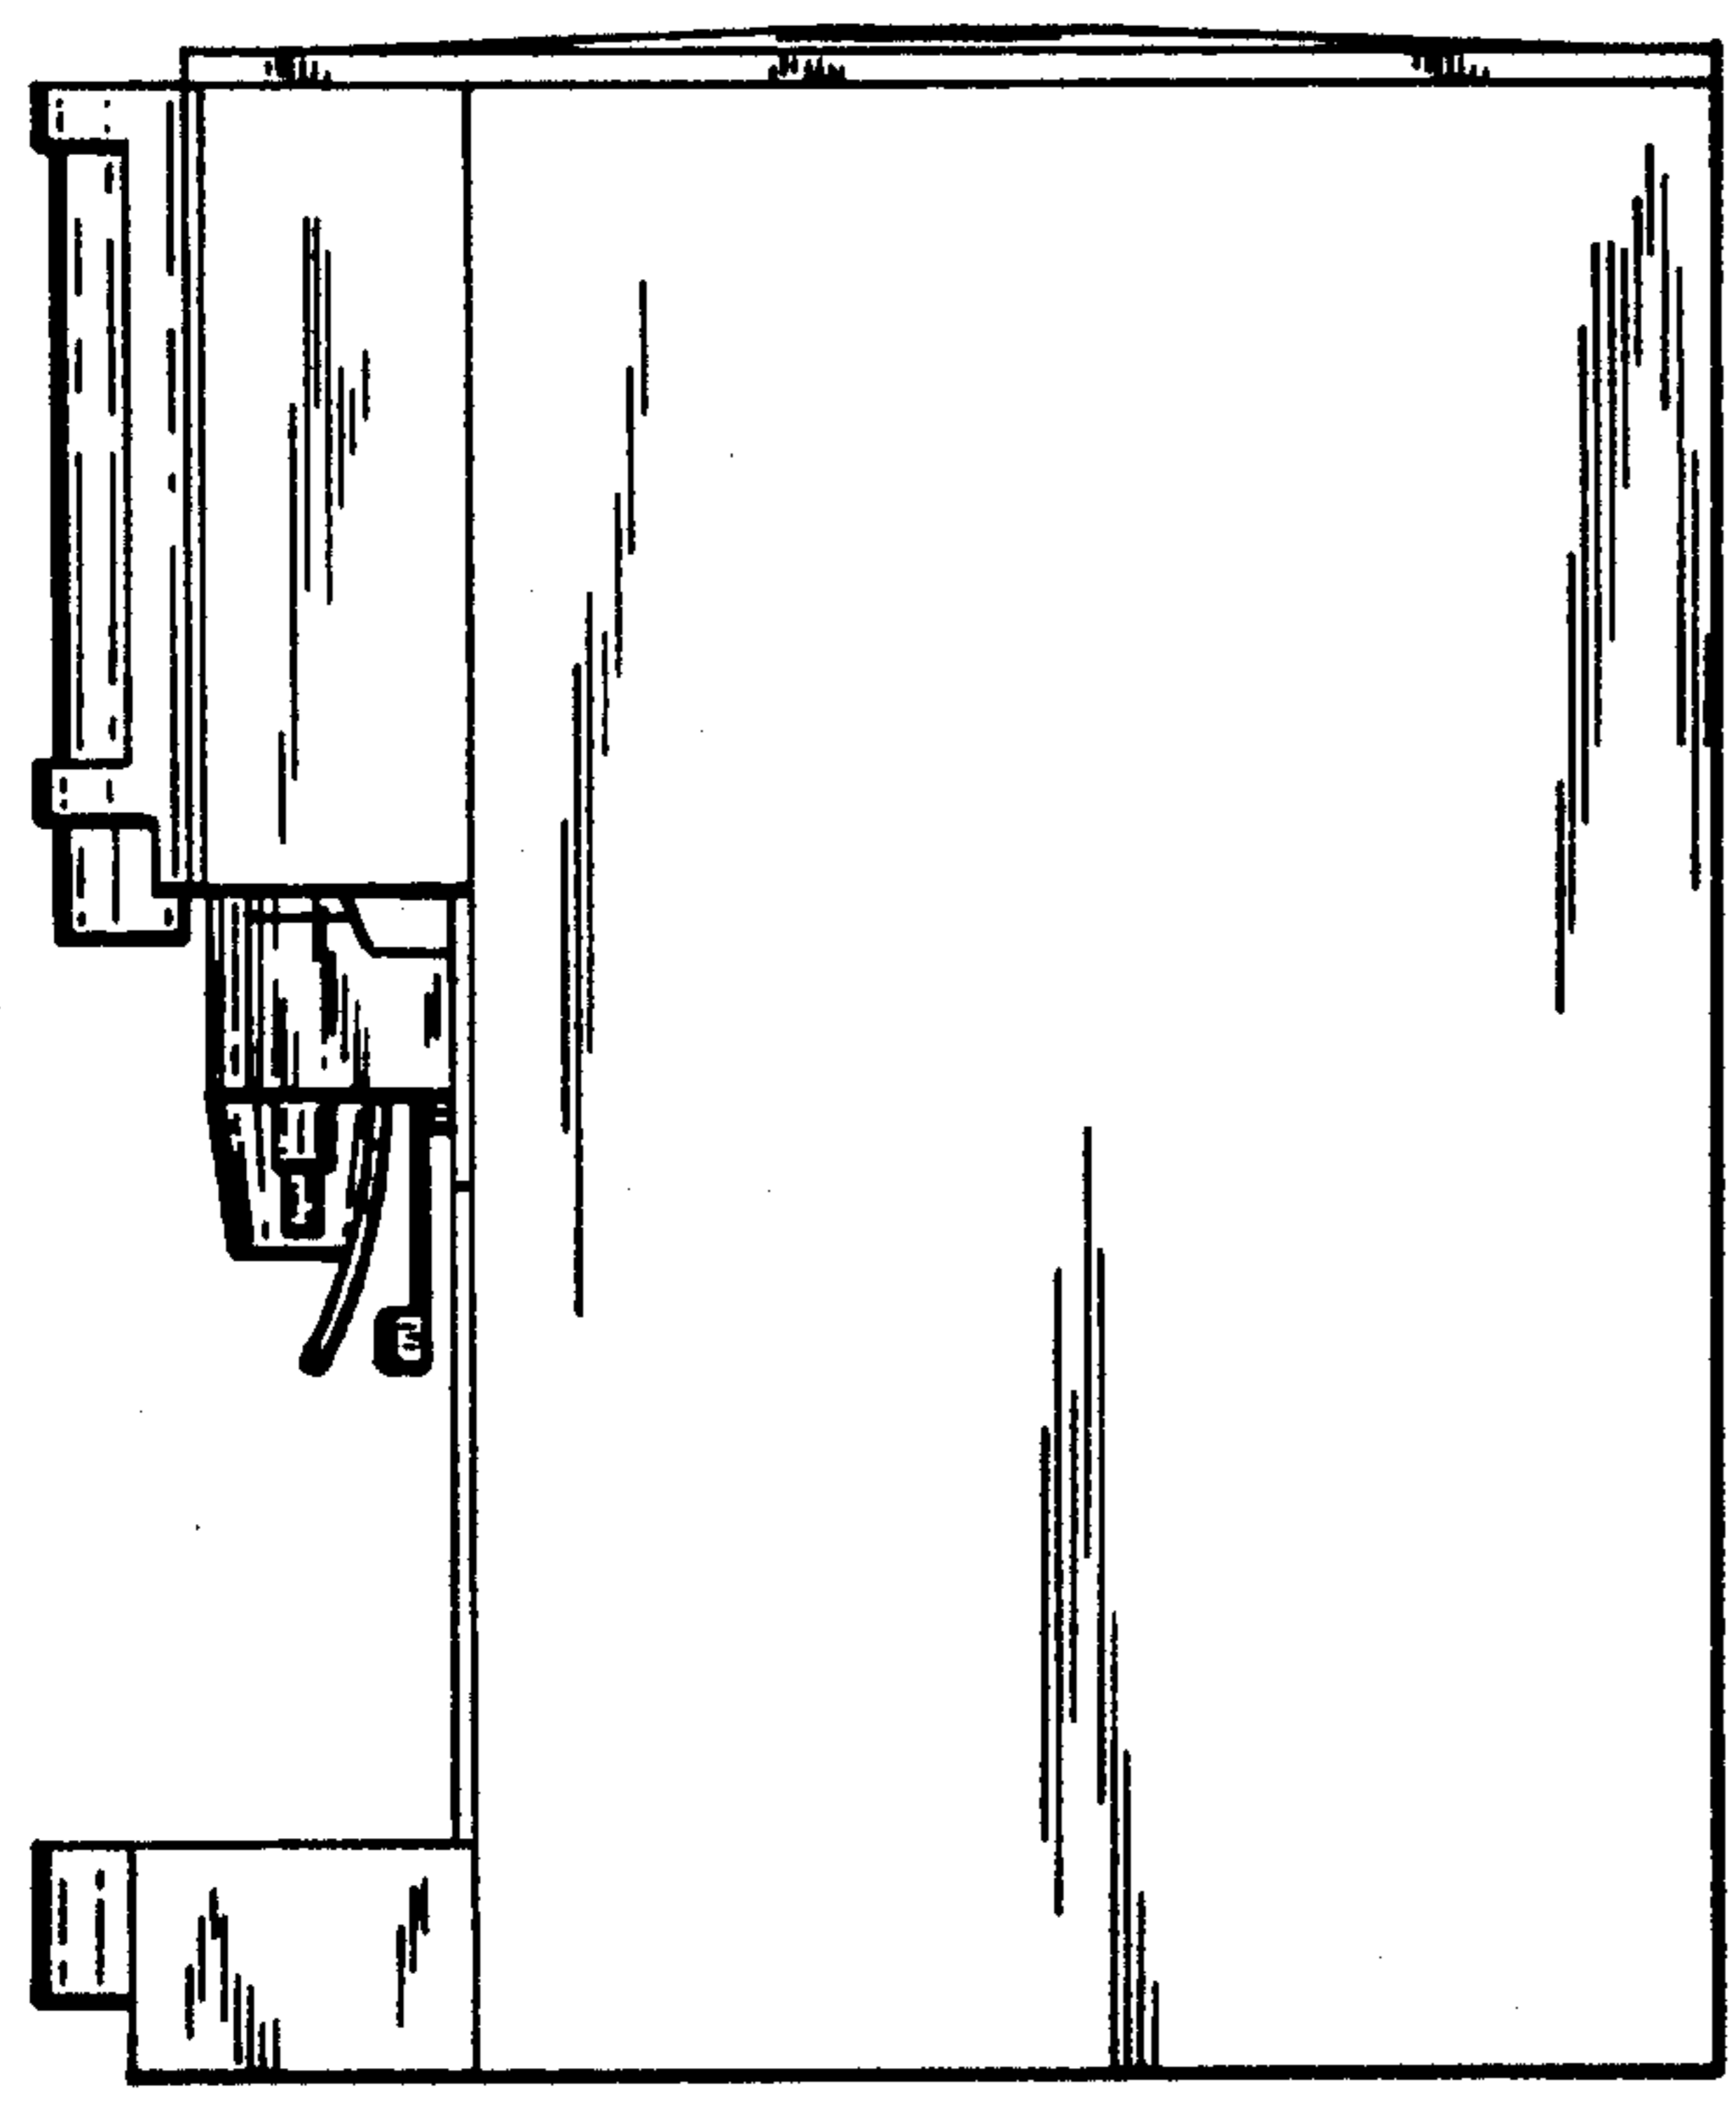

FIG. 5.
