[57] **CLAIM**

The ornamental design for emergency road sign, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an emergency road sign showing my new design, with the end caps, cord and connecting plug shown in separated condition for clarity of illustration and the cord broken away to indicate indeterminate length, and with the word message, which is shown in FIG. 2 omitted for ease of illustration;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear perspective view thereof, with the stand shown in an alternate position;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom plan view thereof; and,

FIG. 7 is a left side elevational view thereof; with the opposite side being a mirror image.

FIG. 1

FIG. 2

FIG. 3

FIG. 4
