[57] CLAIM

The ornamental design for a compact folding photographic camera, as shown and described.

DESCRIPTION

FIG. 1 is a right front perspective view of a compact folding photographic camera showing our new design in its folded position;
 FIG. 2 is a folded front elevational view thereof;
 FIG. 3 is a folded rear elevational view thereof;
 FIG. 4 is a folded top plan view thereof;
 FIG. 5 is a folded bottom plan view thereof;
 FIG. 6 is a folded right side elevational view thereof;
 FIG. 7 is a folded left side elevational view thereof;
 FIG. 8 is a right front perspective view thereof showing our new design in its erected position.
 FIG. 9 is an erected front elevational view thereof;
 FIG. 10 is an erected rear elevational view thereof;
 FIG. 11 is an erected right side elevational view thereof;
 FIG. 12 is an erected left side elevational view thereof;
 FIG. 13 is an erected top plan view thereof; and,
 FIG. 14 is an erected bottom plan view thereof.
