[57] CLAIM

The ornamental design for a front face of a vehicle wheel, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a front face of a vehicle wheel embodying my novel design; FIG. 2 is a front perspective view thereof; FIG. 3 is a front elevational view of a second embodiment of a front face of a vehicle wheel thereof; and, FIG. 4 is a front perspective view of the second embodiment thereof.

The broken lines in the drawings are for illustrative purposes only and form no part of the claimed design.
