[57] CLAIM

The ornamental design for a bottle having a metering chamber, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a bottle having a metering chamber showing my new design, the rear elevational view being the same;

FIG. 2 is a right side elevational view thereof, the left side elevational view being the same;

FIG. 3 is a top plan view of the bottle having a metering chamber; and,

FIG. 4 is a bottom plan view of the bottle having a metering chamber.

The broken line showing of horizontal beads in FIGS. 1 and 2 are for illustrative purposes only and do not form part of the claimed design.
