### [57] CLAIM

The design for a refuse container support, as shown and described.

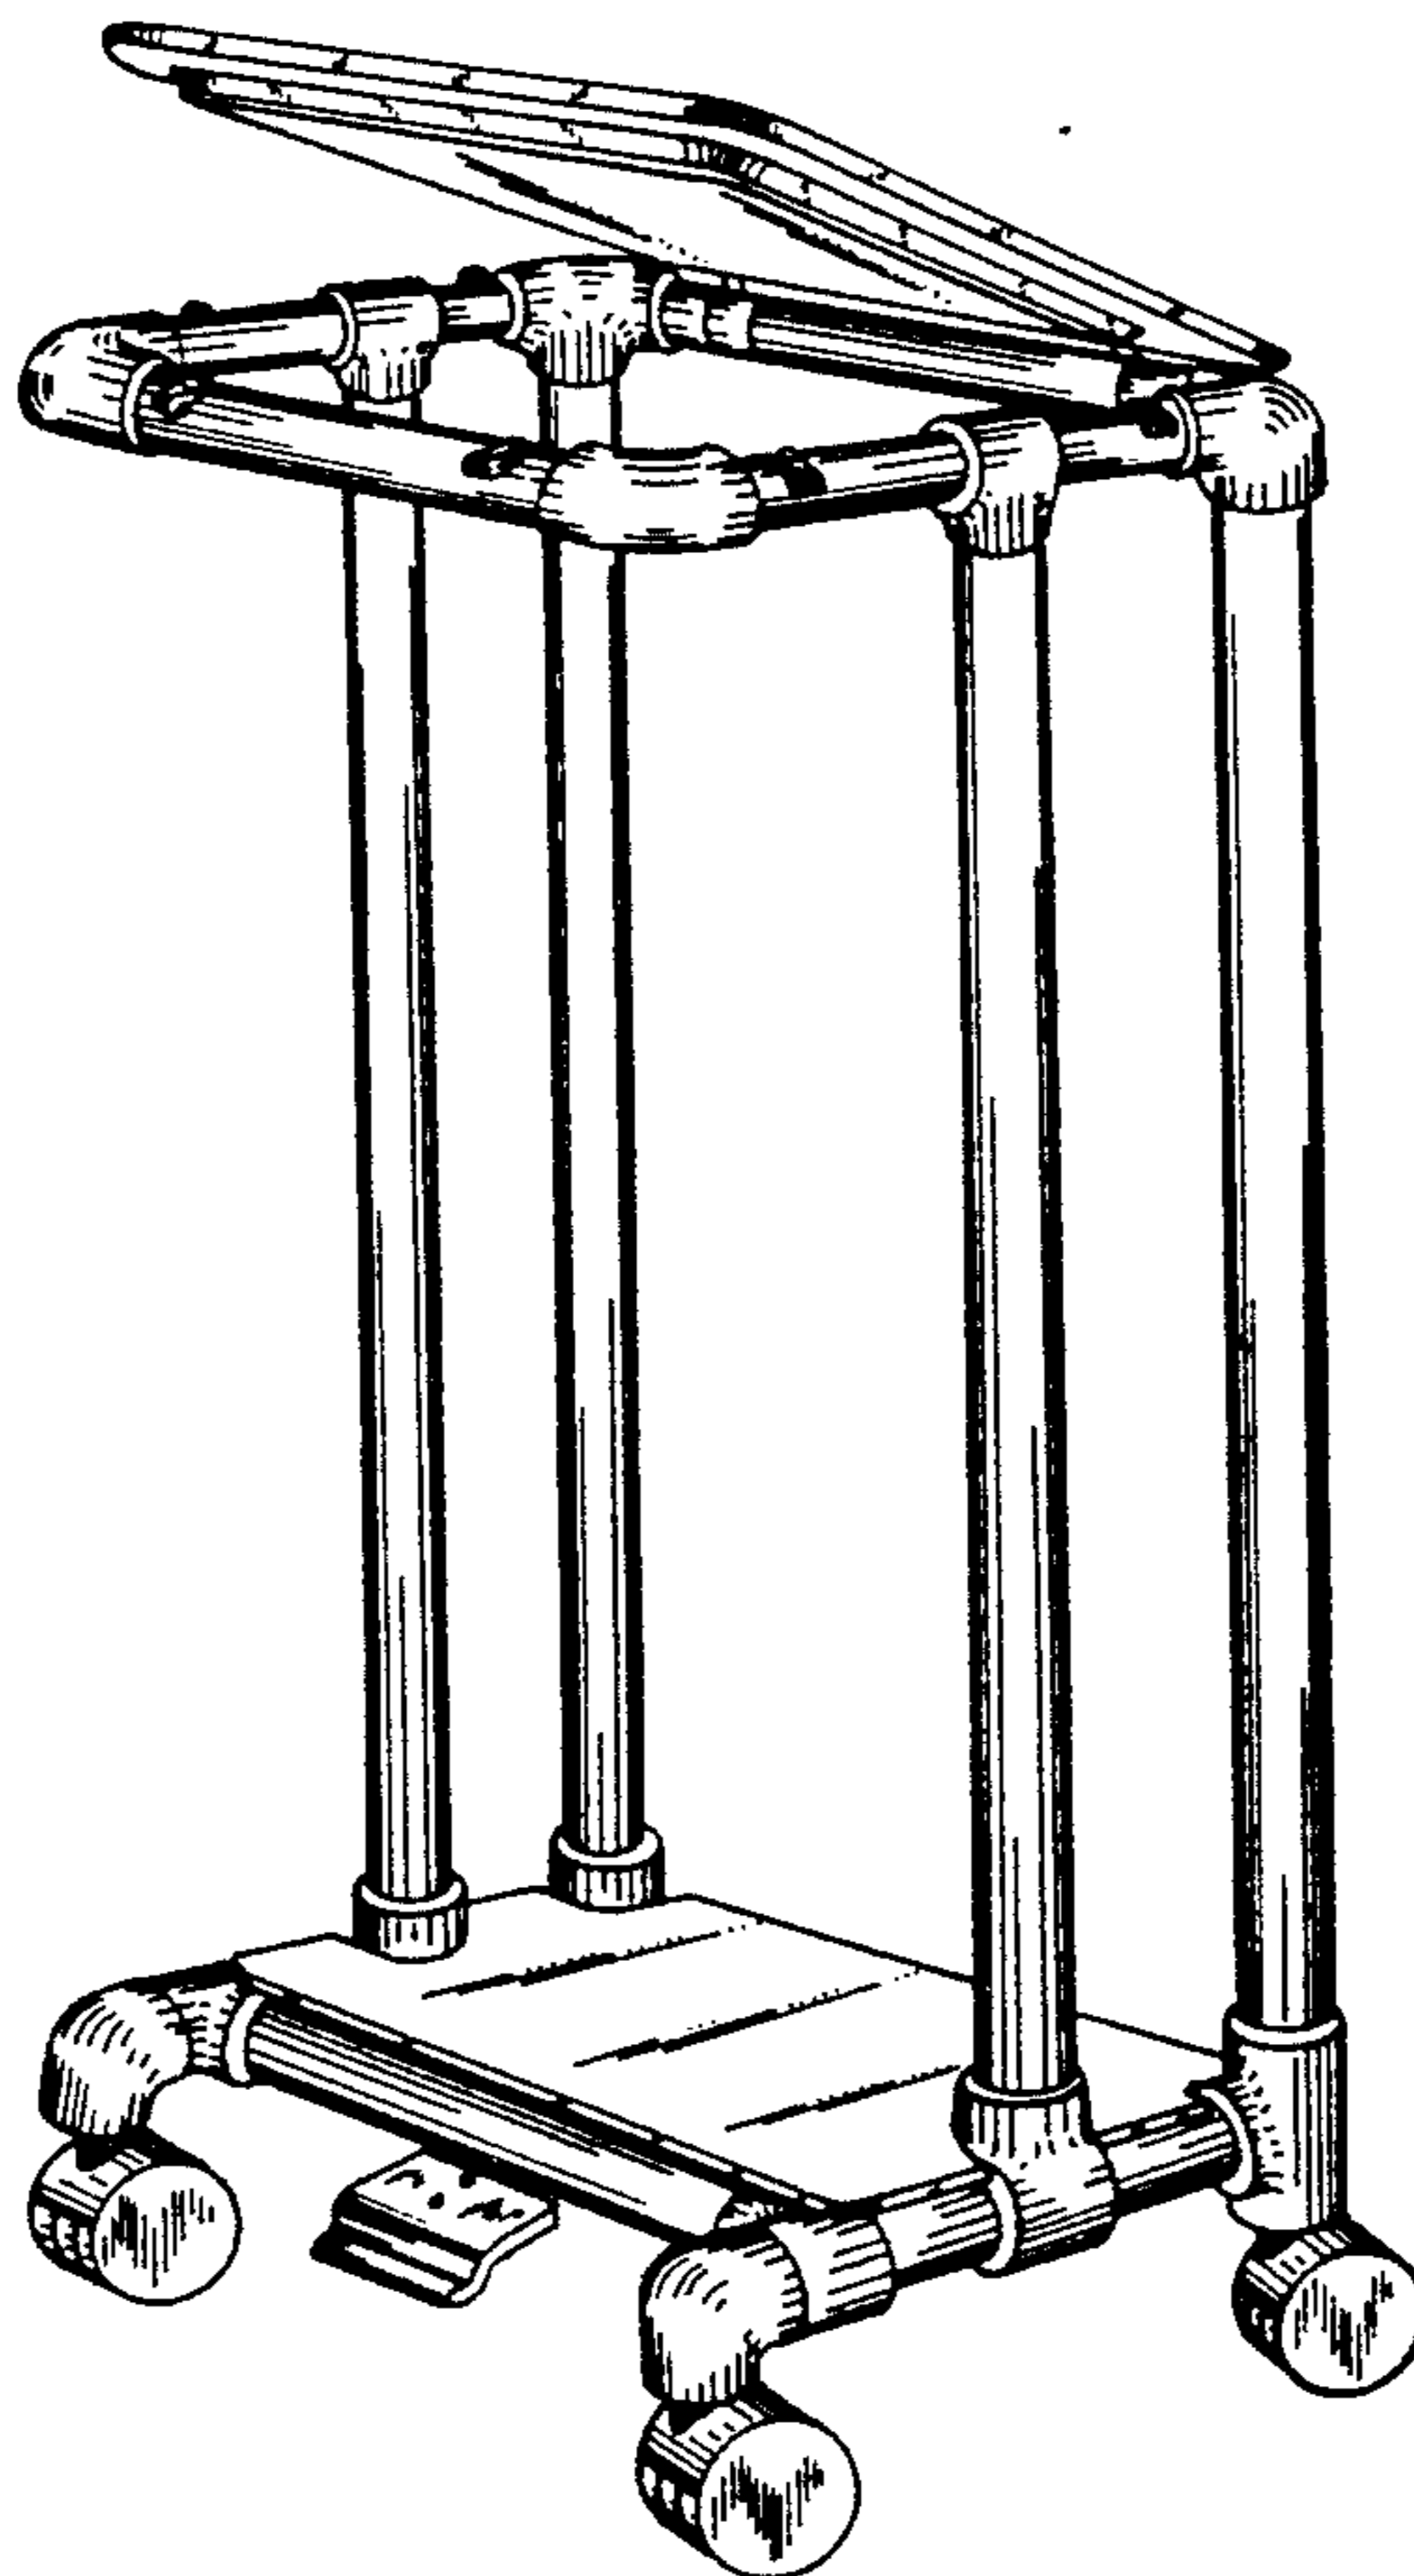

### DESCRIPTION

FIG. 1 is a front perspective view of a refuse container support showing my new design, the lid thereof is shown in a partially open position;

FIG. 2 is a front perspective view thereof, the broken lines are for illustrative purposes only;

FIG. 3 is a front elevational view thereof; and,

FIG. 4 is a side elevational view thereof, the opposite side view being a mirror image of that shown.

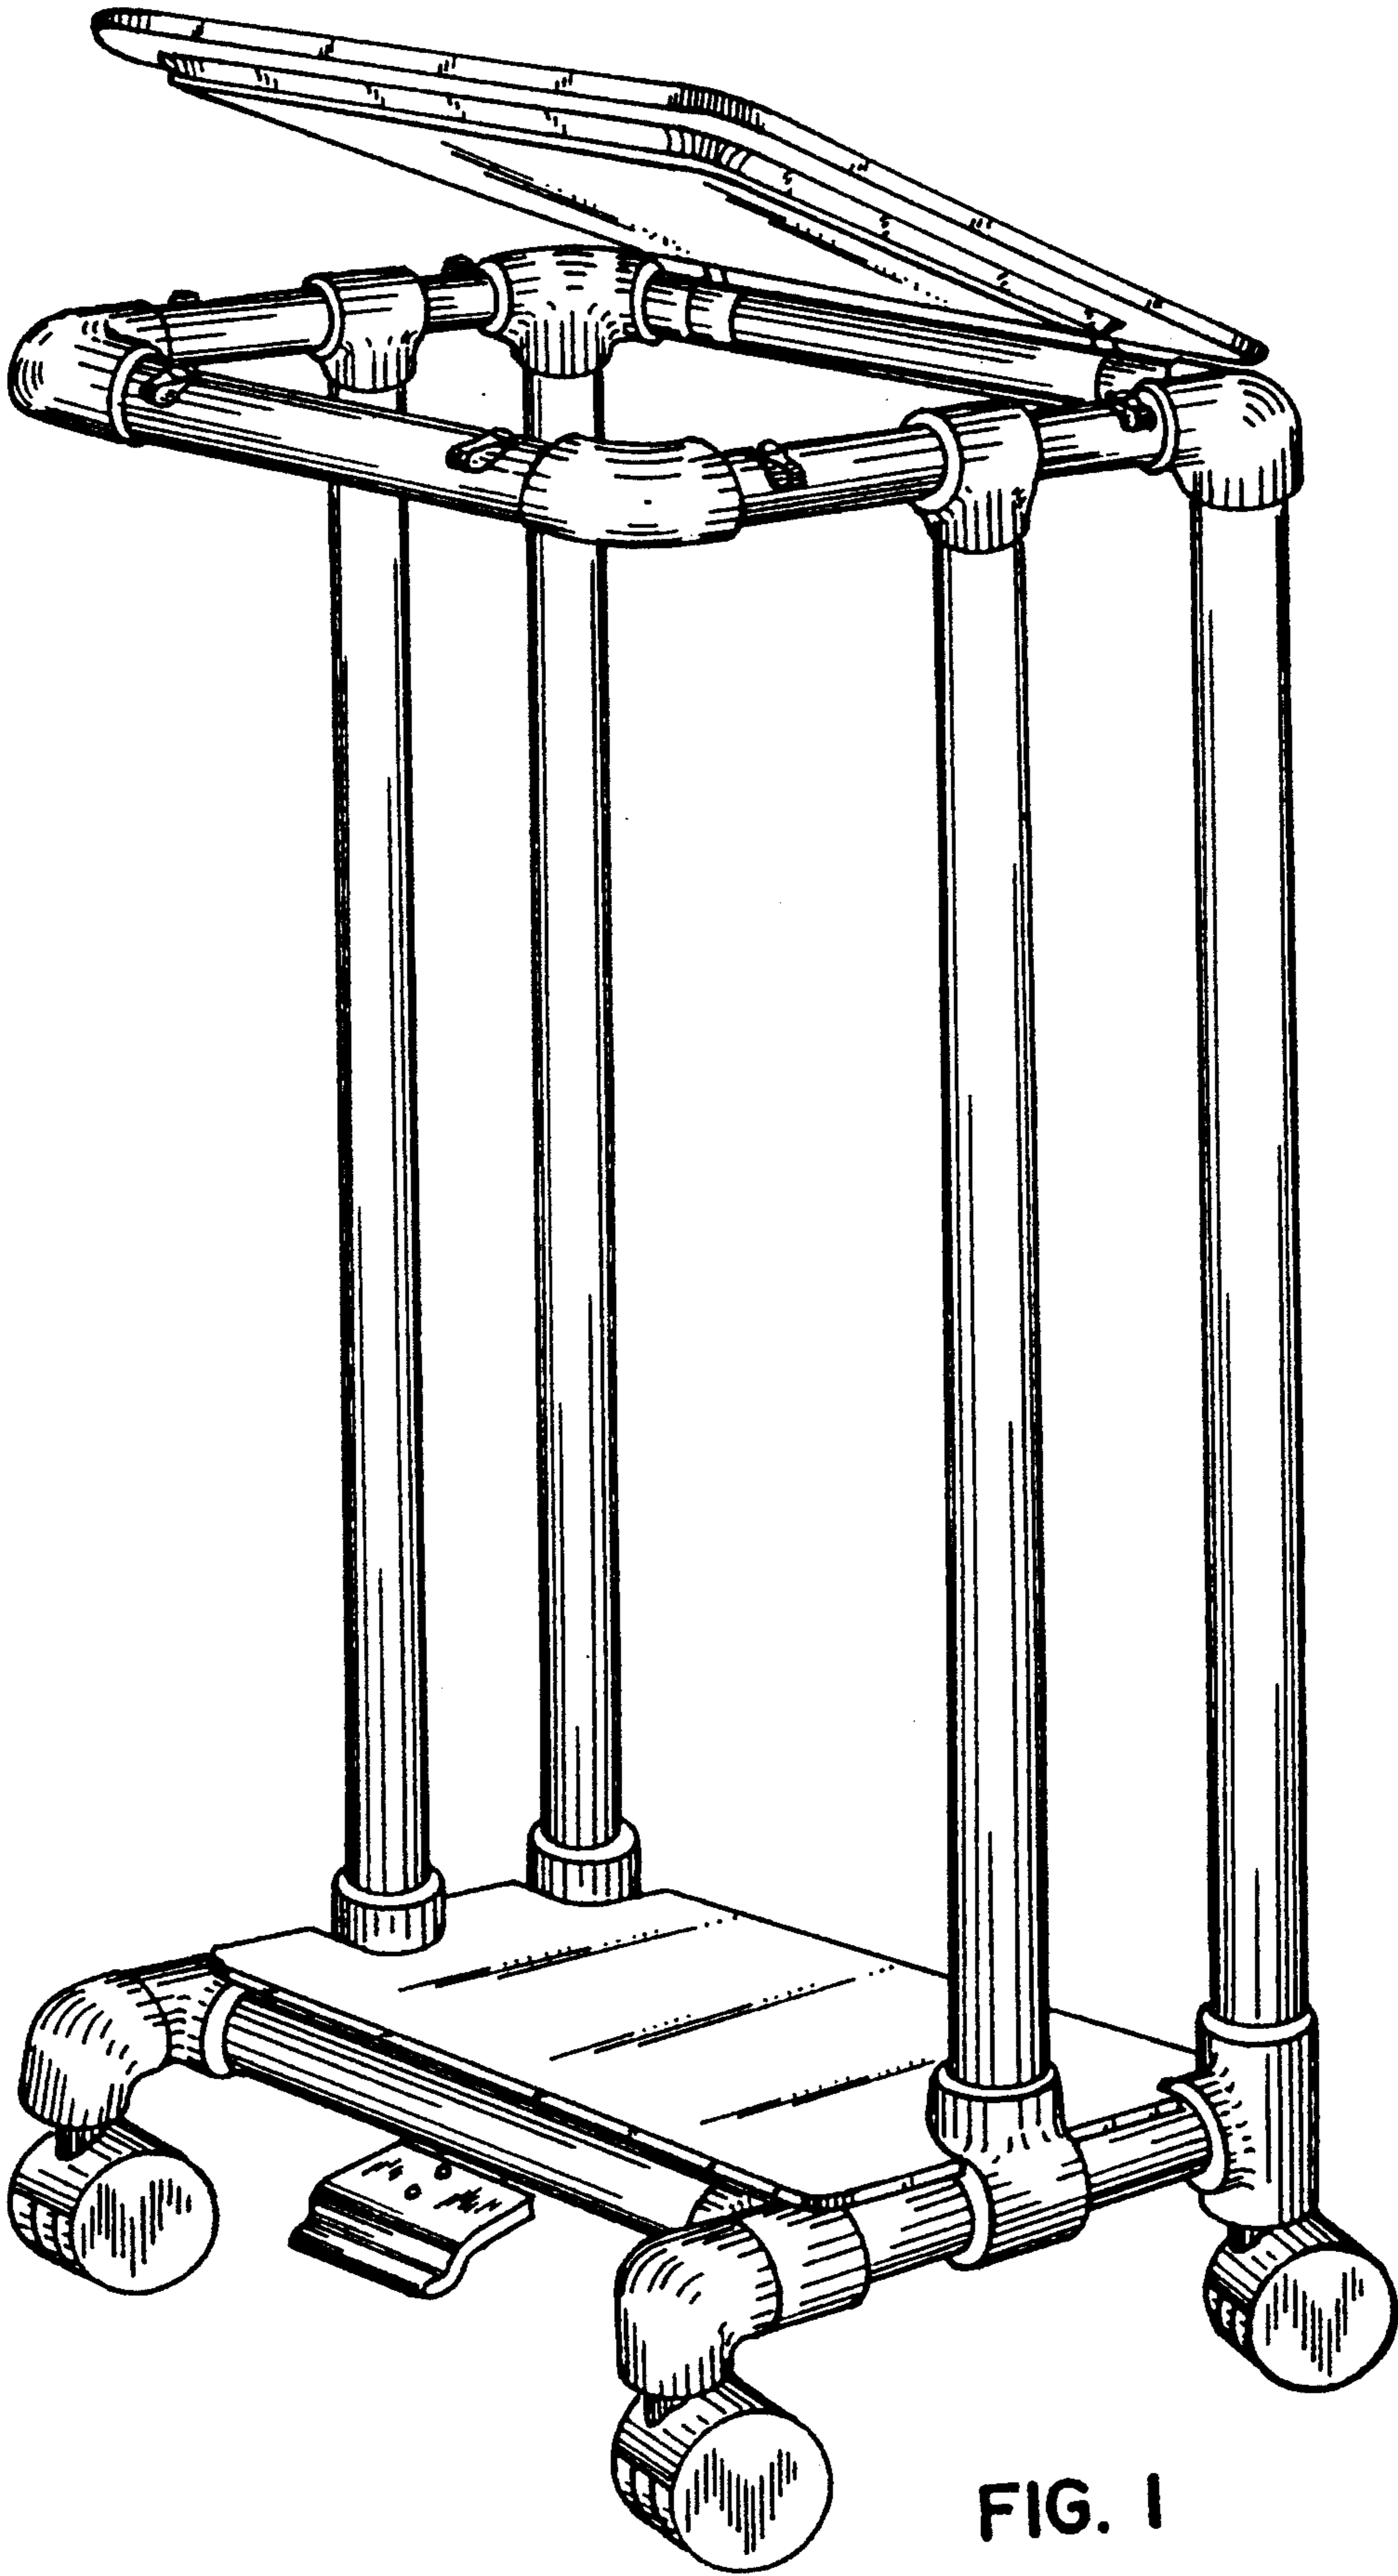

FIG. 1

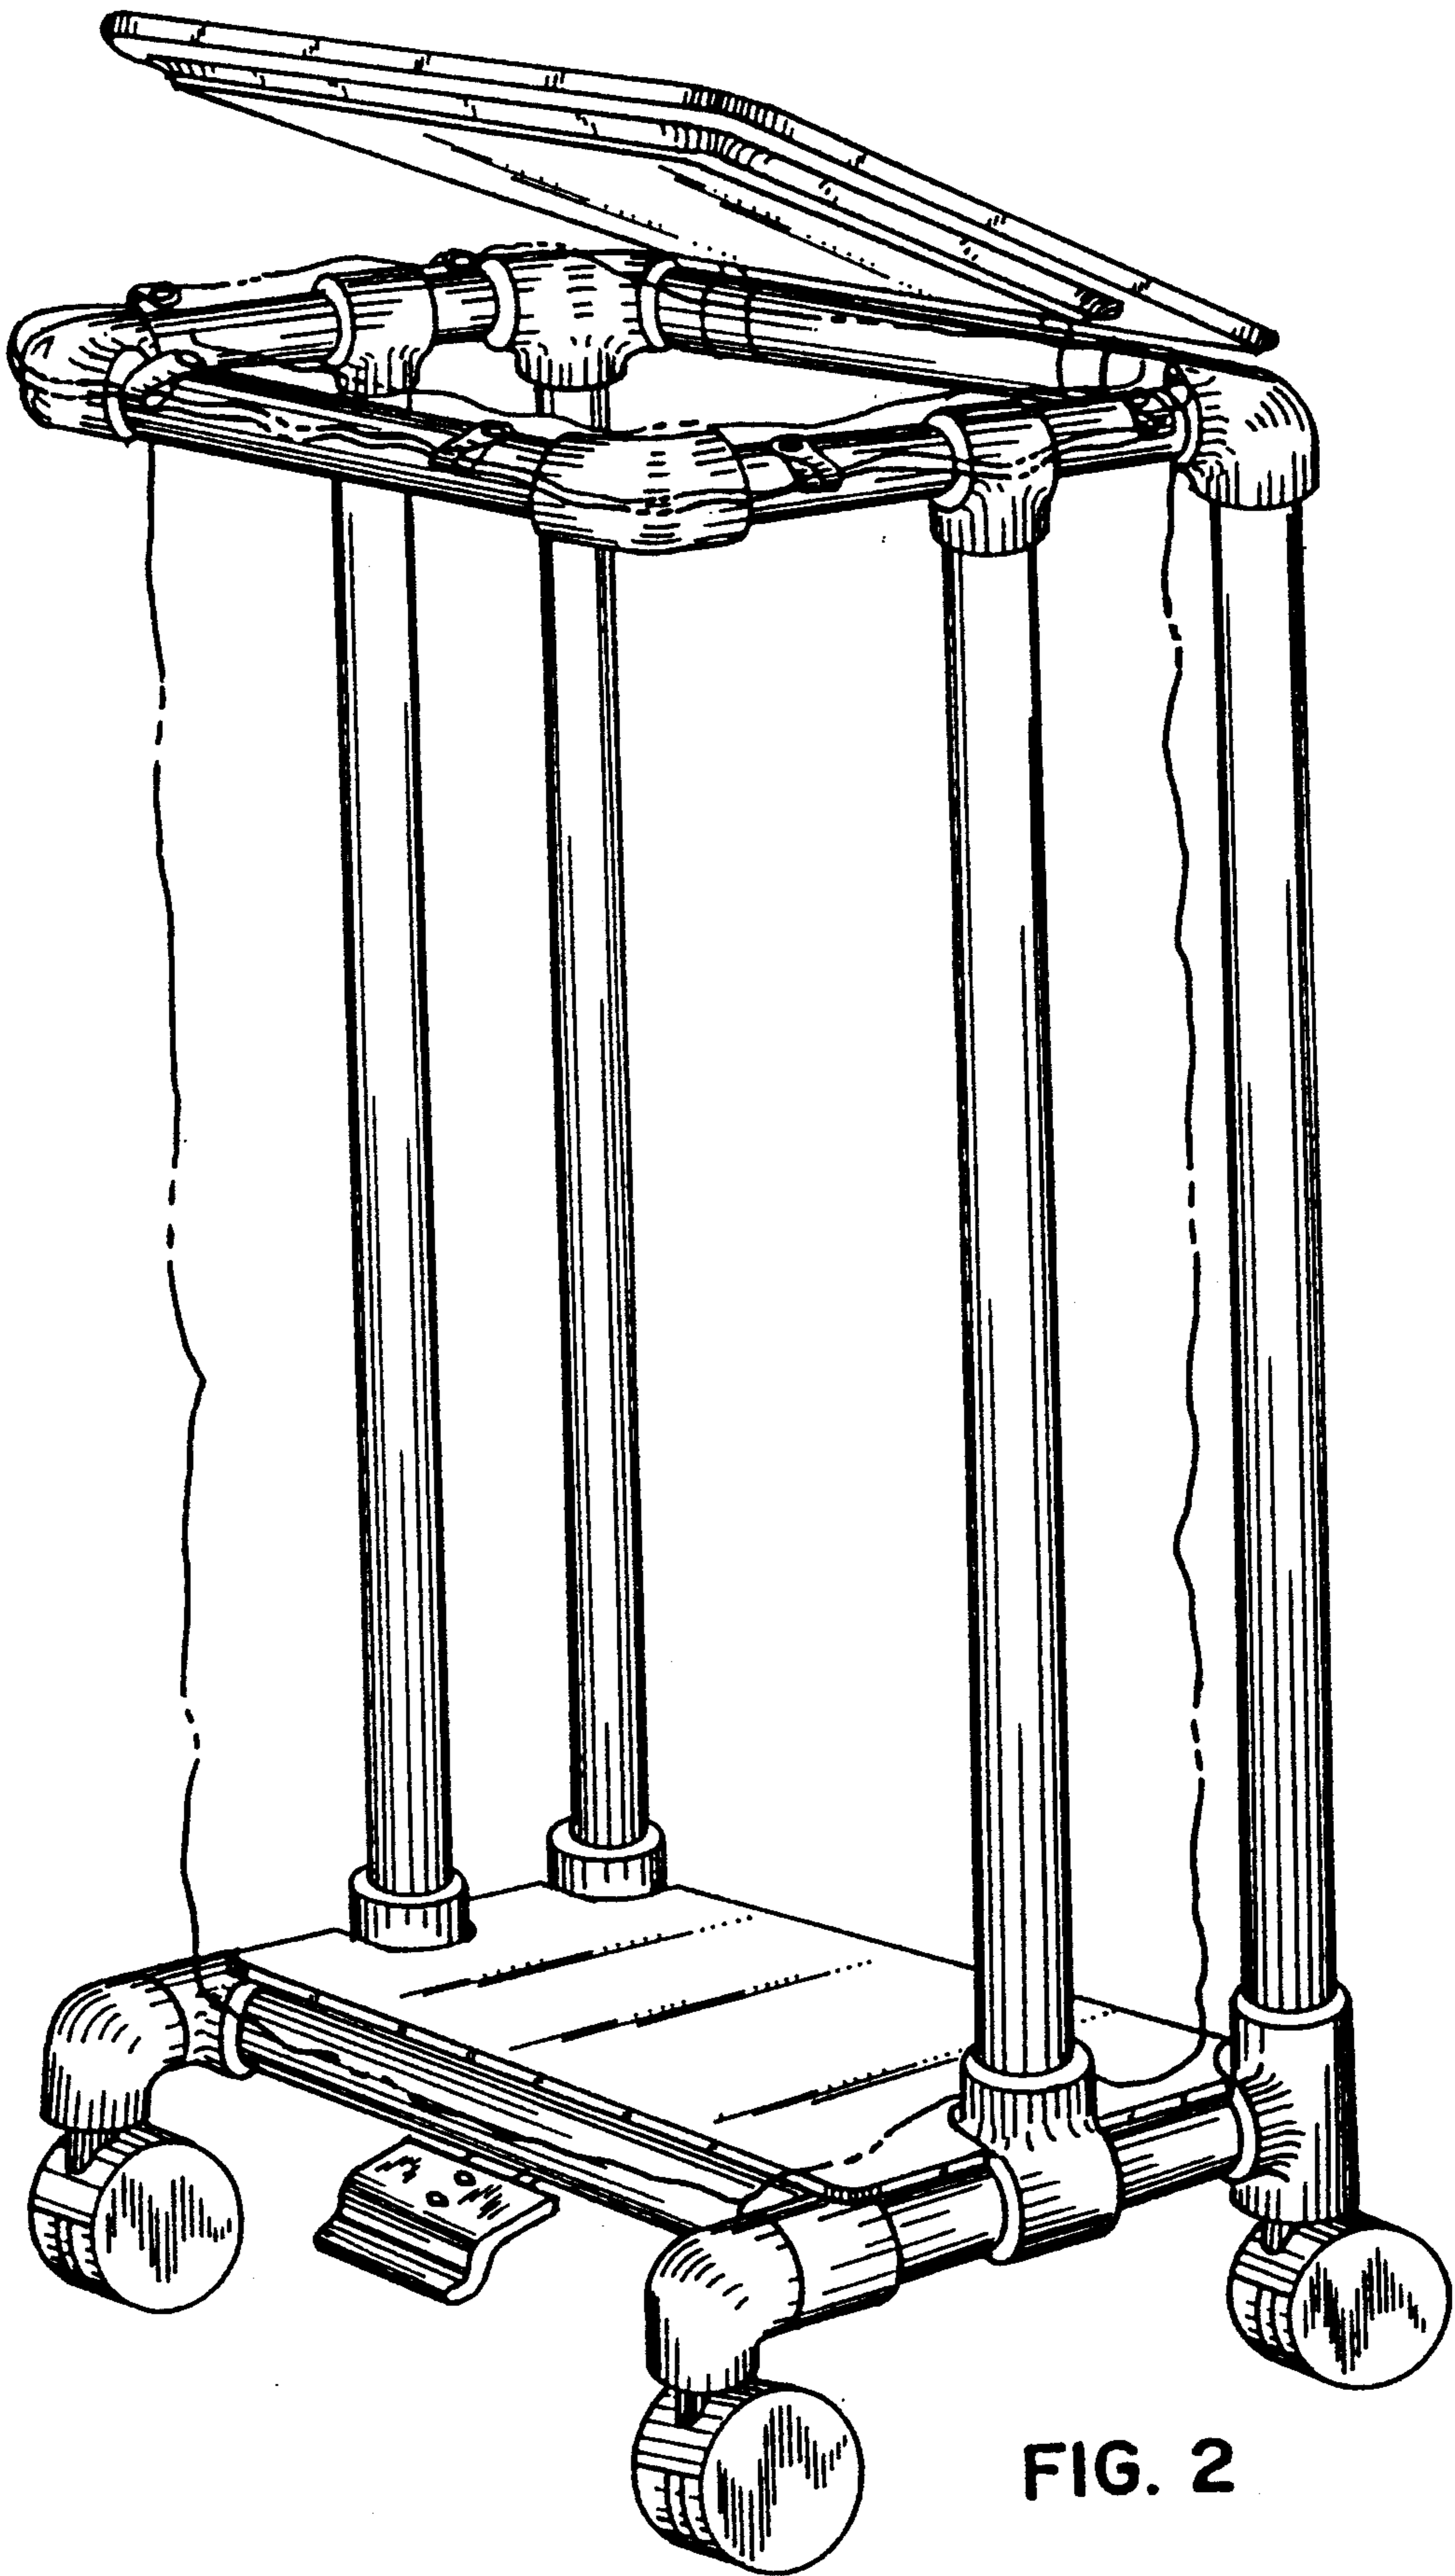

FIG. 2

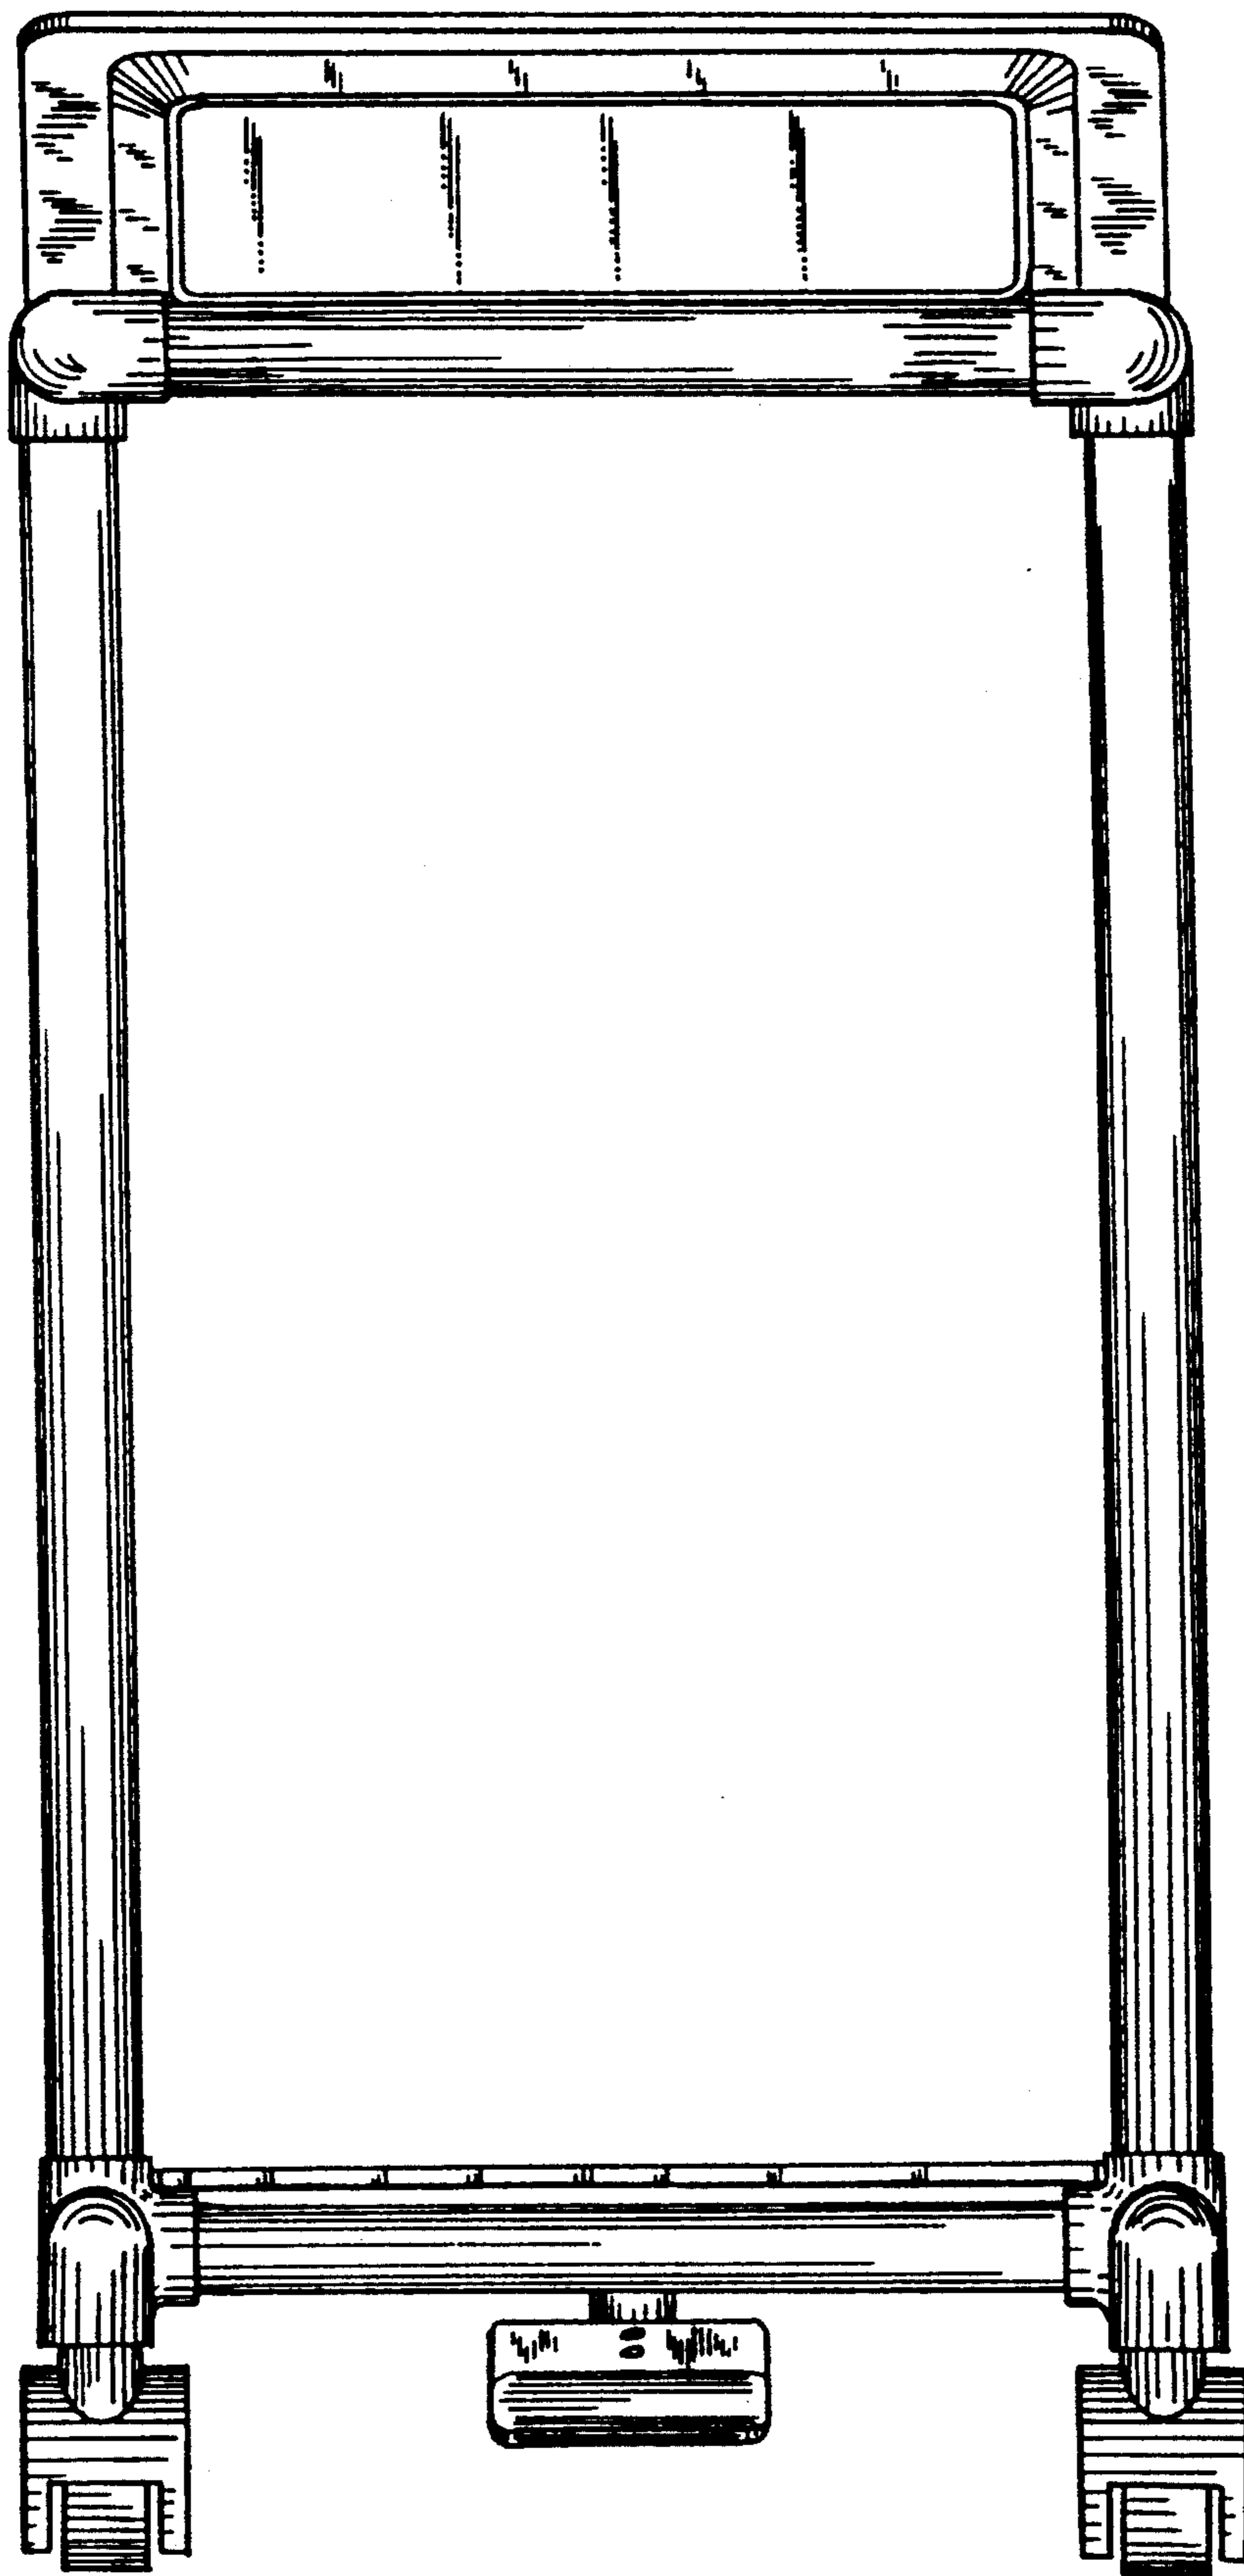

FIG. 3

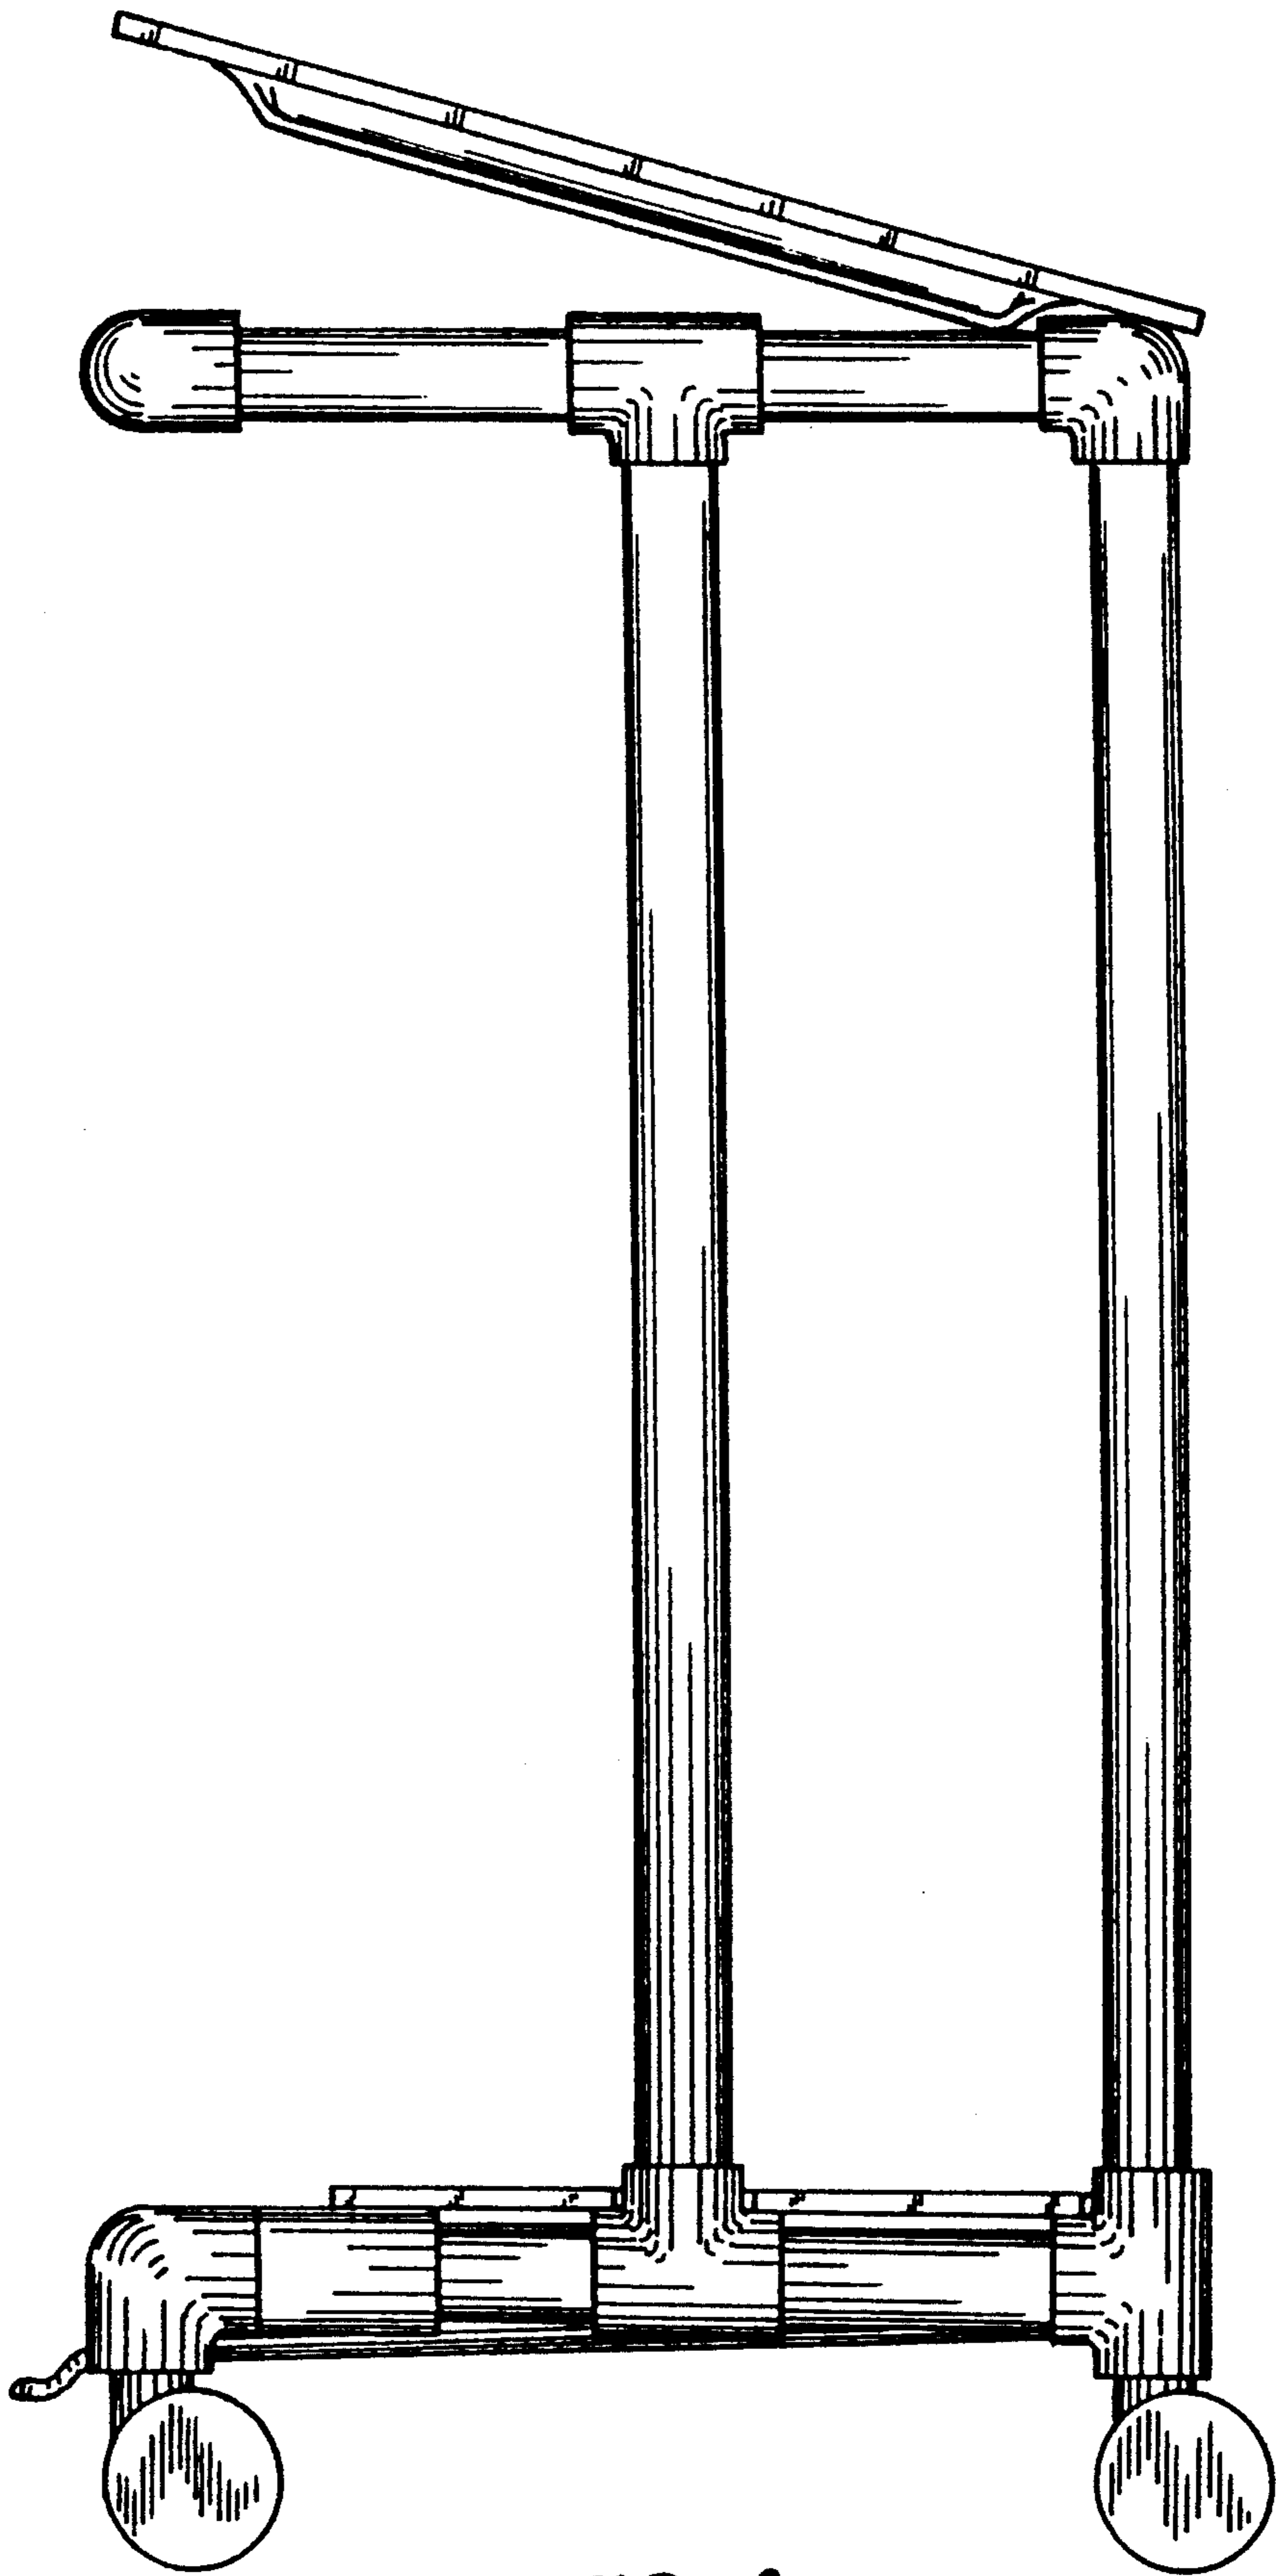

FIG. 4
