[57] **CLAIM**
 The ornamental design for a foldable beach chair and accessory tote, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of my design for a foldable beach chair and accessory tote of the present invention, and illustrating the design in open position;
 FIG. 2 is a side elevational view of the foldable beach chair and accessory tote design in open position, with the opposed side view being a mirror image of that illustrated in FIG. 2;
 FIG. 3 is a top plan view of the foldable beach chair and accessory tote design in open position;
 FIG. 4 is a bottom plan view of the design in open position;
 FIG. 5 is a front elevational view of the top portion of the design illustrated in FIG. 1 in open position;
 FIG. 6 is a rear elevational view of the top portion of the design illustrated in FIG. 1 in open position; and,
 FIG. 7 is a side perspective view of the foldable beach chair and accessory tote design in closed position, with the opposed side view being a mirror image of that illustrated in FIG. 7.
