[57] CLAIM

The ornamental design for a sling for skis and poles with attachable carrying case, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a sling for skis and poles with attachable carrying case, showing my new design; FIG. 2 is a top perspective view of the sling only; FIG. 3 is a bottom perspective view thereof; FIG. 4 is a perspective view thereof in a partially folded position; and, FIG. 5 is a perspective view of the sling in a completely folded position, ready for storage, and a rear perspective view of the carrying case and a position of the sling, broken away for the convenience of illustration. The broken line showing of skis and poles in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
