[57] **CLAIM**

The ornamental design for a timer for mobile telephones, as shown and described.

**DESCRIPTION**

FIG. 1 is a front, side and top perspective view in reduced scale of a timer for mobile telephones showing my new design, the portion of the figure shown in broken lines representing an automobile interior and forming no part of the claimed design;

FIG. 2 is a front, top and right side perspective view thereof in an enlarged scale, the characters shown in broken lines representing a digital display and forming no part of the claimed design;

FIG. 3 is a rear elevational view thereof;

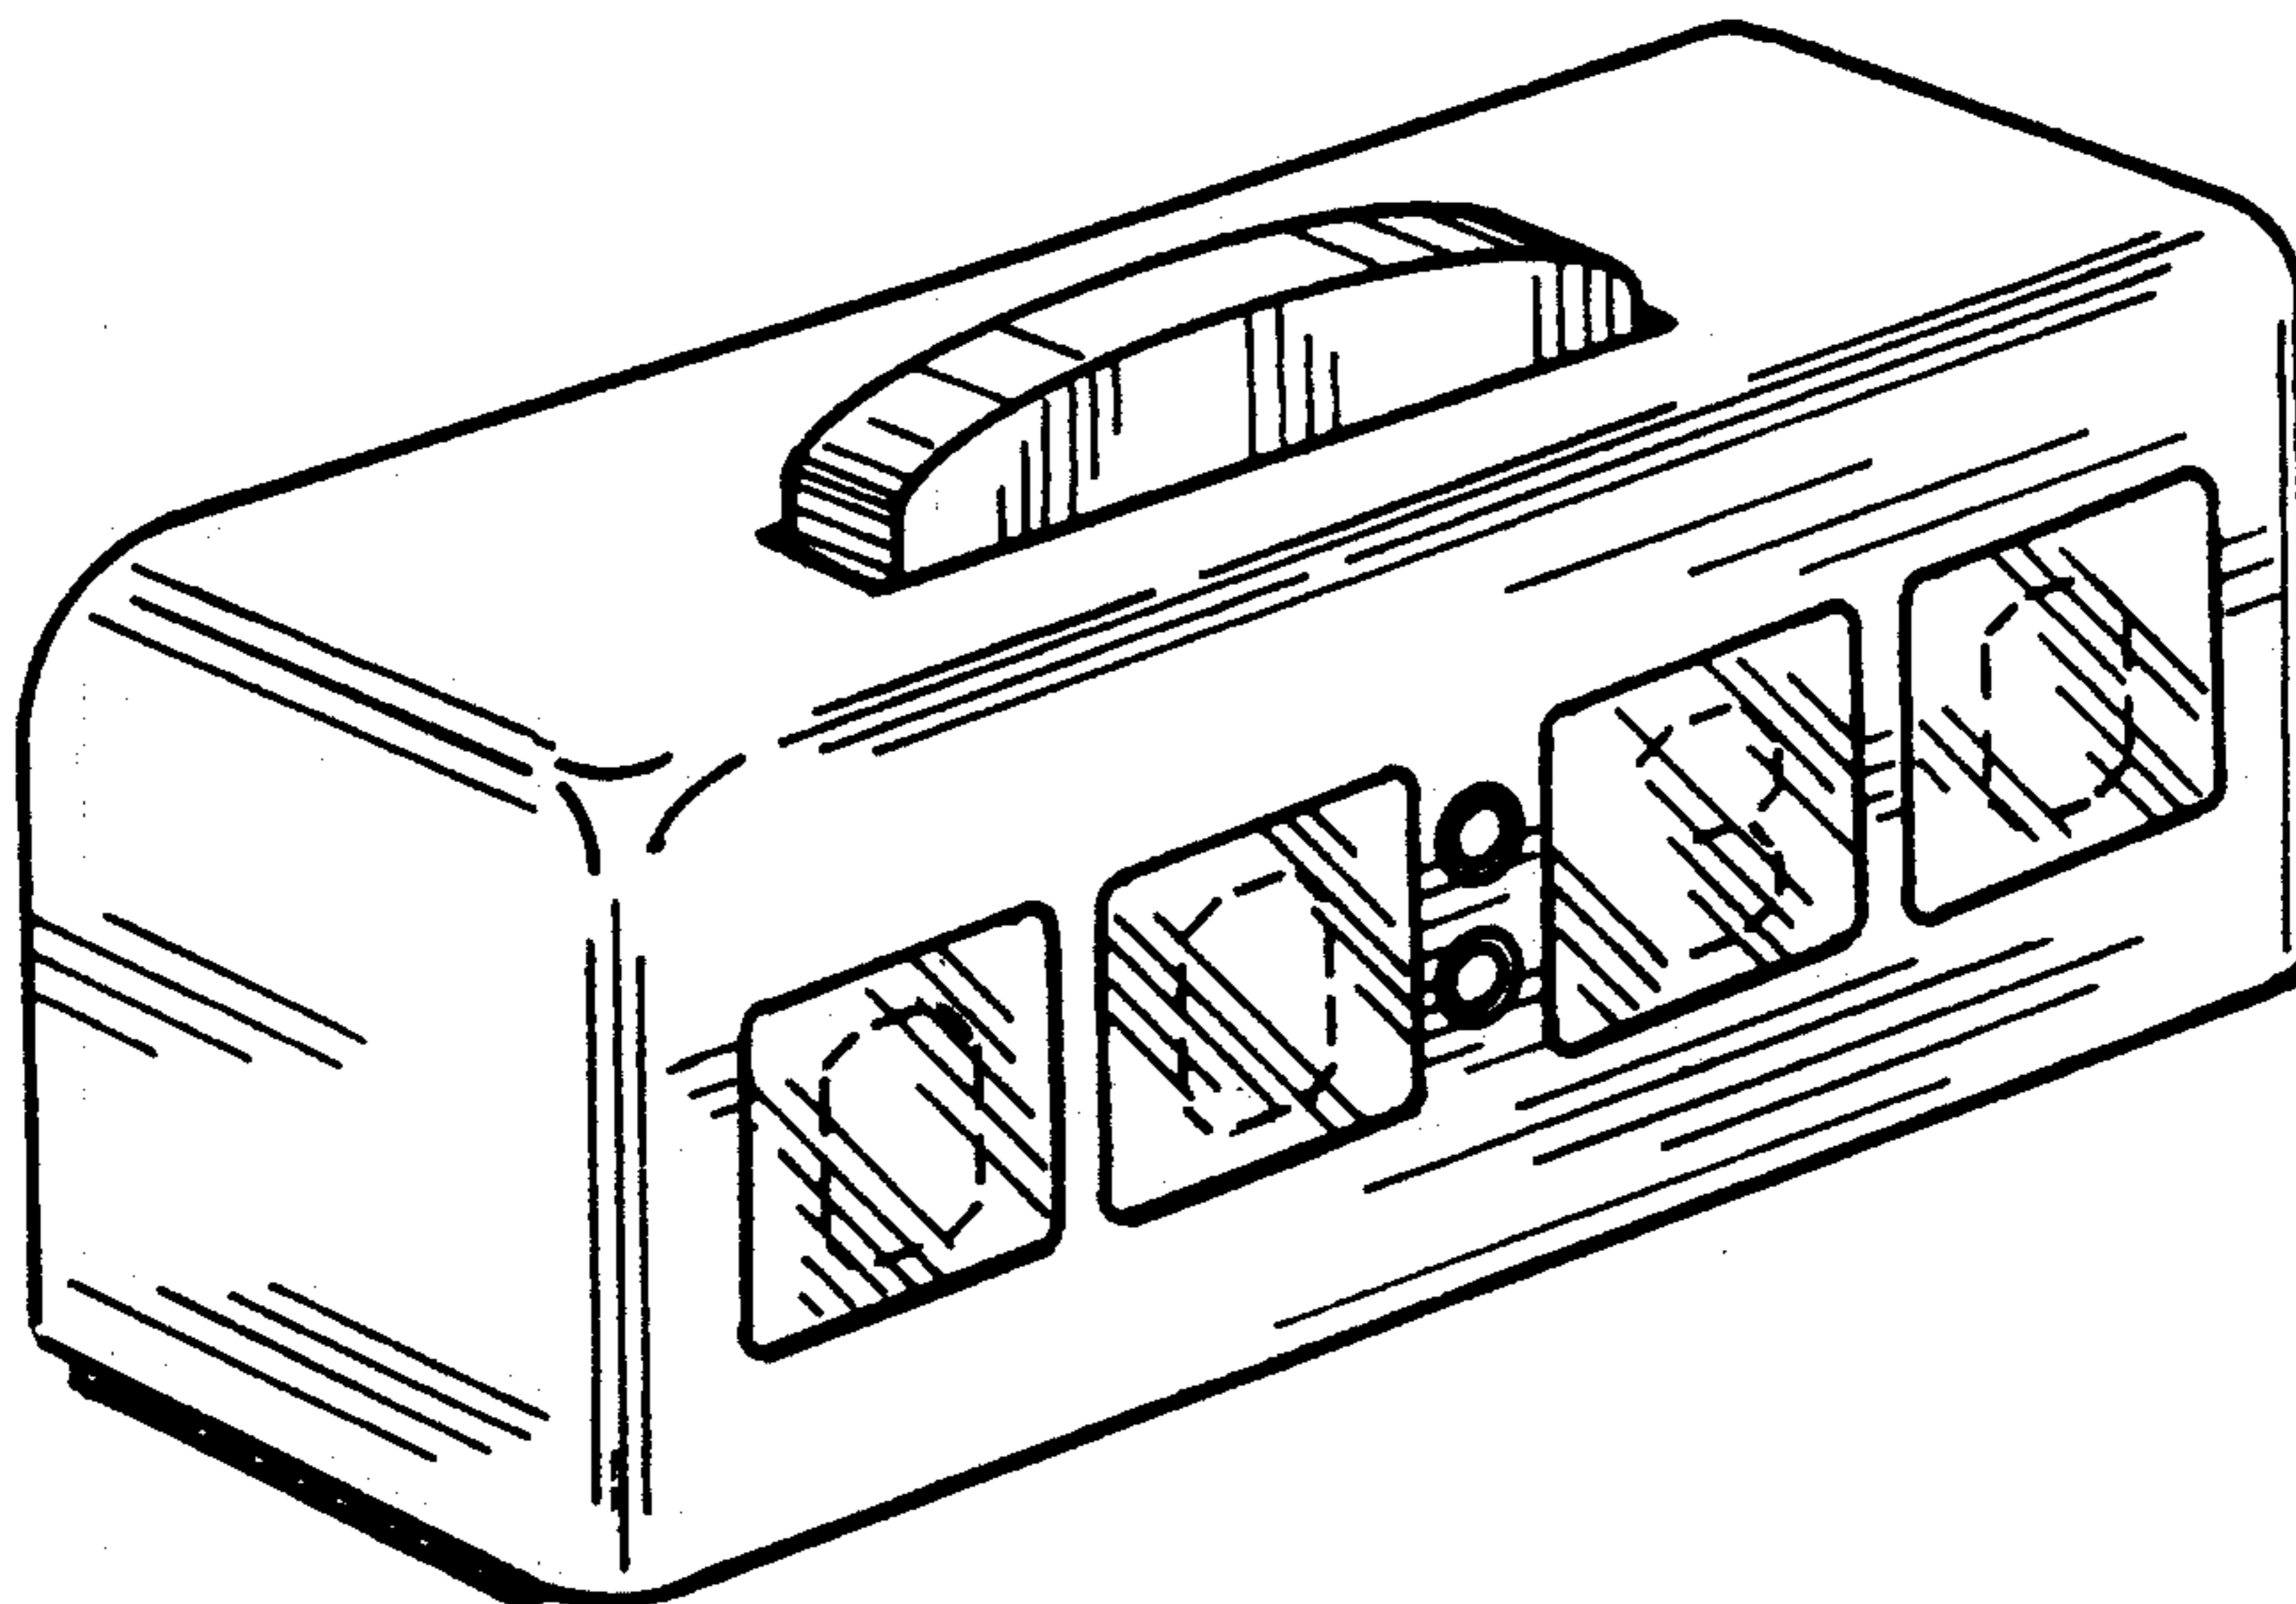

FIG. 4 is a front elevational view thereof;

FIG. 5 is a left end elevational view thereof;

FIG. 6 is a right end elevational view thereof;

FIG. 7 is a top plan view thereof; and,

FIG. 8 is a bottom plan view thereof.
