[57] **CLAIM**

The ornamental design for a convertible wheelbarrow and storage cart, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the convertible wheelbarrow and storage cart showing our new design; FIG. 2 is a similar view but on a smaller scale, environmentally illustrating the ease of transporting garden tools and supplies;

FIG. 3 is a side elevational view thereof, in smaller scale;

FIG. 4 is a rear perspective view thereof;

FIG. 5 is another rear perspective view with the tray and end wall rearranged;

FIG. 6 is a front perspective view of the convertible wheelbarrow and storage cart rearranged into an upright position and with the tray rearranged from a lowermost to an uppermost position;

FIG. 7 is a similar view as FIG. 6 on a smaller scale, environmentally illustrating the ease of transporting garden tools and supplies;

FIG. 8 is a side elevational view of FIG. 6 in smaller scale;

FIG. 9 is a rear perspective view of FIG. 6; and,

FIG. 10 is a front perspective view similar to FIG. 6, with the tray relocated from an uppermost to lowermost position.

The portions shown in dotted lines are for environmental purposes only and form no portion of our design.
