[57] **CLAIM**

The ornamental design for a "fluid access port for medical container", as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a fluid access port for medical container, showing our new design, the broken line showing of the container is for illustrative purposes only and forms no part of the claimed design; FIG. 2 is a top plan view of the medical container; FIG. 3 is a side elevational view thereof, the opposite side elevational view being identical thereto; FIG. 4 is a bottom plan view thereof; and, FIG. 5 is an end elevational view thereof, the opposite end elevational view being identical thereto.

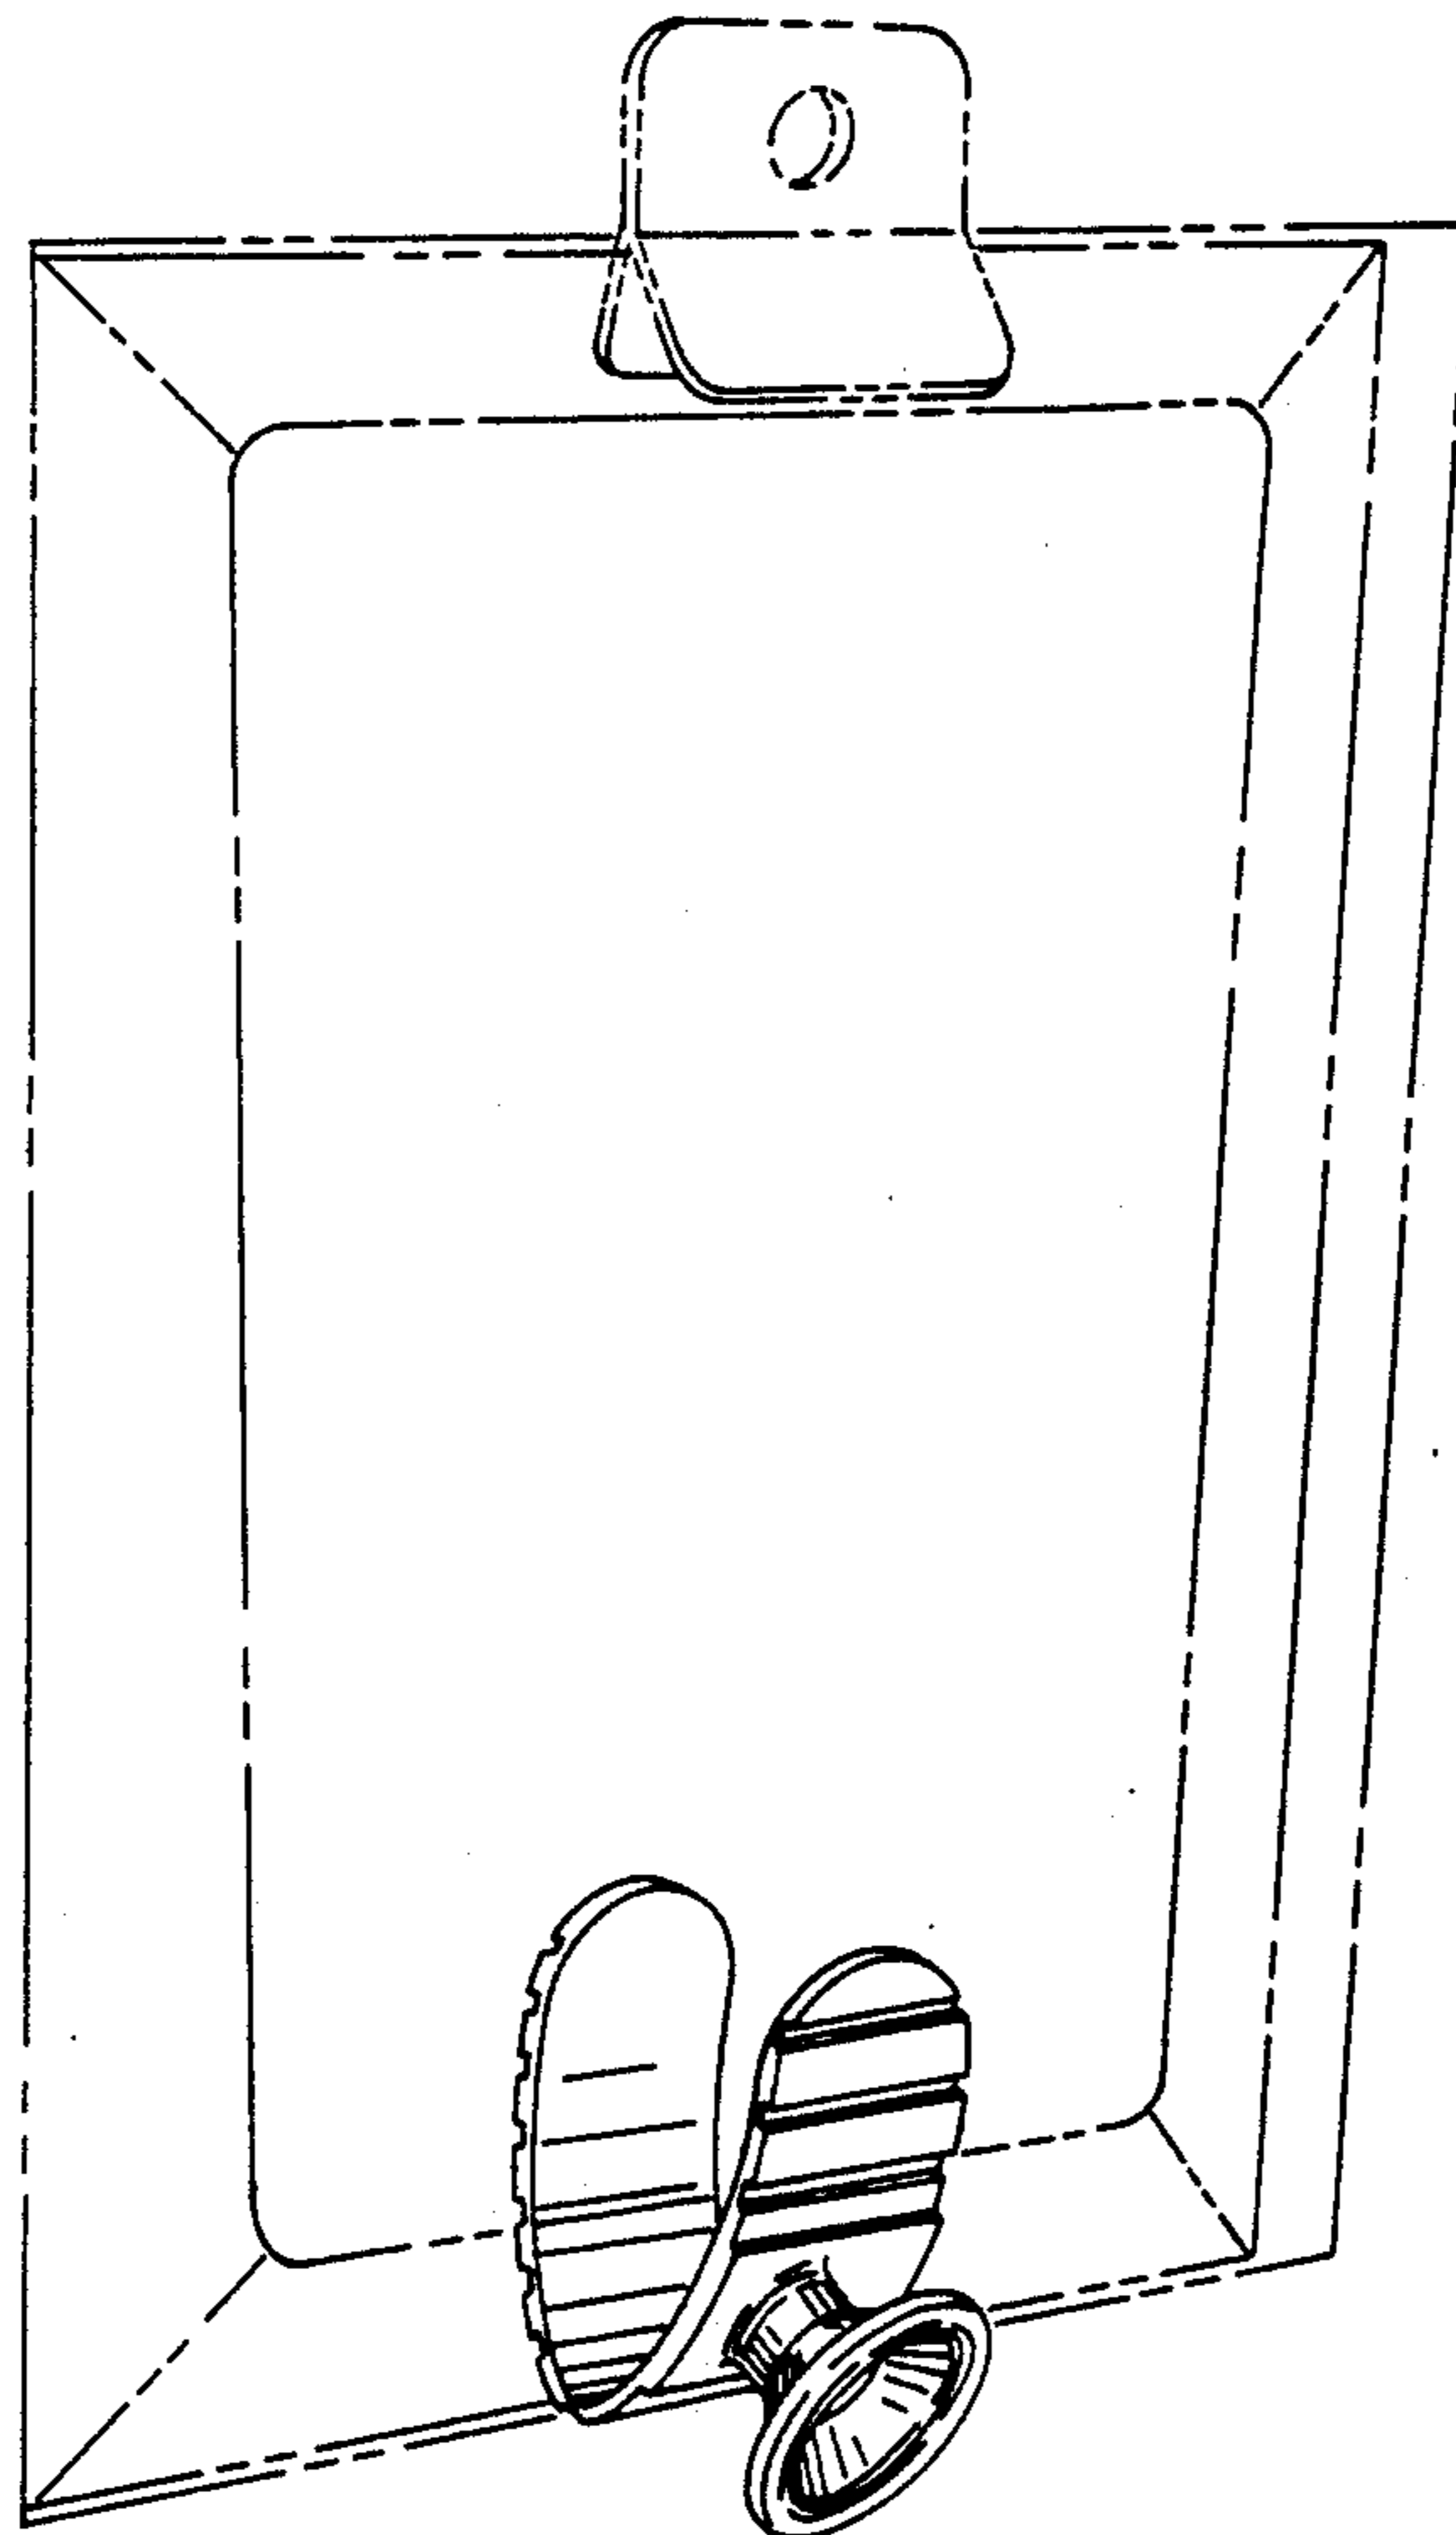

FIG. 1

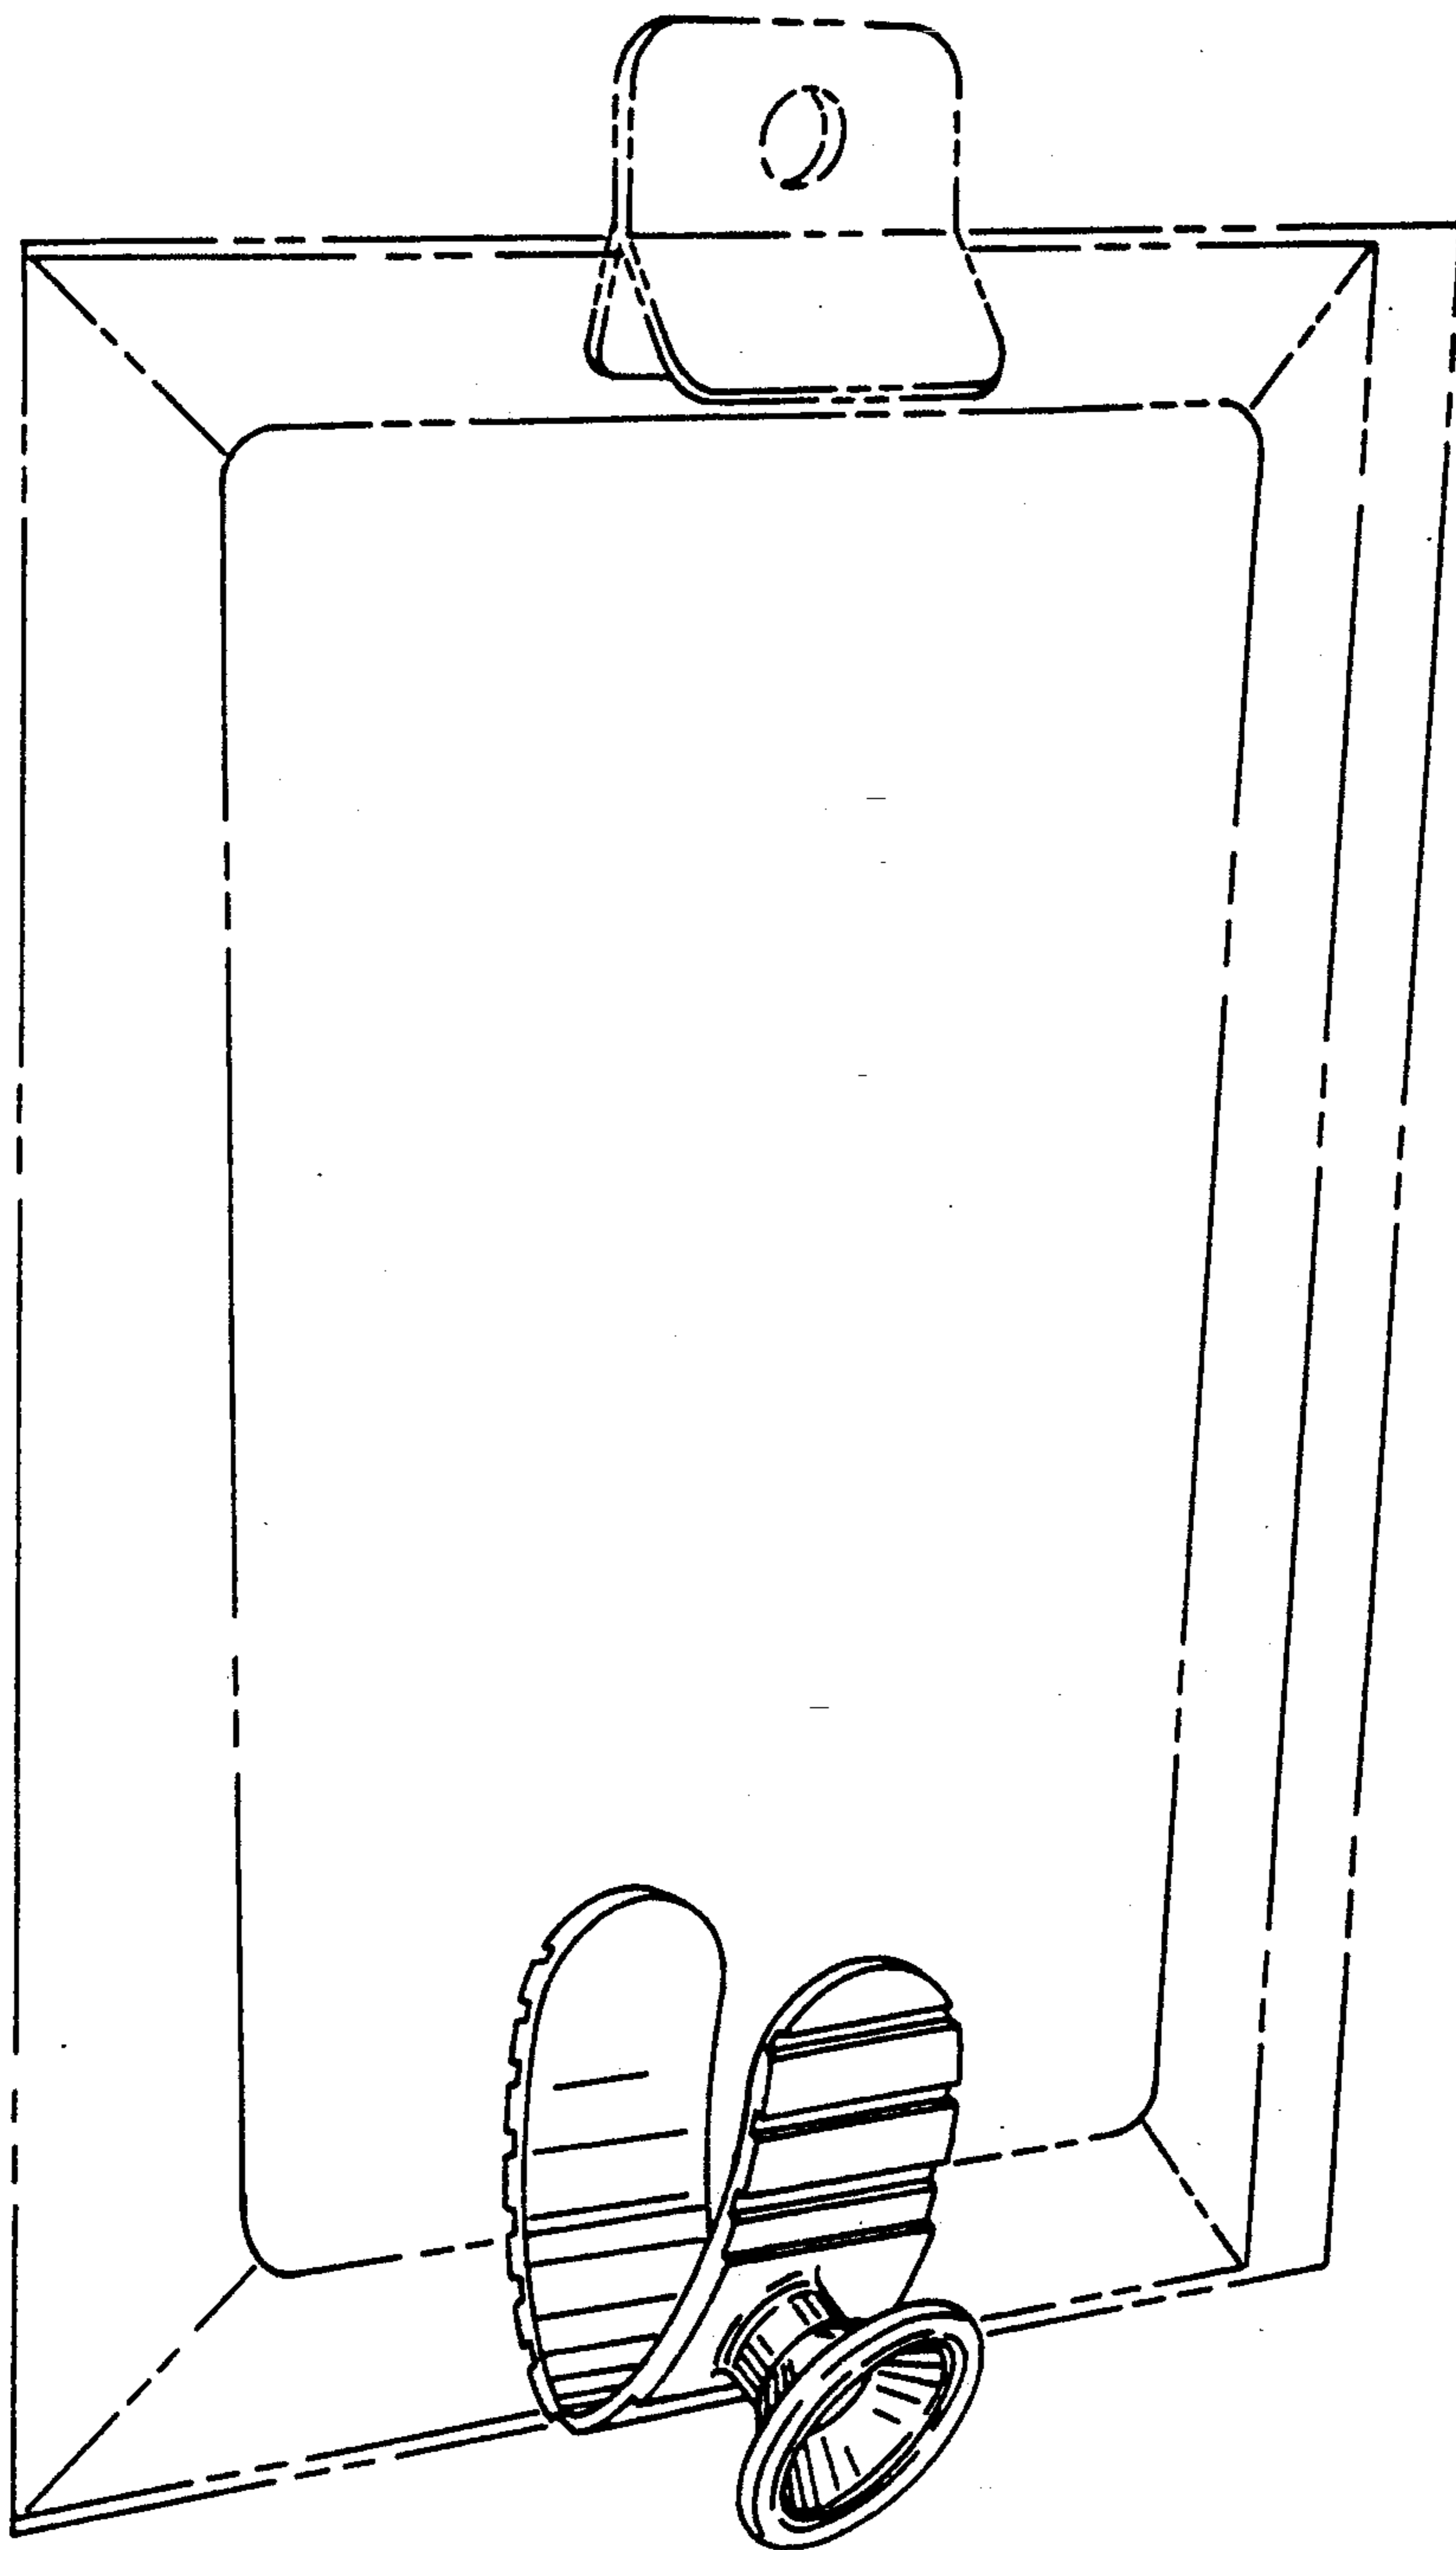

FIG. 2

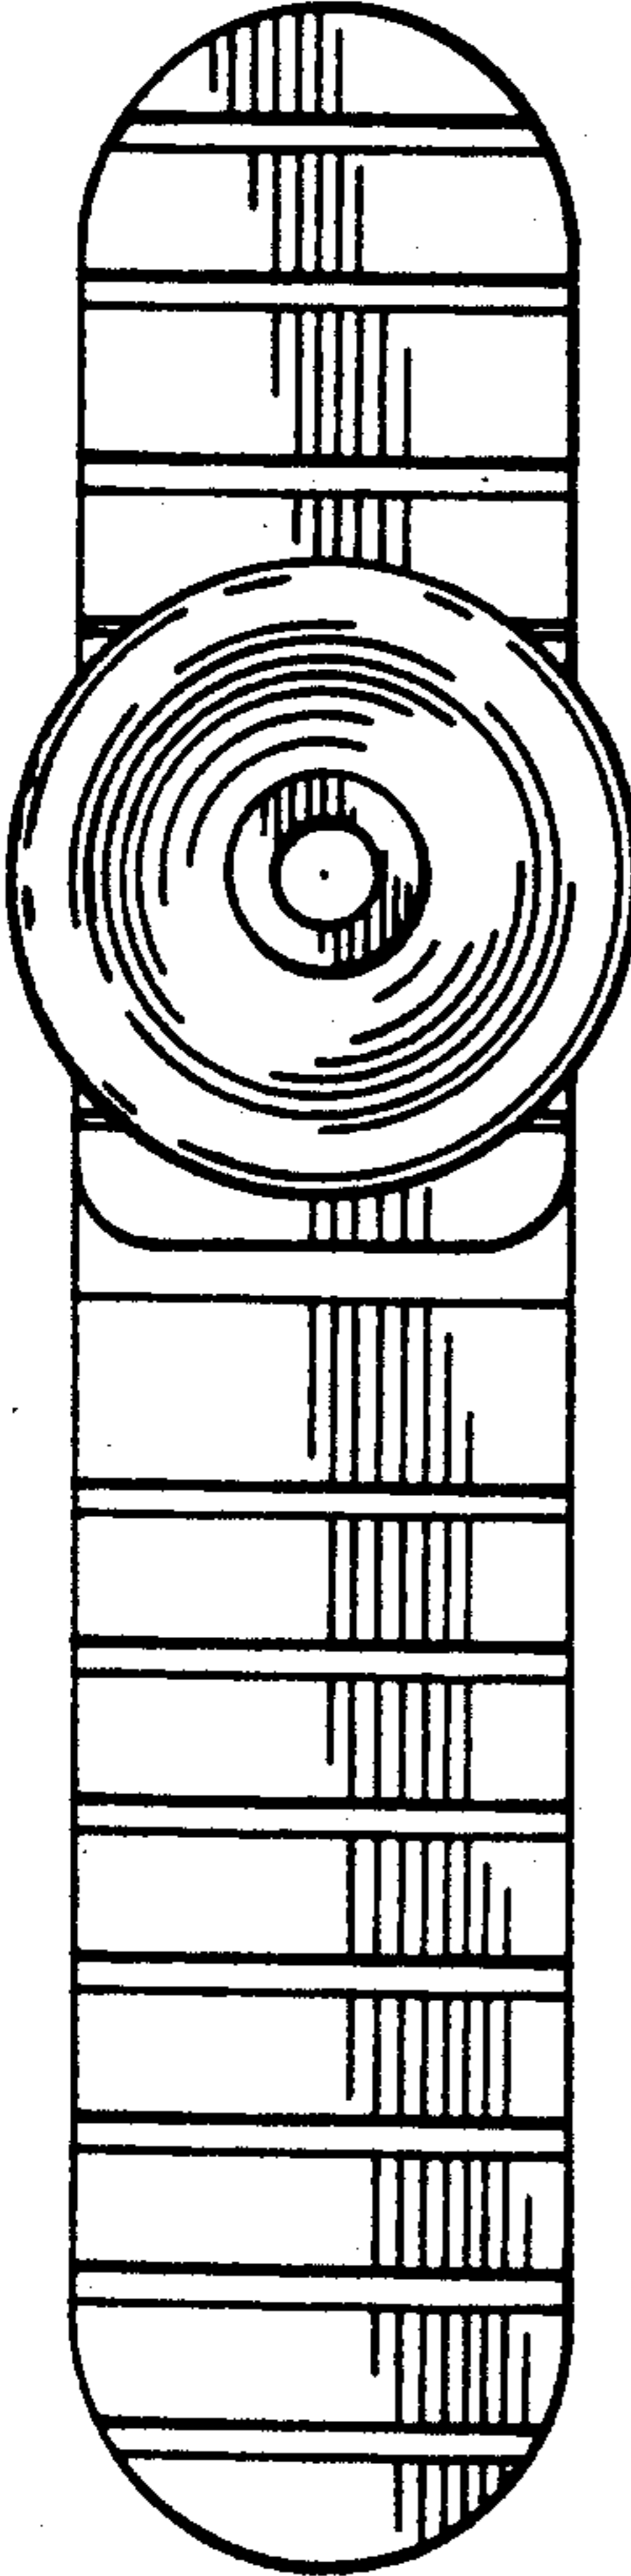

FIG. 3

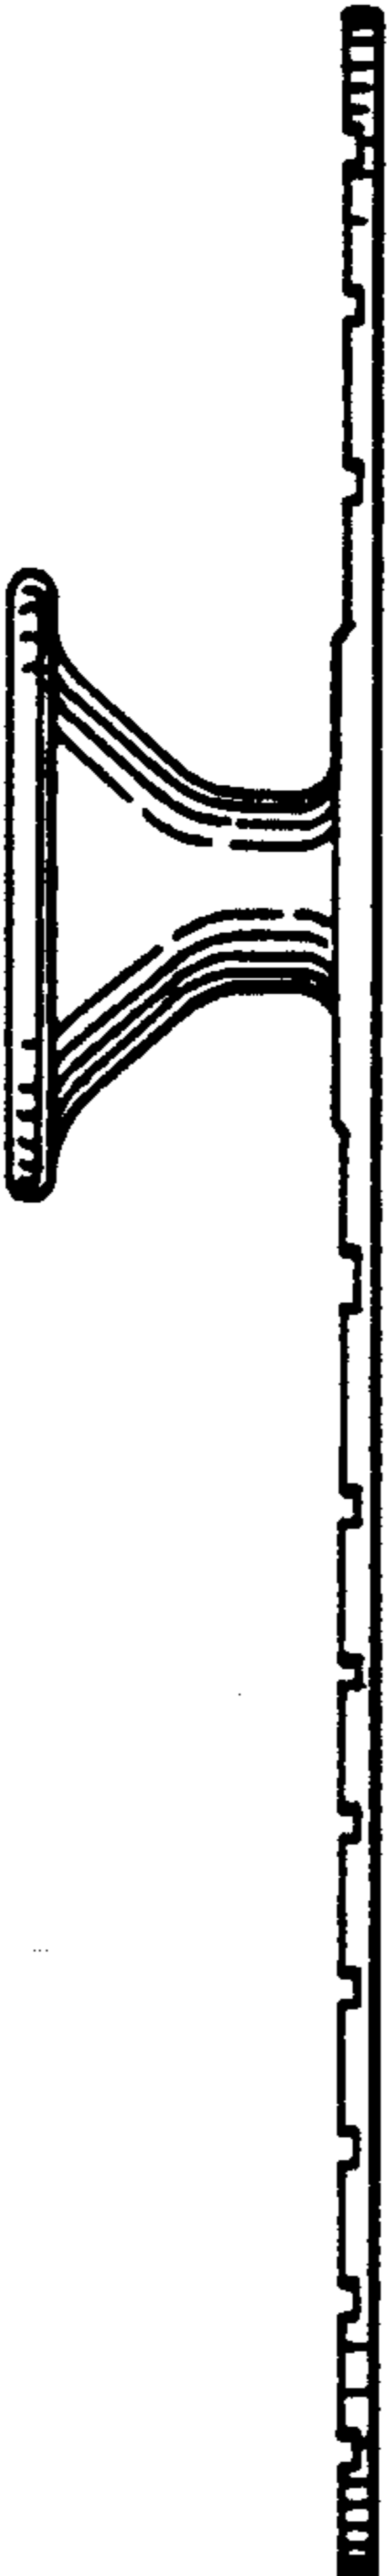

FIG. 4

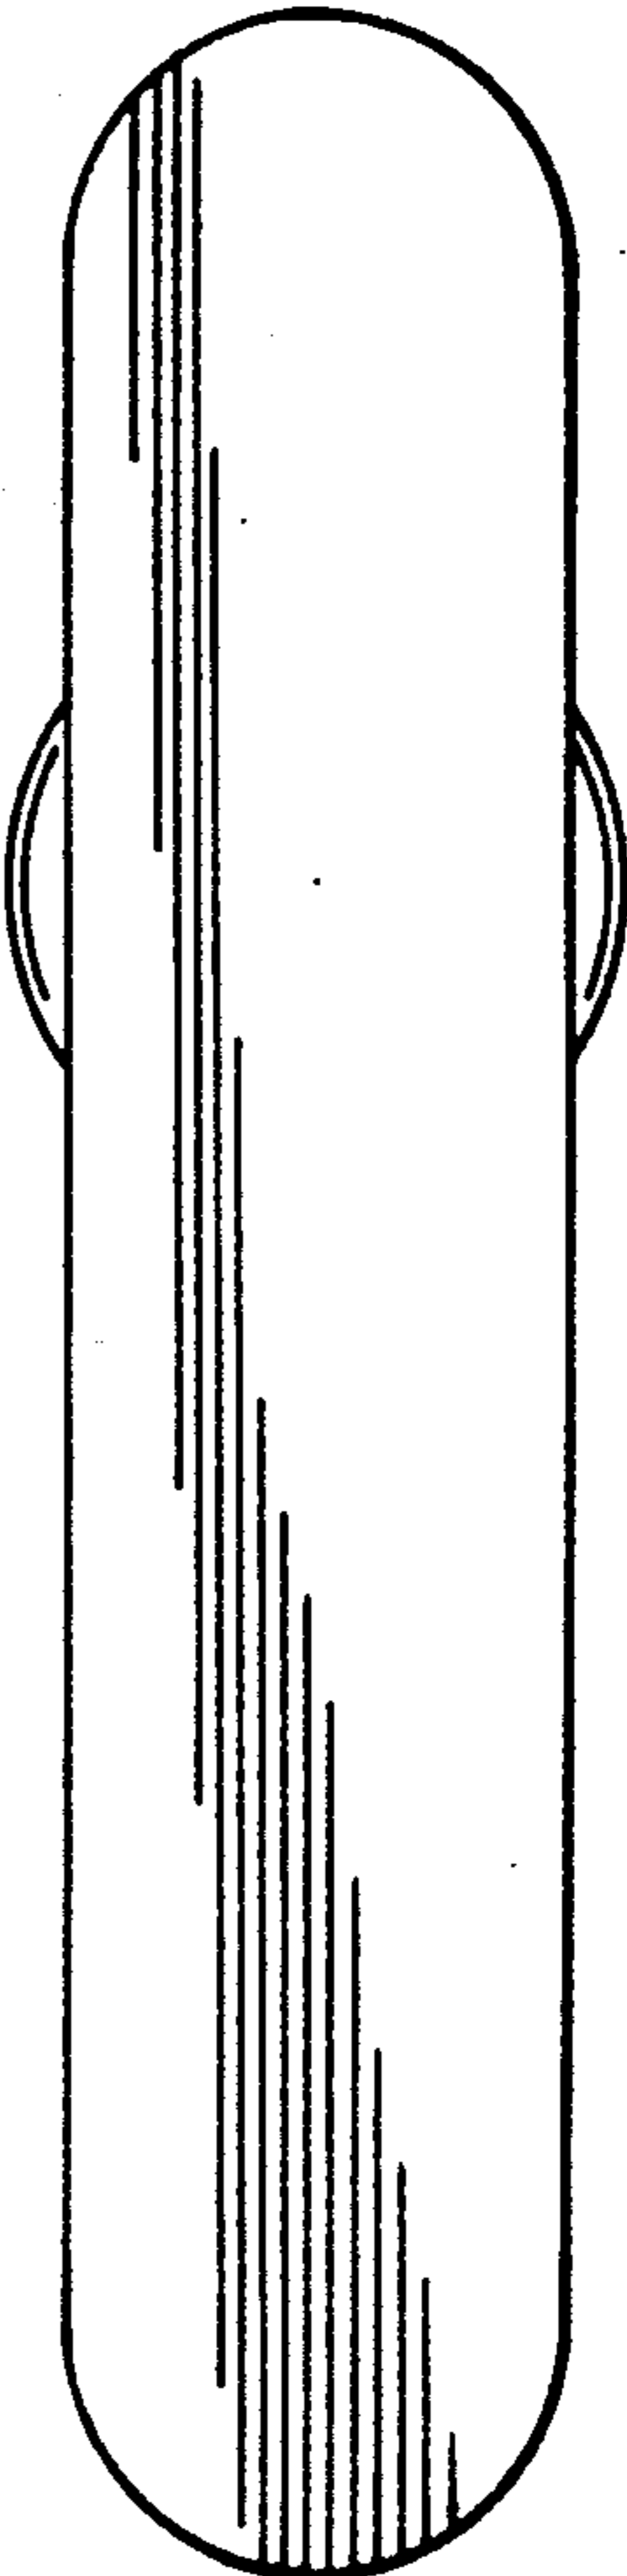

FIG. 5
