[57] CLAIM

The ornamental design for a combination pillow and music box, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the combination pillow and music box showing my new design, the flap portion associated with the pillow being shown in its folded back position;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a front elevational view thereof; and,

FIG. 5 is a right side elevational view thereof.

The rear elevational view and the left side elevational view of the subject combination pillow and music box not shown in the drawings are mirror images of the front elevational view shown in FIG. 4 and the right side elevational view shown in FIG. 5, respectively.

The cross-hatching in FIGS. 1-5, is intended to represent conventional fabric and is understood to extend uniformly across the surfaces represented.
