[57] **CLAIM**

The ornamental design for a automobile body, as shown and described.

DESCRIPTION

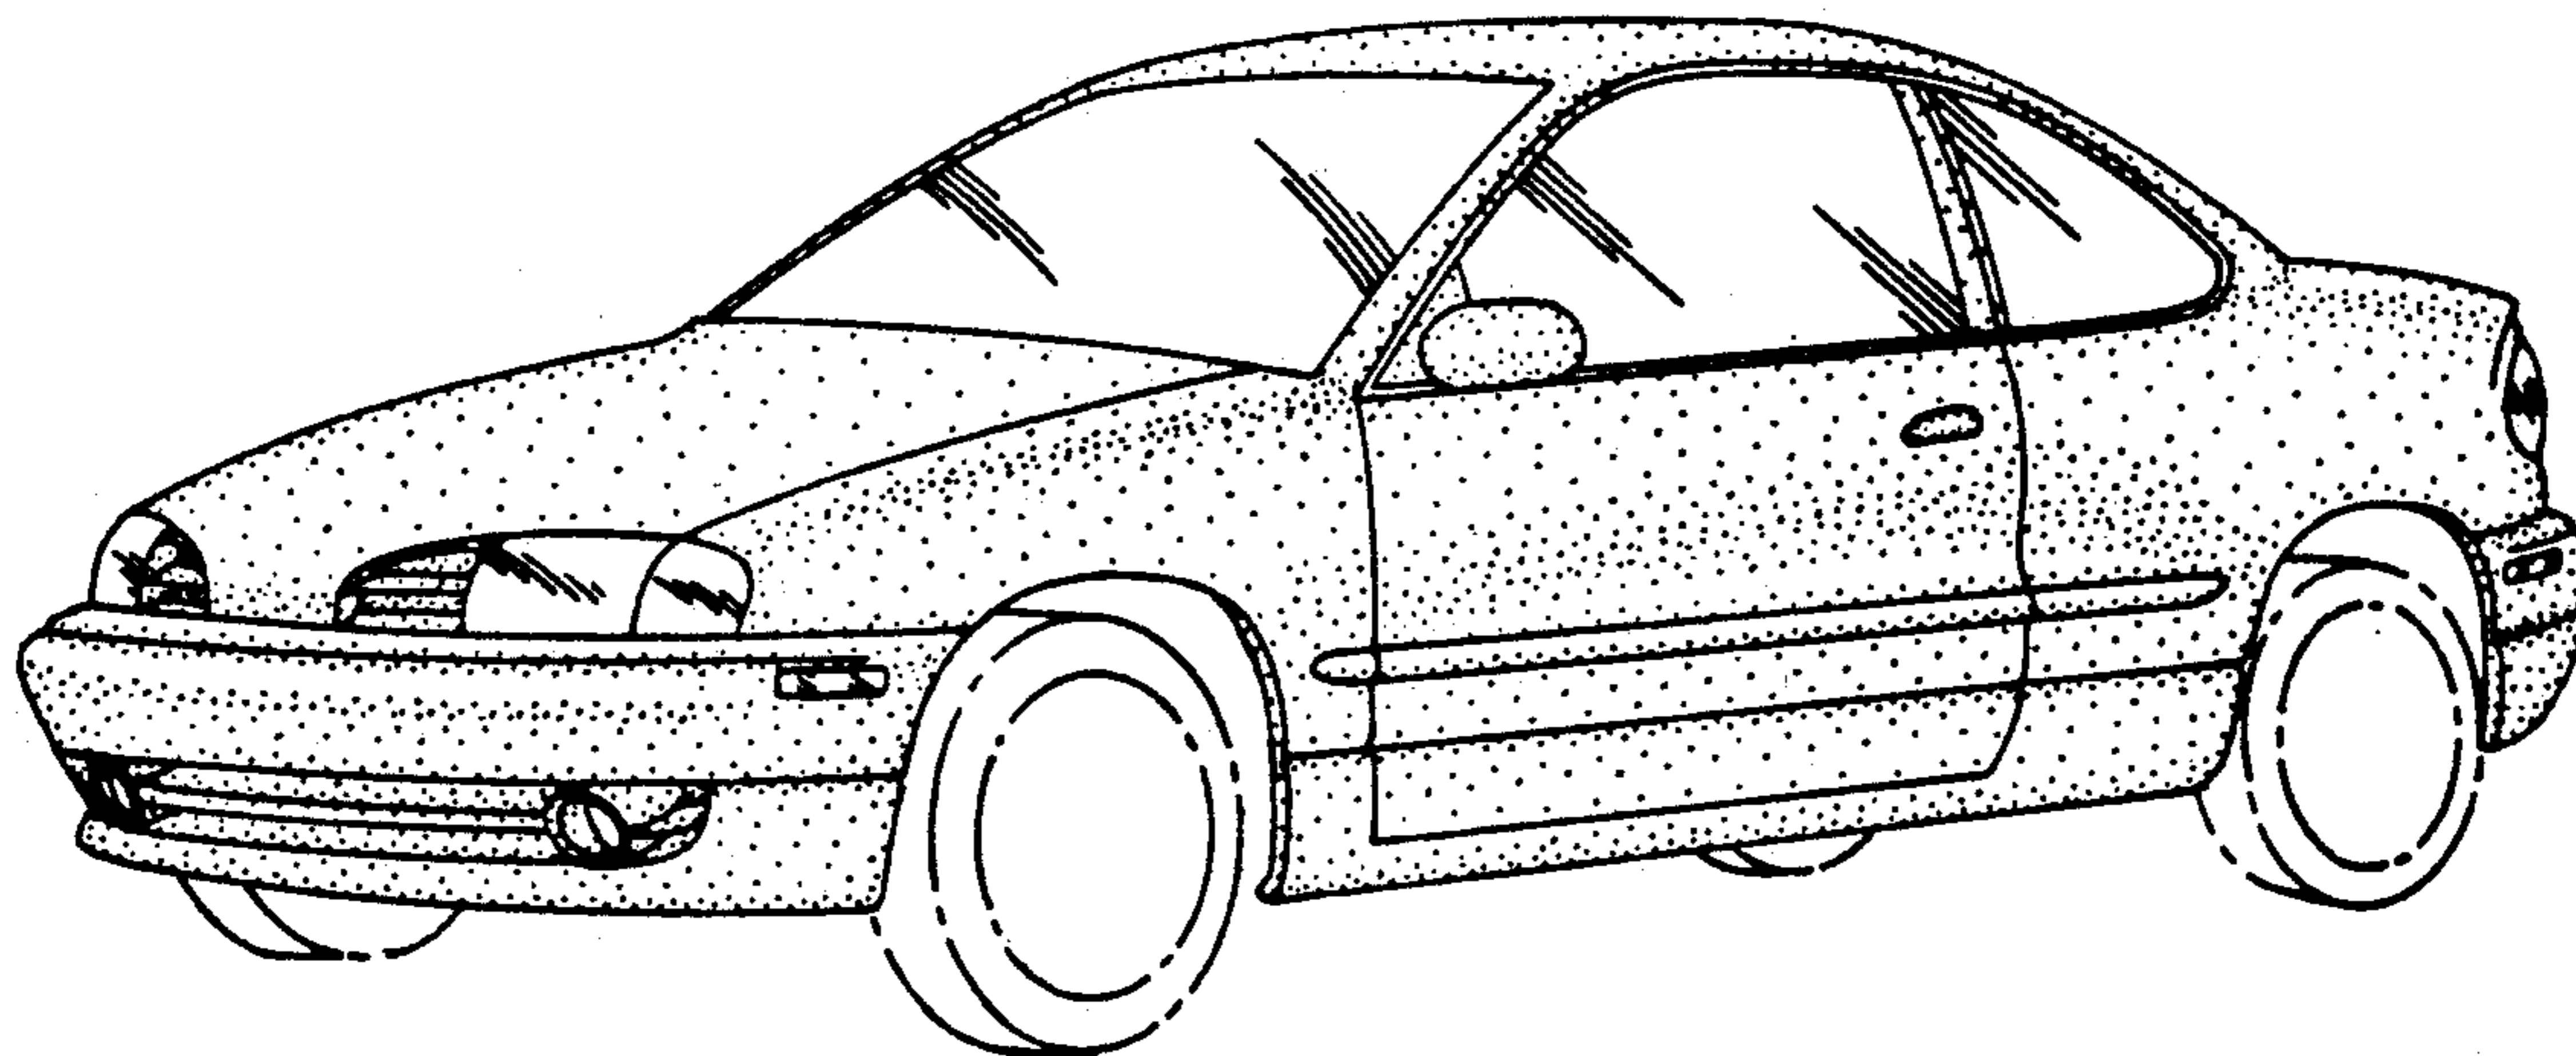

FIG. 1 is a front and left side perspective view of a automobile body showing our new design;

FIG. 2 is a rear and left side perspective view thereof; and,

FIG. 3 is a left side elevational view the right side being a mirror image thereof.

The top of the automobile body is understood to be plain and unornamented.

The broken lines are for illustrative purposes only and form no part of the claimed design.
